A week later, Mrs. Brewer was going to see her sick sister, so the clone had to drive her to the airport and was later asked by their neighbor for some help when he returned to the house. When he got back to the house, he found Margaret and Casey in the basement and calmly but crossly scolded them that they were told to stay out of it. Margaret and Casey asked him what he was doing in there, to which he replied that he will explain later.

Later on, the clone started to show some of his plant-like tendencies. First, he was devouring plant food in the kitchen. Then Casey knocked over a Dodgers cap he was wearing, exposing some leaves sprouting from his head when he was "explaining" to Margaret and Casey what he was doing. Then one night he was in the bathroom bleeding green blood. He didn't realize that Margaret had been spying on him when he was eating the plant food and bleeding blood and she also saw some worm-filled dirt in his bed when she was going to confront him. Later, he made a very unusual and unpleasant-looking lunch for the two kids and tried to persuade them to eat it when the doorbell rang, revealing to be his original's boss, Mr. Martinez. The clone led him to the basement, but fearing his secret will be exposed, he bound and gagged Mr. Martinez and shut him in the closet with his original, but not before stripping him of his clothes. He found that Margaret and Casey had once again been in the basement and they asked him what had happened to Mr. Martinez as they had found his jacket, to which the clone lied that Mr. Martinez had gotten hot and uncomfortable so he took it off and must have been in a state of shock when he left it there. The clone then told the two kids not to go back in the basement as it is dangerous and they would be very sorry.

Later on Saturday, the clone went to the airport to pick up the children's mother, who was back from visiting her sister. They returned home and the clone found Margaret and Casey in the basement again and that they had freed their real father, to which he was most astounded at. He and his original argued about who the impostor was, putting Margaret, Casey and their horrified mother in the middle. Margaret then grabbed the ax from the hatless Dr. Brewer's hands and told both of them to stay back. The clone was relieved and ordered Margaret to hand the ax over to him. Margaret was hesitant until her father from the closet called her Princess, a nickname that the clone had never used. Then Margaret remembered seeing the clone bleeding green blood and with

Casey's help, she punctured her father's arm and found red blood, revealing him to be their real father, much to the clone's horror. Immediately after, Dr. Brewer killed his clone by cutting him in half with the axe.

When I was done everyone that hadn't heard about it was shocked!

Qin: I remember that!

Laney: That was crazy!

Eddy: Yeah no kidding!

Dust Man: Nico, who's gonna get a chance to shine today?

Nico: Rice, Konan, Laney Loud, Naruto, Maxxine, and Lyra Heartstrings

Laney: I'm glad I was spared from being turned into a clone.

Lincoln: Same here.

Lyra Heartstrings: This will be fun.

Konan: And me coming to help on the rescue was a good call.

Me: Yeah.

Nico: I agree.

Camie: Is Dr. Brewer crazy as any mad scientist we know that we banished to the Black Gates?

Me: No Dr. Brewer is not that crazy thank goodness. But what he is doing is wrong on so many levels. But he realizes that he is doing really wrong stuff.

Then Tom Lair came.

Me: Oh hello Tom.

Irma: Hey dad.

Tom Lair: Hello everyone.

Me: What's going on.

Tom Lair: Okay. Say something only you guys would know.

Me: Like what in particular?

Tom Lair: Like what's your favorite food?

Me: Ultimeatum burgers.

Nico: Chicken Wings, Cheese, Cake and Cookies and Cream.

We told him our favorite foods.

Tom Lair: Okay good you guys are okay but I saw something wrong with the Loud Sisters. They don't have their wings or powers and all that.

Eli: It's just as we were told. That Brewer Clone replaced them with clones.

Tom Lair: That guy? Didn't you guys take care of him when he abducted Victor and Monty?

Me: Yeah. We thought we did but Slappy brought him back.

Tom Lair: I thought we saw the last of that bad smartaleck puppet!

Me: So did we. But he is back from the Dark Dimension.

Nico: And is causing trouble even as we speak.

Qin: Yeah.

Nico: The rest of the Loud Sisters must be held captive somewhere!

Me: Luckily I have a little something I picked up from Lisa.

I pulled out a tracer and the radar showed that they were in an abandoned cabin in the middle of the forest 75 klicks to the northeast.

Me: Nico remind me to have a little talk with Lisa about putting chips in everyone without everyone's consent.

Nico: Noted.

Ben: Also this reminds me of what me, Gwen and Kevin went through

Me: Really?

Kevin Levin: We shit you not. If it weren't for Jimmy, we wouldn't have gotten out.

Me: What happened?

Ben: Well we were captured by this alien plant monster.

He told us what happened in Bellwood after the secret of Ben being Ben 10 got out.

---

Jimmy is near a cave with his video camera, saying he is following a tip about a meteor shower. Suddenly, a meteor hits the inside of the cave, so Jimmy goes investigating, but he is shocked to learn that the object inside the cave is nothing but a "dumb space plant". The plant suddenly blooms and attacks Jimmy.

At a remote location, Ben (as Rath), Gwen, and Kevin are fighting SevenSeven. After SevenSeven defeats Gwen and Kevin, Rath defeats him and ties him to a pole. After Rath transforms back into normal, the group was briefly celebrating victory when Jimmy appears and says he has a major story about an alien invasion. Gwen and Kevin leave as they don't believe him, while Ben goes with Jimmy to go to the cave. Soon enough, Ben can't find the plant Jimmy was talking about, much to Jimmy's disbelief. He refuses to give up, so he finds some water graphs that show an increase in water usage in Bellwood. He then goes back to the cave, and finds Ben there, talking to the alien monster. He gets a blurry picture of

Ben and tries to show this evidence to Gwen and Kevin, but they still don't believe him, even when he shows them the increase of water usage, so he goes on Will Harangue's show to tell the people about the invasion, but Harangue twists the story, telling his viewers that Ben is plotting an alien invasion. Gwen and Kevin finally get suspicious and decide to investigate the cave Jimmy was talking about. At the supermarket, Jimmy encounters Ben, and he is creeped out by his unusual behavior. When he attempts to leave, he is attacked by Humungousaur.

Jimmy is chased through the supermarket by Humungousaur, who causes a major wreck inside. When Jimmy manages to get away from him by going through a narrow alley, he calls Gwen and Kevin and tells them that Humungousaur is attacking him, but they assure him they know what's going on and that they investigated the cave. Soon, Jimmy is chased by Cannonbolt. Jimmy gets away from him again and finds Gwen and Kevin's car, but he notices something wrong with them. Ben urges him to get in and they go back to the cave. It is revealed that Ben, Gwen, and Kevin are clones created from the plant alien and that they were made to capture Jimmy to find out how he is immune to their master's power. The plant alien's plan is to make copies of everyone in the planet and create an Utopian planet without war, hunger, disease, and fun. Soon, vines crawl on Jimmy and prepare to strangle him.

As the vines tighten around Jimmy, a few packages of peanuts from his backpack fall out and land near some vines, who back away from the peanuts. Jimmy realizes that peanuts is the plant's weakness, explaining how he escaped from the plant before and frees himself and his friends. Plant Gwen and Plant Kevin clones do not possess their counterparts' powers, but Plant Ben stole the Ultimatrix from Ben while he was captured. Plant Ben transforms into Chromastone, but Jimmy throws peanuts at him, which transforms him back into normal.

Just as Plant Ben is about to transform again, Ben takes the Ultimatrix from him and transforms into Swampfire. Swampfire kills the plant clones, angering the plant alien, causing them to all run out of the cave. Swampfire, Gwen, and Kevin to fight the plant alien, but it is too strong. However, Jimmy throws his backpack full of peanuts inside the alien's mouth, weakening it. Swampfire evolves into Ultimate Swampfire and destroys it. Jimmy is sad that he couldn't get any video of the battle, but they reassure him that he is a real reporter, and they will take him seriously from now on.

---

When it was done we were shocked!

Nico: WHOA!

Me: Wow! What did this alien plant look like?

Gwen showed a hologram of it.

---

The Plant Alien is a villain that appeared in The Big Story.

The plant alien looks like a pod with purple roots. When the plant alien bloomed, it popped out of the ground and had one eye with a dark purple outline.

It crash landed into a cave on Thursday, May 25, and attacked Jimmy while he was investigating the area for some alien activity.

The plant alien can use its vines as arms to grab victims and eventually devour them. It can also shoot a burst of goo from its mouth. It can imprison people in container like structures and create clones of them, although without the real version's powers. It was also able to take the Ultimatrix from Ben.

---

We were shocked!

Nico: Whoa! That is ugly!

Shanan: (GASP!) That's a Eridanian Droserean Plant! They are plants that take lifeforms and they can make duplicates to replace them and imitate them.

We gasped!

Nico: We're getting off topic here.

Me: But this is very similar.

Nico: Yeah.

The previous group came.

Count Nocturne: Can me, White Lightning, Seadramon, Deadwood, Oculous, Black Lance, Ryugu Tamatebacco, Black Knight Ghost, Stonedozer and Zavok go with you guys?

Nico: You sure can guys.

Seadramon: We just saw the Loud Sisters and they were offered meat and refused it. Not like them.

Me: That's because those are imposters and our old friend the Brewer Clone is back.

They gasped!

Deadwood: That explains it.

Me: Yep.

Lincoln: Me and Laney are the only ones that weren't captured by him.

White Lightning: Boy you guys dodged a bullet there.

Elec Man: Nico, which Gene Slammer of me and my fellow Robot Masters will you meet next?

Nico: Toad Man next.

Me: Ooh this will be cool.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Henry Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Henry Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Hestia Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to Simon yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Margaret, Casey, and Dr. Brewer destroy Dr. Brewer's Plant Clone and The Plant Clones of The Loud Kids minus Laney.

Lincoln: Make plant clones of us, will he?! He's going to get burned and shredded into mulch for this along with those plant clones of us, and once we get done with them, you're next, Henry Seraphina.

Hestia Seraphina: You better be ready to bleed, Henry Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well, and for what you did in giving Dr. Brewer's Plant Clone samples of the hair of Lincoln and his sisters minus Laney from before they got their powers, now, it's personal, you piece of fucking shit!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Margaret, Casey, and Dr. Brewer destroy Dr. Brewer's Plant Clone and The Plant Clones of The Loud Kids minus Laney, after we got through with them, Hestia Seraphina and Lincoln are going to destroy Henry Seraphina, the next of The Seraphina Sister's evil cousins, and they're really going to make him suffer especially in what he did in giving Dr. Brewer's Plant Clone samples of the hair of Lincoln and his sisters minus Laney from before they got their powers.

We were off to find the plant clones. We had weed killer and flamethrowers and we had fire ready for them.

---

We were flying.

White Lightning: Let's rescue the other Loud Sisters first.

Me: Well according to Lisa's tracer it saws their location is up ahead.

We saw a creepy cabin in the forest.

Nico: Creepy.

Me: A Creepy Cabin In The Woods. Very fitting for a clone monster.

We landed and went over to the cabin and it was creepy.

Leni: Hey, guys!

Concrete Man: Hey, "Leni"!

Rarity: Okay Leni what is my favorite kind of fashion magazine?

Then she growled and turned green and Laney splashed the Leni Plant clone with Weed Killer and it wilted and melted.

Deadwood: I'm a tree monster and even I think this guy is nuts!

Nico: You probably would not get along with him.

Qin: I agree.

We went into the cabin and stayed on the alert.

Me: (Sniffs) I smell plant fertilizer.

Lana came.

Lana: Hey, guys!

Dive Man: Hey, "Lana"! (To Kora Dive) Let's take her out together!

Kora Dive: You got it.

Me: Okay Lana do you like eating Earthworms and chum?

I pulled out a bucket of Earthworms and chum and then she growled and turned green and Kora and Dive Man fired torpedoes and blasted her into smithereens.

BOOOM!

Me: That's that.

Ryugu Tamatebacco: Are we getting close?

Eli: (Concentrates) Yeah the main lab is right below us. 100 feet below us.

Me: Whoa he is really going to a lot of great lengths to make sure we don't find him.

Nico: But with our powers there is always no place to hide.

Xenia: Yeah.

Mushi: We need to get them out now!

Nico: If you see any of those plant clones, blast them.

Eli: Down here.

Nico opened the door and it was a dark and scary tunnel that was pitch black.

Nico: I can't see anything down there.

Laney: Scary.

I turned on my infrared night vision.

Me: Follow me.

We went down the stairs and it was dark and scary.

We saw Lucy Loud.

Lucy Loud: Hey, guys.

Stonedozer: Hey, "Lucy"!

Rice: If you really are her!

Brittney: Want some blood?

Brittney cut her arm and she had blood drip out and then Lucy growled and turned green and I fired a blast of fire and incinerated her.

Me: That is that.

Brittney's wound healed.

We got to a big metal door.

Eli: Whoa.

Me: Big door.

Eli: The big main lab is through there and I sense 13 signals. It's the Loud's, Dr. Brewer and Margaret and Casey.

Me: Looks like we're going to have to bust through the door.

Bugly: Like this?!

He fired a blast and blew the door down and we gasped when we saw a MASSIVE AND HUGE GREENHOUSE!

Me: Wow!

It was a massive and incredibly huge greenhouse full of tropical plants and everything.

Nico: Wow! It's a jungle in here.

Me: And this far underground? Wow!

Xenia: Boy growth like this would take thousands of years.

Laney: Incredible.

Zavok: We need to get them out now!

Konan: And then go to the bunker to plan our next move!

Me: Right!

Eli: Look there!

We saw 13 plant pods and in each one was one of each of the Loud Sisters, Dr. Brewer, Margaret and Casey!

Me: It's them!

I unsheathed my sword and slashed open the pods and they fell out and they were weak, dizzy, tired and groggy.

Bobby caught Lori.

Lori: (Groans) (Weakly) Boo Boo bear?

Bobby: I'm here Lori.

Ed and Eddy caught Leni and Luan.

Sam caught Luna, Lightning caught Lynn, Rocky caught Lucy, Winston and Skippy caught Lana and Lola, Dexter caught Lisa and Carlitos caught Lily. Me, Nico and Eli caught Margaret, Casey and

Dr. Brewer.

Sam S.L.: Luna are you okay?

Luna: (Groans) (Weakly) Sam? Oh man what hit me?

Me: We'll explain later.

We heard growling.

Me: Lets go!

We teleported back to the Estate and went to our infirmary.

Lola: (COUGHS) What happened? I have the worst headache.

Lana: Me too.

Lily: I feel like I got smashed by a comet.

Lisa Loud: My cranium is really spinning.

Me: You guys were captured by the clone of Dr. Brewer.

Eli: Yeah.

Lucy: Gasp.

Laney: But at least you are all okay.

Runabout: Now, let's see that bunker.

Tom Lair: All the people are hiding in it should there be an emergency. I'll show you guys where it's at. It's underneath the Gotham Royal York Convention Center.

Me: Lets go then. Lori, you and your sisters get some rest. Varie said you'll feel better tomorrow.

Lori: Okay. Thanks guys. Laney literally made the right call going with you guys and so did Lincoln.

Lincoln: Yeah.

Laney: Thank goodness.

We went to the bunker.

We arrived at the convention center and went to the bunker and we saw that it was a REALLY HUGE Bunker!

Laney: Look at this!

Black Knight Ghost: When was this built?

Tom Lair: We had this built shortly after the World Tree Estate was made. Big enough to house 100 times more than the current population of Gotham Royal York.

Me: Wow! That's over 400,000,000,000+ People.

Nico: Yeah.

Camie: Wow look at everyone here.

Varie: Yeah.

Beastbox: There are a lot of goats here

Jimmy: (Laughs) Those are my goats. They are my friends that Rolf lets me take care of when he needs me to do so.

Carmen: It's true. Captain Rolf lets Jimmy take care of his goats when he is away at family gatherings.

Nico: Very cool and awesome.

Maria: It sure is.

Rolf: Rolf even brought Viktor!

Black Lance: (laughs) I knew you would!

Naruto: We're gonna need him.

Me: Yep.

We got the city to rally together and we got them armed with pitchforks, torches and weapons.

Jinx: This makes up for the rest of the Louds being out of commission.

Me: Yep.

We were later on the warpath towards the cabin.

Nico: Menasor we're going to need to drill our way down to the greenhouse.

Cybertron Menasor: (Irish Accent) You got it lad.

He drilled a tunnel and we walked down.

Oculous: He'll never see us coming!

Maxxine: No, he won't.

Cybertron Menasor: We're almost there lads.

Seawing: Entrance time!

Cybertron Menasor: That's right!

Menasor drilled through and the Brewer clone was mad. Then the spirits of goats came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and fireballs rained down and numerous plants bursted into flames. Then a phoenix cry was heard.

We came out.

Brewer Clone: YOU!

Me: That's right leaf breath!

An old lady approached us.

Old Lady: Excuse me. Would you like some flowers?

One punch from Nico revealed she was a plant.

Seadramon: Overkill, much?!

Lyra: You know she was a plant, right?

Seadramon: Yeah. (Echoing) ICE BLAST!

He fired a blast of ice from his mouth and froze the plant and destroyed it.

Rice transformed into Razorfist and slashed and smashed the Brewer Clone all over!

Laney: NO ONE TAKES MY FAMILY AND GETS AWAY WITH IT!

She lashed him with a whip made of bramble vines and slashed him with her scythe!

Konan: SHIKIGAMI DANCE!

She flapped wings made of paper and sent bombs of paper and they exploded all over!

Naruto: WIND STYLE: RASENSHURIKEN!

He threw a powerful Rasenshuriken of wind and it hit the Brewer Clone and exploded!

EXTREMELY MASSIVE POWERFUL EXPLOSION!

Maxxine turned into Queen Nail and she slashed and bashed and punched him.

Lyra fired magic blasts and blasted the Brewer Clone all over.

Brewer Clone: You think you can stop me from replacing humanity with plants?!

Me: You're fucking insane! No way in hell are we going to let you do that!

Lincoln: Yeah you psychotic walking piece of celery!

Lincoln fired a wave of fire and blasted the Brewer clone.

Lazlo: You are just a walking tub of banana peels!

He fired energy blasts and blasted the Brewer Clone all over!

Girl Jordan: You took my future husband's sisters and no way are we going to let you do anymore harm!

Brewer Clone: We'll see about that!

Then the rest of the clones came!

Nico: Fuck! We forgot the rest of them!

Plant Lisa, Lynn, Luan, Luna and Lily roared and growled.

Me: I didn't!

I fired waves of fire and incinerated them.

Nico: Now there are NO MORE clones!

Me: Yep!

Nico: I can't believe I'm saying this again but Loud Sisters you have failed this city!

Xenia: They sure have!

Twilight Sparkle: Brewer Clone you will pay for hurting our future sisters in law!

Sunset Shimmer: Yeah!

They fired waves of magic and fire and blasted the Brewer Clone all over!

Lola: Yeah!

May: Wait. Where are the clones of Lori and Lola?!

Eli: Already dealt with them!

Eli was standing over flaming piles of ash.

Eli: They tried to jump at me from behind and I blasted them with Force Fire.

Nico: HA! Nice try you chlorophyllic piles of mulch!

Ben turned into Swampfire

Ben: SWAMPFIRE!

Nico: Time for some Methanosian power!

Swampfire: It's going to burn!

He fired a blast of fire and blasted Brewer Clone!

Laney: You will never work with plants again!

Nico: Yeah!

Swampfire: Time to go Ultimate!

He turned into ULTIMATE SWAMPFIRE!

Ultimate Swampfire: ULTIMATE SWAMPFIRE!

He was ready to kick some butt!

He fired a wave of blue fire and blasted the Brewer Clone.

Gwen Tennyson: I hope you're not a chicken salad.

Kevin Levin: Okay stop. I can't let a bad pun be the last thing I hear!

Me: I thought it was a good one.

I fired a wave of fire and blasted Brewer Clone and Gwen fired a blast of magic and blasted him.

Lincoln: Take this!

He fired a wave of lightning and electrocuted Brewer Clone.

Then Whirlwind, Molten Man, Koragg, King Shark, Touch & Go, Firebrand, Plastique, Girder, Dark Laser and Biowulf came.

Nico: Whirlwind, Molten Man, Koragg, King Shark, Touch & Go, Firebrand, Plastique, Girder, Dark Laser and Biowulf.

Whirlwind: Rest assured that none of us are plant clones.

Molten Man: We killed any flowers that tried to capture us.

Koragg: They didn't know what they were messing with.

Me: That's good. The Loud's are really drained so they are going to be out of commission till tomorrow.

Koragg: At least they are okay.

King Shark: (to Nico) We heard you fought an Evil Sasuke.

Nico: We sure did. On a swamp planet made of Nacho Cheese Sauce

Mr. Touch: Did you remember to do the rant?

Me: Yep. Mikoto Uchiha did it.

Mr. Go: Wow! Sasuke's own mother doing that to her own son.

Me: Cruel twist there. But fitting on an evil version of her son.

Sprayloid 2 came.

Me: Sprayloid 2. Up for another round I see.

Sprayloid 2: I sure am.

Me: Hope you're spray is full of weed killer.

Sprayloid 2: I don't know if it is but that will be awesome.

Me: Yep.

Sprayloid 2: Rest assured I killed any flowers trying to copy me.

Me: Awesome.

Qin: Good thinking.

Me: Yeah.

We got the battles underway.

?: YOU GODDAMN BITCHES AND BASTARD! YOU WILL ALL BURN!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Henry Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Henry Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Henry Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Henry Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Hestia Seraphina: That was all your doing along with the doing of your brothers, Henry, and now, you shall threaten mankind and the world no more.

Suddenly, Hestia Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, three-headed hellhounds, phoenixes, and angels, she unholstered her massive Hazy Flame Cerberus-themed greatsword from her back, and as she approached Simon Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, basilisks, three-headed hellhounds, phoenixes, and angels with every step.

Hestia Seraphina: Never did I expect to ever see you again, Henry. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life, and for what you did in giving that Plant Clone the hair samples of Lincoln and his sisters minus Laney to make plant clones of them, you're really in for it now, you piece of shit!

Suddenly, Hestia Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are three-headed hellhounds, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Henry Seraphina: the red eyes of death. Then, as the vortex faded, Hestia Seraphina emerged, but she was changed forever.

Hestia Seraphina grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large fire-colored orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and an orange yellow and crimson red energy aura with stars, fire, flames, fire magic, three-headed hellhounds, phoenixes, and angels surrounding her, she has Hazy Flame Cerberus along with Cerberus of Greek Myth emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws, she also Hazy Flame Cerberus with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red basilisk and cockatrice-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Hestia Seraphina has on a sleeveless crimson red vest, sleeveless crimson red crop top, crimson red skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, fire magic, three-headed hellhounds, phoenixes, and angels on the coattails, and on the back is Hazy Flame Cerberus and Cerberus of Greek Myth surrounded by flames. Suddenly, Hestia Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Hestia Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hestia Seraphina's Hazy Flame Cerberus-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, three-headed hellhounds, phoenixes, and angels, and when it emerged, it was transformed into Hestia Seraphina's Eternal Fire Inferno Hazy Flame Cerberus Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Cerberus Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Hazy Flame Cerberus etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red Cerberus heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red Cerberus heads with orange gems for eyes and on the bottom of the large Cerberus heads is a large crimson red hellhound head with orange gems for eyes and orange gem in its mouth for the pommel, Hestia Seraphina has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hazy Flame Cerberus' three head with crimson red gems for eyes and large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Hazy Flame Cerberus that said, "Hestia Seraphina, Gene-Slammer of Hazy Flame Cerberus, Master of The Powers of Fire and Fire Magic, True Immortal and Powerful Warrior of The Universe, Loving Sister of Stella, Nuria, Elaine, Ember, Alinta, Helia, and Bridget Seraphina, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Sphere Doomers, Destroyer of Henry Seraphina, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Flames, Fire Magic, Cerberus, Stars, Phoenixes, and Angels"

We were really amazed by Hestia Seraphina's Super Angel-Hazy Flame Cerberus-Phoenix-Harmony United Friendship Universal

Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Henry Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Hestia Seraphina absorbed it and it made them even stronger than ever, and Hestia Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, three-headed hellhounds, phoenixes, and angels which hits Henry Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Nuria Seraphina: Oh man, Hestia's transformed, now things are really going to heat up now!

Lincoln: That's right, Hestia Seraphina's transformed into her Super Angel-Hazy Flame Cerberus-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Henry Seraphina.

Hestia Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Cerberus Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Cerberus Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Hestia Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Henry. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Hestia Seraphina and Lincoln went after Henry Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Hestia Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Henry Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Hestia Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Henry Seraphina even more madder with rage.

Henry Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Henry Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Hestia Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Henry Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Henry Seraphina were his clothes. Then, an energy card with Henry Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Hestia Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Hestia Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Hestia Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Hestia.

Suddenly, Hestia Seraphina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hestia Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Cerberus, and Hazy Flame Cerberus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Hestia Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only six more to go.

Lincoln: Yep, and I also found out that after Simon got killed yesterday by me and Stella, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina made a deal with Slappy.

Me: So, now they've thrown in their lot with Slappy in their desire for revenge, should've known that was coming. So, Lincoln, we may already know this, but who's the last Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: (GULPS) I think we already know who it is that we're meeting on Lincoln's rescue tomorrow: Sakura Shinju, Avatar of The Shinju, The Ten Tailed Beast, she's Lincoln's Guardian Angel from Michigan and she's the most powerful and strongest of the 10 Tailed Beasts and the ultimate Avatar of The 10 Tails, The Shinju. Her power is equally powerful to all of us in our most powerful and her power is literally so strong that she can tear apart an entire planet from the outside and she can cause an entire planet to explode just by simply snapping her fingers! She's the most powerful master of the elements of The Tailed Beasts and she also knows how to use those ten massive and long tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a Guardian Angel who takes her job very seriously, and she vowed that if Lori, Lynn, Lola, Lisa, and Luan killed Lincoln, she would leave Lori, Luan, Lynn, Lisa and Lola on the planet and destroy the entire planet and take them with it after sending everyone else to a safe ship for safety. In other words: THIS IS ONE GUARDIAN ANGEL NO ONE WANTS TO PISS OFF!

We gulped as many bolts of lightning crashed into the ground and demonic laughter was heard as Kenzie finished her explanation.

Nico: This… is going to be one interest rescue tomorrow.

Me: Yeah.

Eli: I just hope she knows Lori, Lynn, Lola, Lisa, and Luan aren't the same monsters that she fought against.

Lincoln: She'll know it all too well, Eli, she has the ability to sense pure evil inside someone, that's the one way she can tell if someone is evil or not.

Laney: That was one of her special powers: to sense evil in someone.

Lincoln: You got that right.

Firebrand: And that's the end of the plant menace.

Plastique: It sure is.

Girder: I hope the Louds will be okay.

Dark Laser: They will be by the time if Nico's rescue.

Lincoln: I'm just glad my sisters are okay.

Laney: Me too.

Biowulf: Now to burn his equipment.

Me: Yeah!

BOOOM! BOOOOM! BOOOOOOMM! BOOOOOOM! BOOOOOOM! BOOOOOOOM!

We fired energy blasts and element blasts and fire blasts and blasted everything all over the place in fiery explosions and burned everything all over.

Me: No more evil plant experiments!

I fired fireballs and blasted the place all over.

KRABBBBBOOOOOOOOOOMMM! BBOOOOOOOMMM! BOOOOOOOOOMMMM!

We fired massive blasts of energy and blew it all apart.

Nico: Lets go guys!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMM! KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!

We got out of there.

Krillin: WOOYEAH! That was a blast! Now for the grand finale!

He fired a blast of energy and it went into the cabin and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Nico: YEAH!

The entire place was turned into a flaming crater!

Me: That was how you deliver an ending with a bang!

Eli: Yeah!

Laney: (To the viewers) Never mess around with the laws of mother nature or there will be horrible consequences.

Me: Yep.

We went back home.

* * *

Meanwhile Slappy saw us blow that lab apart and he was ENRAGED!

Slappy: DAMN THOSE MOTHERFUCKING SHITPIECES! I will have to step up my efforts!

TO BE CONTINUED!

# GOOSEBUMPS HORROR PART 4

## VAMPIRE BREATH

---

In the early morning hours at 2:40 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the beach of Dolphin Shoals. But, they were no ordinary two figures, they were Ariel Van Der Zee and Music Dolphin, daughter and son of Lincoln's future wife, Chelsea Van Der Zee. Lincoln woke up from the dream, but he wasn't the only one, Chelsea Van Der Zee, Stephanie "Thunderblast" the Anglerfish, Hammer Lad, Manta Stingray, Cala Mia, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Chelsea Van Der Zee: And not only that, it also means that we found out where our daughters are at. Any ideas where exactly?

Me: Their at Dolphin Shoals.

Nico: The second race course of the Star Cup of Mario Kart 8 and Deluxe? I mean sure, Dolphin Shoals, is a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Chelsea Van Der Zee, Stephanie "Thunderblast" the Anglerfish, Manta Stingray, Cala Mia, Me, and Nico were heading to Tantara, Peru. Until.

?: (Girls voice) [Singing]

Now you hit rock bottom and you're feeling lost at sea, yeah

? (Boys voice) [Singing]

Just keep your head above the water. And I know you'll find some way to breathe

Nico: Did you guys hear music?

Lincoln: It's coming from this hill.

Then, Lincoln came across the hill and saw a attractive and beautiful yet cute and geeky 14-years-old siren mermaid girl who has fair skin, wavy knee-length red hair with white and pink stripes tied into a ponytail, and large sapphire blue eyes. She also has turquoise fish-tail with orange spikes and fin tips from the back. She wears a orange short sleeve shirt, a aquamarine blue blazer, sparkling dark blue skinny jeans with a white tight belt, and white ballet flats. And an 13-years-old anthropomorphic dolphin who has blue skin with light blue underbelly, and yellow eyes. He also has a dorsal fin on the top of his head, two on the back of his head, and one more on his back, as well as a caudal fin for a tail. He wears navy blue gloves, belt with white seashell, and boots. He wields his bident. Lincoln saw who they are, it was Ariel Van Der Zee and Music Dolphin, and their both singing.

Ariel Van Der Zee and Music Dolphin: [Singing]

When the tides they drag you down

When the tides they drag you down, down under

Further than you've ever been

Oh what I know

And when the tides they pull you out

When the tides they pull you out, out full far

Lord teach me how to swim, how to swim

Stephanie "Thunderblast" the Anglerfish: (Singing)

Whoa, whoa, whoa (Manta Stingray: stay away from the bad tides)

Whoa, whoa, whoa, yeah (Cala Mia: only go where there's good vibes)

Ariel Van Der Zee and Music Dolphin saw not only Stephanie "Thunderblast" the Anglerfish, Manta Stingray, and Cala Mia, But also Lincoln, Black Alpha, Hammer Lad, Me, Nico.

Lincoln: Beautiful singing voices you two got there.

Ariel Van Der Zee: Why thank you.

Music Dolphin: And who are you guys?

Lincoln: Glad you ask. I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Chelsea Van Der Zee came out, and when Ariel Van Der Zee and Music Dolphin saw her, they were stunned.

Ariel Van Der Zee and Music Dolphin: Mother?

Chelsea: I'm here, my little sea kids.

Ariel Van Der Zee and Music Dolphin, ran up to Chelsea Van Der Zee, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Stephanie "Thunderblast" the Anglerfish, Hammer Lad, Manta Stingray, and Cala Mia.

Lincoln: And there's something you three should know, Chelsea, your mother is one of my many future wives.

Ariel Van Der Zee and Music Dolphin: That means… you're our father.

Lincoln smiled, and that filled Ariel Van Der Zee and Music Dolphin with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Ariel Van Der Zee and Music Dolphin to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Chelsea Van Der Zee with her kids, and Ariel Van Der Zee and Music Dolphin now has a loving, strong, brave, and caring father in their life.

Me: ODELAY WOO WOO! (ECHOING)

The echo was awesome.

Nico: Wow! That is an awesome echo. The Swiss Alps are perfect for it.

Xenia: Yeah they sure are.

Lola: This is awesome here.

Camie: It sure is. I love Switzerland.

Me: Me too.

Eiliea: I like to work at the aquarium as a mermaid that flies and sings as well as do mermaid shows. It's fun.

Varie: That is cool.

Nico: It sure is.

Qin: Yeah.

Me: I love mermaid shows.

Eli: Me too. They are fun.

Lana: I'll say. They are so awesome.

Lola: They sure are.

Nico: That's a good job to have

Rarity: I most agree there darlings and it's really amazing.

Laney: I agree there.

Nico: Yeah. Lana how are you and your sisters doing?

Lana: Much better thanks.

Lola: Yeah we're back to full strength.

Lily: We were really drained.

Camie: But thank goodness you guys are all right.

Lincoln: I am too. Man that was crazy facing the Plant Clone of Dr. Brewer again.

Nico: Are you girls feeling ok emotionally?

Lana: Yeah we're fine.

Me: You sure?

Lola: Yes we're okay.

Lisa Loud: Believe me we're okay.

Lily: Yeah besides we learned from our past experience with the Jellians that we're not going to be sad like that again.

Lincoln: I'm just glad my sisters are okay.

Laney: We all are.

Lynn: I'm more concerned with you punching an old lady.

Nico: She was a plant. Wanna fight about it?

Me: Knock it off!

Nico: Okay okay.

Lynn: You're right.

Qin: That's good we the Brewer Clone apart.

Fiona Hernandez: Yeah no kidding. What a rotten bag of mulch that guy was.

Me: Rice, Konan, Laney, Naruto, Maxxine, and Lyra Heartstrings did good too.

Laney: Thanks Nico.

Naruto: It sure was fun.

Konan: We're glad we had fun too.

Lola: Yeah.

Me: Hey look!

We saw the Ice Climbers fighting the Condor!

Me: Cool the ice Climbers!

Laney: About time we met them.

Nicole: No kidding and they are fighting the Condor.

Nicole went over the history of the Condor.

---

In the Ice Climber game, the main goal of the Ice Climbers is to make it to the top of the level so that they can catch the Condor. At the begging of each level, the Condor can be seen flying upwards into the sky with a vegetable in it's talons. At the end of each level, the Ice Climbers will have the chance to reach a bonus stage which is timed. It littered with vegetables, and if they make it to the top in time, they will be able to jump up and catch the Condor flying around the top of the stage. Missing this will cause the Ice Climbers to cry on the completion screen.

Ever since the Ice Climbers were introduced to the Super Smash Bros. series, they Condor has made some sort of appearance, varying through the different games.

In Super Smash Bros. Melee, they appear in the Target Test stage. Their role is to hold the tenth and final target at the top of the stage. Although this character makes an appearance, they don't get their own trophy, but they are mentioned in the Ice Climber's Classic Mode description.

In Super Smash Bros. Brawl, the Condor makes a very brief appearance, carrying the Ice Climbers into the stage. In this game, the Condor finally receives a 3D model. Again in this game, the bird fails to have their own trophy but they are mentioned in the Ice Climber's trophy description.

In Super Smash Bros. for 3DS and Super Smash Bros. for Wii U, the Condor makes no appearance at all, but they are again mentioned in the Ice Climbers trophy description.

In Super Smash Bros. Ultimate, the Condor has a bigger role than it had in any other Super Smash Bros. game. It's role in Super Smash Bros. Brawl not only returns with them, but in the Ice Climber's Final

Smash, the Condor flies around the giant iceberg the duo summons, them also being allowed to grab on to it while it also attacks other players. The Ice Climbers that summoned him have the option of grabbing onto him, but any other players that try to touch them will be attacked. Furthermore, the Condor appears as a Advanced-rank Support-type spirit, giving the user resistance against strong winds if used. In its spirit battle, the player must fight a Ridley and a Ice Climbers on the Battlefield form of Summit. This fight is not only a stamina match, but said match is also timed and home to a frozen floor.

---

When she was done we were amazed.

Me: Whoa! That is one fierce bird.

Nicole: Yeah for one from 1984 it's cool.

Nico: Let's give them a hand.

We went and helped them and we flew and bashed the Condor all over.

Popo: Cool! Team Loud Phoenix Storm!

Nana: Awesome!

Nicole: Thought you guys would like a hand.

Popo: We sure would!

They jumped and bashed the Condor with hammers.

Rice: Take this!

She fired a blast of energy and blasted the Condor down and we sent it to the M.O.E.

Popo: That was awesome!

Nana: Yeah! Thank you guys.

Me: It was our pleasure.

Popo: Yep. Wow! You're Lincoln Loud! We heard so much about you and how you joined the Super Smash Brothers Roster.

Lincoln: I know. I'm still reeling from that even after over 4 years have passed.

Me: That literally blew us away. That was awesome.

Maxxine: Sorry we kept you waiting

Nana: No worries. I knew it was only a matter of time since you would come and help us out.

Nico: Yeah.

Taro: I heard all about Lincoln being added to the Super Smash Bros. Roster.

Emu: Boy me too. That was so awesome.

Qin: Yeah that was cool. Blew our minds.

Nana: I think it's awesome having Lincoln and his sisters in the Super Smash Bros. Roster.

Popo: Yeah that is so awesome and cool.

Me: It sure is.

Nico: Do you guys have any more bad guys here?

Popo: Actually we found someone that was in big trouble and she looked really hurt. Follow us.

Nana: Yeah.

We went to a yurt and we heard crying and screaming wailing.

We went in and saw a girl with brown hair and she had blue eyes and had black and blue clothes and she had cuts and bruises all over her and even on her face and she was crying hard.

Me: (GASP) Oh my god! Christine Abbernockle!

Christine Abbernockle: (Crying) J.D.? (Gasp!) J.D.!

She went and hugged me and wailed and cried hard in my chest.

Varie: Oh man these are terrible injuries.

We had her sit down and we were healing her.

Nico: Who the fuck did this?!

Christine Abbernockle: (Crying) My… My… (WAILING)

Me: Her mother did this.

Everyone gasped!

Nico: But why?

Me: She hates her with every fiber of her being. I should explain. But I have to warn you, it's very dark.

Eli: Okay.

I told everyone that her mother was in a coma for 16 years and she woke up after that long. She was so happy that her biological mother was back but when she saw Christine she was OVERFLOWING WITH INCREDIBLE HATRED AND RESENTMENT! She hates Christine with a vengeance and wants nothing more than to kill her. Christine thought she was sweet but she was really a hateful and evil monster. She tried to kill Christine on many numerous occasions and wound up in a Psych Ward. But the scars she left were deep mentally and psychologically. Every night she would cry hard and suffer terrible nightmares where her mother would have evil demonic eyes and would come after her and try to kill her. She wants nothing more than to kill her.

When I was done everyone was absolutely horrified!

Nico: Oh man.

Applejack: Oh poor girl.

Qin: That is awful!

Lincoln: What she did really is awful. She betrayed the sacred bond of parent and daughter.

Lola: Yeah.

Camie: She's a monster. She needs to be put down like a mad dog.

Ronnie Anne: I can't believe she did this to her own daughter! Her own flesh and blood!

Syd Chang: She's a total demon!

Lucy Loud: She sure is.

Nico: Is she somewhere here?

Popo: We don't know.

I comforted Christine.

Nico: What prison was she sent too?

Me: Atascadero State Hospital in California.

Xenia: Oh.

Me: And she escaped many times and came back for more.

Qin: Geez! She's a bloodthirsty monster!

Lincoln gasped and saw something.

Lincoln: Christine, I hate to say this, but I got word from the warden that your mother's escaped from prison again and she still wants to kill you.

We gasped.

Christine Abbernockle: No. No, not again!

Nico: This isn't good. She needs to be stopped and sent to The Neptune Cryo-Prison forever.

Lincoln: Exactly what I was about to say, Nico. And I also plan to give her the same curse that I gave Mesa's religiously fanatical mother and that hate-filled bitch, Mrs. Evans, last year.

Me: Awesome!

Rita: Great idea, honey, and you and Laney did an amazing job ratting out Plant Clone Dr. Brewer's plant clones, and he had some nerve kidnapping and creating plant clones of the rest of your sisters!

Lincoln: We can also blame that asshole, Henry Seraphina, for kidnapping them. Plus, because of what we did in destroying Dr. Brewer's lab, we've pissed off Slappy even more.

Nico: That dummy deserves it and a whole lot more, but he'll get his just desserts when we go after him and end him forever.

Me: I'm definitely looking forward to this.

Lincoln: And so are we. (Sensed for Mrs. Abbernockle) AHA! Gotcha! I just sensed Mrs. Abbernockle, she's 20 yards away and closing fast on Christine and she's got a knife in her hand.

Nico: Along with some weapons she'd stolen.

Lincoln: You got that right. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Popo: I heard a lot about Flip. What a jerk.

Nana: Yeah!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Mrs. Abbernockle.

Nico: Hopefully, she fell to her death.

?: YOU LITTLE BITCH! I'LL KILL YOU FOR RUINING MY LIFE JUST FOR BEING BORN!

Nico: Spoke too soon.

Me: No mistaking the sound of a mother who'd broken the sacred bond between mother and child 17 years ago.

We then saw our target, Mrs. Abbernockle, she was a woman with wild black hair and she was also in a prison jumpsuit and she was out of her mind and absolutely insane. She raised her knife to stab Christine in her heart, but Lincoln saved her and all of us by forming a massive and indestructible diamond barrier and when the knife hit the barrier, it broke into pieces. This made Mrs. Abbernockle so mad she got out machine guns and she started firing at the barrier, but that didn't work as the bullets bounced off the barrier, then, she tried hitting it with her fists, but that didn't work either and she was left with bloody hands and knuckles. MRS. ABBERNOCKLE WAS NOW LITERALLY OUT OF HER MIND AS SHE CONTINUED ATTACKING THE BARRIER AND TRYING TO KILL HER DAUGHTER WITH NO SUCCESS AT ALL!

Nico: You're not kidding about what you told us, your mother's absolutely filled with hatred for you and she's also absolutely insane.

Lincoln: She's just like Mrs. Florrence and Mrs. Evans in every way: full of hate, completely toxic, evil, and wanted to kill her daughter. There's no place for her in society at all.

I went over to her and grabbed her by her shirt and looked at her square in the eyes.

Me: You listen to me you monster! You are nothing more than a heartless homicidal monster and and you don't care about anyone but yourself! You're a disgusting and pathetic mother! You are a menace to society and you don't deserve any love and you are nothing but a Parasite!

Lincoln: That's right! You are a disgusting piece of filth!

Wes: Time for Time Force!

Sougo: Henshin!

Taro: Avatar Change!

They transformed and were ready!

I jumped back and Lincoln fired a diamond ball which hits Mrs. Abbernockle in her face and forced her back, Lincoln took down the barrier and we stood ready to face Mrs. Abbernockle, who was now out of her mind and still dead set on killing Christine.

Mrs. Abbernockle: YOU… ! YOU… ! IF I HAD KILLED YOU ALL THOSE YEARS AGO, I WOULD BE FREE TO DO WHATEVER THE HELL I WANTED! YOU LITTLE BITCH!

Lincoln grabbed her by the neck with one of his eleven massive and long white tails and he threw her back into a tree.

Lincoln: You don't get to say anything at all. You betrayed the sacred bond a mother is supposed to have with her children seventeen years ago when Christine was born and you tried to kill her more than once to slake your own hatred. You're no mother, you're just a evil-tempered, bitter, spiteful, hate-filled monster with a black heart who has no place in society at all!

We were stunned at how Lincoln told her off, and this made Mrs. Abbernockle so mad, she went really ballistic and mad spewing so much hatred at us, our rainbow energy auras and rainbow protective auras and rainbow fire auras flared up extremely and we gained a very massive power boost.

Ronnie Anne: Sheesh, you weren't kidding when you said she was evil-tempered, bitter, spiteful, and hate-filled,

Lincoln. But, I've had it up to hear with her.

Nico: Me too!

Taro: Avatar Change!

He turned into Mystic Force Red and fired waves of fire and blasted her.

Suddenly, Ronnie Anne's eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, fire, fireworks, chili peppers, eagles, Chinese Dragons, phoenixes, and angels, she unholstered her massive Xiuhtecuhtli's Mexican Defender Firestorm Greatsword of Fireworks Justice from her back, and as she approached Mrs. Abbernockle, she left rainbow energy aura with stars, fire, fireworks, chili peppers, eagles, Chinese Dragons, phoenixes, and angels with every step.

Ronnie Anne: You really are an evil-tempered, bitter, spiteful, and hate-filled monster, you hated your own daughter ever since the day she was born seventeen years ago and you tried to kill her many times over. But, not even your time in a coma had dulled you out, you're still the same monster who Christine tried to forget a long time ago, but now, you've left me no other choice, you're going right back to prison and you will stay there for life.

Suddenly, Ronnie Anne was surrounded by a massive vortex of rainbow energy with stars, fire, fireworks, and chili peppers surrounding the vortex, there are eagles, Chinese Dragons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Mrs. Abbernockle: the red eyes of death. Then, as soon as the vortex faded, Ronnie Anne emerged, but she was changed forever.

Ronnie Anne grew from 7'5" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has light purple highlights in the bangs of her long black hair put in a ponytail and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a purple energy aura with stars, fire, fireworks, Chili Peppers, eagles, Chinese Dragons, phoenixes, and angels surrounding her, she has a Chinese Dragon and eagle emblazoned on her forehead and Third Eye with purple iris, she has on Chinese Dragon earrings with purple gems for eyes, and holding the Fire, Fireworks, and Eternity Kanjis in its hands, she also has a Chinese Dragon and Eagle with purple gems for eyes and holding the Fire, Fireworks, and Eternity Kanjis in its hands on the bottom of her purple eagle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Ronnie Anne has on her long-sleeved purple hoodie, sleeveless white top, dark blue shorts, light purple socks, purple shoes, and long sleeveless white trenchcoat with stars, skateboards, fire, fireworks, Chili Peppers, eagles, Chinese Dragons, phoenixes, and angels on the coattails, and on the back is an eagle and Chinese Dragon surrounded by fireworks. Suddenly, Ronnie Anne felt a sharp pain on her back, and then, her massive midnight black angel wings with purple tips on the large black feathers grew much bigger for her new body and her eleven massive and long black wolf tails with purple tips and purple markings also grew much bigger for her new body as well. Ronnie Anne has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Red Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Ronnie Anne's massive Xiuhtecuhtli's Mexican Defender Firestorm Greatsword of Fireworks Justice and all of the greatswords and swords she had gotten began merging together and they're surrounded by a kaleidoscope of purple energy, stars, skateboards, fire, fireworks, Chili Peppers, eagles, Chinese Dragons, phoenixes, and angels, and when it emerged, it was transformed into Ronnie Anne's Mexican Eagle Chinese Dragon Firestorm Fireworks Xiuhtecuhtli Zhurong Mexican Chinese Defender Firestorm Greatsword of Fireworks Justice, it's a brand-new massive greatsword with embedded colored gems and the Chinese God of Fireworks, Zhurong and the Aztec God of Fire, Xiuhtecuhtli, etched on the 7'6" massive, wide, double-edged purple blade, large red Chinese Dragon heads with colored gems for eyes, large white angelic faces built into both sides of the hilt and purple gems embedded on their foreheads, longer midnight black handle, four large purple eagle heads with colored gems for eyes and large Chinese Dragon head with purple gem in its mouth below the eagle heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the left bracer, her Belt of Elemental Bravery with a gold eagle head with purple gems for eyes and large purple gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Ronnie Anne's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Ronnie Anne has transformed into SUPER ANGEL-CHINESE

DRAGON-EAGLE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA MEXICAN FIRESTORM CHINESE FIREWORKS CHINESE DRAGON MEXICAN EAGLE ANGEL OF DIVINE MEXICAN FIRESTORM CHINESE FIREWORKS CHINESE DRAGON MEXICAN EAGLE ANGEL JUSTICE AND DIVINE MEXICAN FIRESTORM CHINESE FIREWORKS CHINESE DRAGON MEXICAN EAGLE ANGEL LOVE!

We were amazed by Ronnie Anne's Super Angel-Chinese Dragon-Eagle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mrs. Abbernockle saw it, she went absolutely insane and ballistic and ran at Ronnie Anne to kill her with another knife she got out, but Ronnie Anne fired a massive barrage of purple energy, stars, skateboards, fire, fireworks, Chili Peppers, eagles, Chinese Dragons, phoenixes, and angels which hit Mrs. Abbernockle and they exploded and she got burned badly and sent flying into a rock, she got up, but now, she was even more insane and ballistic than ever.

Nana: Let's use our final smash!

Popo: You got it!

Ice Climbers: ACONCAGUA MOUNTAIN BASH!

They summoned a massive mountain of ice and it smashed Mrs. Abbernockle into the sky and then she fell and smashed into the ground.

Nico: WHOA YEAH!

Ronnie Anne bashed her with a powerful energy blast.

Ronnie Anne: (Divine Echoing Godly Voice of The Firestorm Fireworks Mexican Chinese Dragon Eagle Angel and Divine Firestorm Fireworks Mexican Chinese Dragon Eagle Angel Love) Looks like I've set her off even more.

Syd: You said it, but for her to attack you, my best friend and one of Lincoln's many future wives like that, now she's in huge trouble!

Nico: That's an understatement: it's more like she's up shit creek without a paddle!

Me: You're done trying to kill Christine, Mrs. Abbernockle, you're going away forever, you heartless hate-filled bitch!

Suddenly, Syd's eyes turned neon green and she was surrounded by a green energy aura with stars, leaves, plants, animals, Naiads, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Mrs. Abbernockle, she left green energy, stars, leaves, plants, animals, Naiads, phoenixes, and angels with every step.

Syd: Ronnie Anne and Lincoln were right to say those words to you: you're a pathetic excuse for a mother who'd ruined the sacred bond between mother and daughter seventeen years ago when Christine was born, and for that, you are going right back to prison and this time, you're never ever coming back.

Suddenly, Syd was surrounded by a massive vortex of energy, stars, leaves, and plants surrounding the vortex, there are animals, Naiads, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Mrs. Abbernockle: the red eyes of death. Then, as the vortex faded, Syd emerged, but she was changed forever.

Syd grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long dark brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner, she has neon green eyes and a green energy aura with stars, leaves, plants, animals, Naiads, phoenixes, and angels surrounding her, she has a Naiad emblazoned on her forehead and Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Nature and Eternity Kanjis in its talons, she has on her Crystal Necklace of The Buddha with green gems on the gold leaf links and green crystal links and green phoenix-shaped Element of Harmony and on the bottom of The Element of Harmony is a Naiad with green gems for eyes and holding the Nature and Eternity Kanjis in its talons and she has on a white and gold accented choker on her neck. Syd has on a dark blue long-sleeved sweater, black shorts, black sneakers, and long white sleeveless trenchcoat with stars, leaves, plants, animals, Naiads, phoenixes, and angels on the coattails, and on the back is a Naiad surrounded by plants and leaves. Suddenly, Syd Chang felt a sharp pain on her back, and then, massive dark brown angel wings with green tips on the dark brown feathers grew and sprouted out of her back and eleven massive and long dark brown wolf tails with green tips and green markings, she has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand. Suddenly, Syd's massive greatsword and all of the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of green energy, stars, leaves, plants, animals, Naiads, phoenixes, and angels, and when it emerged, it was transformed into Syd Chang's Beauty of Life Nature Fury Zemes Greatsword of Beauty of Life Nature Fury Zemes Justice, it's a brand-new massive greatsword with embedded green gems and the Baltic Goddess of Nature, Zemes, etched on the 7'6" massive, wide, double-edged dark brown blade, large green Naiad heads for the crossguard, large white angelic faces built into both sides of the hilt with large green gems embedded in the foreheads, longer midnight black handle, four large green Naiad heads with green gems for eyes and a phoenix head with green gems for eyes and large green gem in its mouth on the bottom of the Naiad heads for the pommel, Syd Chang has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her Belt of Elemental Bravery with a gold Naiad head with green gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a forest green kanji below the Naiad that said, "Syd Chang, Loving Daughter of Stanley and Becca Chang, Loving Older Sister of Adelaide Chang, Awesome Best Friend of Ronnie Anne, Casey, Sameer, and Nikki, Friend of The Santiago-Casagrande Family, Loving Future Wife of Clyde McBride, Worker at The Gotham Royal York Zoo, Expert on Animals, Archenemy of Ironclad, Vector, X-Ray, and Vapor, Destroyer of Mrs. Abbernockle, Emissary and Champion of Zemes, Baltic Goddess of Nature, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Naiads, Phoenixes, and Angels"

We were amazed by Syd's Super Angel-Naiad-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Mrs. Abbernockle saw it, she went absolutely insane and absolutely ballistic and ran at her with a knife to stab her, but Syd fired a massive barrage of green energy, stars, leaves, plants, animals, Naiads, phoenixes, and angels which hits Mrs. Abbernockle and she flew into a tree which lashed her with a whip of leaves, she got back up, but now, she was really insane with rage now.

Syd: (Divine Echoing Godly Voice of The Beauty Life Nature Zemes Baltic Naiad Phoenix Angel and Divine Cosmic Beauty Life Nature Zemes Baltic Naiad Phoenix Angel Love) Now, you're in big trouble now, Mrs. Abbernockle.

Lincoln: Now, you have nowhere left to run, and it's high-time we deliver unto you your punishment.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ronnie Anne and Syd and so did the rest of us as we unholstered our massive greatswords and transformed and joined in.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Your toxic hatred towards your own daughter seventeen years ago can never be forgiven, you lost everything because of it, and now, you're about to pay a much higher price: meaning you will never the outside world again, and you will rot all alone in your new home in prison.

Lincoln, Ronnie Anne, and Syd went after a now completely ballistic and insane Mrs. Abbernockle, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mrs. Abbernockle and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and he, Ronnie Anne, and Syd attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Mrs. Abbernockle insane and straight to the brink of insanity.

Mrs. Abbernockle: (NTH-DEGREE FUCKED UP SCREAM) I'LL FUCKING KILL YOU, YOU WORTHLESS MISTAKE! YOU AND YOUR ASSHOLE FRIENDS WILL ALL DIE!

Sougo: Time to use one of my Ridewatches!

He activated the Ridewatch for Fourze!

He donned his Fourze form!

Qin: Yeah!

Sougo fired waves of energy and stars!

Xenia: Take that!

Rice walked up to her.

Rice: You are a TERRIBLE MOTHER! THERE! I SAID IT!

She went and bashed her all over with incredible fury.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That was your last mistake. LIGHT STYLE NINJA ART: SOLAR LIGHT RASENSHURIKEN!

Lincoln formed a massive bright white Rasenshuriken with golden yellow core and he fired it at Mrs. Abbernockle and it exploded with incredible power as it slammed into her, and when it exploded, it unleashed a super intense bright light which burned Mrs. Abbernockle's retinas, and we also had on sunglasses, and it made her unaware of Lincoln firing a blast of darkness which hit her and she was given the Epiales' Eternal Sleepless Nightmare Vengeance Curse and trapped her in a state of eternal sleep tormented by the memories of her misdeeds and she showed absolutely no signs of remorse and she was also unrepentant.

Me: It's been a long while since Lincoln's used the Epiales' Eternal Sleepless Nightmare Vengeance Curse.

Nico: This is only in the case of bad mothers and rapists, and for

Mrs. Abbernockle, this is the case.

Lincoln beamed her to The Neptune Cryo-Prison where she was forever frozen and thrown in an anti-Dark Orb and Dark Magic cell and she would never be free to kill again. We cheered wildly as Lincoln, Ronnie Anne, and Syd holstered their massive greatswords on their backs and powered down, and Ronnie Anne's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long black wolf tails, and massive black angel wings are permanent, and Syd's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long dark brown wolf tails, and massive dark brown angel wings are permanent.

Syd: That'll teach that bad mother a lesson she'll never forget.

Ronnie Anne: And since she's trapped by The Epiales' Eternal Sleepless Nightmare Vengeance Curse, she's never going to wake up ever again.

Lincoln: She'll be trapped in an endless sleepless nightmare for good for what she'd done in breaking the sacred bond between mother and child.

Suddenly, Ronnie Anne wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ronnie Anne's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Chinese Dragon, and Eagle flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging and fireworks going off behind them and we cheered wildly. Then, Lincoln and Ronnie Anne absorbed the flames and fireworks and they came back to us as the display vanished.

Nico: At least, Christine is now freed from that psychopath.

Me: She was repeatedly tormented hard by the nightmares and fears of her mother returning to get her revenge for years. Now, she'll finally have a new life with us.

Lincoln: I also understand what she was going through: Christine was hated by her mom ever since the day she was born seventeen years ago and her mom's tried to kill her many times over, and I've thought back to the cases of some of my Guardian Angels.

Anna Anyanova: That's right, Carly Morgan's ex-mother was an insane child-despising monster and she tried to kill her as well, Mesa's mom was a religious fanatic who hated her children and tried to kill her, Celine CeCe Evans' mom was a religious fanatic who hated her and tried to kill her, Colleen Gallagher's mom was a heartless hateful spiteful bitch who tortured her daughter and wanted to kill her, and Tiffany Emmerson's mom also despised her blaming her for everything and wanted her to suffer and die.

Eman Reynolds: And now, all of them are suffering in prison for the rest of their lives for betraying the sacred bond of mother and child. Except for Tiffany's mom because Lily healed her.

Me: Yeah. But that was fun.

We went over to Christine and she was crying.

Nico: You're okay now.

I hugged her and comforted her.

Me: It's okay Christine. It's okay.

Popo: Poor girl.

Qin: Yeah.

Nico: She did nothing to deserve this!

Laney: Her mother's mind was really messed up. I don't know what caused this. It might have been the coma caused by the labor that damaged her brain and made her a monster.

Lola: Yeah that could be.

Qin: Yeah.

Nico: She became a demonic monster.

Maria: And now, she'll never hurt anyone again!

Nico: Yeah!

Laney: Now she is permanently frozen in the cryoprison for eternity.

Nico: With anti-dark orb and magic barriers to make sure she never escapes. Lumpus now has a cellmate on ice.

Qin: Yep.

Christine was really crying hard and I was comforting her.

Nico: Hey, Christine!

Christine looked at me and I pulled Sougo's pants down!

Sougo: HEY!

POW!

Nico got punched in the face by Sougo!

Sougo: Pull my pants down will you!?

Nico: I was just trying to make her laugh.

Sougo: Not by PULLING MY Pants down!

Qin: (Snickers)

Christine was still crying and I was comforting her. Seeing her cry like this made my heart hurt.

Nico: Look, Christine!

She looked at Nico as he slipped on a banana peel.

SLIP CRASH!

He crashed into a rock!

Qin: Ouch.

Maria: (SNICKERS)

Eddy: (LAUGHS) Funny!

Nico: Is she cheered up yet?

Christine was still CRYING!

Qin: Poor Christine.

Nico: Ok. Clearly, she needs some time to heal.

Fu: Nico she is totally hurt not just physically but mentally and emotionally. Her mother hurt her REALLY bad.

Nico: You're right Fu.

Xenia: She is really hurt. She needs all the help she can get to help her get better.

Sougo: Nico, you tried cheering her up. All we can do is send her to the infirmary.

Nico: Okay.

Me: Christine look at me. I am going to teleport you to the infirmary to get you help and Ino is going to help get you better. You need a lot of help because you need to recover. Ino and Carrie are both the best therapists on the team and they can help you.

Christine: (Sniffles) Okay. (Crying) I'm sorry guys.

Me: It's not your fault.

We teleported her to the infirmary.

Nico: I'm sorry, Sougo. I just wanted to cheer her up.

Sougo: I know. I know. She was really broken. But next time don't pull down people's pants. Mostly mine.

Nico: Noted.

Red Ghost: I can't believe she went through all that.

Fluttershy: That poor girl.

Qin: Yeah.

Sakura Knudson: No kidding. Her mother was a heartless demon.

Nico: I hope she's better when we get back.

Me: (Sighs) Me too.

Laney: Yeah.

Me: Lets focus on the matter at hand. Lets go for the anothers.

Nico: Right. Who do we have?

Eli: (Concentrates) Whoa we have Another Takusaw (Abaranger), Octopus, Stag-Beetle, Firefly, Polar Bear, Hawk, Rhinoceros, Hammerhead Undead (Kamen Rider Blade), Parune (Dairangers), Ebolna (Kamen Rider Build), Saleen and Red Ghost!

Me: Wboa! These will be interesting there.

Camie: Yeah.

Lolz: I agree.

Nico: Who do we call?

Me: Melanie Adonicia, Penelope Popeye, Morgan Le Fay, Allie Madrigal, Nicole Nack, Sayuri Shirahoshi, Admiral Connie Liechtenstein, Veronica Mags, Eleanor Pegasus and Alexis Arcana.

Nico: Cool!

Lincoln: This will be fun.

Maria called them in.

Nicole Hack: We're ready guys.

Melanie Adonicia: We saw what happened with Christine and heard about what went down.

Allie Madrigal: Yeah she is a mess. Poor girl.

Sayuri Shirahoshi: What her mother did was completely dishonorable.

Xenia: That is for sure.

Lola: Yeah.

Eli: I sense the Anothers minus Red Ghost are one person.

Me: This will be interesting.

Nico: There they are!

We saw a bunch of figures and they were Another Takusaw (Abaranger), Octopus, Stag-Beetle, Firefly, Polar Bear, Hawk, Rhinoceros, Hammerhead Undead (Kamen Rider Blade), Parune (Dairangers), Ebolna (Kamen Rider Build) and Saleen!

Nico: Awesome!

Lola: This will be fun.

Another Saleen: It sure will.

Lincoln: That voice! Danela Everton.

They merged and reverted back and it was a girl with black hair, blue eyes, blue clothes like those of a waterbender and she had dark blue angel wings.

Danela Everton: It's awesome to see you again Lincoln and wow my goodness you grew into an amazing young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. Meet Danela Everton, Keyblade Knight of Devil's Bayou, she's my Guardian Angel from Michigan, and she's a Waterbender and Powerful Master of The Elements, and she's a deadly and powerful Guardian Angel. She's a very good friend of Penny and the Rescuers, and she really really hates that greedy diamond-crazed old hag, Madame Medusa and her pet crocodiles. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to Waterbending and mastering the other elements as well.

Me: Cool!

Qin: Wow!

Me: Penny and the Rescuers are awesome and Penny has been a great help to all of us. Cody too.

Danela Everton: I heard and it's great you guys found her.

Me: We're glad she and Cody are both safe.

Nico: She's part of the core 310.

Danela Everton: I heard. And I'm proud for her. I am disappointed they didn't find her.

Me: That's because they weren't looking in the right area. She wasn't in New York City. Penny was halfway across the country in the middle of the Louisiana Bayou. She found the Devil's Eye

Diamond.

Danela Everton: That is amazing she did and I heard it's now in the Smithsonian Institution in Washington D.C.

Me: Yep. Largest diamond in the world priced and valued at over $900,000,000.00 maybe more.

Qin: Yep.

Rarity: That diamond is absolutely glamourous.

Me: By the way is the Another Red Ghost friendly or hostile?

Danela Everton: Friendly and she is a really amazing one.

Me: Cool.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the anothers.

Penelope Popeye: Lets get them!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books!

Qin: That did it!

Xenia: Yeah!

Me: Now for the Another Red Ghost.

Maria: Oh and Horsea's mom is visiting later.

Nico: Awesome.

Lola: This will be fun. Especially because the Perseid Meteor Shower is tonight.

Me: It'll be awesome to see what that's like from our estate at 528,000 feet up.

Lola: Yeah.

Nico: Now, we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER RED GHOST!

Me: Another Red Ghost!

Qin: This will be cool!

Another Red Ghost: (In a girls voice) I'm going to have some fun.

Me: (GASP) That voice.

She reverted back and was a girl with green hair and had green eyes and had green clothes and green wings and had a tattoo in the shape of the kanji for wind on her arm and she had a tiara with the symbol of the Wind Dopant on it and she had the same symbol on her skirt and she had a wind sword.

Me: (GASP) Kaze Wind!

Nico: Whoa!

Kaze Wind: Awesome to see you again J.D.

Me: You too. Kaze is the embodiment of the Wind Dopant and yes she has wind powers. But not only that she has the power to talk to monkeys. All kinds of monkeys.

Nico: Cool!

Red Ghost: That is amazing that you can do that. Just like me.

Kaze Wind: It sure is awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Kaze Wind: No he didn't. I used my powers of wind and blew him right into the local sewage plant and he fell right into the sewage repository.

Sakura Knudson: EW! That explains why he smelled like shit for 2 weeks.

Kaze Wind: That was really funny though and I used that time to get away.

Me: That is funny!

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Lincoln: Lets separate you first.

He fired a wave of energy and separated her from the Another.

Nico: (gets out Red Ghost's Ridewatch) Time for some monkey business!

Nico activated Red Ghost and Saleen's ridewatches and fired waves of energy and smashed the Another down!

May: Time for some pranks. (ACTIVATES JACK O LANTERN AND TINKERER'S RIDEWATCHES)

She fired waves of energy and blasted the Another down.

Maria: Time for some blood spilling. (ACTIVATES UNIVERSE 666 2021 CARNAGE AND SLIPKNOT'S RIDEWATCHES)

She fired waves of blood and energy and blasted the Another.

Eiliea: This will be awesome! (ACTIVATES SALEEN'S RIDEWATCH)

She fired energy blasts and smashed him down.

Then Dr. Light, Evil Bright Man, Melone, Yashamaru, U.A. Electro and Flashhead came.

Nico: Awesome team Dr. Light!

Dr. Light: Thanks! It sure will be fun.

Nico: Yep.

?: It will be fun!

BOING!

Out came a Toad Man!

Me: Toad Man!

Qin: Awesome!

Toad Man: I'm ready for this one!

Nico: Tina Toad! Wow!

She fired an acid rain storm and smashed down the Another and I caught the ridewatch and purified it. Then she reverted back and was a girl with light green hair and green eyes and had green clothes and angel wings and had a symbol for a toad in the middle of her forehead.

Xenia: Awesome!

Nico: Nice one!

Tina Toad: Thanks! That was fun!

Nico: Yeah!

Eiliea: What's your favorite memory of Nico?

Tina Toad: When me and Nico busted a massive drug operation and I used my acid rain powers and burned them and they are in prison with bad burns.

Me: Nice! They deserved it.

Nico: Yep.

Nico and Tina hugged.

Nico: I've missed you.

Tina Toad: Same here.

We went back home.

Our main target is none other than Perpetua, overarching antagonist and tyrannical deity of The DC Multiverse. But, it's not just her, we also got word that Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights, a group of evil and twisted versions of Batman from destroyed Earths who were saved and united by The Batman Who Laughs in order to carry out Barbatos' dark goal of bringing darkness throughout the multiverse, are also with her.

Lincoln: Ah, we're here in Queens, New York, and I know what we're going to do here, not only am I going to rescue the twenty-five girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also going to kill our main target.

Fluttershy: Who is our main target?

Lincoln: Our main target is none other than Perpetua, overarching antagonist and tyrannical deity of The DC Multiverse.

Me: Whoa, I've heard of her, she's a member of a god-like race called the Super Celestials and is the creator of the DC Multiverse before it was altered by her children, who are Alpheus, Mobius/Anti-Monitor, and Mar Novu, and she desired to eliminate the judges by using the seven hidden forces to make a Multiverse she could use as an everlasting weapon.

Nico: Damn, she's literally bad news. But, I can also sense there's another group with her.

Lincoln: And you're right, Nico, Perpetua isn't alone. I got word that Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights, a group of evil and twisted versions of Batman from destroyed Earths who were saved and united by The Batman Who Laughs in order to carry out Barbatos' dark goal of bringing darkness throughout the multiverse, are also with her.

Eli: Oh no, not them!

Nico: Oh shit, I've also heard of them as well, they're a group of evil and twisted versions of Batman from destroyed Earths who were saved and united by The Batman Who Laughs in order to carry out Barbatos' dark goal of bringing darkness throughout the multiverse.

Lincoln: They're seriously among the darkest group of DC villains that we've ever had to deal with, and they're among some of the most evil and twisted versions of Batman. But, I've got an idea: I'm going to drain them all of their powers, but they'll get their powers back after they settle into The Masters of Evil, but they won't get too much of their powers back, this is to make sure they won't dare betray Vypra.

Nico: So, in simple terms, they'll still have their powers. But they'll be on the same level as the other MOE members to make it fair, right?

Lincoln: Exactly. But, Perpetua: she's got to go and I'm going to absorb her and assimilate all of her powers.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has ten massive and long purple tails, she's dressed in midnight black clothes with the Ten Kanji on the skirt, and long white sleeveless trenchcoat with stars, elemental forces, phoenixes, and angels on the coattails and on the back is The Shinju, The Ten Tailed Beast and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Sakura Shinju, Avatar of The Shinju, The Ten Tailed Beast.

A BOLT OF LIGHTNING CRASHED FROM THE SKIES!

Sakura Shinju: That's right, and I know where Tex Avery McWolf and Tom and Jerry Kids McWolf are at, oh and heads up, Lincoln, the girls you're about to rescue are not just beautiful but know how to be seductive towards you.

We headed for the place where Tex Avery McWolf and Tom and

Jerry Kids McWolf are at: The Asmodeus Nightclub.

Me: The Asmodeus Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy.

Sebastian Mendez: As if!

Sebastian levitated off the ground as creepy organ music plays, and he had a demonic grin on his face and with rows of jagged fangs, and he slightly opened his mouth, but before he could roar at them again!

BONK!

He got hit on the head with a mallet.

Sebastian Mendez: Ow! Okay, who's the wiseass?!

Unknown to him, the one who whacked him on the head was Buster Bunny who appeared from a nearby rabbit hole and went back to The World Tree Estate before things got ugly. Then, we piled on and Lincoln tickled Tex Avery McWolf and Tom and Jerry Kids McWolf on their feet.

Tex Avery McWolf and Tom and Jerry Kids McWolf: (LAUGHING HYSTERICALLY)

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, now we can get after Perpetua, Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights.

We exited out of The Asmodeus Nightclub to confront Perpetua, Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights.

Suddenly, we sensed thirty-two massive energy signals, and we saw who it was those energy signals belonged to: Perpetua, Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights.

Sylvester: So, Perpetua's finally come, along with those evil and twisted versions of Batman. Thank goodness we didn't get the rest of The Justice League involved in it.

Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Suddenly, Lincoln spread his massive white angel wings and fired power draining waves which hits The Dark Knights and he sucked out and absorbed their powers, and we also saw a massive number of white energy beams come out of Barbatos and were absorbed by Lincoln: it was the multitude of life forces Barbatos absorbed many eons ago. Then, when Lincoln was all done, The Dark Knights all wanted revenge, but Fluttershy used her Stare on them and she made them all surrender, and then, Lincoln opened up a dark portal that led to The Masters of Evil's HQ and The Dark Knights went in.

Then, Lincoln ran at Perpetua and he turned the tips of his eleven massive and long white tails into Cell's stinger and impaled them into Perpetua's chest, and Lincoln began absorbing her, and in the process, he was also assimilating her Nigh Omnipotence, Regeneration, Telepathy, Immortality, Size Alteration, Reality Creation, Power Transferal, Superhuman strength, Multiversal Manipulation, Illusion Phasing, Charisma, Time Control, Energy projection, Teleportation, Pain Immunity, Dimension Travel, Cosmic Awareness, Cosmic Energy Manipulation, Spell Casting, and Magic as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Then, as soon as he was done absorbing Perpetua and the stingers changed back, nothing was left of Perpetua except for her dress and an energy card with Perpetua's drained soul appeared in Lincoln's left hand, and then, he banished Perpetua to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Now, you guys have Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights in The Masters of Evil.

Tex Avery McWolf: And you absorbed Perpetua and banished her to The Black Gates, good riddance to her.

Nico: You said it, Perpetua's been nothing but trouble for eons.

Lincoln: She had to pay one way or another, and I made all of her powers and abilities mine as well when I absorbed her. (To Sakura Shinju) And it's so good to see you again, Sakura Shinju.

Sakura Shinju: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Sakura Shinju and he hugged her, and Sakura Shinju is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sakura Shinju: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Sakura Shinju, Avatar of The Shinju, The Ten Tailed Beast, she's my Guardian Angel from Michigan and she's the most powerful and strongest of the 10 Tailed Beasts and the ultimate Avatar of The 10 Tails, The Shinju. Her power is equally powerful to all of us in our most powerful and her power is literally so strong that she can tear apart an entire planet from the outside and she can cause an entire planet to explode just by simply snapping her fingers! She's the most powerful master of the elements of The Tailed Beasts and she also knows how to use those ten massive and long tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a Guardian Angel who takes her job very seriously, and she vowed that if Lori, Lynn, Lola, Lisa, and Luan killed me, she would leave Lori, Luan, Lynn, Lisa and Lola on the planet and destroy the entire planet and take them with it after sending everyone else to a safe ship for safety.

We gulped.

Selene Arcangela: Yep, in other words: THIS IS ABSOLUTELY ONE GUARDIAN ANGEL NO ONE WANTS TO PISS OFF!

Anna Anyanova: That's an understatement! In other words: you mess with Sakura Shinju, then you can say goodbye to your entire planet including your lives!

Me: Holy… shit!

Sakura Shinju: That's right. Any who mess with me by hurting Lincoln, and they say goodbye to their lives.

Lincoln: And you've heard that Lori, Lynn, Lola, Lisa, and Luan…?

Sakura Shinju: Were made into those vile monsters by Killjoy Huggins who gave them that Dark Side Creation Serum, but he was only a puppet for the real mastermind: The Dark Side of Chase Young? Yeah, I heard, so the ancient and all-powerful Heylin warrior was the true source behind your pain and suffering.

Lincoln: It wasn't just me, he was responsible for all the pain and suffering he inflicted on others for 1,500 years.

Sakura Shinju: What a goddamn monster.

Lincoln: Yep, but we separated Chase Young and destroyed Dark Chase and sent him to The Black Gates forever, thus ending the pain and suffering I had to endure for years.

Sakura Shinju: Damn it, and I missed the chance to get a few blows in on him.

Lincoln: You could've left him as a bloody mess with one Tailed

Beast Bomb or with those tails of yours, that would've been so awesome to see, and now that you're here, Sakura.

Lincoln went up to and hugged Sakura Shinju in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sakura Shinju: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sakura Shinju's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sakura Shinju: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sakura Shinju.

Sakura Shinju had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the twenty-five girls, and when Lincoln saw them, he immediately recognized them. The twenty-five girls are Cao Cao, Charlotte, Ivanka, Doris, Asrid, Fiona, Sayama, Angel, Sumika Minamoto, Lisa, Hano Hotaru, Catherine, Kong Ming, Diana, Shura Lubu, Jenny, Jessica, Lowam, Hope, Olia, Sakurai Yurina, Luti, and Mary from Hypnotic World, Shiori Takanashi from Aikagi, and Ayano Sumeragi from Aikagi 2.

Lincoln: Oh wow, it's Cao Cao, Charlotte, Ivanka, Doris, Asrid, Fiona, Sayama, Angel, Sumika Minamoto, Lisa, Hano Hotaru, Catherine, Kong Ming, Diana, Shura Lubu, Jenny, Jessica, Lowam, Hope, Olia, Sakurai Yurina, Luti, and Mary from Hypnotic World, Shiori Takanashi from Aikagi, and Ayano Sumeragi from Aikagi 2.

Nicole: And Sakura is about to be proven right about what she told us about them.

Lincoln: Are you girls okay?

Sakura Yurina: Yes, we're okay, thanks to you.

Then, when Sakura Yurina and the other twenty-four girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main targets: Perpetua, along with Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the Sakurai Yurina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Shiori Takanashi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cao Cao, Charlotte, Ivanka, Doris, Asrid, Fiona, Sayama, Angel, Sumika Minamoto, Lisa, Hano Hotaru, Catherine, Kong Ming, Diana, Shura Lubu, Jenny, Jessica, Lowam, Hope, Olia, Sakurai Yurina, Luti, Mary, Shiori Takanashi, and Ayano Sumeragi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main targets were Perpetua, overarching antagonist and tyrannical deity of The DC Multiverse, along with Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The

Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights.

But, when Lincoln showed what we did in tickling those two wolves at The Asmodeus Nightclub and then us thrashing Perpetua, Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat, and Lincoln sucking out and draining Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of their powers and Fluttershy using her stare on them to make them surrender and finally Lincoln using Cell's absorption technique to absorb Perpetua and after acquiring all her powers and abilities and drained her dry of her energy and banished her to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Sakura Shinju have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, so you guys went after Perpetua, overarching antagonist and tyrannical deity of The DC Multiverse, along with Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights.

Lincoln: Yep, and we sent The Dark Knights to The Masters of Evil after I drained them of all their powers and Fluttershy used the Stare on them to make them surrender.

Nico: And Lincoln used Cell's absorption technique to absorb Perpetua and after he'd acquired all her powers and abilities and drained her dry of her energy, he banished her to The Black Gates forever.

Me: And removed one of the greatest and dangerous threats to The DC Multiverse forever, that's a huge achievement you've made, Lincoln.

Lincoln: Perpetua caused enough trouble for eons, and she had to pay the price for her misdeeds.

* * *

After destroying Perpetua and sending Barbatos, The Batman Who Laughs, The Drowned, The Dawnbreaker, The Merciless, The Devastator, The Murder Machine, The Red Death, Ark, Batman Who Frags, Bathomet, Batmazo, Batmage, B-Rex, Beyonder, Batmobeast, Batom, Batrocitus, Black Monday, Castle Bat, Chiroptor, Collector, Darkfather, Doctor Arkham, The Grim Knight, Kull, Mindhunter, Night Glider, The Pearl, Quietus, and Warbat of The Dark Knights to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sakura Shinju saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sakura Shinju: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sakura, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sakura Shinju: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sakura Shinju: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Sakura, what memories did you have with Lincoln?

Sakura Shinju: There is a video I have with one memory I have with Lincoln.

Sakura Shinju played a video on the screen, and we saw Lincoln and Sakura Shinju at Lake Superior in their swim clothes and they were having fun. But, their date would wind up getting interrupted.

?: TWERP!

MONSTROUSLY LOUD BELCH!

?: YOU IGNORAMUS HAIRLESS APE!

?: YOU PATHETIC PEASENT!

?: YOU JOKE WRECKER!

Past Sakura Shinju: Oh great, I thought I warned you five monster bitches about that!

Sakura Shinju used five of her ten massive and long purple tails that grabbed five figures out from the shadows: and to no one's surprise, it was Lori, Lynn, Lola, Lisa, and Luan and they were out for Lincoln's blood once more. Then, she shook them down and discovered weapons and explosives they had with them.

Past Lincoln: This again?! You five were repeatedly warned, but it went out your heads and any of our warnings didn't stay in your brains! Sakura, please toss them back home.

Past Sakura Shinju: Gladly.

Sakura Shinju flicked her five massive and long purple tails and sent Lori, Lynn, Lola, Lisa, and Luan screaming back to The Loud House, and they got dragged back inside by Luna as the video ended.

Nico: Lori, Lynn, Lola, Lisa, Luan, what the Hell were you five even thinking of that day?

Me: They were too influenced by their Dark Sides to not even realize that if they dared to kill Lincoln, Sakura will evacuate everyone off Earth and destroy it and take those five with it.

Luna: They tried to piss her off, but thank goodness she restrained herself from doing just that, but next time, they wouldn't get off that easily.

Lincoln: Yeah, next time, she would go through with her threat.

We got a shower afterwards, and then, Lincoln, Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Principal Celestia: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Celestia, and it's perfect for our first date. Shall we?

Lincoln, Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their

necks.

Lily the Mermaid: Whoa, now Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance are in your harem.

Princess Celestia: You can thank me, Luna, and Cadence for this task.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Principal Celestia, Simulator Vice Principal Luna, and Simulator Principal Cadance, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

We were in the simulator for the first ever adventure of Super Mario Galaxy 2.

Nico: Alright. Time for the new Galaxies!

Me: Awesome!

Nico: Yep. Sky Station Galaxy next.

Qin: Yeah!

Shane: Me and Aurico will go next.

Nico: All right.

They went into the simulator and it activated and they were in the Sky Station Galaxy.

Shane: Wow! This is amazing.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well if you guys are going after Peewee Piranha, then first fly to that planet over there and smash open that egg. Then you got to give him the worst spanking ever.

Nico: Now you're talking.

Shane: This will be good!

33m agoAurico: Should be easy

29m agoAurico: Should be easy.

Nico: Yeah.

?: Let me help too!

They saw a girl with red orange hair, red eyes, red clothes and orange wings and she had a Ninja Storm sword. She had a tiara with the Ninja Storm symbol on it and she had the same symbol on her skirt.

Shayla Hurricaneger: Shayla Hurricaneger, Embodiment of the Ninja Storm Rangers.

Nico: Awesome to meet you Shayla.

Shane: Same here.

Nico: We can talk after we beat Peewee Piranha.

Aurico: Let's get going!

Shane: First this! NINJA STORM! RANGER FORM! HA!

Aurico: RED AQUITAR RANGER POWER!

They transformed and were ready!

They were off and they flew to the planet with Peewee Piranha's egg on it!

Nico: HIYAH!

Nico smashed the egg and it cracked and opened and out came PEEWEE PIRANHA!

Shane: Well, the baby's mad. Does he want a bottle?

It roared.

Nico: Time for a spanking!

Shane and Aurico fired a blast of energy and it hit his butt!

SMASH!

Me: He's going to feel that!

Nico: (gets out Red Ghost and Devack's Ridewatches) Time for monkey power!

Nico activated them and fired energy blasts and they hit its butt and he was red!

He then roared and was steaming mad!

Me: WHOA now he is mad!

Shayla Hurricaneger: This will be awesome!

She fired a wave of energy and blasted him in his butt and he popped and out came the star!

Aurico: That takes care of that!

Nico: Lets get the star.

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Shayla Hurricaneger: That was awesome!

They high five!

Shane: Can you tell us about yourself?

Shayla Hurricaneger: Sure. I'm a ninja and an assassin. I am a student of the Ho-Kaze-Mizu-Tsuchi-Rai-Ryu Dojo and I am a master of the Elemental Bending Styles of the Art of the Kamehameha Wave and Dodon Wave.

Me: Wow! Master Goku would love to see that in action.

Nico: He sure would. That is so cool.

Shayla Hurricaneger: Yeah. Also I go after terrorists and nasty bad people.

Nico: Cool. Would you like to join the team?

Shayla Hurricaneger: I would be honored.

They later came back and we cheered wildly.

---

Later in our park at the estate we were looking up at the beautiful night sky of space and we were watching the annual Perseid Meteor Shower. We were laying on the grass and looking up at the sky.

Me: Wow look at all the meteors.

We saw numerous meteors streak across our skylight.

Nico: So many of them.

Horsea: It's all amazing.

Horsea's mom: Boy it sure is.

Horsea: Thanks for coming, Mom

Horsea's mom: Anytime dear.

Poliwag: It's always awesome having you with us.

Horsea's mom: Same here Poliwag.

Misty Tredwell: Boy this is awesome.

Me: It sure is. Wow. The Perseid Meteor Shower is so cool this close.

Misty Tredwell: You think one of them will end up here?

Me: It's possible. When we first met Qin after the Perseid Meteor Shower we saw one slam into the ground.

Laney: And it's how I got this amazing crystal pendant from it.

Nico: I remember that.

Qin: That is cool Laney. I forgot that happened before you guys met me.

Poromon: That was really cool.

Me: Ye;.

Fluttershy: That is really amazing there.

Mavis: This only happens rarely.

Nico: Yeah.

Me: The Perseid Meteor Shower happens once every year but seeing meteors like this is really cool.

G1 Tantrum: It is, isn't it?

Me: Boy it sure is.

Camie: Cosmo, Wanda, has there ever been a case where there were NUMEROUS wishes made during a meteor shower?

Wanda: You know yes there has Camie. One time a kid made over 500,000,000 wishes in one sitting and he ended up losing his fairy godparents due to wish overload.

Cosmo: I thought it was because he ate some bad cooking. (FARTS)

BLANG!

Cosmo got hit on the head with an anvil.

Qin: Nice one. But that is crazy.

G1 Hot Spot: Guys, how is Christine doing?

Me: (Sighs) She hasn't stopped crying since she got here. When we got back from Nico's rescue, Ino and Carrie were talking to her and helping her and she was crying as she was telling them the horrors she went through. It hurts my heart seeing her like this.

Maria: Oh man. Poor girl.

Qin: Yeah she is really broken.

Xenia: Yeah.

Gluko: Nico, who's getting to shine next?

Nico: Princess Luna, Moondust, Snowdrop, Children of The Night, Whenua, and Ellie Singh.

Me: All right! Darkness falls.

Nico: Yep.

Laney: Usually Princess Luna and group are always part of the usual battles.

Lola: Yep.

Me: Yeah. Wait look!

We saw what looked like a rainbow star.

Me: Is that a rainbow star?

Nico: It sure looks pretty.

We saw that it was coming closer and closer.

Me: Wait that's no rainbow star! It's a meteor! And it's coming RIGHT AT US!

Maria: INCOMING!

Nico: DIVE ASIDE!

We got up and then dove aside and then it smashed through the skylight and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It crashed into the ground! Thankfully it didn't smash through the bottom of the tree. We got up and saw that it was a huge meteor.

Me: Wow! That is a big meteor.

Fluttershy: Goodness. That is just as big as the one I saw.

Xenia: Yeah.

We washed it with water and cooled it down.

Lola: Boy that is a big one.

Nico: Let's keep it!

But then it was cracking open.

Me: It's cracking open.

Eli: Is it an egg?

Then it split open and revealed that it was FULL OF GLOWING RAINBOW STONES!

All of us: Oooh!

Laney: Wow! Look at those stones!

Nico: Wow! These are amazing.

Shanan: Oh wow! These are the Wish Stones of the planet Enenthdrovia!

Nico: Enenthdrovia?

Shanan: Yeah It's a planet located in a faraway galaxy in the Unknown Zone and these stones have the power to grant any kind of wish.

Me: Whoa!

Lola: That is cool!

Nico: We need to be careful with those.

Me: Good idea. We can't let these fall into the wrong hands.

Xenia: Yeah.

Shanan: We don't have to worry about that. Only those that are pure of heart are allowed to make a wish with one. Anyone that isn't pure will meet a gruesome and terrible fate.

Nico: What is it?

Shanan: I honestly don't have any idea. But it's a really bad one.

Nico: Oh.

We went and put the stones in the vault for safety.

We later went and got ready for our next mission.

Nico: Who's ready for our next mission?

Me: We all are.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Count Nightwing, and Slappy has him working for him to try and cure his vampire blood cravings, but it was a lie told by Slappy. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Count Nightwing, and Slappy has him working for him to try and cure his vampire blood cravings.

We gasped.

Me: What?!

Lincoln: But, all of it he was told, it was a lie told by Slappy.

Nico: That goddamn dummy! Now, he's really pissed us off for the last time! But, we can't kill Count Nightwing.

Lincoln: I know, which is why we need to get to Freddy Martinez and Cara Simonetti and tell them of what that dummy did.

Me: Freddy's not going to like it when he hears that dummy lied to his grandfather.

Nico: He sure won't.

Camie: Count Nightwing?

Me: He's this one.

I went over and got the book for Vampire Breath.

Me: He's actually Freddy's grandfather and he is a nice vampire.

Qin: Yeah.

Nico: We fought him before.

Me: Yeah and we had to stop him from feeding on people because of his thirst for blood. And he had to stay out of the sun because we were fighting him in broad daylight.

Lola: Yeah.

Natasha Hernandez: Believe it or not guys I actually know of a way to cure the endless thirst for blood. It's what got me cured of it even though I am a vampire myself. It's a spell I learned from the books of Count Dracula himself.

Nico: Really Natasha? That is cool.

Natasha Hernandez: It sure is.

The previous group came.

Girder: Can me, Whirlwind, Molten Man, Koragg, King Shark, Touch & Go, Firebrand, Plastique, Dark Laser and Biowulf go with you guys?

Nico: Yes you all can come with us.

Qin: Yep.

Lola: Cool.

Ravage: Nico, which Gene Slammer do you think you'll meet next?

Nico: Dust Man next.

Qin: Cool. Dusty.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Nathan Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Nathan Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Hestia Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to Simon yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Freddy and Cara calm Count Nightwing down and tell him that Slappy lied to him.

Lincoln: That dummy's really gone way too far this time, and Count Nightwing's Freddy's grandfather, we can't let his grandfather be led astray by Slappy's lies any longer, and once we get done calming Count Nightwing, you're next, Nathan Seraphina.

Nuria Seraphina: You better be ready to bleed, Nathan Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Freddy Martinez and Cara Simonetti calm Count Nightwing down and make him see that he was led astray by Slappy's lies, and once we got done calming down Count Nightwing, Lincoln and Nuria Seraphina are going to destroy Nathan Seraphina, the next of The Seraphina Sisters' evil cousins.

We were off to meet Freddy Martinez and Cara Simonetti in the middle of the city.

---

We landed in the park.

Molten Man: There's no way he's coming in the daytime.

Mr. Touch: What time is it?

I looked at my watch.

Me: 9:23 PM. We have 8 hours before sunrise. So we got to help Count Nightwing.

Alister: It won't be easy

Rafael: Yeah with a vampire it will be tough.

Me: Not if we use the power of the wolf. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: (HOWLS)

Nico: Yeah!

King Shark: I'd like to see him suck MY blood!

Me: If he has any minions with him, vaporize them.

Lola: Good idea.

I smelled something foul.

Me: (GROWLS)

Papillon: We're getting close!

Nico: When J.D. growls like that it means trouble.

Then NUMEROUS MINIONS CAME! They had fangs ready for biting!

Me: You obviously do not know who you are FUCKING WITH!

I activated an ultraviolet flashbang grenade and then I held it up and then it released a massive flash of light and incinerated the vampire minions on contact and blew them apart!

Me: They're all toast!

Firebrand: Where's Freddy?

I sniffed and saw he was in his house.

Me: In his house.

We went over.

Freddy saw us.

Freddy: Hey guys!

Me: Long time no see Freddy.

Jewel Man: How've you been?

Freddy: Not good. Count Nightwing is acting really strangely.

Me: So we heard.

I saw that his fangs have finally grown in.

Me: Hey your vampire fangs have finally grown in.

Freddy: Yeah I just got them.

He showed us.

Biowulf: They're not sharper like a wolf such as myself.

Princess Luna: They're fine all the same.

Natasha Hernandez: Still good fangs though.

We went into the house.

Kevin Levin: This really ain't a social call

Me: Yeah we think that Nightwing is being called by Slappy the living evil dummy.

Nico: Yeah.

Qin: He's up to something.

Dark Laser: Lincoln knows what's going on.

Moondust: Slappy promised to cure his blood cravings.

Nico: Yeah.

Cybertron Scourge: Luckily, we figured out the best way to cure him

Natasha Hernandez" Yep thanks to me.

Plastique saw Poromon brushing his teeth.

Plastique: Poromon, what are you doing?

Poromon: I'm using my toothbrush to brush my teeth. I forgot to do it this morning.

Snowdrop: You should ALWAYS do it in the morning.

Nico: Good idea.

Qin: Yeah.

Sunstorm: Do you even HAVE teeth?

Poromon: Not sure.

Me: No he doesn't. His human form yes. But not Digimon form. He's a bird.

Lola: Yeah.

Mr. Go: Wait. Where's Cara?

Cara came.

Cara: Over here.

Me: Awesome to see you again Cara.

Lola: Yeah.

Cara: Same here.

Magpie: Cara, we have a serious situation right now.

Cara: I know. Count Nightwing is crazy. He claims a dummy is telling him that he knows how to cure him of his thirst.

Nico: That dummy is my arch-nemesis and monster of fear Slappy.

Me: Long story.

Camie: Yeah.

Finn (Jackie Chan): And I figure we probably have about 30 minutes before he ends up feeding on someone else!

Me: Then in that case we got to hurry.

Lola: Yeah.

Qin: I agree there.

Eli: I sense him down in the basement.

Koragg: (sees him flying outside) And he just went outside!

Whenua: Fuck! We got to follow him!

We flew after him.

Qin: We got to stop him.

Blackfire: Entrance time!

We went after him.

Count Nightwing landed and went after a woman. But then the spirits of vampires appeared and they swirled around him and then converged and then a massive murder of crows and bats and dark creatures of the night appeared and then a moon formed and out came us on top. We landed.

Me: Count Nightwing you have to stop now.

Freddy: This is not you grandpa.

Ellie Singh: You don't have to do this.

Count Nightwing: Oh, but I do. One way or another, my thirst will be cured!

Whirlwind: Try to bite on my helmet and you'll break your teeth!

Me: Ouch. But Count don't you realize that everything Slappy told you about curing you was a lie?

Count Nightwing: What!? How did you know that!?

Nico: Freddy told us.

Cara: Yeah he did!

Count Nightwing tried to charge at Nico but he got out garlic bulbs.

He hissed!

Eli: Good thing I had garlic spaghetti for dinner. (FART) Oops.

Me: Taste holy water!

I splashed him and burned him.

May then pulled out a cross and he hissed.

Nico: Count Nightwing at least Hear us out! Slappy is lying to you. He won't live up to his end of the bargain.

Me: Yeah he won't!

Count Nightwing: Oh, he will. Or he'll be my next victim!

Nico: Hey! Get in line! Me and the Slappy Killers have already called first dibs on him.

Eli: Slappy Killers?

Nico: I formed a band of people that hate Slappy with a vengeance. Myself, Kris, Lindy and many others.

Qin: Cool.

Count Nightwing: Um, hello? I'm in the middle of fighting you all here.

Nico: Um, hello? We are. We're just pointing out that I hate Slappy.

Nico teleported and bashed him down and Count Nightwing got up and he hissed.

Qin: Oh hiss yourself.

Lola: Yeah!

Count Nightwing: You all don't know what it's like. To control a curse only to hurt people around you!

Natasha Hernandez: I know how it feels Count! As a vampire myself I know the exact same feeling. Before I was cured, There wasn't a day that went by when I had to constantly crave blood. Nico would go to the blood bank and give me blood all the time. But then one night I discovered a cure for it. I found a spell in Dracula's castle and it cured me and I don't have that curse anymore.

Count Nightwing: What is it?

She pulled out a book and showed the spell.

Count Nightwing read it.

Count Nightwing: She's right!

Nico: So, yeah. We're still beating you up to calm you down. But now, you know we're not lying.

Me: Slappy is!

Count Nightwing: That double-crossing wooden monstrosity! I'll suck out his blood for this!

Nico: Slappy is a wooden dummy. Unless he is full of tree sap you would not like that.

Count Nightwing: Yeah. Ew.

Then Skulker, The U-Foes, Merman, Ghost, Whiteout, Loki, Pete, Swordsman, Leap Frog and the Springfield Bullies came.

Nico: Skulker, The U-Foes, Merman, Ghost, Whiteout, Loki, Pete, Swordsman, Leap Frog and the Springfield Bullies.

Skulker: Technically, I don't have blood since I'm a ghost.

Vapor: My blood is all gas.

Vector: I would advise sucking out my blood. It's made of radioactive energy.

Ironclad: Mine is all metal

X-Ray: And mine is light.

Merman: I think they get the idea.

Me: But that is amazing that all your blood is like that.

Ghost: (to me) We heard you met the Ice Climbers.

Nico: We sure did.

Whiteout: Bout time!

Nicole: It was long overdue.

Me: Yep.

Whiteout: How's Christine doing.

Me: It's really nice of you to check on her. But she is really broken.

Lola: Yeah she hasn't stopped crying since she arrived.

Twilight Sparkle: Poor girl.

?: That's sad.

A figure came and it was HUNTER OF DINO CHARGE!

---

Hunter is seen in a cell watching Scrapper trying to escape.

Hunter was seen in a cell in The Royal Rangers along with several of his inmates reaching out of their cells trying to attack. Fury.

Hunter can be seen in a cell in True Black.

Hunter is seen in a cell in No Matter How You Slice It.

Hunter later appeared in a cell cowering in fear that Heckyl was being released from Solitary Confinement and then later tries to escape when Heckyl used his powers to open up all the prison cell bars, but was forced back in his cell by two Spikeballs in Wishing for a Hero.

Hunter is seen being released by Heckyl along with his inmates in When Evil Stirs.

Hunter volunteers to help Singe and is partnered with Ninja to hunt Tyler after his compatriot used a virus to turn him completely feral. He and Ninja fight the Dino Charge Rangers and gain the upper-hand until Tyler and James Navarro arrive, causing Hunter to retreat. Before Heckyl can kill Hunter for cowardice and allowing Ninja's death, Singe tells Heckyl to spare him, stating that he still needs Hunter as bait for his next plan.

Singe uses Hunter as bait to lure the Power Rangers out to the open, so he may neutralize their powers by placing the Zotak Rings on their Energems. Doing so will render them unable to morph and powerless which will make them easy to destroy and thus will be able to get thier Energems. Although Hunter does his role perfectly, Fury interferes with the plan and thus forcing Singe to weaken him with two of his Zotak rings so that he can no longer interfere. Despite the disadvantage of having to fight the incapacitated Rangers in a five-on-one battle, Hunter is successful at besting them while Singe deals with the other four heroes. However, once Tyler destroys Singe's control, the five Rangers fighting him recover their energy and work together to destroy the outlaw permanently. They do so by combining thier Dino Morpher Blasts into a cloud of energy and then have Ivan (performing his Gold Ptera Sabre's Ptera Sabre Final Strike) fly through it before energy slashing Hunter. Hunter can only bemoan being unable to complete his mission before being blown apart.

The ghosts of Hunter and Ninja are summoned to the Halloween Intergalactic Court by Scumlaw where they tell their side of their fight with the Rangers.

Hunter is among the monsters revived by Wrench as part of Doomwing's plot to divert the Rangers while going after Zenowing again. Due to the revival being sped up, Hunter is rendered unable to speak and is significantly weaker. He and the other monsters are destroyed by the Victory Maximum Final Strike.

---

Tyler Navarro: Hunter!

Hunter (Dino Charge): Been a while rangers.

Me: I remember you! You were sent as bait to lure the rangers out and put Zotam Rings on their Energems.

Hunter (Dino Charge): That's right. Good memory.

Me: Yep.

Tea Rhodes: You would be perfect for me too. I am the gene-slammer of the Blue Ringed Octopus.

Hunter (Dino Charge): That is fitting and I am a Blue Ringed Octopus monster.

Lola: Yep.

Hunter (Dino Charge): And ya got another person with my name in the core 310!

Hunter: (German Accent) Ja ja und that's me.

Qin: Coincidental isn't it.

Me: Yeah.

We got the battles underway.

Lincoln: You have to stop… , (Deep Sapphire Eyes turn Blood Red) NOW!

Count Nightwing suddenly stopped.

Lincoln: Count Nightwing, listen to me. I know you want to try and cure your vampire blood cravings, but this isn't the way, Slappy lied to you, he told you that he wanted to help cure your vampire blood cravings, but it's not, it's nothing more than a lie that dummy told you. In truth, he wanted to turn you against your grandson and Cara, and he wanted you to kill them and us.

Lincoln's reasoning suddenly calmed Count Nightwing down.

Count Nightwing: I… I cannot believe it. Slappy said he wanted to help cure my vampire blood cravings, but he… I cannot believe he lied to me and tried to turn me against Freddy.

Nico: Slappy lied to you, Count Nightwing, your vampire blood cravings aren't easy to cure, but we've have ways to help you maintain your vampire blood cravings so you won't attack people.

Lincoln: And I should know. (Shows his fangs) Because I'm an Alpha Vampire-Werewolf hybrid and I found ways to maintain the cravings for blood by getting blood bags from the blood bank, we can do the same for you.

Count Nightwing: You're right. Please forgive me, and allow me to redeem myself by helping you all in killing that dummy.

Nico: You got it.

Count Nightwing joined us and Freddy hugged him.

Lincoln: Now, that's one mission that didn't end in someone dying, and Freddy got his grandfather to see that Slappy was a liar.

Nico: Thanks to you, Lincoln, and you showed him that you're also a vampire too.

Lincoln: Had to do it, it was the only way. Now, there's only one thing left to do and one last loose end to tie up: Nathan Seraphina.

?: YOU GODDAMN BITCHES AND BASTARD! YOU WILL ALL BURN!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Nathan Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Nathan Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Nathan Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Nathan Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Nuria Seraphina: That was all your doing along with the doing of your brothers, Nathan, and now, you shall threaten mankind and the world no more.

Suddenly, Nuria Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, griffins, phoenixes, and angels, she unholstered her massive Hazy Flame Griffin-themed greatsword from her back, and as she approached Nathan Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, griffins, phoenixes, and angels with every step.

Nuria Seraphina: Never did I expect to ever see you again, Nathan. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Nuria Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are griffins, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Nathan Seraphina: the red eyes of death. Then, as the vortex faded, Nuria Seraphina emerged, but she was changed forever.

Nuria Seraphina grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large fire-colored orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and an orange yellow and crimson red energy aura with stars, fire, flames, fire magic, griffins, phoenixes, and angels surrounding her, she has Hazy Flame Griffin along with The Griffin of The Heraldry emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws, she also Hazy Flame Griffin with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red griffin-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Nuria Seraphina has on a sleeveless crimson red vest, sleeveless crimson red crop top, crimson red skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, fire magic, griffins, phoenixes, and angels on the coattails, and on the back is Hazy Flame Griffin and The Griffin of The Heraldry surrounded by flames. Suddenly, Nuria Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Nuria Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nuria Seraphina's Hazy Flame Griffin-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, griffins, phoenixes, and angels, and when it emerged, it was transformed into Nuria Seraphina's Eternal Fire Inferno Hazy Flame Griffin Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Griffin Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Hazy Flame Griffin etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red griffin heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red griffin heads with orange gems for eyes and on the bottom of the large griffin heads is a large crimson red griffin head with orange gems for eyes and orange gem in its mouth for the pommel, Nuria Seraphina has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hazy Flame Griffin's head with crimson red gems for eyes and large crimson red gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Hazy Flame Griffin and the Griffin that said, "Nuria Seraphina, Gene-Slammer of Hazy Flame Cerberus, Master of The Powers of Fire and Fire Magic, True Immortal and Powerful Warrior of The Universe, Loving Sister of Stella, Hestia, Elaine, Ember, Alinta, Helia, and Bridget Seraphina, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Holo Defense API, Destroyer of Nathan Seraphina, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Flames, Fire Magic, Griffins, Stars, Phoenixes, and Angels"

Suddenly, Nuria Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she

transformed into her most powerful and and most incredible transformation ever!

Nuria Seraphina has transformed into SUPER ANGEL-HAZY FLAME GRIFFIN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME GRIFFIN PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME GRIFFIN PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME GRIFFIN PHOENIX ANGEL LOVE!

We were really amazed by Nuria Seraphina's Super Angel-Hazy Flame Griffin-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Nathan Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Nuria Seraphina absorbed it and it made them even stronger than ever, and Nuria Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, griffins, phoenixes, and angels which hits Nathan Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Elaine Seraphina: Oh man, Nuria's transformed, now things are really going to heat up now!

Lincoln: That's right, Nuria Seraphina's transformed into her Super Angel-Hazy Flame Griffin-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Nathan Seraphina.

Nuria Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Griffin Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Griffin Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Nuria Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Nathan. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Nuria Seraphina and Lincoln went after Nathan Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Nuria Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nathan Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Nuria Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Nathan Seraphina even more madder with rage.

Nathan Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Nathan Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Nuria Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Nathan Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Nathan Seraphina were his clothes. Then, an energy card with Nathan Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Nuria Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Nuria Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Nuria Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Nuria.

Suddenly, Nuria Seraphina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nuria Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Griffin, and Hazy Flame Griffin flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Nuria Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only five more to go.

Lincoln: Yep, and now, Slappy's losing the next few of his minions.

Me: Those losers seriously had no idea of what they got themselves into when they allied with that dummy. So, Lincoln, who are we going to meet tomorrow on your rescue?

Lincoln: I've got a good one for tomorrow, and it's one Brittney will enjoy seeing again: Morrigan Nightshade, The Windigo Queen of Darkness and Master of The Windigos.

Brittney: Morrigan Nightshade, The Windigo Queen of Darkness and Master of The Windigos?! I haven't seen her in years.

Nico: A Goth Girl who also knows Brittney and is known as The Windigo Queen of Darkness and Master of The Windigos? Whoa, this should be a good one.

Lincoln: You got that right.

Selene Emperyous: And I knew you'd choose her, Morrigan Nightshade is Lincoln's Guardian Angel from New York and she's a

Goth Girl with immense power over the darkness and ice, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult and she also has massive black angel wings. She also has a secret: like Brittney, she's also a Master of The Windigos and her talent in The Dark Arts allowed her to become The Master of The Windigos, the spirits who terrorized Equestria and tried to cover the land in eternal winter and who fed off of conflict arising from ponies. When she became Master of The Windigos, she took on a title just like Brittney who's known as The Empress of Darkness, Morrigan Nightshade became known as The Windigo Queen of Darkness and any who dared to mess with her, she would call upon the forces of darkness and even summon The Windigos and send them to condemn those whose hearts are so black to a frozen eternity in Hell.

Eli: Yipe.

Me: Yep, plus, Brittney and Morrigan Nightshade taught Lincoln how to summon The Windigos and because of his talents with magic of all forms both light and dark along with summoning the spirits, angels, demons, and other creatures, they accepted Lincoln and he also became a Master of The Windigos. To show his thanks to Morrigan, Lincoln made her a midnight black short-sleeved blouse, dark blue sleeveless top, white bridal gloves, necklace with dark blue heart pendant, long frilly midnight black skirt with jewels around her waist, and gothic stockings, and he gave her a pair of midnight black knee-high high-heeled boots with butterfly buckles, and to show her thanks, she and Lincoln kissed underneath a blue moon, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, and she swore if they tried anything to kill her Windigo King of Darkness, she would summon The Windigos to kill them by feeding off their hatred and freezing their hearts and sending their souls straight to Hell.

Nico: (GULPS) Oh man, this is one Windigo Queen of Darkness no one wants to mess with at all.

Nicole: Not unless they want to be the next victims of The Windigos.

Count Nightwing: I truly am sorry.

Loki: Hey, don't worry about it.

Pete: You were desperate to cure your condition. We don't blame you for it.

Swordsman: We're just glad you came to your senses.

Leap Frog: Now to wrap this up

Jimbo: (to Natasha) You know what to do.

Natasha Hernandez: Right.

Natasha chanted the incantation and then she fired a wave of energy and it hit Count Nightwing.

Nico: How do you feel?

I had him smell some blood.

Count Nightwing: Nah I'm good. (GASP) It worked! It worked! I'm cured!

We cheered!

Nico: This is one mission where no one dies.

Me: Yep.

Nico: Great job everyone.

Lucy Loud: (To the viewers) This was a great adventure.

Me: Yep.

We then went back home.

* * *

Meanwhile, Slappy heard about this and he was ENRAGED!

Slappy: YOU FUCKING FIREBIRD FREAKS! I WILL KILL YOU ALL FOR THIS!

The next match-up is Eliane Seraphina, Gene-Slammer of Hazy Flame Peryton and Lincoln VS. Edward Seraphina

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Los Angeles, California, specifically The Avalon Hollywood Nightclub, and we got word that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped the girls for Lincoln to rescue and they're at The Asmodeus Nightclub, and after we rescue the girls from Tex Avery McWolf and Tom and Jerry Kids McWolf, they're also going to help us kill our main target, and our main target is none other than Starbreaker, a cosmic vampire and one of The Justice League's many enemies. And we're going to meet Morrigan Nightshade, The Windigo Queen of Darkness and Master of The Windigos, she's Lincoln's Guardian Angel from New York and she's a Goth Girl with immense power over the darkness and ice, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult and she also has massive black angel wings. She also has a secret: like Brittney, she's also a Master of The Windigos and her talent in The Dark Arts allowed her to become The Master of The Windigos, the spirits who terrorized Equestria and tried to cover the land in eternal winter and who fed off of conflict arising from ponies. When she became Master of The Windigos, she took on a title just like Brittney who's known as The Empress of Darkness, Morrigan became known as The Windigo Queen of Darkness and any who dared to mess with her, she would call upon the forces of darkness and even summon The Windigos and send them to condemn those whose hearts are so black to a frozen eternity in Hell. Plus, Brittney and Morrigan Nightshade taught Lincoln how to summon The Windigos and because of his talents with magic of all forms both light and dark along with summoning spirits, angels, demons, and other creatures, they accepted Lincoln and he also became a Master of The Windigos. To show his thanks to Morrigan, Lincoln made her a midnight black short-sleeved blouse, dark blue sleeveless top, white bridal gloves, necklace with dark blue heart pendant, long frilly midnight black skirt with jewels around her waist, and gothic stockings, and gave her a pair of midnight black knee-high high-heeled boots with butterfly buckles, and to show her thanks, she and Lincoln kissed under a blue moon, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, and she swore if they tried anything to kill her Windigo King of Darkness, she would summon The Windigos to kill them by feeding off their hatred and freezing their hearts and sending their souls straight to Hell.

The next part for part 5 is for Phantom of The Auditorium and it will be fun.

See you next time.

Nico: Thanks for arranging for us to have this date J.D.

Me: Anytime Nico.

Nikki Clemmington: I'm really excited for this.

Me: Me too.

Laney: Man it's cold.

Camie: No kidding. I can't believe the Himalayas are always this cold.

Me: Well it is the worlds highest mountain range and it's always cold up here because it reaches the lower Stratosphere.

Nico: Yep.

Kairi: I think it's cool up here because the mountains are so beautiful.

Xenia: They sure are.

Nico: Kairi, I want to thank you, Dr. Light, and your teams for coming

Kairi: It's my pleasure Nico. I'm glad I am coming with.

Xenia: We're glad to have you with us.

Future Mai: This will be fun..

Mimi Tachikawa: I'm really excited for this.

Lillymon: Same with me Mimi.

Qin: I am too. This is always so beautiful coming up here.

Lola: It sure is. The Himalayas are always amazing.

Me: Yep. The most beautiful mountains here in the Himalayas are Mount Annapurna and Mount Everest. Those two are my favorites up here.

Qin: Mine too. They are so beautiful.

Nico: Yeah.

Anna Anyanova: The Himalayas are my favorite mountains because they have the most beautiful snow ever known.

Me: They sure are pretty. And they are widely known for having the most elusive legend in all of the Khumbu Region, The Yeti.

Nico: Yep and we saw that. That was so cool.

Lola: It sure was.

Camie: That is amazing.

Lola: Yeah it was.

Nicole: Yeah. The Himalayas are my favorite mountains because it took millions of years to form these amazing mountains when India pushed up against Southern Asia and made the highest mountain range in the world.

Eli: That is cool.

Nico: Mai are you really from the future?

Mai: I sure am. 20 years actually. Long story.

Qin: That is amazing.

Lola: Yeah.

Xenia: What happened in that time?

Future Mai: Trunks killed both Zamasu and Goku Black and saved us all thanks to the help of Goku and friends.

Me: I remember Master Goku, Vegeta and everyone telling me about that. That was epic.

Lola: Yeah.

Juran: Does your present self still exist though?

Future Mai: She sure does. As you saw she is in the M.O.E.

Xenia: Yeah we sure did.

Lola: That is awesome.

Xenia: Yep.

Nico: No kidding. But man yesterday's mission was awesome.

Brittney: It sure was. And we saved Count Nightwing from himself and freed him of the curse of the thirst of blood.

Natasha Hernandez: Thanks to the spell I learned.

Nico: You think he fed on anyone before we stopped him?

Me: I don't think he did. But if that happened it would be bad.

Eli: No J.D. is right. I sensed that we stopped him before he killed anyone.

Nico: Good.

Qin: Yeah thank goodness.

Lola: No kidding.

Nico: He thinks he's the only one fighting a curse? He's wrong.

Me: Yeah no kidding. There are thousands more that had it bad.

Qin: Yeah no kidding there.

Nico: But either way we saved him and I'm glad we did.

Lola: Yeah.

Camie: Boy no kidding. And Slappy had the gall to promise him that.

Xenia: Yeah no kidding!

Nico: Princess Luna, Moondust, Snowdrop, Children of The Night, Whenua, and Ellie Singh did good too

Gari: We sure did. That was so fun.

Nightshade: It sure was.

Snowdrop: That was awesome.

Princess Luna: It was really awesome too.

Twilight Sparkle: That was awesome for you and your family Princess Luna.

Princess Luna: It sure was fun.

Nico: Yep.

We arrived at the restaurant and it was an awesome Nepalese Curry Restaurant.

Nico: Wow.

Nikki Clemmington: This looks like a great place.

Me: Yeah it sure is. We have been to this restaurant on our worldwide adventure and it was awesome.

Laney: I remember this restaurant. The food is awesome.

Gaon: You guys got us reservations, right?

Me: Don't worry we got special passes for all reservations to be given to us free.

Nico: Nice.

We went and got tables and got good curry and it was amazing.

Me: (eating Nepalese Curry) Mmm.

Nico: (Eating) Good food.

May: Nikki, how did you first meet Nico?

Nikki Clemmington: We met in gym class and as you all know I have a terrible gas problem.

Nico: Yeah and some bully boys were hurting her so I punched them in their faces and got them expelled.

Me: Man what a bunch of jerkwads. I know just how that feels.

Nikki Clemmington: I know. But I may have a gas problem but I also am really good at track.

Nico: She's the fastest runner in school.

Maria: Where were you first Gene Slammed?

Nikki Clemmington: When I was practicing for a huge triathlon. I was training really hard when suddenly I felt a poke and then I got this nasty pain. And then I blacked out. Next thing I knew I woke up as a Weezing. One of my favorite Pokemon.

Nico: Yeah.

Lola: Ouch.

May: But I'm glad we got you back to normal and you are better than ever.

Nikki Clemmington: I know. Too bad you didn't cure my condition with farts. (Eating curry) Mmm.

May: Was there a time we're you lost your mind to your Weezing form?

Nikki Clemmington: No not really. I don't know how I managed to maintain myself and gain the ability to revert back at will but it just happened.

Me: It's okay. You can tell us when you are ready or when you remember.

Nikki Clemmington: Thanks.

We had a really good meal.

Me: (Finishes Eating) Mmm! Ahh. That was awesome.

Twilight Sparkle: It sure was. I'm amazed you went to this place before J.D.

Me: It was a while back but it was awesome.

Lola: Yeah it was fun.

Nikki Clemmington: Actually, yes. I DID lose my mind one time

Me: Really?

Nikki Clemmington: Yeah it was during when I was in a recycling plant and they were making chemical weapons and I just lost my mind. I blasted the men with poison gas and killed them all.

Me: Yikes. Wait I remember reading about that. The police found all their bodies reduced to mush by hydrochloric acid gas of unknown origin.

Lisa Loud: That is dangerously potent.

Nico: Wow.

Lola: Yikes.

Xenia: Brutal.

Nico: How did you regain control?

Nikki Clemmington: Me and my Weezing half of myself came to an understanding and decided to work together from then on. I went to find you guys. Wait I remember now. I gained the power to revert at will when me and Weezing in my Subconscious merged into one. It was when we were heading to find you guys.

Me: Wow.

Lola: That is amazing.

Lana: I'll say.

Camie: Yeah.

May: Can you describe what your Weezing transformation feels like?

Nikki Clemmington: Well I don't really know how to describe it. It feels like I'm puffing up like a balloon and then I don't know what happens after that.

Me: You'll think of it in due time.

We later left the restaurant.

Me: That was great.

Nico: It sure was.

Lincoln: Okay, guys, now that we've had our fun, we've got ourselves a huge emergency: we got word that The Snowman of Pasadena's here and he's on the rampage.

We gasped.

Me: Wait, what?!

Nico: We were planning on seeing our big hairy friend during one of the main missions, but this is quite unexpected. But, why's he on the rampage?

Lincoln: You're not going to like it: he's got a toothache.

Rita Loud: What?! A toothache?! Oh, that's not good, luckily, I got this.

Rita got out her dental bag.

Nico: Awesome, but we still need to tie down our big hairy friend, so you can remove that bad tooth.

Lincoln: That's going to be left to two people who I've just called.

Just then, Fire Lori and Natsuru Seno arrived.

Lola: Whoa, you called Fire Lori?

Me: And Natsuru Seno?

Fire Lori: That's right.

Natsuru Seno: Lincoln explained everything, so we hightailed it here at once.

Lincoln: You sure did. (Sensed for The Snowman of Pasadena) AHA! Gotcha. I just spotted our big hairy friend, he's 20 yards away and he's in a lot of pain from that toothache.

Nico: Toothaches are never fun.

Lincoln: You said it. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Snowman of Pasadena.

Me: That was easy. Now lets find the Snowman.

We heard a rumble

Me: Whoa.

Lola: He's close.

?: (ROARS IN PAIN)

Me: Uh oh, and here he comes now.

We then saw our target, The Snowman of Pasadena, and he was really in pain from the toothache he has. He raised his fists to smash us, but Lincoln saved us by forming a massive and indestructible diamond barrier and when he brought his fists down, the barrier was still standing. But, he was still throwing snowballs at the barrier trying to hurt us, and that toothache was really causing him pain.

Nico: You're not kidding about what that toothache he has. I'd be in a grouchy mood if I had to deal with something like that.

Me: Boy he is madder than a hippopotamus giving birth to a whale!

Devon: Activate Beast Power!

Gentaro: Henshin!

They transformed and were ready!

Lola: YEAH!

Me: Time for some fun!

Nico: You're not kidding about what that toothache he has. I'd be in a grouchy mood if I had to deal with something like that.

Me: Boy he is madder than a hippopotamus giving birth to a whale!

Lincoln: Same with many of us, that's why we always brush our teeth every day and if we have a very nasty cavity, we get it removed immediately.

Lincoln fired a diamond ball which hits The Snowman of Pasadena in his face and forced him back, Lincoln took down the barrier and we stood ready to face The Snowman of Pasadena.

Lincoln: Easy, big guy, easy. We're not going to hurt you, but you need to cool down.

Suddenly, The Snowman of Pasadena opened his mouth and we saw it: his tooth had tons of holes in it and it was yellow and rotted.

Me: OH YUCK!

Nico: THAT'S ONE NASTY TOOTH!

Me: GEEZ! That toothache is nasty!

Lincoln: Even nastier than El Mal Verde's. Well, we need to tie him down, so Mom can get to work on him right away.

Fire Lori: Right. He roared and smacked us away and I teleported and flew.

Nikki concentrated and groaned before spitting out her human teeth.

She then puffed up and turned into WEEZING!

Weezing: Hey big guy! Calm down! We only want to help!

Me: Boy he is REALLY out of his mind with pain!

He roared in pain and tried to punch Weezing

She was dodging his punches.

Me: He is really in a lot of pain!

Qin: GEEZ! Poor fella.

Suddenly, Fire Lori's red eyes turned neon red and she was surrounded by a neon red energy aura with stars, fire, flames, dragons, phoenixes, and angels, she unholstered her massive Fire Lori's L-Emental Firestorm Draconic Phoenix Greatsword of Draconic Phoenix Inferno Justice and Draconic Firestorm Phoenix Love from her back, and as she approached The Snowman of Pasadena, she left neon red energy, stars, fire, flames, dragons, phoenixes, and angels with every step.

Fire Lori: I literally can understand that you're in some serious pain right now, but this rampaging of yours is going way too far. So, we need to tie you up, so Prime Universe Mom can remove that tooth of yours and fast.

Lori then appeared.

Lori: Am I too late to see the fight?

Me: No, Lori, the show is about to begin.

Suddenly, Fire Lori was surrounded by a massive vortex of neon red energy with stars, fire, and flames surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a fire-colored phoenix with blue eyes gazing into The Snowman of Pasadena: the blue eyes of salvation. Then, as soon as the vortex faded, Fire Lori emerged, but she was changed forever.

Fire Lori grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven crimson red orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long blonde hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon crimson red eyes and a neon red energy aura with stars, fires, flames, dragons, phoenixes, and angels surrounding her, she has a phoenix and dragon holding the Fire Kanji in its claws surrounding the deer emblazoned on her forehead Third Eye with crimson red iris, she has on phoenix earrings with red gems for eyes and holding the Fire and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with red gems on the gold flame links and red crystal links and a red dragon-shaped Element of Harmony and below the Element of Harmony is a phoenix with red gems for eyes and holding the Fire and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on a sleeveless crimson red shirt with a blond phoenix and the symbol of The L-ementals on it, crimson red skirt with flames on it, black pants with flames on it, black knee-high combat boots, and long white sleeveless trenchcoat with stars, fires, flames, phoenixes, dragons, and angels on the coattails, and on the back is a dragon and phoenix with fiery flames surrounding them. Suddenly, Fire Lori felt a sharp pain on her back and then, her massive blond angel wings with neon red and orange tips on the large blond feathers grew much bigger for her new body and her eleven massive and long blonde wolf tails now have crimson red tips and crimson red markings, she has on a Ring of The Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger, wedding ring on her left pinkie finger and Orange Lantern Corps ring on her left ring finger, her cutie mark is on her right shoulder, and she has on red fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded in her left hand.

Suddenly, Fire Lori's massive Fire Lori's L-Emental Firestorm Draconic Phoenix Greatsword of Draconic Phoenix Inferno Justice and Draconic Firestorm Phoenix Love and all of the greatswords and swords she'd gotten began merging together and they were surrounded by a kaleidoscope of neon red energy, stars, fires, flames, dragons, phoenixes, and angels, and when it emerged, it was transformed into Fire Lori's L-Emental Eternal Firestorm Draconic Phoenix Greatsword of Draconic Phoenix Inferno Justice and Draconic Firestorm Phoenix Love, it's a brand-new large greatsword with a dragon and phoenix etched on the 7'6" massive, wide, double-edged gold blade with red gems embedded in it, large gold dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in the foreheads, longer midnight black handle, four large gold dragon heads with red gems for eyes and large gold dragon head with red gems for eyes and red gem inside its mouth on the bottom of the dragon heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, she has on her large gold Belt of Elemental Bravery with large gold phoenix head with red gems for eyes and a large red gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Fire Lori's Super Angel-Fire Elemental-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Snowman of Pasadena saw it, he went berserk and got a massive snowball to throw at her, but Fire Lori fired a massive barrage of neon red energy, stars, fires, flames, dragons, phoenixes, and angels which melted the snowball and hit The Snowman of Pasadena and he crashed into a tree, but he got up and roared like crazy.

Maria: Geez!

Me: Awesome and infernal!

Lori: Boy my fire counterpart literally looks incredible!

Nico: She sure does Lori.

Fire Lori: (Divine Echoing Godly Voice of The L-Emental Inferno Firestorm Draconic Phoenix Angel and Divine Cosmic L-Emental

Inferno Firestorm Draconic Phoenix Angel Love) Sorry to do this to you, but you need to settle down before you do something that can seriously hurt someone.

Natsuru Seno: That's right, you need to settle down right now so we can get that rotten tooth out of your mouth.

Me: Won't be easy, the last time he went on a rampage like that, it was because of Arachnotaur, The Spider God of Anger.

Nico: Until we gave him a thrashing and sent him to The Warp, and last year, when he came back to get revenge, Lincoln drained him dry of every last bit of his strength, powers, and all the anger that he embodies, and he and Serena sent him to The Black Gates forever.

Suddenly, Natsuru Seno's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, blue fire, blue flames, phoenixes, and angels, and as she approached The Snowman of Pasadena, she left blue energy, stars, blue fire, blue flames, phoenixes, and angels with every step.

Natsuru Seno: I get that you are suffering badly from the toothache you have, but like Fire Lori said, going on a rampage isn't going to solve anything. We need to calm you down, so that way, we can get that rotten tooth removed from you at once.

Suddenly, Natsuru Seno was surrounded by a massive vortex of blue energy with stars, blue fire, and blue flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a light blue phoenix with blue eyes gazing into The Snowman of Pasadena: the blue eyes of salvation. Then, as the vortex faded, Natsuru Seno emerged, but she was changed forever.

Natsuru Seno grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights on the bangs of her short neck-length blue hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a blue energy aura with stars, blue fire, blue flames, phoenixes, and angels surrounding her, she has a blue fire phoenix emblazoned on her forehead and Third Eye with blue iris, she has phoenix earrings with blue gems for eyes and holding the Fire, Love, and Eternity Kanjis in its claws, she has on her Elemental Phoenix Necklace of Eternal Love with blue gems on the gold flame links and blue crystal links from her merged Crystal Necklace of The Buddha and blue phoenix-shaped Element of Harmony and on the bottom of The Element of Harmony is a phoenix with blue gems for eyes and holding the Fire, Love, and Eternity Kanjis in its hooves for the pendant and she has on a white and gold accented choker on her neck. Natsuru Seno has on the same white and blue school uniform as her sister, black knee-high socks, sneakers, and long white sleeveless trenchcoat with stars, blue fire, blue flames, phoenixes, and angels on the coattails and on the back is a blue fire phoenix with blue flames surrounding it. Suddenly, Natsuru Seno felt a sharp pain on her back, and then, massive blue angel wings with white tips on the large blue feathers grew and sprouted out of her back and she now has eleven massive and long blue wolf tails with white tips and white markings. Natsuru Seno has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Natsuru Seno's massive greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of blue energy, stars, blue flames, blue fire, phoenixes, and angels, and when it emerged, it transformed into Natsuru Seno's Blue Firestorm Bombshell Phoenix Angel Greatsword of Blue Firestorm Bombshell Phoenix Angel Justice, it's a brand-new massive greatsword with embedded white gems and a phoenix etched on the 7'6" massive, wide, double-edged blue blade, large blue phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in the foreheads, longer midnight black handle, four large blue phoenix heads with blue gems for eyes and large blue phoenix head with blue gems for eyes and large blue gem in its mouth on the bottom of the blue phoenix heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with blue gems for eyes and large blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Natsuru Seno has transformed into SUPER ANGEL-BLUE FIRE PHOENIX-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA BLUE FIRE BOMBSHELL BLUE FIRESTORM PHOENIX ANGEL OF DIVINE

BLUE FIRE BOMBSHELL BLUE FIRESTORM PHOENIX ANGEL JUSTICE AND DIVINE COSMIC BLUE FIRE BOMBSHELL BLUE FIRESTORM PHOENIX ANGEL LOVE!

We were amazed by Natsuru Seno's Super Angel-Blue Fire Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Natsuru, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Snowman of Pasadena saw it, he went absolutely crazy and grabbed another handful of snow to throw at her, but Natsuru fired a massive barrage of blue energy, stars, blue fire, blue flames, phoenixes, and angels which hits The Snowman of Pasadena and he went flying into a tree, he got back out, but boy was he mad now!

Nico: I forgot how strong he was!

Me: I didn't!

Camie: Boy he sure packs a wallop!

Lola: No kidding!

Natsuru Seno: (Divine Echoing Godly Voice of The Blue Bombshell Blue Firestorm Phoenix Angel and Divine Cosmic Blue Bombshell Blue Firestorm Phoenix Angel Love) Sorry we had to do that to you, but this is for your own good.

Lincoln: But, it'll end soon after we tie you down and Mom works her magic and gets that tooth out of you.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Fire Lori and I joined Natsuru Seno, and so did the rest of us as we unholstered our massive greatswords and transformed and joined in.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sorry we have to do this to you, big guy, but this has to be done so that tooth of yours can be removed.

Devon, Gentaro, Princess Luna, Moondust, Snowdrop, Children of The Night, Whenua and Ellie Singh blasted and smashed him.

Lincoln, Fire Lori, Natsuru Seno, and I went after The Abominable Snowman of Pasadena, and we fired extremely powerful blasts of rainbow energy, neon red energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Abominable Snowman of Pasadena and they exploded with incredible power as they hit him.

Then, we attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and he, Fire Lori, Natsuru Seno, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

The Abominable Snowman of Pasadena got up and roared at us, but before he could charge at us once more, Lincoln swung his massive greatsword and fired chains of light energy which bound The Abominable Snowman of Pasadena's wrists and ankles.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, Mom, while he's chained up.

Rita: On it.

Rita got out her dentist bag and got out some huge pliers, and The Abominable Snowman opened his mouth, and as soon as Rita saw the nasty tooth, she gripped the tooth with the pliers and pulled with all her might, and then… !

POP!

Rita removed the cavity-ridden tooth, and just like that, The Abominable Snowman of Pasadena was alright, as he was happy and cool once more. We cheered wildly as Lincoln, Fire Lori, Natsuru Seno, and I holstered our massive greatswords and powered down, and Fire Lori's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent, and Natsuru Seno's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blue wolf tails, and massive blue angel wings are permanent.

Me: Boy that is one NASTY tooth! I don't think the tooth fairy would touch that tooth with a 10 foot pole.

Nico: Boy what did he eat that lead to this?

Laney: I Think some things are best left unsaid.

He fainted.

CRASH!

Nico: Boy he is gonna have a really nasty headache.

Qin: Yeah.

Fire Lori: That was one serious dentist emergency we dealt with.

Natsuru Seno: But, at least, The Abominable Snowman is alright now.

Me: And with that tooth removed, he's back to his normal self. By the way, Lincoln, did Freddy react yesterday when he saw your vampire fangs and eyes turn blood red?

Lincoln: He did, and Adriana and I told him the whole story of what happened to me, and needless to say, he now has me as a vampire friend.

Nico: But, he and his grandpa were both surprised to find out the truth about your vampire-werewolf hybrid nature, and you never introduced us to Melanie Adonicia.

Lincoln: Oh shoot, I didn't.

Suddenly, Melanie Adonicia appeared from a tornado of candy.

Melanie Adonicia: That's right, we didn't get to that part. Go ahead, Lincoln.

Lincoln: Right. Anyways, this is Melanie Adonicia, The Candy Master of Royal Woods, she's my Guardian Angel from Michigan and she's a girl who has one seriously awesome love for sweets and has got quite the sweet tooth. She's worked in her family's candy factory ever since she started at the age of seventeen and she knows all of the secret recipes to her family's famous candy, and one day, Melanie was working in the factory, but then, she got into an accident in the candy-making machines, and suddenly, she was given the super awesome ability to create all kinds of candy and sweets in the blink of an eye.

Nico: Just like Candy, that's so awesome.

Lincoln: And it just gets more awesome, she also gained rainbow angel wings and she also gained the same ability as Mary Knudson: the power to grow stronger by eating sweets. She told me about this and I was immediately stunned, and she showed me what she can do thanks to that accident at the factory: she can create and fire waves of all kinds of candy and she can grow candy trees, bushes, and gardens of sweet and awesome candies of so many varieties, and so much more. This of course had gained the attention of our resident sweets lover, Mary, and when she saw all of it for herself, she was immediately in Candy Heaven.

Nicole: Mary was really in Candy Heaven as a result of meeting Melanie, and they went into business together making awesome sweet candies to give to everyone.

Lincoln: She gained a whole lot of attention from Royal Woods when she was working in her family's candy factory right before the accident, but now, she had gained the attention of the entire state of Michigan, and she hated Flip with a blazing passion because that mutant tried to steal her family's secret recipes for all of their famous candies and sweets and sell the secret recipes to that absolutely deranged and repulsive plague of Royal Woods, mad scientist Ophelia Shroud. But, Melanie's factory was also equipped with state-of-the-art security and they caught that stupid mutant and she threw him in a cage of hardened taffy and caramel, and when she found out Ophelia Shroud was also in on this as well, she threw that mad monster inside a steel cage and with a wild monkey inside it and she was easily torn apart.

Eli: Jeez.

Lincoln: And Melanie wasn't done, she called the cops and Flip got sent right back to prison, and as for Ophelia Shroud, because of the fact that she's a danger to everyone in Royal Woods and the entire world along with the state of Michigan, she was sent to the Lansing Super-Max Prison and thrown into Super-Max Solitary Confinement, but of course, not a week into her sentence, she escaped.

Melanie Adonicia: And when I found out you gave her, Hawk, and Hank The Black Gates last year, I was so glad to finally be rid of her for good. Oh, and in case any of you wanted to ask: Lincoln had already bitten and marked me and fed on my blood.

And she was right: we saw she had on an Elemental Thunderbird Necklace of Eternal Love with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha and she has on a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck.

Me: And he did just that yesterday.

Nico: Wow. And did Lincoln also help out with you and Mary in the candy-making business?

Melanie Adonicia: He did more than that: he advertised it on the internet in a blog that Becky Long had made, and he gave samples of our sweets to Clyde, Stella, Girl Jordan, Liam, Rusty, Zack, and his parents, his nice sisters, and everyone, the only ones who don't get samples of our sweets are Lincoln's many enemies, and that also included Lori, Lynn, Lola, Lisa, and Luan for obvious reasons.

Rita: Her candies were amazing, and it drove Lori, Lynn, Lola, Lisa, and Luan nuts when they were all denied getting some. But, before any of them tried to take action, Lincoln had trapped them in a cage made of Brussel Sprouts, and it ended in Puke City.

Nico: Yuck.

Eli: Yuck.

Nico: I got a jumpsuit for you, Nikki.

Weezing: Thanks Nico.

We covered our eyes and she reverted back and was naked.

Nikki Clemmington: GOOD GRIEF IS IT COLD!

Maria and the fashion brigade gave her warm clothes.

Xenia: There.

Nikki Clemmington: Thanks guys.

Maria: No problem.

Nico: Yeah.

The Abominable Snowman woke up.

Me: You okay big guy?

Snowman: (Groans) What happened?

We gasped.

Me: You can talk?

Snowman: Yeah I just learned how to. But guys it's great to see you all again.

Nico: You too.

Me: You had a nasty toothache and it made you crazy.

Snowman: Oh man. I'm sorry guys.

Nico: It's perfectly fine.

Snowman: I'm glad.

Nico: Yeah.

Snowman: I'm glad you guys are okay.

Me: We are and it was good we helped you.

Rita showed the tooth.

Snowman: Geez is that the tooth that caused me trouble?

Rita: It sure was and I'm glad we got it out.

Me: Yeah. Maybe you can stuff this under your pillow for some dough.

Snowman: (LAUGHS) That is funny.

Nico: And you might find a beer bottle too.

Snowman: (Laughs) Poromon being the beer fairy is funny.

Me: Yep.

Snowman: Thanks again guys.

He took the tooth.

Snowman: Good luck against Slappy. He was the one that gave me candy.

Nico: I should've known!

Me: That stupid overgrown toothpick! I'm going to make sure that Nico REALLY tears him apart!

Nico: Thanks.

Me: No problem.

Snowman: See you guys later.

He left.

Me: Awesome. Now for business.

Lola: Yep.

Eli: We have a bunch of cool ones. We have Another Nasty Cannasta's Usual Drink (Looney Tunes), Ghost Peppers (Casagrandes), Moby Jerk, Paper Boy Jerks, Red Herring, Cheesepuff Mike, Winslow Mouse, Evil Bright Man and Dr. Light.

We gasped!

Me: Wait Cheesepuff Mike the Troll!?

Eli: Yep.

Nico: Like a troll that lives under a bridge?

Me: No he's not that kind of troll. He's an Internet Troll, a slang term turned real. He's a total jerk that uses the internet to upset people by posting mean comments and all that stuff. This guy REALLY pisses me off!

Carol Pusateri: Yeah Yeah no kidding there! What a jerk!

Me: Yeah. And Nasty Canasta's drink is that explosive drink made with Hydrogen Bitters, Old Panther and Cobra Fang Juice.

Laney: Yeah and the Ghost Peppers are peppers that Ronnie Anne's grandpa likes. He loves those peppers.

Me: He is one true spice master.

Lana: And who are the paper boy jerks?

Lisa Loud: Dexter and Dee Dee told me all about them. They are boys that dress like ninjas and they cause a lot of pain and destruction by using papers and they throw them and hurt people and animals and they cause a lot of property damages.

Me: I remember them. They threw a paper at me and I got hit right in the face and got a nasty black eye. And they smashed all our windows and damaged our gates and they hurt all our neighbors.

Laney: Ouch.

Nico: And they put that jerk merman with them too.

Me: Time for another swear off against him.

Nico: And they added CatDog's roommate Winslow too. Nice.

Eli: Yep.

Dr. Light: It's really interesting too.

Nico: Who do we call?

Me: Denala Everton, Fhara Fog, Hitomi, Xuelan, Rayman, The Goodfeathers and North Supreme Kai.

Nico: Cool!

Qin: Awesome.

Maria called everyone.

Pesto: Geez, what happened to you guys?!

Nico: Sore tooth.

Squit: What?

Me: The Abominable Snowman of Pasadena had a REALLY NASTY toothache and we had to help calm him down and get the tooth out.

Fire Lori: It's true.

Me: At least getting beat up like this is better than getting hit with cactus balls.

Lola: Yeah.

Fhara Fog: No kidding. Thank goodness you're all okay.

Nico: Yeah.

North Supreme Kai: I'm glad you all are safe.

Me: No kidding there.

Eli: And I sense that the Anothers minus Another Dr. Light are all one person.

Me: Interesting.

Maria: There they are!

Out came Another Nasty Cannasta's Usual Drink (Looney Tunes), Ghost Peppers (Casagrandes), Moby Jerk, Paper Boy Jerks, Red Herring, Cheesepuff Mike, Winslow Mouse and Evil Bright Man!

Me: Whoa!

Qin: This will be fun.

Me: I'll just eat the Ghost Peppers and give the Another Usual Drink of Nasty Canasta to one of the jerks back home.

Nico: Good idea.

Another Red Herring: (In a girls voice) That is a good idea.

Lincoln: (GASP) Maridia Amidala!? Wow!

She reverted back and was a girl with red hair, red eyes, red and orange clothes and she had fire angel wings and had the emblem of Padme in the middle of her forehead and she had the symbol of the Jedi Republic on her skirt and she had the One Winged Angel Keyblade.

Maridia Amidala: Awesome to see you again Lincoln and wow! You grew into an awesome young man.

Lincoln: I know.

Qin: Care to introduce us Lincoln?

Lincoln: Sure. This is Maridia Amidala, The Long Lost twin sister of Padme Amidala and the Avenger of the Jedi Republic. She was born on the planet Naboo but raised on the planet Mustafar and she has intense fire powers and is as strong as 500,000,000 Sith Lord's put together. She has all their powers and uses the powers of the Dark Side of the Force for Good. She is the Keyblade Knight of the Volcanic Planet of Mustafar and she witnessed the epic climactic battle between Obi Wan and Anakin. Her main target is to kill Emperor Palpatine and make him pay for all the pain and suffering he caused. She is also one of my Guardian Angel and she was amazed when she saw J.D. come and how I stopped Anakin from killing Padme.

Me: Whoa the Keyblade Knight of the planet Mustafar!? That is cool!

Nico: Wow! That is awesome!

Eli: The Dark Side of the Force is really strong within you and you are a true master of it. But you have amazing power that has you use it for good.

Maridia Amidala: I get that a lot Eli.

Me: I can tell. But you don't have to worry about Palpatine. He's dead. We all killed him and banished him to the black gates.

Nico: Yeah.

Maridia Amidala: I'm glad you all did. After all the pain and suffering he caused I am glad he is gone.

Me: So is the entire universe.

Eli: Yeah.

Me: Are you the only Star Wars Planet Keyblade Knight?

Maridia Amidala: No there are many more others like me and they are amazingly strong.

Me: Cool!

Eli: It'll be awesome to meet them.

Maridia Amidala: And before you ask the Another Dr. Light is friendly. She is a really powerful one too.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the anothers.

Another Moby Jerk: (To me) Hey you big fat meatball!

Me: Well if it isn't fuck first and ask questions later! You are so repulsive that you make Voldemort look like an angel that won a beauty contest!

Nico fired a blast at him.

They fired blasts at some of the anothers and I picked up the Another Ghost Peppers and ate them.

Me: (Eating them) Mmm! (BURPS OUT FIRE) Pardon me.

I picked up the drink.

Me: Be right back.

I teleported back home and Lincoln had a viewing window open.

I was over at Lynn's Table.

Me: Hey Flip want a drink?

Flip: I am a little bit thirsty. Thanks.

He drank it.

Everyone snickered.

POINK! GONG!

Flip: Mawy had a wittle wamb. It's fweece was white as snow and everywhere that Mary went the wamb was sure to go.

He acted crazy and then exploded and then gold and jewels exploded out of him like waterfalls.

I teleported back.

EVERYONE WAS LAUGHING HYSTERICALLY!

I got the Wonder Ride Books.

Me: That was funny!

Qin: (LAUGHS) Yeah.

Maria: Time for backup! (TURNS DIAL) MONKEY PRANK FURY!

She summoned Red Ghost, Saleen, Jack O Lantern (Billy & Mandy), Tinkerer, Universe 666 2021 Carnage and Slipknot.

Qin: Yeah!

Lola: That was awesome though.

Nico: And now, we wait.

Me: Yep.

Varie: That was awesome and funny though J.D.

Me: Yep. It sure was.

May: It sure was.

Me: Yep. Look sharp!

We saw a figure and it was ANOTHER DR. LIGHT!

Dr. Light: Who is that handsome fellow?

Me: Another you Arthur.

Another Dr. Light: (In a girls voice) But this is awesome.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair brown eyes and had brown clothes and had brown angel wings and had a tiara with the symbol of the Gaia Dopant on it and she had the same symbol on her skirt and she had a crystal sword.

Me: (GASP!) Galileo Gaia!

Nico: Whoa!

Galileo Gaia: Awesome to see you again J.D.

Me: Same to you. Galileo is the embodiment of the Gaia Dopant and she has power over all of the Earth, mountains, volcanoes, crystal, forests, plants, water, animals and more and she also has amazing light powers too from the Aurora Borealis.

Xenia: Whoa!

Galileo Gaia: That awesome huh?

Dr. Light: That sure is. And by any chance are you a great crystal chandelier maker like me?

Galileo Gaia: I sure am. It's a great hobby and job and is good money.

She pulled out a bunch of photos and showed us amazing chandeliers she made out of crystals and jewels and they were amazing.

Rarity: Oh my goodness! Those are absolutely breathtaking and amazing chandeliers.

Nico: (Whistle) Wow those are beautiful.

Kaito (Gets out Drive gear): Did Swartz promise you anything?

Zocks (gets out Ghost gear): Because we can grant it instead.

Zocks got an Eyecon Sword and Kaito got a Drive Sword.

Galileo Gaia: No he let me go because I gave him a good chandelier for free.

Sakura Knudson: That explains what that beautiful rainbow Chandelier was. It was breathtakingly beautiful.

Galileo Gaia: Thanks.

Sakura Knudson: Nico after we get back home I am going to Swartz's old hideout to get something.

Nico: Okay.

Sougo (gets out Drive Ridewatch): Be careful.

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz (Gets out Specter Ridewatch): Swartz's hideout might still have traps.

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor.

Sakura Knudson: Don't worry. I know Swartz's hideout like the back of my hand. Even long before you guys showed up.

Me: Be careful there sis.

Lincoln: Lets separate you first.

Lincoln fired an energy blast and separated her.

Galileo Gaia: Awesome. Now this will be fun.

Another Dr. Light: Taste this.

He fired a wave of light and Galileo's crystal sword absorbed it and refracted it and fired rainbow beams and blasted Another Dr. Light

down.

Me: Awesome!

Nico: See the light! (ACTIVATES DR. LIGHT AND EVIL BRIGHT MAN'S RIDEWATCHES)

He fired waves of energy and light and blasted him down.

May: Taste this! (ACTIVATES MELONE AND YASHAMARU'S RIDEWATCHES)

She fired energy waves and blasted Another Dr. Light all over.

Maria: Try some lightning! (ACTIVATES U.A. ELECTRO AND FLASHHEAD'S RIDEWATCHES)

She fired a blast of lightning and electrocuted the another.

Future Mai: This will stop you! (ACTIVATES EVIL BRIGHT MAN'S RIDEWATCH)

She fired a flash of light and stopped him in place.

Then Rex Goodwin, Blackbird, Sid the Squid, Moltres, Zapdos and Articuno, Krow and the Duke of Trump came.

Nico: Nice team Rex!

Rex: Thanks Nico!

Brittney: So I'm next! Awesome!

Me: Yep.

Lola: Yeah!

?: This will be fun.

Dust Man came!

Me: Whoa Dust Man.

Nico: Awesome!

Dust Man: (In a girls voice) This will be fun and cool.

Nico: Dana Dust! Wow!

Me: Nice.

She reverted back and was a girl with black hair and had dark grey clothes and had grey angel wings and she had a symbol in the middle of her forehead that looked like a dust storm.

Dana Dust: Awesome to see you guys again Nico. I got this.

She fired a Dust Smasher and it hit Another Dr. Light and he exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!

I caught the Ridewatch and purified it.

Me: Awesome!

Future Mai: What's your favorite memory of Nico?

Dana Dust: When me and Nico went into my family's junkyard and we both smashed a bunch of thieves and sent them to the cops.

Me: Awesome.

Qin: That was cool.

Nico: Yep.

Nico and Dana hugged.

Nico: I've missed you.

Dana Dust: Same here.

We went back home and Sakura went to Swartz's hideout and got the Chandelier that Swartz got from Galileo and brought it back home. Lisa and Lana installed it and it was a perfect addition to the living room.

Lincoln: Wow, we're here in Los Angeles, California, and I know what we're going to do here, not only am I going to rescue the four girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also going to kill our main target: and our main target is none other than Starbreaker.

Me: Whoa, he's one of The Justice League's many enemies.

Lincoln: He's much more than that: he's a powerful energy vampire who creates chaos throughout the universe and when he arrives, he feeds off of the energy of stars and planets, though negative emotional states such as fear, hatred, and despair are also energy sources capable of satiating his hunger.

Nicole: Shanan said that he's the adult form of a Sun-Eater who were created by a race known as Controllers as a way to destroy entire planets that they judged to be too "Evil." But, The Controllers made a huge mistake creating Starbreaker, he's a monster who must be destroyed.

Aqua: That's exactly what's going to happen to him.

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair with blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive midnight black angel wings, and she was dressed in a short-sleeved midnight blue blouse, sleeveless blue top, long frilly midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, snow, ice, Windigos, phoenixes, and angels on the coattails and on the back are The Windigos of Equestria and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Morrigan Nightshade, The Windigo Queen of Darkness and Master of The Windigos.

Morrigan Nightshade: That's right, and I know where the girls are being held.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The Hollywood Nightclub.

Me: The Hollywood Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy.

Sebastian Mendez: As if!

Sebastian levitated off the ground as creepy organ music plays, and he had a demonic grin on his face and with rows of jagged fangs, and he slightly opened his mouth, but before he could roar at them again!

BONK!

He got hit on the head with a mallet.

Sebastian Mendez: Ow! Okay, who's the wiseass?!

Unknown to him, the one who whacked him on the head was Buster Bunny who appeared from a nearby rabbit hole and went back to The World Tree Estate before things got ugly. Then, we piled on and Lincoln tickled Tex Avery McWolf and Tom and Jerry Kids McWolf on their feet.

Tex Avery McWolf and Tom and Jerry Kids McWolf: (LAUGHING HYSTERICALLY)

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, now we can get after Starbreaker.

We exited out of The Hollywood Nightclub to hunt down Starbreaker, but suddenly, we sensed a massive energy signal and saw something heading for us: it was Luciphage A.K.A. Starbreaker.

Sylvester: So, you've finally come, Starbreaker.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln ran at Starbreaker and he turned the tips of his eleven massive and long white tails into Cell's stinger and impaled them into Starbreaker's chest, and Lincoln began absorbing him, and in the process, he was also assimilating his Alien Physiology, Energy Absorption, Power Distribution, Bio-Fission, Dimensional Travel, Energy Projection, Energy Transference, Empathy, Illusion Casting, Immortality, Flight, Interstellar Travel, Size Alteration, Superhuman Reflexes, Superhuman Speed, Superhuman Durability, Superhuman Strength, Telekinesis, Chronokinesis, Telepathy, and Science Mysticism as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Then, as soon as he was done absorbing Starbreaker and the stingers changed back, nothing was left of Starbreaker except for his clothes and an energy card with Starbreaker's drained soul appeared in Lincoln's left hand, and then, he banished Starbreaker to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: You've feasted on more than enough planets and stars for the last time, Starbreaker, now your feeding frenzy is over. (To Morrigan Nightshade) And it's so good to see you again, Morrigan Nightshade.

Morrigan Nightshade: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Morrigan Nightshade and he hugged her, and Morrigan Nightshade is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you

were seventeen, and as you can see, I really grew a lot since then.

Morrigan Nightshade: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, this is Morrigan Nightshade, The Windigo Queen of Darkness and Master of The Windigos, she's my Guardian Angel from New York and she's a Goth Girl with immense power over the darkness and ice, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult and she also has massive black angel wings. She also has a secret: like Brittney, she's also a Master of The Windigos and her talent in The Dark Arts allowed her to become The Master of The Windigos, the spirits who terrorized Equestria and tried to cover the land in eternal winter and who fed off of conflict arising from ponies. When she became Master of The Windigos, she took on a title just like Brittney, whereas Brittney is known as The Empress of Darkness, Morrigan became known as The Windigo Queen of Darkness and any who dared to mess with her, she would call upon the forces of darkness and even summon The Windigos and send them to condemn those whose hearts are so black to a frozen eternity in Hell. Plus, Brittney and Morrigan Nightshade taught me how to summon The Windigos and because of my talents with magic of all forms both light and dark along with summoning spirits, angels, demons, and other creatures, they accepted Lincoln and he also became a Master of The Windigos. To show my thanks to Morrigan, I made her a midnight black short-sleeved blouse, dark blue sleeveless top, white bridal gloves, necklace with dark blue heart pendant, long frilly midnight black skirt with jewels around her waist, and gothic stockings, and gave her a pair of midnight black knee-high high-heeled boots with butterfly buckles, and to show her thanks, she and I kissed under a blue moon, and she hates Lori, Lynn, Lola, Lisa, and Luan with a blazing passion, and she swore if they tried anything to kill her Windigo King of Darkness, she would summon The Windigos to kill them by feeding off their hatred and freezing their hearts and sending their souls straight to Hell.

Nico: Whoa, so one wrong move, and they're Windigo food.

Me: Yep.

Brittney: Her skills in The Dark Arts and all forms of Dark and Satanic Magic are well-known and she's at the very same level as me as she mastered her gift in The Dark Arts and all forms of Dark and Satanic Magic for years.

Morrigan Nightshade: And as a result, I was taken in by you and you taught me everything that you'd known in The Dark Arts and all forms of Dark and Satanic Magic along with Lincoln.

Lincoln: That's right, we both learned a lot from Brittney along with the other Gothic Guardian Angels as well, and we became masters of The Dark Arts over time, and now that you're here, Morrigan.

Lincoln went up to and hugged Morrigan Nightshade in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he

fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Morrigan Nightshade: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Morrigan Nightshade's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Morrigan Nightshade: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Morrigan Nightshade.

Morrigan Nightshade had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Rukia Maidheaven, Hitomi Takami, Mina, and Lana Splashflower from Ane Haramix.

Lincoln: Oh wow, it's Rukia Maidheaven, Hitomi Takami, Mina, and Lana Splashflower from Ane Haramix.

Nicole: Whoa, awesome?

Lincoln: Are you girls okay?

Rukia Maidheaven: Yes, we're okay, thanks to you.

Then, when Rukia Maidheaven and the other three girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Starbreaker, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest,

Rukia Maidheaven: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up

to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Rukia Maidheaven: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rukia Maidheaven, Hitomi Takami, Mina, and Lana Splashflower with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main target was Starbreaker, a powerful energy vampire and another enemy of The Justice League.

But, when Lincoln showed what we did in tickling those two wolves at The Hollywood Nightclub and then us thrashing Starbreaker and finally Lincoln using Cell's absorption technique to absorb Starbreaker and after acquiring all his powers and abilities and drained him dry of him energy and banished him to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Morrigan Nightshade have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, so you guys went after Starbreaker, that energy vampire and enemy of the Justice League?!

Me: We sure did.

Lincoln: Yep, and I used Cell's absorption technique to absorb Starbreaker and after acquiring all his powers and abilities and drained him dry of his energy and I banished him to The Black Gates forever.

Me: And you removed one of the greatest and dangerous threats to the universe forever, that's yet another huge achievement you've made, Lincoln.

Lincoln: Starbreaker caused enough trouble for eons, and he had to pay the price for his misdeeds and for his feeding on planets and stars.

After destroying Starbreaker, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Morrigan Nightshade saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Morrigan Nightshade: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from

Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Morrigan, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Morrigan Nightshade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Morrigan Nightshade: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Morrigan, what memories did you have with Lincoln?

Morrigan Nightshade: There is a video I have with one memory I have with Lincoln.

Morrigan Nightshade played a video on the screen, and we saw Lincoln and Morrigan Nightshade doing some practice with their powers at The Gotham Royal York Cemetery. But, their date would wind up getting interrupted.

?: TWERP!

MONSTROUSLY LOUD BELCH!

?: YOU IGNORAMUS HAIRLESS APE!

?: YOU PATHETIC PEASENT!

?: YOU JOKE WRECKER!

Past Morrigan Nightshade: Oh great, I thought I warned you five monster bitches about that!

Past Lincoln: I got this, Morrigan.

Lincoln used five of his eleven massive and long white wolf tails that grabbed five figures out from the shadows: and to no one's surprise, it was Lori, Lynn, Lola, Lisa, and Luan and they were out for Lincoln's blood once more. Then, he shook them down and discovered weapons and explosives they had with them.

Past Lincoln: This again?! You five were repeatedly warned, but it went out your heads and any of our warnings didn't stay in your brains! Let's trap them in spheres of darkness and ice and send them back to The Loud House.

Past Morrigan Nightshade: Let's do it.

Morrigan Nightshade and Lincoln fired blasts of darkness and ice which trapped Lori, Lynn, Lola, Lisa, and Luan in spheres of darkness and ice, and then, Lincoln wrapped his five massive and long white wolf tails around the spheres and then, he flicked his tails and sent Lori, Lynn, Lola, Lisa, and Luan screaming back to The Loud House, and they got dragged back inside by Luna as the video ended.

Nico: Damn, they tried to kill you guys at the Cemetery and you trapped them in spheres of darkness and ice.

Me: And Lincoln did awesome with using his tails to send those five back to The Loud House.

Luna: He'd gotten a lot of practice with them, and next time, they weren't going to get off easily.

Lincoln: Yeah, next time, we'd threatened to summon demons from Hell to torment them and make them regret the error of their ways.

We got a shower afterwards, and then, Lincoln, Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold had feelings for Lincoln, and Lincoln removed the Biskit Twins' Dark Sides and sent them to The Black Gates and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Blythe Baxter: Wow, so this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Blythe, and it's perfect for our first date. Shall we?

Lincoln, Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented

Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold are in your harem.

Lily (Kappa Mikey): You can thank me for introducing Mitsuki's Simulator counterpart to him.

Kagome: Same with my counterpart.

Eli: And same with mine.

Nico: And how did you meet Blythe, Lincoln?

Rarity: That was my doing, I'd seen her designs for clothes for pets and they're amazing, plus, I'd found out that The Biskit Twins were like this because of the birth of their Dark Sides no doubt all thanks to their dad, Fisher Biskit. One of these days, I'm gonna have to have a talk with that man.

Me: And I'll have to launch an investigation into him, he's hiding something.

Brittany Biskit: We've got the info on our phones.

Whittany Biskit: Yeah, it'll help out in the future.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Elie, Simulator Mitsuki, Simulator Kagome Higurashi, Blythe Baxter, Whittany Biskit, Brittany Biskit, Angelica, Nicky, Claudie, Young Luna, Lickety-Split, Lightbright, Glyph, Rosanna, Nyx, and Skold, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

It was time for another Super Mario Galaxy 2 adventure.

Nico: Next Galaxy will be a Special One.

Me: Which one?

Nico: Yoshi's Star Galaxy.

Qin: Cool!

Connor McKnight: Me and Tyler will go next.

Tyler Navarro: Awesome and epic!

Qin: Sweet!

Nico: Lets go.

They went in and they were at YOSHI'S STAR GALAXY!

Nico: Cool!

Connor McKnight: This will be fun and awesome.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one is relatively easy. You just have to get the star at that big planet over there.

They saw it in a huge crystal.

Nicole: But you have to watch out. Kamek, Lakitu and the Goombas are all going to come for you. Best find Yoshi to help you guys.

Nico: Right!

Nicole: You guys are going after King Lakitu next right?

Nico: Yeah.

Nicole: Well you guys are going to be in for an electrifying one. I'll tell you when you guys get there.

Nico: Okay.

Connor: I think I see where to go.

They saw a ring of storm clouds around a small platform.

Nico: Okay then we'll head there.

Connor: I see the egg!

Nico: That's Yoshi!

They went for it and Kamek appeared and summoned Lakitus and Goombas and they went at them.

?: Oh no you don't you buttface dinosaur kissers!

A figure flew in and it was a girl with green hair and green eyes and had red clothes and red angel wings and had a Tyranno Staff.

Akira Abaranger: Akira Abaranger, Embodiment of Dino Thunder is here!

She blasted the Goombas, Lakitus and Kamek and Nico hatched the egg and Yoshi appeared!

Yoshi: Yeah that was awesome!

Nico: I'll say! We can talk more after we defeat King Lakitu.

Yoshi: Who wants to ride on me?

Nico: I will. I hope I'm not too heavy.

Yoshi: Okay.

He got on.

Yoshi: Nope you're just right.

Nico: Cool.

They were off and they flew to the planet and then they got to it and out came KING LAKITU!

Nico: WHOA!

Nicole: (On the Radio) Okay you just got to blast that cloud he is on three times.

Nico: (gets out Dr. Light and Living Laser's Ridewatches) Time to see the light!

Nico activated them and fired waves of light and blasted the cloud.

Connor: My turn!

He fired a laser blast and it hit the cloud and he was knocked back.

He was then steaming red with anger and surging with lightning!

Me: Whoa now he is mad!

Nico: Yep.

Tyler: I got this.

He fired a blast of energy and it hit the cloud of King Lakitu and he popped and fell and then the star came!

Akira Abaranger: That was awesome!

Nico: Lets get the star!

They went and got it.

YOU GOT A STAR!

Akira Abaranger: That was awesome!

Yoshi: Yeah it was!

They high five.

Connor: Tell us more about yourself.

Akira Abaranger: Well I'm a paleontologist and I study all about dinosaurs and prehistoric life. Also I like studying about the power of the Dino Gems as well as the powers they have.

Nico: Cool!

Xenia: Awesome.

Nico: Would you like to join the team?

Akira Abaranger: I would be honored.

Xenia: Awesome and cool.

They left the simulator and we cheered wildly for them.

---

The Mascots were heading to the simulator and they had paintball blasters with them.

Varya Volcano: What are you guys doing?

Poromon: We're going into the simulator for an awesome Monsters University Style Paintball fight.

Nico: Cool!

Me: Count me in.

Amethyst Arcana: This will be awesome.

We went to the simulator and we then went in and it activated and we were in the arena of Monsters University for the Paintball Course.

SPLAT SPLAT SPLAT SPLAT SPLAT!

WHAT A MESS!

We were getting inundated with pain of many colors.

I fired my blaster and it hit Poromon.

SPLAT SPLAT SPLAT SPLAT!

Poromon: HEY!

Zixx: Erica, I'm glad I met you

Erica: Me too Zixx!

They fired blasts and hit Nico!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Nico: Hey!

Erica: My missions were a great virtual reality experience

Me: Boy they sure were Erica. We had a lot of fun on them.

Zixx: That was awesome.

I fired waves of paint and splattered Poromon and Poliwag and Nico.

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT! SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Poromon: Hey!

Me: Nyah nyah!

I fired at Manaphy and splattered her.

Manaphy: Why you little!

Me: Oh you want a piece of me!?

Manaphy: Do I?

She went and swung at me and I dodged her.

Me: Missed me, Missed me! Now you got to kiss me!

Amethyst Arcana: Erica, what was the best part of your missions?

Erica: Us going into the virtual world and kicking the crap out of bad guys.

Me: It was like what happened with Jeremie and the Lyoko Warriors when they faced X.A.N.A.

Nico: Yeah.

I fired waves of paint and drenched Tentacool and Jirachi.

Xenia: Yeah!

Zixx: That was awesome.

Dirge: I can use paintball guns too!

He turned his blasters into paintball guns and blasted and drenched the Mascots all over in piles of paint!

Qin: Take that!

Camie: YEAH!

G1 Blades: Think fast, Horsea!

SPLAT SPLAT SPLAT SPLAT!

She got blasted with paint all over.

Qin: Take that!

We laughed all over as we were firing paint everywhere and then with one massive splat everything was covered in paint! EVEN US!

Nico: Look at the mess we made!

Me: Not just all over the arena but us too.

Laney: Lets go wash up.

We went and took another shower and got all the paint off and man was there a lot of it.

We came out of the showers clean and fresh and we were in new clothes.

Freon: Who gets to shine today?

Nico: Pinkie Pie, Ink Rose, Moonlight Raven, Bonnie Terrez, Roxy, and Kita Birmingham

Eli: Cool!

Qin: I have a feeling this will be fun.

Pinkie Pie: I'm so excited for this!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Phantom of The Auditorium A.K.A. The Ghost of Brian Coulson, and he's haunting The Auditorium of Woods Mill Middle School once again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Phantom of The Auditorium A.K.A. The Ghost of Brian Coulson, and he's haunting The Auditorium of Woods Mill Middle School once again.

We gasped.

Me: Oh boy.

Nico: This has Slappy written all over it.

Lincoln: That's right, Slappy forced Brian Coulson from his resting place in Heaven and forced him to cause trouble again at The Auditorium of Woods Mill Middle School again.

Nico: That goddamn dummy! Now, he's really pissed us off for the last time!

Me: That overgrown toothpick is really starting to make my blood boil!

Lincoln: We got to head back to Woods Mill Middle School and tell Brooke and the others of what that dummy did.

Me: Brooke's not going to like it when she hears that dummy dragged Brian out of Heaven to haunt Woods Mill Middle School again.

Nico: She sure won't.

Qin: Yeah.

I went over and brought over The Phantom of The Auditorium book.

Me: This was a cool one.

Nico: This is probably gonna take place in a school again.

Me: Yep. Our middle school probably. And Luan made a video to show those that haven't seen it.

The previous group came.

Leap Frog: Can me, Skulker, The U-Foes, Merman, Ghost, Whiteout, Loki, Pete, Swordsman, and the Springfield Bullies go with you guys?

Ironclad: Damn, you guys had a good paintball session!

Dolph: And we missed it!

Nico: Don't worry Luan got the whole thing on camera and to answer your question yes you all can come with.

Me: We're going after the Phantom of The Auditorium next. And I have a video I want to show you all of our adventure when we faced him before.

Merman: Cool!

We went and watched it.

The video took place during the events of chapter 760.

---

We saw the lights go out and out came THE PHANTOM OF THE AUDITORIUM!

Me: The Phantom.

Danny: Ready Lincoln?

Lincoln: Ready Danny.

Danny and Lincoln: We're going Ghost!

Danny and Lincoln turned into Danny Phantom and Lincoln Phantom.

Me: Lets get him!

I punched the Phantom in the face and his mask flew off and his face was horribly scarred and disfigured just like the Phantom of The

Opera. He had burns over 60% of his face.

Me: Whoa!

Lincoln: Whoa. He really needs a plastic surgeon.

Danny: Took the words right out of my mouth Lincoln.

Eddy (to the Phantom): You know, if you can talk, feel free to do so.

The phantom roared.

Brooke: I want to help out too.

Me: Okay Brooke.

Raythor was sitting in the seats and it was gonna be an awesome fight!

Raythor: Is there any popcorn at this school?

Lana got him some.

Suddenly we got an amazing surprise. The spirits of Christine Dae and Erik the Phantom from the Phantom of The Opera appeared.

Laney: Wow! Christine Dae and Erik the Phantom!

Christine: (British Accent) It's an honor to meet you Laney Loud.

Erik: We've seen your achievements from Heaven and they were amazing.

Laney: We don't like to brag.

Christine: We would like to sing for you while you all fight this Phantom imposter.

Laney: Cool! It would be a great honor.

Christine: Okay.

The song played and the organ being heard was awesome.

Christine & Erik: (Singing divinely)

In sleep he sang to me

In dreams he came

That voice which calls to me

And speaks my name

And do I dream again?

For now I find

The phantom of the opera is there

Inside my mind

Sing once again with me

Our strange duet

My power over you

Grows stronger yet

And though you turn from me

To glance behind

The phantom of the opera is here

Inside your mind

Those who have seen your face

Draw back in fear

I am the mask you wear

It's me they hear

My spirit and my voice

In one combined

The phantom of the opera is there

Inside my mind

In all your fantasies you always knew

That man and mystery were both in you

And in this labyrinth

Where night is blind

The phantom of the opera is here

Inside my mind

He's there

The phantom of the opera

As the song played the fight raged on with the Phantom of the Auditorium and it was a rough one. Nico punched him in the face and I punched him in the stomach and kicked him in the stomach. Brooke punched and kicked him in the crotch and stomach and kicked him in the face and Lincoln fired a powerful blast of lightning and ecto-energy and burned him and Danny punched him in the face and let out a powerful sonic ghost wail and blew him into the wall. The Phantom of the Auditorium got up and went at us and I dodged one of his punches and kicked him in the face and Max Cooper punched him and slashed him with his claws.

Max Cooper: The Shark bit ya.

Lola fired a massive blast of fire and burned him all over and his cape was torched.

Lola: You burn me up!

Lana kicked him in the chest and fired a powerful blast of ice lightning and froze him and she shattered it into a million pieces.

Lana: You are about to get chilly.

But he reformed and Lucy and Maggie fired powerful blasts of black fire and black lightning and they hit him and he screamed.

Lucy: Fear and darkness consume.

Lincoln and Linka fired powerful blasts of lightning and it was a fierce electrocution.

Linka: Ghosts Shock me!

Lincoln: Me too!

Everyone in the school came and they were absolutely amazed and floored about what they were seeing! Team Loud Phoenix Storm and Brooke and Zeke were fighting the Phantom of The Auditorium and it was an awesome fight! Everyone couldn't believe that the Phantom of The Auditorium was REALLY Real!

G1 Smokescreen: No mercy!

Naruto: Believe it!

We did our combos and G1 Smokescreen used the Earth Cyber Planet Key to enhance his electro-disruptor rifle and Naruto used the Animatron Cyber Planet Key and it enhanced his Six Paths Sage Mode 100-fold. They used a powerful combo called LIGHTNING SOLAR SYSTEM RASENGAN. Smokescreen fired his electro-disruptor rifle and Naruto formed a powerful Planetary Rasengan with 9 mini-Rasengan orbs of chakra infused with the elemental powers of the 9 tailed beasts and the lightning enveloped them and turned it into a deadly solar system of power. Naruto slammed it into the Phantom and it exploded with incredible power. I contained the explosion in a powerful force field. Naruto got out of the force field after the smoke cleared and G1 Wildrider used the Earth Cyber Planet Key and it enhanced his Scattershot laser gun 100-fold and Sandpit used the Earth Cyber Planet Key to enhance his sand powers 100-fold. They used a powerful combo called LASERSHOT SANDSTORM. Wildrider fired a massive scattershot blast of lasers and Sandpit made a massive wall of sand and the blasts hit the phantom of the auditorium all over as the sand covered them.

Sandpit roared.

G1 Wildrider: That's blowing them away!

Lucy: You will experience what true fear is like!

We did our Final Smashes and Lucy used her Final Smash called NIGHT LIGHTNING FEARSTRIKE and it was where she fired a massive blast of black lightning and it turned into the most terrifying monsters and demons ever imagined and they hit the Phantom and electrocuted and exploded. Danny Phantom used his Final Smash called GHOSTSTORM DEATH CYCLONE and it was where he releases a massive Ghost Wail that turns into a massive tornado and ghosts appear around it as it spins the target and the ghosts explode.

Danny: You are not a true ghost!

Brooke used her first ever final smash called FIRESTORM SPIRIT STRIKE and it was where she fires a massive blast of fire and it turns into a massive swarm of ghosts made of pure fire and they hit the target and explode in a kamikaze formation. Danny sucked in the Phantom of the Auditorium into the Fenton Thermos and the song ended.

Brooke: Never come back again Phantom!

Danny: Show's over Phantom.

Danny and Lincoln reverted back and everyone in the auditorium cheered wildly for us.

Me: Thank you! Thank you all! Christine, Erik, it was so awesome having you here with us during the battle. Thank you.

Christine: It was our pleasure J.D. You guys are everything we've seen.

Erik: It's true. You all keep bringing those bad guys to justice.

Me: With pleasure Erik.

Erik and Christine went back to Heaven.

Brooke: J.D. that was so awesome! I didn't know I had the power to do a Final Smash.

Me: It was your first one ever. Everyone has the power to do a final smash Brooke. You just have to reach deep down and find that kind of power.

Ms. Walker came up to us.

Ms. Walker: J.D. you all were amazing!

Me: Thank you Ms. Walker. I'm sorry about all the damage done to the auditorium.

Ms. Walker: No worries. But thank you so much and Brooke we were wrong about not believing you when you told us that the Phantom was haunting the auditorium.

Brooke: It's all right Ms. Walker.

---

When it was done they were amazed and floored!

Loki: Wow! That is amazing!

Pete: Boy it sure is!

Skulker: That was really cool!

Vector: Nico, which Gene Slammer do you think you'll meet next?

Vapor: May, don't get too comfortable. Sooner or later, you'll meet one that will vomit on you.

May: I'll try to remember that.

Nico: Drill Man next.

Lola: Awesome. This will be cool.

Lana: I'll say!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Edward Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Edward Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Eliane Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to the other male Seraphina assholes yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Brooke Rodgers and tell her why Brian is haunting The Auditorium again, and that it was all the doing of Slappy.

Lincoln: That dummy's really gone way too far this time, and we've got to help Brooke calm Brian down, and once we get done calming

Brian down and exposing Slappy's actions behind this, you're next, Edward Seraphina.

Eliane Seraphina: You better be ready to bleed, Edward Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Woods Mill Middle School to help Brooke Rodgers calm Brian Coulson down and tell her that the person who's responsible for this again was Slappy, and once we got done calming down Brian Coulson, Lincoln and Eliane Seraphina are going to destroy Edward Seraphina, the next of The Seraphina Sisters' evil cousins.

We were off to Gotham Royal York Middle School.

* * *

We arrived at Gotham Royal York Middle School.

RD Luan: Here we are!

We saw that it was closed for the night.

Me: Closed for the night.

Lynn: Sure is scary seeing the school closed like this.

Qin: Yeah. Like it's a haunted house.

Juran: How do we get in?

Slash Man: Let me.

Nico: No need. I got a key.

Nico pulled out a key ring and on it was a bunch of keys and then he put one in and turned it and it opened.

Nico: There.

We went in and it was scary.

Me: Ominous.

Lynn: Feels good to be back at the old middle school.

Nico: But it's scary seeing it like this at night.

Ghost: Anyone here?

X Ray: It's us. We're here on an important mission!

Me: Usually the Janitor would be here.

The Janitor came.

Janitor: Hey! What brings all of you here?

Me: Oh sorry sir. Team Loud Phoenix Storm business.

Janitor: Don't tell me, you're here because of the Auditorium hauntings.

Me: That's right.

Nico: Yeah.

Janitor: That explains why she is here.

We saw that it was Brooke.

Brooke: Hey guys!

Me: Awesome to see you again Brooke.

Mai (Avatar): How have you been?

Brooke: Doing good. I was investigating the hauntings here.

Me: Lincoln warned us already. It was Brian the Phantom of the Auditorium.

Xenia: Yeah.

Brooke: Oh man.

Me: Yeah.

Pete: Slappy brought him back.

Brooke: That's what I thought.

Me: Did you get a word on what he was promised?

Brooke: No I didn't sorry

Anemone: Has he caused trouble here recently?

Brooke: Yes he has. Props are getting busted, most of the people in the plays are getting hurt and even equipment has been falling on them.

Me: Yikes.

Xenia: Big yikes.

Varie: Not good.

Kearney: I figured as much.

Pinkie Pie: He's acting like a big meanie!

Jimbo: He's a Goosebumps monster. Did you expect anything otherwise?

Me: Also he's a ghost. He was a kid that had a big part in a play back over 75 years ago and he was about to go on stage but then tragedy struck. He accidentally fell through a trap door and was killed instantly and he haunted the stage of Brooke's school back in Idaho and wouldn't rest till he got his big roll.

Tempest Shadow: Poor kid.

Me: It was a really unfortunate accident.

Lola: Yeah.

Brooke: That was awful.

Camie: No kidding. And now he is a ghost that won't rest till he gets the role he wants? Wow.

Swordsman: You think that's what Slappy promised him?

Ink Rose: It's possible.

Me: It could very well be.

Qin: Yeah.

Lola: But we're going to be ready for him.

Danny's ghost sense went off.

Danny: Uh oh.

We looked into the auditorium and saw a shadowy figure running around.

Breakdown: No way we're gonna catch him easily.

Me: Hmm. Maybe there is.

I pulled out Ecto-Barrier Wall Generators.

I then threw one and it formed a wall and blocked him.

I did the same to the other side.

Moonlight Raven: Now to lure him out.

Loki: We just need to wait for him to come out.

Nico: Hmm. We're going to need some ghost power for this one.

Xenia: Yeah.

Danny: I'll do that.

Dani: Me too.

Lincoln: Same with me.

Pounce: Brooke, wanna read Alice on Wonderland while waiting?

Brooke: Sure.

She got out the book for it.

Alice Liddell: (British Accent) That is the book I was from.

Alice (Disney): Same here.

Alice Kingsleigh: (British Accent) It's a great story.

Wallflower: It sure is.

Brooke: It sure is fun. By the way I saw all your adventures and they are more awesome than ever.

Whiteout: Damn right!

Bonnie Terrez: And you must've been aware of a certain movie the Mascots have been warning people about.

Brooke: I sure have. Blood and Honey was the worst. I hate that movie.

Poromon: At least you heeded our warnings.

Brooke: I know. I even saw how you guys warned all those people with it. That was so funny.

Poliwag: Thanks.

Grier: And eventually, the real ones showed up.

Manaphy: THE PIGLETT ABOMINATION TRIED TO KILL TWILIGHT WITH HIS SLEDGEHAMMER! AND THE POOH ABOMINATION TRIED TO IMPALE LUAN THROUGH HER MOUTH WITH A KNIFE!

Horsea: (shows trailer close to Brooke's face) FUCKING LOOK AT IT!

Brooke: I know and I even saw that trailer for it! It was horrible! I even saw the trial you guys did. Great job.

Me: Thanks.

Brooke: You're welcome. Also I vowed to never see that movie even if anyone dares me or pays me.

Merman: (hears crash) Aha! We caught him!

Roxy: We got him now!

Phantom: (SCREAMING)

Nico: Got him! Entrance time!

Danny: I'm Going Ghost!

Danny Phantom and Dani went Ghost!

We went at him.

The Phantom was struggling in a net trap and then the spirits of the great books came and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard. We came out.

Me: Hello Brian! Nice to see you again

Nico: He hated everything in existence and he wanted to destroy us all, he was a monster.

Lincoln's reasoning suddenly calmed Brian Coulson down. Then, he suddenly disappeared from Woods Mill Middle School, and he headed for The Masters of Evil.

Nico: Thanks to you, Lincoln, and you exposed Slappy's part in this.

Lincoln: Had to do it, it was the only way. Now, there's only one thing left to do and one last loose end to tie up: Edward Seraphina.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Edward Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Edward Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Edward Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Edward Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Eliane Seraphina: That was all your doing along with the doing of your brothers, Nathan, and now, you shall threaten mankind and the world no more.

Suddenly, Eliane Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, perytons, phoenixes, and angels, she unholstered her massive Hazy Flame Peryton-themed greatsword from her back, and as she approached Edward Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, perytons, phoenixes, and angels with every step.

Eliane Seraphina: Never did I expect to ever see you again, Edward. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Eliane Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are perytons, phoenixes, angels, and Hazy Flame Peryton flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Edward Seraphina: the red eyes of death. Suddenly, Eliane Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Eliane Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Eliane Seraphina's Hazy Flame Peryton-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, perytons, phoenixes, and angels, and when it emerged, it was transformed into Eliane Seraphina's Eternal Fire Inferno Hazy Flame Peryton Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Peryton Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Hazy Flame Peryton etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red peryton heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red peryton heads with orange gems for eyes and on the bottom of the large griffin heads is a large crimson red peryton head with orange gems for eyes and orange gem in its mouth for the pommel, Eliane Seraphina has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hazy Flame Peryton's head with crimson red gems for eyes and large crimson red gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Eliane Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Eliane Seraphina has transformed into SUPER ANGEL-HAZY FLAME PERYTON-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME PERYTON PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME PERYTON PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME PERYTON PHOENIX ANGEL LOVE!

We were really amazed by Eliane Seraphina's Super Angel-Hazy Flame Peryton-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Edward Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Nuria Seraphina absorbed it and it made them even stronger than ever, and Eliane Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, perytons, phoenixes, and angels which hits Edward Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Ember Seraphina: Oh man, Eliane's transformed, now things are really going to heat up now!

Lincoln: That's right, Eliane Seraphina's transformed into her Super Angel-Hazy Flame Peryton-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Edward Seraphina.

Eliane Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Peryton Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Peryton Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Eliane Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Edward. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Eliane Seraphina and Lincoln went after Edward Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Eliane Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow

Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Edward Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Eliane Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Edward Seraphina even more madder with rage.

Edward Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Edward Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Eliane Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Edward Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Edward Seraphina were his clothes. Then, an energy card with Edward Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Eliane Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Eliane

Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Eliane Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Eliane.

Suddenly, Eliane Seraphina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Eliane Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Peryton, and Hazy Flame Peryton flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Eliane Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only four more to go.

Lincoln: Yep, and now, Slappy's losing the next few of his minions.

Me: Those losers seriously had no idea of what they got themselves into when they allied with that dummy. So, Lincoln, who are we going to meet tomorrow on your rescue?

Lincoln: I've got a good one for tomorrow and in the days to come: we're going to be meeting The Avatars and Ambassadors of The Digimon Sovereign and The Four Symbols and The Gold Dragon in Chinese Myth.

We gasped.

Nico: No way, Avatars and Ambassadors of The Digimon Sovereign and The Four Symbols and The Gold Dragon in Chinese Myth.

Me: That's really awesome. So, which one are we meeting tomorrow?

Lincoln: The first one we're meeting tomorrow is Zoey Zhuqiaomon, Avatar and Ambassador of Zhuqiaomon, The Digimon Sovereign of Fire and Suzaku the Vermillion Bird of The South, she's my Guardian Angel from New York, and she's also a very powerful master of fire and vermillion birds because she was born under the symbol of The Vermillion Bird, and since her birth, she represents The Vermillion Bird of The South, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The Vermillion Bird of The South, she was also made The Avatar and Ambassador of Zhuqiaomon, The Digimon Sovereign of Fire and she has all his powers over fire and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness, she's known as The Righteous Fire of Zhuqiaomon because any villain who dares to cross her shall be burned alive by her flames, and she's really serious about protecting me from Lori, Lynn, Lola, Lisa, and Luan and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon the fires of Zhuqiaomon and burn them to ashes and leave nothing of them standing.

Me: Whoa!

Nico: Damn, so if The Digi-Destined's old enemies cross her, she will burn them to ashes.

Lincoln: Yep, that's right, any who cross her will be burned to ashes.

We later came out of the school.

May: You should be proud of yourself

Lincoln: I am.

Qin: That was awesome.

Nico: Yep. Great job everyone.

Brittney: (To the viewers) This was an awesome adventure.

Qin: Yep.

REVENGE OF THE LAWN GNOMES

Christina just woke up.

She yawned.

There was a knock on the door.

Christina: Come in.

I came in and I had a breakfast feast for her.

Me: Are you doing okay Christina?

Christina: Yes much better thank you J.D.

Me: I'm sorry you went through all that.

Christina: It's okay but thank you.

I gave her breakfast.

Christina: Breakfast buffet. Oh wow.

Me: After everything you went through you're going to need to build up your strength so I made a huge feast in bed for you.

Christina: Thanks J.D. Huh?

She pulled out a beer bottle from under her pillow.

Christina: Why is there a bottle of beer under my pillow?

Me: Oh (LAUGHS) You got a visit from Poromon the Beer Fairy. Poromon slips bottles of beer under everyone's pillows and it's really cute. Poromon decided to become a Tooth Fairy parody called the

Beer Fairy.

Christina: (LAUGHS) That is funny and cute. Even though I'm too young to drink beer I think that's cute.

Me: Glad you're feeling better though Christina.

Christina: Thanks to you, Ino and Carrie. But I'm not sure if I'm ready to forgive my mother for everything she did.

Me: Well it takes time. Even though she did so much she is still your biological mother.

Christina: I know. But thank you for everything J.D.

Me: My pleasure.

Poromon: Ha! I cheered her up before you guys did!

Me: Actually Poromon we all had a hand in it.

Christina: Yeah you all did and thank you all. My mother is not my real family. She never was. You guys were along with my father and brother.

Me: I'll have them come here shortly.

I left and gave her time to finish up and she later came down all better.

Me: Boy the Cuckoo Clock of Doom. That was a really freaky one.

Nico: It sure was. That was a really complex one and Michael learned a massive lesson about that clock.

Brittney: It sure is crazy. And I found out that this was no ordinary Cuckoo Clock. It was called The Cuckoo Clock of Batara Kala. It's a clock that is cursed by a dark magic spell from the Bali god Batara Kala. Anyone that messes with it will be cursed to go back in time to when they were never born.

Qin: Weird!

Xenia: I never even knew about that.

Laney: Scary.

Lola: Yeah.

Camie: Boy that is a dangerous clock.

Nico: Brittney, I want to thank you, Rex, and your teams for coming.

Brittney: I'm always with you but yeah it's going to be fun.

Qin: It sure will be.

Camie: I'll say.

Nicole: It's always fun having you with us sis.

Brittney: It sure is.

Shanan: And I'm always ready for something too.

Nico: Yep.

Qin: It's so awesome.

Nico: Amber, are you happy we brought you back to life?

Amber: I sure am and I'm so happy that J.D. did so.

Camie: J.D. did that?

Me: Yep. I resurrected her during one of the adventures on Remnant.

Qin: I forget which one though but that was awesome.

Me: Yep.

Laney: That was amazing.

Nico: You didn't deserve to get killed by Cinder like that.

Amber: I know. But I'm glad the Prime Universe version is dead.

Xenia: So are we.

Lola: Yeah and given the Black Gates.

Xenia: Good riddance to bad rubbish.

Laney: Yeah no kidding.

Camie: Thank goodness.

Me: Yeah. Whoa yesterday's mission was cool and awesome.

Nico: Boy it sure was! That was a wild one with the Phantom.

Rex Goodwin: But that was so awesome that you guys faced him before.

Laney: It was fun.

Nico: A song played the first time we faced him.

Laney: Yeah and that was Phantom of The Opera.

Me: One of my favorites.

Nico: That was awesome.

Luan: One of the most amazing songs I've heard.

Rarity: It was so amazing and fun too darlings.

Carly Atlas: That video you guys showed us for it was amazing.

Misty Tredwell: That was so awesome.

Me: Yep we all thought it was cool.

Juran: Too bad it didn't play the first time.

Me: Yeah but you can always have another awesome shot at whatever is coming next.

Juran: True.

Jayden: But this will be awesome facing the next one.

Lola: Yep.

Me: And the sad part is that the Phantom never got the opportunity to be part of a play because his life was tragically cut short when he fell through a trap door.

Camie: Yeah poor guy.

Rex Goodwin: We in the Masters of Evil are giving him that second chance.

Nico: That's true. Thank goodness for that.

Qin: Yep.

Camie: How did the Phantom of The Opera get that mask?

Me: He was badly burned in a fire and it left him horribly scarred and disfigured. He had 30% of his face badly burned.

Nico: Ouch.

Xenia: Yikes.

Lola: Yeah that was awful.

Camie: No kidding. That is horrible.

Me: It was.

Nico: You don't really think Michael is gonna mess around with the clock again, do you?

Me: Not on our watch.

Xenia: Besides this is the first time we met him.

Nico: Yeah.

We arrived at Michael Webster's house.

Nico: This is it.

We went and knocked on his door.

Michael answered.

Michael Webster: Wow! Team Loud Phoenix Storm it's an honor.

Me: You too Michael.

Nico: Pleasure to meet you.

Michael Webster: Same here.

We went in to talk.

Michael Webster: Thank goodness you're all here.

Me: Is the clock acting up again?

Michael Webster: It keeps driving me crazy.

Nico: Michael, don't give us any bullshit. We know you're trying to use the clock to erase Tara from existence.

Michael Webster: You're right. I am. I'm gonna touch that cuckoo clock and get that little monster in so much trouble.

Lincoln: No, Michael, don't!

Sabrina Lorelai: He's right, that Cuckoo Clock has some very serious black magic surrounding it, this thing can take someone back in time, and you wanted to use it to erase your sister from existence.

Michael Webster: She's always gotten me in big trouble, she made it her life's mission to make my life misery! I can never forgive her! I hate her so much!

Nico: Yikes!

Me: This is really serious.

Anna Anyanova: Boy I don't blame you. My sister hated my guts too before we found out that it was Chase Young that did it.

Xenia: Yeah.

Lincoln: I get what you were going through, Michael. Lola before she had her Dark Side removed was the same as Tara the Terrible, but Lola was freed from her Dark Side and she's back to who she was before this whole nightmare for me began.

Lola: He's right. But, wait, does Tara have a Dark Side in her?

Sabrina Lorelai: No, Lola, she doesn't. I sensed for one, but there wasn't, she was born evil. She's in a lot of trouble after we tell her parents.

Lincoln: I already did that by showing them the evidence of her crimes.

Brittney: That's right.

She pulled out her book on Supernatural artifacts and showed the clock to him.

Brittney: It's called The Cuckoo Clock of Batara Kala. It's a clock that is cursed by a dark magic spell from the Bali god Batara Kala. Anyone that messes with it will be cursed to go back in time to when they were never born.

Nico: Yeah.

Michael Webster: Wow! I had no idea it was that dangerous.

Me: Believe me Michael, even though we are no strangers to time travel ourselves we have a lot of experiences with the past and the future. The past we have to be extremely careful of because one false move will be incredibly catastrophic.

Lola: That's why you can't use it to mess around with time.

Michael Webstor: Oh, get off your high horse. If I remember correctly, in an alternate timeline, you, Lori, and Lynn went back in time to save Nico from the Digimon Emperor, causing HIM to rule the world! (to me) And you were willing to back in time and erase all evil with the Black Gates just to get a shot at killing Lothor!

Nico: Michael, I think that's enough!

Michael Webstor: Oh, I'm just getting started! You know what your problem is, Nico? For such a big tough Saiyan, you're too soft. It's because of you that Team Buktu nearly succeeded in their plan. Your leadership is a fucking joke!

Nico saw red and punched Michael, knocking him to the ground.

Nico: WANNA SAY THAT AGAIN, YOU FUCKING PIECE OF SHIT?!

I grabbed Nico!

Me: NICO Calm down! He's not worth it. But he is going through some tough times right now because of his sister. He's overreacting because of everything his sister did.

Nico: (SIGHS) You're right. He made me mad. Sorry about that.

Me: He's just under a lot of hardships.

I let him go and Got him sat up.

Me: Michael you have no right to say that to Nico especially after all the hardships he had to endure. You think you are the only one that had to deal with some hard times? Absolutely no way! He went through an absolute nightmare because of killing Ken and the 20 Days of Darkness and because of that he had to suffer a lot.

Laney: It's true.

Nico: For 12 Years, 6 months and 17 days I had to endure darkness like that.

Lola: Really?

Nico: I've lost track.

Me: Yeah I don't think it matters to know about that.

Nico: You think I wanted Albedo's former buddies to try and tarnish our heroic image?! All we did was have fun in the Ridonculous Race! How were we supposed to know that they would try to take our place as heroes and interrupt J.D.'s rant?!

Albedo: Technically, it was Huxley Prescott who interrupted it.

Nico: Does it matter?!

Me: Obviously not.

Michael Webster: But guys? Don't you understand what my sister did to me?

Me: We understand perfectly.

Lincoln: I can relate to everything you went through.

Anna Anyanova: Yeah Lincoln went through a horrible nightmare ever since he was in third grade and it was all because of Chase Young. He did this to his principal and his sisters. We came down from the heavens to help him get through these times of darkness for him. And we made him into a great force of good.

Nico: It's true.

Lola: We were terrible sisters to him for over 3 and a half years! Until J.D. came and helped us become better people.

Me: It's true.

Michael Webstor: And you know what the other things I said was right.

Lola: That was an alternate time. Me, Lori, and Lynn didn't cause that bad timeline here. Although we almost did.

Me: She's right. We stopped that from happening and thank goodness we did.

Nico: Yeah.

Michael Webstor: But what about J.D. almost going back in time to destroy all evil with the Black Gates just to kill Lothor?

Juran: In J.D.'s defense… I got nothing.

Me: Michael listen! I would never take the easy way out like that. You think I would want to do something like that? That thought is always on my mind every single day. But I know now that it would be way too easy. And we would never resort to that. If we did that it would destroy the entire universe and there would be nothing left. That's why we would never resort to that.

Professor Paradox then appeared.

Professor Paradox: That is correct young Michael. J.D. and team had to learn a lot about messing with time like that and how dangerous the consequences would be.

Me: That's right Professor.

Michael Webstor: But still. You guys should understand why I want to erase Tara from existence. I got her erased from existence before.

Maria: Wait. What?!

Michael Webstor: She wasn't born as a result of messing around with the clock the first time. Because I felt bad about it, I fixed that. As you could probably tell, that was a mistake.

Me: It's true guys. In the book he did so before and fixed it and he learned a really hard lesson.

Nico: Yep.

Me: Yeah.

Nico: Michael, if you really are a good person deep down, please don't mess with the clock. Let us deactivate it. I promise your dad won't be too mad.

Me: That's right. Lincoln already has all the proof. And we have the magic needed to stop the black magic that did this. And we have all the evidence we need to stop your sister's reign of terror.

Eli: That's right. Let us help you out. The Right Way.

Nico: Yeah.

I fixed Michael and healed his injury.

Suddenly, Mr. and Mrs. Webstor arrived.

Mr. Webstor: That's right, and it's a good thing you did, Lincoln. (To Michael) Michael, no words can ever be said of how sorry we are for always believing your sister over you.

Mrs. Webstor: But, we're going to make this right starting now. First, we should deal with that clock your Dad brought home.

Sabrina Lorelai: On it.

Sabrina Lorelai chanted a powerful incantation, and then, The Cuckoo Clock of Doom was enveloped in an aura of darkness, and then, Sabrina Lorelai fired a blast of darkness which hit The Cuckoo Clock of Doom and it forced out a black aura and it was destroyed by Lincoln firing a blast of light, and the clock was now free of dark magic.

Nico: Whoa! What was that?

Sabrina Lorelai: I found a spell in one of Brittney's books, and by coincidence, this was the spell to remove the curse surrounding The Cuckoo Clock. Now, it's finally a normal antique cuckoo clock with no black magic surrounding it.

Lincoln: Awesome work, Sabrina.

Sabrina Lorelai: Thanks, Lincoln.

Mr. Webstor: (to Nico) And did you really punch our son?!

Nico: I just lost control. That's all!

Me: He saw red but he apologizes.

Mr. Webster: It's okay. I know Michael is going through some hard times.

Sabrina Lorelai: Now, let's go find Tara the Terrible and teach her a lesson she's not going to forget. Where is she, Mr. and Mrs. Webstor?

Mr. Webster: She's in her room, let me handle this. And you guys might want to cover your ears.

We did so, and Lincoln hid us in an invisible shroud he created.

Mr. and Mrs. Webster: TARA, GET DOWN HERE NOW!

Tara came down, but she was greeted by the glares of her parents and Michael.

Tara Webster: Mommy, Daddy, what's wrong? Did Michael do something bad again?

Mrs. Webster: No, he didn't. But, we need to have a talk, we know that Michael wasn't the one who has done all those things in the past, we have proof that the only one responsible for those things that happened was you.

Tara Webster: What?! I would never!

Mr. Webster: Don't lie to us, young lady. We not only have proof, but now, we know the whole truth. Admit it!

It was right then and there that Tara's true nature came out.

Tara Webster: Alright, fine, I admit it. I did all those things and got Michael in trouble, because I so enjoyed getting Michael into trouble, making his life miserable, and making him look bad was my mission in life for five years. I never showed any empathy to a loser like him, nor do I ever have the slightest guilt of the bad things I'd done to him or have any conscience whatsoever.

We were hearing everything: SHE'S SUCH A SOCIOPATH!

Tara Webster: I enjoyed being cruel and malicious towards the likes of you, loser, and I can get away with whatever I want and no one can stop me! (LAUGHING MALICIOUSLY)

Michael Webster: We've already heard what we needed to hear, and guess what, you fell right into our little trap.

Michael Webster took out a tape recorder that Lincoln gave him.

Mr. Webster: This tape recorder is proof of everything we need to prove you're nothing more than a sociopathic little monster, and that's not all, young lady.

Mrs. Brewster: That's right, we've also had help from some guests who arrived to teach you a lesson. (WHISTLES)

Suddenly, a swarm of creatures of the night and darkness appeared from nowhere and Tara shrieked at the sight. Then, the swarm of creatures of the night and darkness converged, and an explosion erupted as a Thunderbird Screech and Phoenix Cry were heard, and we appeared.

Lola: Got you right where want you, you rotten little monster.

Nico: You're busted, Tara!

Tara Webster: (ENRAGED SCREAM) TEAM LOUD PHOENIX STORM?! AGH, I CAN'T BELIEVE YOU ALL TEAMED UP TO CATCH ME! THIS IS SO UNFAIR!

Lincoln: No, you did this to yourself. You got Michael into trouble for the things you did, and now, you need to learn your lesson.

Nico: Big time.

Tara Webstor: I don't think you'll be doing anything to me.

She took out a video. It was footage of Nico punching Michael.

Nico: Oh fuck.

Tara Webstor: You lay one hand on me and I post this on the Internet. And then, I'll laugh as your reputation goes down the toilet!

I snapped my fingers and destroyed it.

Me: Not this time you monster.

Sheila and Tom came in.

Sheila Castille: I don't think so Tara. Everyone was already told about why Nico did that and they understood. Michael went through some tough times and it was all because of you.

Tom Lair: That's what you get for being a heartless monster.

Me: You really area a stupid brat.

Nico: How though?

Professor Paradox: I told everyone and why and showed them.

Nico: Oh. Thanks Professor.

Then, we set our sights on Tara Webster, who tried to get away, but got tied up in a rope of red energy fired by Lincoln.

Liquid Leni: Oh no you don't, you're not getting out of this.

Nico: And you know what? You deserve this more then him!
(punches Tara)

POW!

Suddenly, Liquid Leni's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels, she unholstered her massive Liquid Leni's Aqua Sea Dragon Maelstrom Greatsword of Aqua Maelstrom Sea Dragon Justice from her back, and as she approached Tara Webster, she left aqua blue energy, stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels with every step.

Liquid Leni: You really make me sick to no end, Tara, you tortured and bullied your older brother for five years just because you made it your life's mission to make his life a living misery?! You're worse than Dark Lola and she was a sociopathic little monster freak, and for that, you're about to be taught a serious lesson you're never going to forget.

Suddenly, Liquid Leni was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, sea dragons, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blonde phoenix with red eyes glaring at Tara Brewster: the red eyes of judgement. Then, as the vortex faded, Liquid Leni emerged, but she was changed forever.

Liquid Leni grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven aqua blue orbs orbiting around her legs, she has the body of a goddess, she has aqua blue highlights in the bangs of her long blonde hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon aqua blue eyes and an aqua blue energy aura with stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels surrounding her, she has a sea dragon with the Water Kanji in its claws emblazoned on her forehead and Third Eye with aqua blue iris, she has on sea dragon earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with aqua blue gems on the gold water drop links and aqua blue crystal links and an aqua blue dragon-shaped Element of Harmony and below the Element of Harmony is a sea dragon with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on a sleeveless aqua blue dress with a blond phoenix and the symbol of The L-Ementals on it, aqua blue skirt with ocean waves on it, black pants with ocean waves on the legs, aqua blue leather knee-high combat boots, and long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels on the coattails, and on the back is a sea dragon with ocean waves surrounding it. Suddenly, Liquid Leni's massive Liquid Leni's Aqua Sea Dragon Maelstrom Greatsword of Aqua Maelstrom Sea Dragon Justice and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels, and when it emerged, it was transformed into Liquid Leni's L-Emental Eternal Aqua Sea Dragon Maelstrom Greatsword of Aqua Maelstrom Sea Dragon Justice, it's a brand-new large greatsword with a sea dragon etched on the 7'6" massive, wide, double-edged golden blade and aqua blue gems embedded in the gold blade, large gold sea dragon heads for the crossguard, large white angel faces built into both sides of the hilt with large aqua blue gems embedded in the foreheads, longer midnight black handle, four large gold sea dragon heads with aqua blue gems for eyes and gold sea dragon head with aqua blue gems for eyes and an aqua blue gem in its mouth on the bottom of the dragon heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large aqua blue gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold sea dragon head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the sea dragon that said, "Liquid Leni Loud, Elemental Angel of Water, Member of The L-Ementals, Second Born and Second Eldest of The Loud Family, Loving Second Eldest Sister and Defender of Air Lincoln Loud and Her Many Siblings, Loving Eldest Daughter of Rita and Lynn Senior, Loving Girlfriend of Chad, Amazing and Talented Fashionista, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Powerful Master of Water, Descendant of 17th Century Duchess Leni of Loch Loud in Scotland, Archenemy of Universe 666 Aria Blaze, Amazing Member of Team Loud Phoenix Storm, and Master of Water, Sea Creatures, and Sea Dragons"

We were amazed by Liquid Leni's Super Angel-Water Elemental-Sea Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Tara Brewster saw it, she went mad with rage and was about to break out of the rope to attack her, but Liquid Leni fired a massive barrage of aqua blue energy, stars, water, ocean waves, sea creatures, sea dragons, phoenixes, and angels at Tara Webster and forced her outside the house, she got up, but now, she was drenched and really really mad now.

Liquid Leni: (Divine Echoing Godly Voice of The L-Emental Oceanic Maelstrom Water Sea Dragon Phoenix Angel and Divine Cosmic L-Emental Oceanic Maelstrom Water Sea Dragon Phoenix Angel Love) You deserve getting soaked like that, you little monster.

Sabrina Lorelai: And it's about to get much worse for you!

Me: Wait! Lets go outside. We don't want to damage the house.

Nico: Good idea.

We went outside for this.

Nico spanked her with Ol' Spankful!

WHAP! SCREAM OF EXCRUCIATING PAIN!

Me: And this too! (ACTIVATES COUNT SPANKULOT'S RIDEWATCH) (Transylvanian Accent) Those who bully their siblings are bad and must be punished Tara Webster! Prepare to face the stingy wrath of the hand off justice from COUNT SPANKULOT! (EVIL LAUGHTER!)

Suddenly, Sabrina Lorelai's dark purple eyes turned neon dark purple, and she was surrounded by a black and dark purple energy aura with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels, she unholstered her massive Despair from the Dark's Demonic Dark Broadsword of Dark Despair Justice from her back, and as she approached Tara Webster, she left black and dark purple energy, stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels with every step.

Sabrina Lorelai: Liquid Leni was right to say all that about you, Tara, you're no good girl, you're just a pure evil sociopathic monster who has no love or respect for anyone, you care only about yourself and wanting to make Michael's life a nightmare, and for that, you need to be punished for your crimes.

We were amazed by Sabrina Lorelai's Super Angel-Despair from The Dark-Demon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Tara Brewster saw it, she went absolutely mad and ran at her to kill her, but Sabrina Lorelai fired a massive barrage of black and dark purple energy, stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels which hit Tara Webster and sent her into a pile of mud, she got back out, but boy, was she angrier than ever.

Tara Brewster: (ENRAGED SCREAM) I HATE GETTING COVERED IN MUD! YOU'RE GONNA PAY FOR THIS, YOU HEAR ME, YOU LOWLY PEASENTS!

Sabrina Lorelai: (Divine Echoing Godly Voice of The Infernal Black Magic Darkness Goth Despair from The Dark Demon Phoenix Angel and Divine Cosmic Infernal Black Magic Darkness Goth Despair from The Dark Demon Phoenix Angel Love) Yep, you're just like Dark Lola who we hated that much.

Lincoln: In any case, I'm looking forward to making you pay.

Nico gave her a wet willie.

SQUISH!

Tara Webster: YUCK!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Liquid Leni and Sabrina Lorelai and so did the rest of us as we unholstered our massive greatswords and transformed.

Nico: You've had this coming, you little monster!

Lincoln, Liquid Leni, and Sabrina Lorelai went after Tara Webster, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, black and dark purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Tara Webster and they exploded with incredible power as they hit her.

Then, Lincoln slashed her dress with his gold-armored claws and he fired chains of light with a swing of his massive greatsword and chained her up and right into a pillory. Then, he made a paddle of dark energy, and then,… !

---

Lincoln swatted her butt fourteen times with that dark energy paddle, and she had a nasty case of baboon butt.

Nico: Ooh! That's gonna leave a mark!

Me: OUCH!

May: She deserved it. I was surprised he didn't use it on Lola when her bratty Dark Side took over.

Lily: That was left to his Guardian Angels, and numerous times, they swatted Lola on her butt, and she got a nasty case of baboon butt.

Nico: Yeesh, and that was all her Dark Side's fault.

Girl Jordan: She deserved it, and that animal, Lynn, tried to attack them like a raging rampaging bull, but Lincoln shoulder-tackled her and pinned her to the ground. She tried to fight back, but Lincoln was way too strong for her.

Me: You can thank all those times he's worked out in the gym, Lynn may be strong, but against her little brother, she stood no chance against him.

Nico: Damn. I guess that proved that Lynn badly underestimated her brother's true strength: that he was stronger and tougher than her both physically and mentally.

Jayden: Go Go Samurai!

Ikki: Henshin!

Vice: Henshin!

KAMEN RIDER!

Tsukasa: Henshin!

They transformed and were ready!

Jayden fired blasts of fire and Ikki and Vice blasted her with energy and Tsukasa blasted her all over.

Pinkie Pie: PARTY TIME!

BLAST!

She blasted Tara all over with confetti from her Party Cannon!

Nico: Take that!

But then someone put a kick me sign on her back and then…

KRABLAM!

Someone kicked her right in her butt!

Tara Webster: (CRIES IN PAIN)

Luan zapped her with a joy buzzer!

ZZZZZAAAAAAAAAAAAAAPPPPPPP!

KROW!

She got kicked again!

Nico: Wonder who did that.

Me: No idea.

Then, Liquid Leni fired blasts of water that drenched Tara Webster getting the mud off her, but then, she made an orange prison jumpsuit and put her in it, and Sabrina Lorelai chained her up in dark energy chains.

Tara Webster: GET THESE CHAINS OFF ME! MOMMY, DADDY, DO SOMETHING! HELP ME!

Mrs. Webster: That's never going to happen. We were foolish to believe all of your lies for five years, and because of it, Michael suffered because of you.

Mr. Webster: We had no idea of how much of a monster you truly are, but after seeing all the proof from Lincoln about your misdeeds, you will never ever be forgiven. Tara, you have left us no choice, I know that none of our punishments won't even deter you ever, so you've left us with only one option left. We're kicking you out of our house, and we are officially disowning you. You are nothing more than a nightmare to your older brother and you are nothing but a sociopathic monster.

Michael Webster: I've said it before and I'll say it again, you aren't my sister, you are just a monster who gets off on making my life misery for your own sick amusement, and now, you are going away to a juvenile detention center where we won't have to deal with you again.

Nico: Actually, we've got something else for her.

Lincoln snapped his fingers and beamed Tara Webster to The Charon Reform School where she would no longer be welcome on Earth ever again. We cheered as Lincoln, Liquid Leni, and Sabrina Lorelai holstered their greatswords on their backs and powered down, and Liquid Leni's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent, and Sabrina Lorelai's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Me: We've sent her to The Charon Reform School, normally it's meant for Queen Bees, but now that we have one in Xaikora, we renamed the Charon School and it's meant for bullies and juvenile delinquents like Tara, there she will be getting a strict course in basic manners and discipline, and she'll be going through tough disciplinary courses as well.

Lincoln: And she won't be able to leave ever, we know Tara wasn't going to change and she'll try to get revenge. The second she does, she's going to get turned into a gold statue forever.

Michael Webster: At this point, I no longer care about what happens, Tara the Terrible harmed me too many times, and my life has been made a nightmare for far too long.

Nico: Tara will never get out ever, she caused enough trouble for the last time.

Me: Yeah.

Mr. Webster: This is all our fault. We should have not been taking her side.

Mrs. Webster: I hate to say it but we failed as parents.

Me: No you didn't fail as parents. It's Tara that has failed YOU. You are not to blame for how she turned out. She chose this path and brought it all on herself.

Nico: There's always Michael.

Michael Webster: Yeah you still have me. And I forgive you guys.

Sheila Castille: You guys did your best and that's all that counts. You had no idea that this is what Tara would become.

Qin: Yeah. I'm sorry this happened.

Anna Anyanova: Yeah it's not your fault. She was born bad and was pure evil from Day 1.

Nico: Michael, I'm sorry for punching you. I just lost it. That's all!

Michael Webster: No I'M the one that should apologize to you Nico. I was under a lot of bad stress. I lost control myself.

Nico: Oh. I guess in a way we…

Michael Webster: We're even.

Tom Lair: Yeah Michael believe it or not the kids of Team Loud Phoenix Storm know how you feel.

Michael Webster: Really?

Tom Lair: Yeah my daughter is on the team herself and she told me everything that happened and kept us and the police force up to date. They went through tons of stressful times.

Nico: Yeah.

Michael Webster: Wow. I didn't know you guys had it so rough.

Me: Yeah. It was mostly caused by Dark Orb contamination. (GASP) Nico! Let me check that bomb in you!

Nico: Don't worry. It hasn't gone off yet.

Me: No no it's not for that.

I went and checked with my diagnosis powers and saw that the Dark Orb bomb had not gone off. But there was poison starting to enter Nico.

Me: Just as I thought. Dark Orb venom is seeping into you.

Nico snapped his fingers and the Dark Orb Venom was out. Nico snapped his fingers again, making Nico immune to said venom.

Nico: Whoops. Forgot to make sure it didn't affect my behavior.

Michael Webstor: Is the bomb in you really important?

Nico: You'll understand if you ask about the Team Loud Evil Storm battle.

Me: That was one of the most intense battles we ever had last December.

Nico: Yeah.

Michael Webstor: What happened?

Me: Really crazy story.

I went over what happened and Nico went over the rest of it and went he was finished they were shocked!

Michael Webster: Oh my god! That happened to you guys!?

Me: Yeah it was horrible.

Mrs. Webster: That is awful. I'm glad you all are okay.

Qin: So are we.

Nico: (to Michael's parents) You can relax. Other then removing the spell, the clock is in one piece.

Me: Yeah it's now an ordinary clock.

Lola: It sure is a nice clock you guys have.

Mr. Webster: It sure is.

Nico: But who put that Kick Me Sign?

Me: Not me.

Eli: Not me.

Qin: Not me.

Lola: Not me.

Eddy: It wasn't me.

Luan: That sure Kicked the ball! (LAUGHS) Get it? But seriously it wasn't me.

Me: It might have been the Anothers.

Nico: Yeah.

Qin: It must be.

Nico: Which are who we have to face next.

Eli: And we have an interesting batch. We have Ghost of Witch McCoy, Moon Monster, Minotaur, Sea Demon, PuruPuru, Son of The Chicken from Outer Space, Injector, Pericles, Bluto, Starmon, Boss Biggis, Blackbird and Rex Goodwin .

We gasped!

Qin: Whoa the archenemies of most of J.D.'s future wives from his rescues.

Me: Yep. So Miia, Rachnera, Cerea, Meru, Suu, Doppel, Fi, Papi, Sea, Miannda the Thunderbird and Dina.

Nico: Cool.

Maria: This will be interesting.

Nico: Call them in.

Me: Righto.

Eli: And I sense that the Anothers minus Rex are one person.

Maria: This will be interesting.

I called them in and in swirls of elements they came.

Miia: Hey guys!

Xenia: Awesome you made it.

Dina: This will be fun.

Rachnera: It sure will be fun.

Camie: It sure will.

Nico: There they are!

Out came Another Ghost of Witch McCoy, Moon Monster, Minotaur, Sea Demon, PuruPuru, Son of The Chicken from Outer Space, Injector, Pericles, Bluto, Starmon, Boss Biggis and Blackbird!

Cerea: Whoa! This is gonna be fun.

Qin: It sure will!

Sea: Yeah it will!

Another Minotaur: (In a girls voice) Like the little pranks I did on Tara?

Lincoln: (GASP) Talia Tatooine! Wow!

They merged and she reverted back and was a girl with golden hair and had purple eyes and had yellow and purple clothes and purple angel wings and had a purple blade lightsaber on her hip and in her hands was a desert theme keyblade.

Talia Tatooine: Awesome to see you again Lincoln and wow! You grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Talia Tatooine, Keyblade Knight of Tatooine, she's my Guardian Angel from Michigan and she's also a powerful Jedi. She was born on the planet Naboo but raised on the planet Tatooine and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet Tatooine and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, he became a powerful Master of The Light and Dark Side of The Force and he eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords.

Me: Whoa! The Keyblade Knight of the planet Tatooine. That is cool.

Nico: I take it you heard about the achievements of Luke Skywalker.

Talia Tatooine: I sure did and he did so much good.

Talia Tatooine: And before you ask the Another Rex Goodwin is friendly and she is a really powerful one too.

Nico: Awesome.

Lola: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the anothers.

Dina: Awesome!

Talia ignited her lightsaber!

Nico: WHOA!

Eli: Awesome Lightsaber!

Talia Tatooine: Thanks Eli!

Eli ignited his lightsaber and they slashed many of the Anothers and the girls blasted them all over and I caught the Wonder Ride Books.

Me: That was awesome!

Maria: Time for backup! (TURNS DIAL) DR. LIGHT FORCE 6!

She summoned Dr. Light, Evil Bright Man, Melone, Yashamaru, U.A. Electro and Flashhead!

Me: Now for Another Rex Goodwin.

Nico: All we can do now is wait.

Me: I have a feeling the next Keyblade Knight will be for the planet Alderaan.

Qin: Boy that will be shocking for her to find out that her home planet was blown to space dust.

Lola: Yeah no kidding.

Camie: Blame the empire for that.

Me: Boy no kidding.

POINK POINK POINK!

I got hit on the butt with three huge cactus balls!

Me: YEEEEEEEEEOOOOOOOOOWWWWWWW!

May: Deja Vu.

Me: OKAY WHO IS THE WISEASS!?

Nico: Ouch.

I had them pulled out by Varie.

POINK!

Me: OUCH! That hurts.

Varie: Sorry.

Then we saw a figure laughing and it was ANOTHER REX GOODWIN!

Me: (Gets a ball pulled out) OUCH! Do you have any idea how painful that is!?

Nico: Yeah!

Another Rex: (LAUGHS) (In a girls voice) Sorry I couldn't resist!

Me: (GASP) That voice! (LAUGHS) I knew it was your work…

She reverted back and was a girl with light green hair, green eyes and green clothes and had green angel wings and had a tiara with the symbol of the Cactus Dopant on it and the same symbol was on her skirt and she had a Cactus Magisword in her hand.

Me: Cillica Cactus!

Cillica Cactus: (LAUGHS) Yeah sorry about that.

Me: No (POINK) OUCH! No worries! As long as it's not by Pizza the Kid. That hurt like shit. Cillica is the Embodiment of the Cactus

Dopant and she is a master of cactuses and she had a dangerously prickly personality. And she is a master of the Condor.

Nico: Cool!

Then an Andean Condor appeared and landed by her.

Qin: Wow! An Andean Condor.

Rex Goodwin: That is the bird I represent.

Cillica Cactus: Yep. This is Pedroa. She's my friend I met in Chile.

Me: That is cool.

Kaito: (Gets out Donbrothers gear) Did Swartz promise you anything? Because we can grant it instead.

Zocks: Zenkaiju Gear!

Kaito got a Donbrothers Sword and Zocks donned his Zenkaiju armor.

Cillica Cactus: No he didn't because I blasted him all over with cactus balls and ran.

Sakura Knudson: Ouch! That explains why I found him covered in cactus balls.

Me: Yeah those hurt like the dickens.

Cillica Cactus: No kidding. That must've hurt.

Me: Yeah it did.

Sougo: (Gets out Donbrothers Ridewatch) Congratulations. Pedroa is now part of the mascots.

Geiz: (gets out Zenkaiger Ridewatch) Where she'll be participating in beer drinking, funny stuff, Robot Chicken watching, dangerous stunts, helping around the house, and other things that could land her in jail.

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor.

Me: I don't think they would send a condor to prison.

Cillica Cactus: That's right. But yeah she is a mascot now.

Lincoln: Lets separate you first.

Lincoln fired an energy blast and separated her and then Cillica fired cactus blasts and Another Rex screamed in pain.

Nico: Time for some bird power! (ACTIVATES REX AND BLACKBIRD'S RIDEWATCHES)

He fired purple fire and energy and blasted the Another.

May: Taste this! (ACTIVATES SID THE SQUID, MOLTRES, ZAPDOS AND ARTICUNO'S RIDEWATCHES)

She fired waves of ink, fire, ice and lightning and blasted the Another down.

Maria: Taste this one! (ACTIVATES KROW AND DUKE OF TRUMP'S RIDEWATCHES)

She fired eggs and energy and blasted down the Another.

Amber: Take this too. (ACTIVATES BLACKBIRD'S RIDEWATCH)

She fired waves of fire and energy and blasted the Another.

Then Hydro Man, Liquidator, Leviathan, Crashfood, Noxious Enterprise's Super SPU-31 Liquid Cooled Mobile Processing Unit and Tsubaki came.

Nico: Nice team Hydro Man!

Hydro Man: Thanks Nico.

But then a bunch of Drill Bombs flew in from out of nowhere and they hit Another Rex and exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

I caught the Ridewatch and purified it!

Me: Whoa!

Qin: Who did that?

Laney: No idea.

Nico: Who did that?!

Qin: I just said that.

Nico: Sorry.

But then a rumble was heard and then…

POP!

Out came a Drill Man!

Me: Whoa! Drill Man!

Nico: Cool!

Drill Man: (In a girls voice) Sorry about the scare.

Nico: Diana Drill! Wow!

She reverted back and was a girl with red hair and red eyes and had red clothes and she had red angel wings and had a Megadrill Magisword in her hand and she had a Drill and Dynamite symbol in the middle of her forehead.

Nico: Awesome to see you again.

Diana Drill: Same here Nico and Qin you look awesome.

Qin: Thanks.

Nico: What do you mean Qin looks awesome?

Qin: She means how much I've changed with you guys.

Nico: Oh.

Diana Drill: Qin and I were partners in blasting before her… you know ordeal.

Qin: Yep.

Nico: Nice.

Amber: What's your favorite memory of Nico?

Diana Drill: When me and Nico went and blasted a whole prison with all the death row inmates in it and killed them all.

Nico: That was the most fun ever.

Me: Awesome.

Nico and Diana hugged.

Nico: I've missed you.

Diana Drill: Same here.

We later went back home.

Sebastian was absent because of the two times he got clonked on the head with a mallet

Lincoln: Wow, we're here in Nashville, Tennessee, and I know what we're going to do here, not only am I going to rescue the ten girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also going to kill our main target: and our main target is none other than our old enemy, Professor Ramon De La Porta, the powerhungry madman who's come back from the dead wanting revenge on us.

We gasped.

Me: That goddamn asshole, I should've known he'd return one day!

Nico: We haven't forgotten about what he'd done in the past. Lincoln, I hope you're not planning on making him your next victim to absorb.

Lincoln: No way, I'm planning on getting Kong here, so he can eat him, and then, I'm gonna banish De La Porta to The Black Gates forever.

Shannon: Fitting for him, he deserves to get eaten alive by Kong for everything he's done.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair with red hairband and yellow streaked bangs, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive red angel wings, and she was dressed in a sleeveless crimson red top, crimson red skirt with the Vermillion Bird on it, crimson red knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, flames, vermillion birds, phoenixes, and angels on the coattails and on the back is Zhuqiaomon, Digimon Sovereign of Fire, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Zoey Zhuqiaomon, Avatar and Ambassador of Zhuqiaomon, The Digimon Sovereign of Fire and Suzaku the Vermillion Bird of The South.

Zoey Zhuqiaomon: That's right, and I know where the girls are being held.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The Hollywood Nightclub.

Me: The Bucanas Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy. Hey, where's that monster that was with you?

Lincoln: Sebastian's back at The World Tree Estate after he got clonked two times in the head with a mallet in two days. Anyways, I think you know what's going to happen.

We piled on and Lincoln tickled Tex Avery McWolf and Tom and Jerry Kids McWolf on their feet.

Tex Avery McWolf and Tom and Jerry Kids McWolf: (LAUGHING HYSTERICALLY)

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, now we can get after De La Porta.

We exited the Bucanas Night Club.

?: KNUDSON!

And just in time as well, as we saw our target, world domination crazed madman Professor Ramon De La Porta, and he was out for blood.

Sylvester: Well, well, well, look who's come charging right at us.

Then, Lincoln let out a loud roar and beat his chest, and then, Kong arrived and as soon as he saw De La Porta, he grabbed and ate that madman, and Kong roared and beat his chest in victory. Then, as soon as De La Porta's spirit appeared after Kong belched him out, Lincoln banished De La Porta to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's the end for you, you goddamn madman.

Then, Lincoln snapped his fingers, and then, giant bushels of bananas appeared and he gave them to Kong as a reward, which he happily takes and heads back to The World Tree Estate.

Nico: The big lug deserved it, and Lincoln, how did you know how to call Kong?

Lincoln: I've learned a lot about animal calls from not only my Guardian Angels who have experience with wild animals, but also, Mrs. Chang. She's an expert on many animal calls, now we know where Syd got her animal calling talent from. (To Zoey Zhuqiaomon) And it's so good to see you again, Zoey Zhuqiaomon.

Zoey Zhuqiaomon: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Zoey Zhuqiaomon and he hugged her, and Zoey Zhuqiaomon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zoey Zhuqiaomon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Zoey Zhuqiaomon, Avatar and Ambassador of Zhuqiaomon, The Digimon Sovereign of Fire and Suzaku the Vermillion Bird of The South, she's my Guardian Angel from New York, and she's also a very powerful master of fire and vermillion birds because she was born under the symbol of The Vermillion Bird, and ever since her birth, she represents The Vermillion Bird of The South, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The Vermillion Bird of The South, she was also made The Avatar and Ambassador of Zhuqiaomon, The Digimon Sovereign of Fire and she has all his powers over fire and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness.

Eli: Whoa.

Lincoln: She's known as The Righteous Fire of Zhuqiaomon because any villain who dares to cross her shall be burned alive by her flames, and she's really serious about protecting me from my five mean sisters and all of the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon the fires of Zhuqiaomon and burn them to ashes and leave nothing of them standing.

Me: Jeez, now that's fiery and deadly.

Nico: And we know how powerful Zhuqiaomon is: any who dare to anger The Sovereign of Fire will be burned to ashes.

Lincoln: That's right, and Zoey's birth under The Sign of The Vermillion Bird of The South made her connection to Zhuqiaomon all too clear.

Zoey Zhuqiaomon: And me being a master of Vermillion Birds and fire also made it all too clear as well, and I was indeed honored to be chosen to be the Avatar and Ambassador of Zhuqiaomon and The Vermillion Bird of The South.

Lincoln: You were chosen to be Zhuqiaomon's champion since the day you were born, that was no coincidence, he knew of how powerful you are, and he chose you for a reason, and now that you're here, Zoey.

Lincoln went up to and hugged Zoey Zhuqiaomon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Zoey Zhuqiaomon: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Zoey Zhuqiaomon's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Zoey Zhuqiaomon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Zoey Zhuqiaomon.

Zoey Zhuqiaomon had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Mairu Ichii, Momoko Yamada, Erisa Ichii, Kotoko Hijiri, Ria Ichii, Yumeko Ichii, Mana Ichii, Niki Himeno, Shirayuki Himeno, and Shii Nanase from Mainichi Shabutte Ii Desu ka?.

Lincoln: Oh wow, it's Mairu Ichii, Momoko Yamada, Erisa Ichii, Kotoko Hijiri, Ria Ichii, Yumeko Ichii, Mana Ichii, Niki Himeno, Shirayuki Himeno, and Shii Nanase from Mainichi Shabutte Ii Desu ka?.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mairu Ichii: Yes, we're okay, thanks to you.

Then, when Mairu Ichii and the other nine girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Ramon De La Porta, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above

Mairu Ichii: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mairu Ichii: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mairu Ichii, Momoko Yamada, Erisa Ichii, Kotoko Hijiri, Ria Ichii, Yumeko Ichii, Mana Ichii, Niki Himeno, Shirayuki Himeno, and Shii Nanase with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main target was our old enemy, Professor Ramon De La Porta, the powerhungry madman who came back from the dead wanting revenge on us.

But, when Lincoln showed what we did in tickling those two wolves at The Hollywood Nightclub and then us thrashing Ramon De La Porta, and finally, Lincoln calling Kong who ate him and Lincoln banishing De La Porta to The Black Gates after his spirit was belched out, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Zoey Zhuqiaomon have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, so De La Porta came back wanting revenge?! Damn.

William: And that roar we heard, I knew Kong got rid of him.

Lincoln: We're so glad we've finally gotten rid of him for good.

Me: You said it.

Nico: De La Porta has done enough damage to too many people and animals for the last time, now he's gone forever and he's never coming back.

---

After finally getting rid of Ramon De La Porta and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Zoey Zhuqiaomon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Zoey Zhuqiaomon: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Zoey, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Zoey Zhuqiaomon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Zoey Zhuqiaomon: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Zoey, what memories did you have with Lincoln?

Zoey Zhuqiaomon: There is a video I have with one memory I have with Lincoln, and you weren't the only one who went after criminals.

Zoey Zhuqiaomon played a video on the screen, and we saw Lincoln and Zoey Zhuqiaomon were at an abandoned hideout in the south of Michigan. This was the hideout of a notorious drug gang here in Michigan, and led by one of its most notorious drug lords, a drug kingpin named Miguel Serrano.

Past Zoey Zhuqiaomon: This is it, you ready, Lincoln?

Past Lincoln: I am, Zoey. Let's do it.

Zoey Zhuqiaomon and Lincoln kicked the door in, and that alerted the men inside. But, before they could do anything, blasts of crimson red fire helix blasts came out and hit most of them and killed them as they burst into ashes.

Past Miguel Serrano: (Spanish Accent) Damn it! Whoever it is, you better come out right now, or we will shoot your fucking heads off! Assholes, get out there and find them!

The musclebound thugs went searching only to get caught in a trap, because Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he ambushed them one by one by stabbing the stingers into their chests and he absorbed all of them one by one into his body, and as soon as he was done with absorbing them and the stingers changed back, all that were left were their clothes and guns, and this was really pissing off the drug lord.

Past Miguel Serrano: (Spanish Accent) DAMN IT! DAMN IT! DAMN IT! YOU BETTER GET OUT HERE RIGHT NOW, ASSHOLES! I'M NOT FUCKING PLAYING!

Past Lincoln: Very well.

Then, Zoey Zhuqiaomon and Lincoln appeared.

Past Miguel Serrano: (Spanish Accent) YOU! YOU! YOU WILL PAY FOR RUINING MY BUSINESS!

Past Zoey Zhuqiaomon: Like I even give a rat's ass about your business especially when it came to pushing drugs into Michigan. You need to be put down like the mad dog you are, asshole!

Past Lincoln: And I showed all of your remaining men no mercy, now you will join them.

Past Miguel Serrano: (Spanish Accent) I'LL KILL YOU!

Miguel Serrano was about to shoot, but it would be too late.

Past Zoey Zhuqiaomon and Past Lincoln: (ECHOING VOICE) BLAZING HELIX!

Zoey and Lincoln fired two powerful crimson red fiery helix blasts from their angel wings which hit Miguel Serrano and melted his gun and left him with burns on his body which burned his suit. Then, Lincoln turned the tip of one of his tails into Cell's stinger and he stabbed it into Miguel Serrano's chest and Lincoln began absorbing him, and as soon as Lincoln was done, all that was left of the drug lord was his suit. Zoey and Lincoln left, and they formed red fireballs in their hands.

Past Lincoln: Go to Hell, Serrano.

They threw the fireballs at the hideout and it exploded and was left as a crater as the video ended.

Nico: Oh damn, you guys went after drug dealer Miguel Serrano, I've been after that asshole for years, he was wanted for multiple counts of interstate drug trafficking, kidnappings, murder, and murder for hire.

Me: And Zoey and Lincoln did awesome going after that asshole.

Lincoln: And I used Cell's absorption on those thugs in an assassination style attack.

Me: That's how I sensed that you were growing stronger and stronger, you absorbed them using Cell's absorption technique.

Luna: He and Zoey did awesome getting rid of that drug dealer, and they turned in all the drugs that thug had: bricks of cocaine, bags of marijuana, the works, along with all the money they made.

Lisa Loud: It totaled to an estimated $5.9 billion dollars in their operation.

Nico: Just as I'd read in his case report. But, you and Zoey did awesome, especially you, Lincoln, with absorbing that asshole's thugs not to mention you and Zoey used Blazing Helix to blow the doors down and burn Miguel Serrano to a crisp before you absorbed him, that was really fiery.

Lincoln: Thanks, Nico. Nico: Eighty-five girls joining your harem in one day?! Damn, you just broke the record, White-Haired Casanova!

Lola: I knew Fiona, Jackie, Mandee, Becky, and Whitney also had the hots for Lincoln.

Belle Muldoon: I knew it, I knew it! I told you girls, I was right that you do have the hots for him!

Fiona: Well, we knew it when Leni had him in that Manotard, even though it was due to Lola's scheme years ago.

Leni: I knew it, I knew they had feelings for them.

Paige: This is so awesome that my big sis is now in Linky's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Fiona, Mandee, Jackie, Becky, Whitney, Simulator Jessica Ninki, Simulator Toriko Ginka, Simulator Makiko Kinka, Alex, Isabella, Hilda, Gina, Gordon, Shaura, Ellena, Ernath, Seo, Carrie, Chiquita, Cailer, Paula, Borrux, Nia, Nasos, Mandrake, Dryad, Apostolos, Shitori, Strawberrina, Sultana, Gleco, Cauliflower, Ciel, Chelsea, Cocoruco, Chamari, Manomin, Merone, Michelo, Momo, Empussa, Spica, Toula, Succubus, Tsuki, Uto, Jotom, Kaede, Kyrocks, Lala, Yana, Lilim, Lin, Lulisia, Sunohime, Sphinx, Dabih, Pulco, Osa, Penglai, Simulator Aiko, Simulator Audrey, Simulator Beli, Simulator Celeste, Simulator Jessie, Simulator Kyanna, Simulator Kyu, Simulator Lola, Simulator Momo, Simulator Nikki, Simulator Tiffany, Simulator Venus, Simulator Brooke, Simulator Candy, Simulator Lailani, Simulator Lillian, Simulator Marlena, Simulator Nadia, Simulator Nora, Simulator Renee, Simulator Sarah, Simulator Zoey, Simulator Abia, Simulator Ashley, and Simulator Polly, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's

much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Spin Dig Galaxy.

Me: Awesome! Looks like it's time to get down and dirty.

Applejack: Me and Liam are gonna go y'all.

Nico: Okay then.

Liam: YEEHAW! This will be perfect for some Texas Pride.

Qin: That is for sure!

They went in and the Simulator Activated and they were at SPIN DIG GALAXY!

Nico: Awesome!

Applejack: This is gonna be as fun as the Texas State Fair!

Diana Drill: I'm going in there too!

Applejack: YEEHAW! This will be good!

Nico: Yeah it will! Any tips Nicole?

Nicole: (On the radio) Well you are going after Digga-Leg right?

Nico: We sure are.

Nicole: Then you have to get to that big dirt ball planet there. I'll tell you how to stop him when you get there.

Nico: Okay.

Diana Drill: This will be fun.

Liam: You'll be helpful since you can dig

Diana Drill: I know I will be an awesome help.

Nico: Lets roll.

They were off and they went to the planet. They arrived and then

DIGGA-LEG CAME!

Nico: Digga-Leg!

Diana Drill: This will be good!

Nicole: Okay you got to shatter the dome containing the star. Bash that 3 times from above or under it from the ground.

Nico: You got it!

Liam: Yeah!

Nico: (gets out Rex Goodwin and Black Adam's Ridewatches) Feel my power!

Nico activated them and fired waves of lightning and purple fire and blasted the dome.

Diana Drill: This will be good!

She fired waves of drill bombs and Liam fired waves of ice and lightning and they hit the dome and exploded!

KRABBBBBBOOOOOOOOOOOOOOMMMM!

Nico: That's the way!

Applejack: YEEHAW!

Nico: Diana, dig underground!

She dug underground and hit the dome and smashed it.

?: Take this!

Then a girl with red hair, red eyes, black clothes, and red angel wings and had a tiara with the symbol of the SPD Rangers on it and her skirt had the same symbol and she had an SPD Delta Blaster and she had an SPD Morpher.

Deanna Dekaranger: Deanna Dekaranger - Embodiment of the SPD Rangers is here.

Nico: Cool!

Then she and Applejack fired energy blasts and the dome shattered and then Digga-Leg exploded and the star was freed!

Nico: YEAH!

Diana Drill: Lets get the star!

They went and got it.

YOU GOT A STAR!

Nico: Awesome!

Applejack and Liam: YEEHAW!

Deanna Dekaranger: YEAH!

They high five.

Applejack: Tell us more about yourself

Deanna Dekaranger: Sure. I'm a police officer and I help bring nasty criminals to justice and these are my latest catches.

She showed cards with 4 dangerous criminals that Nico knew.

Nico: Tyrone Exetor, Victor Ramon, Eli Vegas and Quincy Gunnerson! I know these clods. Drug Dealers that I busted years ago.

Deanna Dekaranger: Yep. They are going to the slammer.

Nico: You will make an awesome police member. Sheila and Tom would love having you with them.

Deanna Dekaranger: Awesome.

Nico: Would you like to join the team?

Deanna Dekaranger: I would be honored.

Nico: Awesome.

They left the simulator and we cheered wildly for them.

---

Later we were watching TV.

Poliwag: Would you like some beer, Pedroa?

Pedroa squawked.

Cillica Cactus: Oh she doesn't talk.

She squawked.

Cillica Cactus: Oh she said she doesn't dring beer. She's a scavenger and eats chum.

Poliwag: Oh boy.

She pulled out a bucket of chum and gave it to her.

Poliwag: Are condors really scavengers?

Me: Yes they are. They eat anything dead or alive.

Lola: Wow.

(BAD TO THE BONE PLAYS)

Outside, another Poliwag was walking around with a gun.

It had red eyes glowing.

Poliwag got into the Elevator and went up.

Then the elevator opened.

Me: Huh?

We saw the Poliwag.

Ren: Is that another Poliwag?

Me: He has a gun!

I fired a laser blast and blasted it out of his tail.

Me: Wait a second. Wow!

My Data Eyes turned on and they saw that it was a Poliwag T-X! It was a T-1000 and T-X Robot Poliwag!

Me: Wow! It's a Terminator Poliwag! It's a T-1000 and T-X Model! This one is really advanced!

Nico: Another Terminator Mascot!?

Terminator Poliwag retrieved his gun.

SpongeBob: Duck and cover!

I melted the gun with my laser vision!

Me: And from the looks of things this one was made as a backup plan by the Evil Nico in case the Terminator Poromon failed!

Patrick: Yeah!

Stimpy: Boy this is a crazy one!

Terminator Poliwag: That is correct. I was made and programmed to kill Nico here should my Predecessor fail.

Me: Boy this is like something out of Terminator 3 and that was epic.

Xenia: Yeah.

Drillhorn: You want us? Come get us!

Nico got behind it and used a remote control that shut it down.

Nico: I made this remote control with the help of Lisa to shut down the Terminator Mascots should the need arise.

Me: It worked perfectly! Well done.

Nico: Thanks

Nosecone: The last thing we need is another intense battle with someone that looks like one of our mascots!

Nico: No kidding.

Me: Yeah. I will say this though Nico, Your evil Self sure knew how to make awesome robots. I home May and Maria of Universe 666 didn't make Terminator versions of Manaphy and Horsea.

Nico: Yeah.

Me: Nico I have a feeling that it was Slappy that made the Cuckoo Clock magical again.

Nico: I have that same feeling myself.

Qin: Yeah.

Donna Diego: Nico, who gets to shine now?

Nico: Tahu, Diamond Tiara, Silver Spoon, Gabby Griffin, Nuju, and Cutie Mark Crusaders

Me: Sweet!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS MOMENT TO SHINE! YAY!

We laughed!

Me: (LAUGHS) You girls are really excited.

Tahu: They sure are my brothers.

Diamond Tiara: This is gonna be so fun!

Silver Spoon: You got that right!

Gabby Griffin: I'm really excited for this!

Nico: Whoever we're facing will be either frozen or melted?

Me: Hmm.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Lawn Gnomes, and they're causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Lawn Gnomes, and they're causing havoc once more.

We gasped.

Nico: The Lawn Gnomes, I knew it was going to be them, I just knew it.

Eli: Wow!

Me: Now, Slappy's really starting to piss us off even more.

Lincoln: But, with every Goosebumps Monster that we take down, we wind up pissing off Slappy even more.

Nico: You bet. Let's head down to help Hap, Chip, Joe, and Moose take care of those lawn gnomes at once.

Me: Right, and when we tell them Slappy was behind this, heads will literally roll.

Camie: Who are the Lawn Gnomes?

Me: You know those decorative Lawn Gnomes that you usually have in your yard? Well these are different.

I went and showed the book Revenge of The Lawn Gnomes.

Juran: They wallk about at night?!

Nico: Yep.

Qin: Sounds crazy but it's true.

Me: Hmm.

I looked at the sun and saw that it was close to dusk

Nico: The past few days have involved fighting at night.

Me: That's usually when a bunch of the monsters come out.

Qin: Yeah.

Lola: That's true..

The Previous Group came.

Bronze Kneecap: Can me, Gentleman Ghost, Magma, See-More, Thundermon, Puppetmon, Brass Knuckles, Black Spider, Dodgeball Wizard, and Count Spankulot go with you guys?

Nico: Yes you all can come with us.

Me: We're going Lawn Gnome smashing.

Xenia: Yep.

Spark Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Pharaoh Man next.

Qin: Cool!

Lola: That's the last of the Mega Man 4 Gene-slammers.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Edgar Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Edgar Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Ember Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to the other male Seraphina assholes yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Hap, Chip, Joe, and Moose take care of those lawn gnomes at once and tell them of Slappy's part in bringing them here.

Lincoln: That dummy's really gone way too far this time, and we've got to help take those lawn gnomes down for good, and once we get done with those lawn gnomes and exposing Slappy's actions behind this, you're next, Edgar Seraphina.

Ember Seraphina: You better be ready to bleed, Edgar Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Hap, Chip, Joe, and Moose take care of those lawn gnomes at once and tell them of Slappy's part in bringing them here, and once we got done with destroying those lawn gnomes, Lincoln and Ember Seraphina are going to destroy Edgar Seraphina, the next of The Seraphina Sisters' evil cousins.

We went down to the surface.

---

We were walking to the house of Joe and Moose.

Gentleman Ghost: Should we keep our eyes peeled?

Nico: We should.

Me: Way ahead of you.

I looked around for anything.

Lola: Hmm.

Eli: They should be coming.

Me: There's the house.

The sun was down.

Sissi Delmas: Well, the sun's down.

Eli: Yep.

Then we heard a crash and then saw Joe and Moose defending Hap and Chip from a bunch of Rogue Lawn Gnomes.

Me: They are in trouble!

See More: Let's help them out!

Nico: Early Entrance Time!

We went at them!

Joe: This is crazy!

Moose: We need help!

But then the spirits of grass appeared and swirled around the rogue gnomes and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and fireballs rained down and destroyed some of them. A Phoenix Cry was heard and we landed.

Me: Someone call for help?

Moose: Whoa! You guys came!

Me: Always do.

The gnomes then came!

Using my Shaolin training I smashed the gnomes coming at us with my arms!

SMASH SMASH SMASH SMASH SMASH!

Lady Deathstrike: We need to keep them distracted for a few hours!

Me: I can do that!

SMASH SMASH SMASH SMASH SMASH!

I was smashing them left and right.

Me: When I was training in the Shaolin arts they had me do this for hours on end.

Nico: Cool!

SMASH SMASH SMASH SMASH SMASH! SMASH SMASH SMASH SMASH SMASH! SMASH SMASH SMASH SMASH SMASH!

Sakura Knudson: Wow! Bro is really doing well!

I was smashing them all over.

Brass Knuckles: Let's try freezing them!

Finn: Grass Sword!

He summoned the grass sword and Slashed the gnomes and smashed them all over!

Lana: Lets do it!

Lana fired ice blasts and blasted them and froze them in blocks of ice.

Qin: Take this!

She fired ice blasts and blasted the gnomes.

Fisticuffs: Nice grass sword, Finn!

Finn: Oh thank. I got this while in the Grass Kingdom from a Weapons shop.

Jake: That was fun there.

---

I smashed the Gnomes left and right all over!

Flame Princess blasted the Gnomes with fire.

Me: Yeah!

Tahu: Someone get the scare mask!

Eustace: Like this? (Gets out ugly mask) OOOGA BOOGA BOOGA!

The Rogue gnomes screamed and they ran off!

Me: That did it. Whew!

Thunderblast: Let's talk more inside.

Nico: Good idea.

We went into the house.

Nico: That was awesome though J.D. All that training really came in handy.

Me: It sure did. I didn't know the Gnomes could fly like spears.

Grim: (Jamaican Accent) They are aerodynamic.

Billy: Grim please. Watch the language.

Diamond Tiara: How have you guys been?

Count Spankulot: Have you all been good?

Joe: We sure have.

Hap: (Irish Accent) We have been helping these lads when they need it.

Xenia: Cool cool.

Yagura: When did the rogue Gnomes start attacking?

Moose: 3 days ago. They said some jerk named Slappy promised them to make them alive all day.

Qin: Well lot of good he will do.

Silver Spoon: Didn't you guys say that a dog whistle freezes them?

Black Spider: Where is it?

Hap brought it over.

Me: Awesome.

Qin: This will be good.

Scrapper: Won't Hap and Chip be affected too?

Nico: Don't worry.

Brittney: I'll use my magic to make sure they won't be affected.

Lola: Cool.

Chip: (Irish Accent) That's perfect!

Puppetmon: Good thinking!

Gabby Griffin: Let's get your dog Buster in on this.

Joe: Good idea!

Eli: Here they come guys!

Slugfest: I don't hear anything.

Eli: I sense them. They are outside.

Thundermon: What could they possible be doing now?

Nuju: (hears something) Wait. What was that?!

Eli: They are definitely out there.

Donkey Kong fired a coconut and I ducked and it hit a Gnome as it was about to jump me!

Me: Whew.

Nico: Yes we did.

Me: The trailer for Blood and Honey.

Joe: Oh man! That dark version of Winnie the Pooh! I saw that trial you guys had for it and that was crazy!

Moose: Yeah!

Joe: What drugs were the creators smoking when they made that?!

Me: Believe me we ask ourselves the same question every time.

Nico: Yeah.

Then Evil Green Ranger, Snake, Living Laser, Taskmaster, Yenaldooshi, LaGrange, Titanium Toenail, Iron Lung, Multiplex and Machinedramon came.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Edgar Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Edgar Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Edgar Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Edgar Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Ember Seraphina: That was all your doing along with the doing of your brothers, Edgar, and now, you shall threaten mankind and the world no more.

Suddenly, Ember Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, sphinxes, phoenixes, and angels, she unholstered her massive Hazy Flame Sphinx-themed greatsword from her back, and as she approached Edgar Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, sphinxes, phoenixes, and angels with every step.

Ember Seraphina: Never did I expect to ever see you again, Edgar. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Ember Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are sphinxes, phoenixes, angels, and Hazy Flame Sphinx flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Edgar Seraphina: the red eyes of death. Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ember Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Edgar. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Ember Seraphina and Lincoln went after Edgar Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Ember Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals,

Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Edgar Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Ember Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Edgar Seraphina even more madder with rage.

Edgar Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Edgar Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Ember Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Edgar Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Edgar Seraphina were his clothes. Then, an energy card with Edgar Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Ember Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Ember Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Ember Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Ember.

Suddenly, Ember Seraphina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ember Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Sphinx, and Hazy Flame Sphynx flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Ember Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only three more to go.

Lincoln: Yep, and now, Slappy's losing the next few of his minions.

Me: Those losers seriously had no idea of what they got themselves into when they allied with that dummy. So, Lincoln, who's the next Avatar and Ambassador of The Digimon Sovereign and The Four Symbols are we meeting tomorrow?

Lincoln: That's an easy one, J.D.: Seiryu Azulongmon, Avatar and Ambassador of Azulongmon, The Digimon Sovereign of Thunder and Seiryu The Azure Dragon of The East.

Zoey Zhuqiaomon: I knew it'd be her next, and you guys will like meeting her, Seiryu Azulongmon is Lincoln's Guardian Angel from New York, and she's a very powerful master of the storms and azure dragons because she was born under the symbol of The Azure Dragon, and ever since her birth, she represents The Azure Dragon of The East, one of The Four Symbols of The Chinese

Constellations and because of that strong representation of The Azure Dragon, she was made Avatar and Ambassador of Azulongmon, The Digimon Sovereign of Thunder and she has all his powers over thunder and storms and she knows all of his techniques. She's another of the five girls who make up our group, The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness.

Nico: You're known as The Righteous Flames of Zhuqiaomon, then, that means… !

Zoey Zhuqiaomon: Yep, Seiryu Azulongmon is known as The Righteous Storms of Azulongmon because any villain who dares to cross her shall face the fury of the storms, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and she swore that if she ever came across any of them, she would summon the most powerful of storms to leave nothing of them standing.

Me: Whoa.

Sebastian Mendez: Sorry I wasn't here for today's rescue, I wound up getting a headache from getting hit on the head with a mallet two times in two days. If I find out the person who did this, I'm gonna make that person regret it.

Plucky Duck: IT WAS THE WABBITS! THEY DID THIS!

We gasped.

Nico: Buster, why did…?

Buster Bunny: It was preventative medicine, even though he was freed from his dark side, he's still as creepy as ever, and you've got some nerve ratting me out, Plucky.

Babs Bunny spin-changed into a gangster.

Babs Bunny: (Gangster Talk) It's curtains for ya, ya mug. Curtains!

But, Sebastian was beyond furious as his midnight blue eyes turned blood red.

Sebastian Mendez: (Demonic Voice) It's curtains for the both of you, YOU CRETINS!

Sebastian levitated off the ground as creepy organ music plays, and he had a demonic grin on his face and with rows of jagged fangs, and he slightly opened his mouth, and then… !

Sebastian Mendez: (DEMONIC ROAR AND SNAKES COME OUT OF HIS MOUTH!)

Buster Bunny, Babs Bunny, and Plucky Duck freaked out as they did wild takes galore, and they ran like headless chickens, as Sebastian descended to the ground.

Sebastian Mendez: That's for bonking me on the head with a mallet for the past two days!

LaGrange: That whistle really worked!

Titanium Toenail: They're all frozen!

Iron Lung: Except for Hap and Chip.

Multiplex: I'm glad I still got a chance to help out.

Machinedramon: What do we do with them now?

Me: We put them in a magic vault. With locks on it as Vinny would say Really Big Ones.

Nico: Good idea. Great job guys.

Lola: I wonder how Slappy will react to this one.

Me: No idea. (To the viewers) Lawn gnomes are cool but they are a mess to clean up.

Qin: Yep.

We got to cleaning and later went home.

---

Meanwhile, SLAPPY WAS SMASHING PLATES AND DISHES ALL OVER HIS HOUSE IN RAGE!

Slappy: I FUCKING HATE THOSE MONSTERS! I HATE THEM MORE THAN LIFE ITSELF!

TO BE CONTINUED…

Me: I love coming to the Pridelands. It's so awesome.

Rainbow Dash: Boy it sure is cool.

Leeli: Look at all the amazing lions. They are so cute.

Girl Jordan: They sure are.

Qin: Yeah all the creatures of the Pridelands are cool.

Me: It sure is.

Aylene C.: All the creatures here are so cool.

Fluttershy: And amazing.

Lana: And the bugs are all delicious.

We laughed!

Lola: Yeah for you Lana bot not us.

Luna: But it's always fun here dudes.

Sam S.L.: It sure is Lunes.

Nico: Luna, I want to thank you, Hydro Man, and your teams for coming

Luna: It's no problem dudes. It's gonna be so fun.

Nico: Shou, remember when we met you and the other Kyurangers?

Shou Ronpo: How can I forget. That was so fun. We first met you during the battle with Hades and then we had our official mission with you a while after that.

Lola: That was so awesome.

Camie: Wow! When was that?

Me: That was so awesome and memorable.

Nico: Yep.

Nico told everyone that hadn't heard about it what happened in chapter 1497 and it was awesome.

When it was done everyone that hadn't heard about it was amazed.

Camie: Wow! So you had to go to Universe 19 to help.

Me: Yep.

Nico: And we helped you guys destroy the remains of Jark Matter.

Shou: You sure did.

Me: And now Don Armage is a forgotten memory.

Hydro Man: He sure is. But his evil Ranger Form, Dark Shishi Red is now in the M.O.E.

Me: That's what I heard and that's a Stageshow Exclusive villain.

Hydro Man: That's right.

Nico: Wow!

Zocks: I think I remember seeing my sister Flint as a ranger herself on that too.

Me: Yep she is a ranger too in the stageshow exclusive format.

Lola: Wow!

Nico: Yep. Man yesterday was crazy.

Me: We destroyed Lawn Gnomes like crazy.

Maria: They tried destroying Moose's house with a tractor!

Me: That was beyond crazy.

Qin: No kidding! That was crazy as all get out!

Nico: It'll take more than a tractor to do that.

Xenia: Yep.

Varie: But the good news is that we enraged Slappy further by destroying those garden gnomes.

Nico: We froze them with the dog whistle.

Me: Yep and that was cool that Dog Whistles can do that.

Xenia: It sure was.

Qin: That sure was awesome.

Camie: It sure was.

Eli: I thought it was really fun.

Nico: And those Shaolin skills that you displayed J.D. were really awesome.

Me: It sure paid off for that.

Xenia: It sure did.

Qin: Yeah.

Nico: And they're in our vault

Me: They sure are.

A gopher came.

Gopher: Eli?

Eli: Yes?

Gopher: Sir! (Salutes) News from the underground.

Eli got the info and told himm what's going on.

Eli: Guys! We got problems.

Eli told Lincoln what happened.

Lincoln: (GASP) Okay, guys, we've got ourselves a huge emergency: we got word from the warden that Dark Ricky Beamer has escaped from prison again, and he still wants revenge on us.

We gasped!

Me and Nico: (PISSED OFF) What!? That walking alligator freak's back for more?!

Me: (GROWLS) That motherfucking pissant lizard skin wallet!

Lily: How the heck did he escape?! Last time this happened was because of The Church of Necrom!

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which then formed a viewing window and we saw the footage of the Neptune Prison, and we soon saw how Dark Ricky Beamer escaped: it was Slappy who broke into the prison and used a Dark Orb to open a portal and Dark Ricky went in while Slappy was laughing maniacally. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Me and Nico: (GROWLING LIKE TWO VICIOUS WOLVES AND SUPER PISSED OFF) YOU GODDAMN WALKING TOOTHPICK! WE'LL ROAST YOU ON A SPIT FOR THIS!

Lincoln went up and grabbed me and Nico by the collars of our shirts.

Eli: Oh shoot, Lincoln! OMEGA NANNY GOAT ALERT!

Lincoln: Pardon me, but I must discipline the nanny goats!

BLANG!

Lincoln bashed our heads in and we had birds flying above our heads and chirping. We shook our heads.

Me: OUCH!

Nico: That hurt!

Lincoln: Luckily, I anticipated you two would fly into a rage and I had to bash your heads in again.

Eli: With how strong you two really are, I declared it an Omega Nanny Goat Alert: that's when Lincoln has to intervene and bash your heads in.

Nico: Thank goodness he did, but there's no way we're letting Dark Ricky live any longer.

Me: Same here. Not after what he did that sent Nico falling into a depression! And pissed us off to the Nth Degree!

Lincoln: Luckily, I'd decided to call in some extra help.

Just then, Stone Luna, Missy Rodgers, Erica Haddock, and Ellie Singh arrived.

Missy Rodgers: Lincoln told us everything and we're more than ready for that walking alligator freak!

Erica Haddock: He's gonna get his head ripped off and skinned alive!

Ellie Singh: After what he viciously said about Nico, he's going to be ripped limb from limb.

Qin: Save some for me, girls. I still want to get my blows in on that asshole.

Stone Luna: He's going to get crushed like the bug he is.

Lincoln: He deserves it. (Sensed for Dark Ricky Beamer) AHA! Gotcha, you bastard! Dark Ricky's 20 yards away and he's barreling towards us in a fit of deranged rage.

Nico: Let him come, he's about to suffer for everything he's done.

Lincoln: You said it.

Me: Better prepare for this. KIBAL LETS HOWL! (HOWLS)

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Me: (Sniffs) Jeez! That mutant!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Dark Ricky Beamer.

Luna: (to Stone Luna) Fancy seeing you here!

Stone Luna: I know! This is gonna be so awesome dudes.

Lola: Yeah it is!

Sam S.L.: It sure will be cool!

Lana: I'll say!

Nico: (Cracks Knuckles) I got a bunch of REALLY Nasty things to say to that son of a bitch!

May: Save seconds for me!

Qin: And me and the girls!

Nico: But where did the gopher come from?

Me: Oh that gopher is always here. He informs Zazu of anything going on. And he informs either one of us of anything out of the ordinary as well.

Nico: Oh yeah I remember seeing that. That was cool.

Laney: Yeah.

Eli: I sense Dark Ricky. He's up ahead by 10 klicks.

Nico: Lets go.

We went to face him.

Troy: Go Go Megaforce!

Philip and Shotaro: Henshin!

They transformed!

Troy: FURY OF THE DRAGON! MEGAFORCE RED!

Philip: FURY OF THE CYCLONE!

Shotaro: MISCHIEF OF THE JOKER!

Philip and Shotaro: KAMEN RIDER W!

Nico: Nice!

Me: That was awesome!

Lola: It sure was.

?: YOU GODDAMN MONKEY-FACED FREAK!

Nico: Yeah, fuck you too, asshole!

We then saw our target, Dark Ricky Beamer, and he was now completely crazed and hellbent on revenge on us. It was DARK RICKY BEAMER!

Me: Well well if it isn't Mr. Buttfaced Bronto Brain himself.

Camie: He's ugly!

Qin: Yeah he sure is.

Me: Prison life hasn't been too kind on you hasn't it Lizard Lips.

Rattrap: Boy he's like an uglier version of Choppa Face.

Nico: Good thing Dinobot didn't hear that.

Me: Yeah.

Nico went over to him.

Nico: You walking Alligator Skinned Wallet. Because of you, you made me fall into depression. I've got a few things to say to you.

Dark Ricky Beamer: Oh yeah? What?

Hydro Man fired water at him.

He drenched him.

Me: I've been waiting for this for a long time!

I teleported and punched him in the face!

BLAM!

I sent him crashing into a rock!

He got out a bazooka and fired at us, but Lincoln saved us by forming a massive and indestructible diamond barrier, and when the missile hit the barrier, it exploded, but it didn't make a dent and the barrier stood strong. That got him super angry and he got out machine guns and fired at it, but all the bullets bounced off the barrier, then, he tried hitting it with his fists, but that didn't work, but it did get his fists bloody and bones broken. DARK RICKY BEAMER WAS NOW LITERALLY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER WITH NO SUCCESS AT ALL!

Nico: Damn. Lincoln, you weren't kidding when you said he was still out to get revenge on us.

Lincoln: Even after we stopped him a year ago and got him out of Ricky, he still wanted revenge on us.

Lincoln fired a diamond ball which hits Dark Ricky Beamer in his face and forced him back, Lincoln took down the barrier and we stood ready to face Dark Ricky Beamer, who was now out of his mind and dead set on revenge on Nico and all of us.

Dark Ricky Beamer: THIS IS ALL YOUR FAULT! I WAS THIS CLOSE TO GETTING RID OF EVERY LAST ONE OF THOSE GODDAMN BULLIES, BUT YOU! YOU RUINED EVERYTHING! WHY CAN'T YOU JUST ALL FUCKING DIE?! YOU DON'T DESERVE TO LIVE, YOU ALL DESERVE TO DIE!

Me: You brought all that on yourself!

Nico: That's where you're goddamn wrong, asshole, the only one who deserves to die here is you!

Nico turned his nails into sharp claws and he slashed Dark Ricky in the chest leaving claw marks and drawing blood.

Nico: That was for making me fall into depression because of all those harsh words you said about me!

Then, Lincoln kicked Dark Ricky in the stomach!

Lincoln: And this is for forcing Ricky to betray all his friends and family!

Then, I punched him in the face and knocked out his teeth!

Me: And this is for pissing us all off! You scaly goddamn asshole!

Qin: Nice one with the blows, guys, but don't kill him yet. We also need to have our fun as well.

Nico: Oh, right. Let's back off, boys. It's time for the girls to have their fun.

Me: You're through, Dark Ricky.

Lincoln: You're never going to be free ever again.

Me: It's PAYBACK time! And Slappy I know you're watching this.

I flipped the bird at him.

In Slappy's hideout..

Slappy: Let's see if you're feeling smug when the next of my friends strike!

Little did he know that I can hear him.

Me: I can hear every word you say Slappy! I say Do your Fucking Worst you repulsive pile of sewage eating toothpicks!

HE ROARED IN FURY!

I punched Dark Ricky Beamer in his face and kneed him in his crotch.

Troy punched him.

PoW! BLAM BIFF SMASH!

He punched him in his face.

Luna bashed him in his head.

Luna: NO ONE DOES THAT TO MY BEST FRIEND NICO!

KROW!

I fired a massive blast of blue fire and burned him.

Nico: You really think of me as a best friend?

Luna: We sure do!

Sam S.L.: That is for sure!

Me: We all do.

Suddenly, Qin's green eyes turned neon green, and she was surrounded by a green energy aura with stars, flames, fires, Komodo Dragons, phoenixes, and angels, surrounding her, she unholstered her massive Qin Chen's Scalebreath Raging Inferno Greatsword of Underground Fire Inferno Komodo Dragon Justice from her back, and as she approached Dark Ricky Beamer, she left green energy, stars, flames, fires, Komodo Dragons, phoenixes, and angels with every step.

Qin: There are absolutely no words to describe just how much of a piece of shit you really are, you're the result of Ricky's descent into madness because of all the bullying he had to go through, and due to it, he snapped and you influenced him into making a deal with The Creeps which led to so many people getting turned into Creeps or getting killed, but the one thing that truly makes you despicable were those hurtful words you said about Nico, you made him fall into that depression and I despise you for that. Now, I'm going to see to it that you die here and now!

Suddenly, Qin was surrounded by a massive vortex of green energy with stars, fire, and flames surrounding the vortex, there are Komodo dragons, phoenixes, angels, and Scalebreath running and flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Dark Ricky: the red eyes of eternal death. Then, as the vortex faded, Qin emerged, but she was changed forever.

May hugged Nico's waist tightly in fright.

May: Yikes, Ellie sure can be scary when she gets this angry.

Nico: Trust me, May, you do not want to see Ellie's angry side, it's really really scary.

Lizzie Strong: Yeah, one time, some idiot beat up Nico in a surprise ambush, and Ellie got so super angry, she rushed at the asshole and beat his ass up.

Me: Damn.

Lizzie Strong: But, it got worse: it turns out that a stranger was there, he had a deranged grin on his face and he had multiple sharp fangs in his mouth, blood red eyes and dark red sclera full to the brim with madness, wild black hair, and pale skin.

We knew who Evelyn was talking about: it was Sebastian Mendez long before he had his Dark Side removed. Just then, the rest of Nico's harem and friends appeared.

Nathaniel Blood: So, that bully's attack on Nico wasn't a coincidence?! And even worse, Sebastian the Malevolent was there to see your death for his own sick amusement?!

Abigail Blood: If we ever have a Battle in The Simulator against him in the future, we're gonna make him pay for it with his own blood!

Nico: We'll also have to get Buster Bunny's gang, The Looney Tunes, and The Z-Fighters involved in it since they've got history and bad blood with him for all the things Dark Sebastian had made him do and they've fought against him and the resurrected foes of The Z-Fighters more than once.

Suddenly, Stone Luna's massive Stone Luna's Stone Elemental Gargoyle Greatsword of Elemental Stone Justice and all the swords she'd gotten began merging and they were surrounded by a kaleidoscope of stone grey energy, stars, stones, rocks, gargoyles, phoenixes, and angels, and when it emerged, it was transformed into Stone Luna's L-Emental Eternal Stone Elemental Gargoyle Greatsword of Elemental Stone Justice, it's a brand-new large greatsword with a gargoyle etched on the 7'0" massive, wide, double-edged gold blade and embedded stone grey gems, large gargoyle heads for the crossguard, large white angel faces built into both sides of the hilt and large stone grey gem embedded in the foreheads, longer midnight black handle, four large gargoyle heads with stone grey gems for eyes and a large stone grey gargoyle head with stone grey gems for eyes and stone grey gem in its mouth on the bottom of the gargoyle heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large stone grey gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, Belt of Elemental Bravery with large gold gargoyle head with stone grey gems for eyes and a large stone grey gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Stone Luna's Super Angel-Stone Elemental-Gargoyle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Dark Ricky Beamer saw it, he went absolutely ballistic and ran at her to kill her, but Stone Luna fired a massive barrage of stone grey energy, stars, stones, rocks, gargoyles, phoenixes, and angels which hit Dark Ricky Beamer and he got buried under tons of stones and rocks, he busted out, but now, he was beyond enraged and so furious, it was unbelievable.

Stone Luna: (Divine Echoing Godly Voice of The L-Emental Rockstar Stone Gargoyle Phoenix Angel and Divine Cosmic L-Emental Rockstar Stone Gargoyle Phoenix Angel Love) Now, that we've transformed, it's time for some serious pain!

Lincoln: You better be ready to bleed.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Stone Luna, and Nico joined Missy Rodgers, Erica Haddock, Ellie Singh, and Qin and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You are done running loose and killing bullies, Dark Ricky. Now, it's time for you to die once and for all, and you are never coming back ever!

Nico: Welcome to The Corner of Pay and Back!

Lincoln, Stone Luna, Nico, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin went after Dark Ricky Beamer who's now gone absolutely Nth-Degree insane with rage, and they fired extremely powerful blasts of rainbow energy, stone grey energy, sky blue, red energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Ricky Beamer and they exploded with incredible power as they hit him

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and Nico scratched Dark Ricky with sharp claws, and he, Stone Luna, Nico, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Dark Ricky Beamer insane and straight to the brink of insanity.

Nico: I got one more thing to say to you.

Dark Ricky: What's that?

Nico: (smirks) Hick says what?

HE WAS INSULTED!

Dark Ricky Beamer: (NTH-DEGREE FUCKED UP SCREAM) YOU! YOU! I'LL FUCKING KILL YOU, NONE OF YOU WILL EVER LEAVE HERE ALIVE!

Dark Ricky Beamer ran at Lincoln, Stone Luna, Nico, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin now absolutely out of his mind and driven by revenge, and Lincoln swung his massive greatsword and fired chains of light energy which bound Dark Ricky's arms and legs and he was strung up like he was on a rack. Then, Lincoln turned the tips of his tails into needles and he stabbed them into Dark Ricky's arms, legs, chest, and stomach and they began sucking out every last drop of his blood as it flowed out of him and into Lincoln as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Nico: Whoa!

Then, when Lincoln was done draining Dark Ricky, the needles removed themselves and turned back into tips, and Dark Ricky looked like a drained and lifeless husk. Then, as his spirit appeared, Stone Luna, Nico, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin drew the Judgement Kanji on his forehead and he screamed as he was found guilty of his crimes and sent to The Black Gates forever. We cheered as Lincoln, Stone Luna, Nico, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin holster their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, gold halos, Third Eyes, eleven massive and long dark brown and blond wolf tails, and massive angel wings of Stone Luna, Missy Rodgers, Erica Haddock, Ellie Singh, and Qin are permanent.

Nico: Good riddance forever, asshole.

Nico fired a blast of fire and incinerated the withered husk of Dark Ricky's body.

Ellie Singh: That was really awesome, we administered some awesome payback on that asshole!

Qin: And it ended with Lincoln draining him dry of every last drop of blood.

Lincoln: He may be rotten on the outside, but his blood was surprisingly sweet.

Nico: Lincoln, I still can't get over the fact that you've grown to like the taste of blood.

Anna Anyanova: You can thank Adriana and the other Vampire Guardian Angels along with Rudina Adalwulf and the other Werewolf Guardian Angels for this, he's grown to like the taste of blood and eating the guts of villains.

Some of us wound up turning green in the face and ran to the trash cans and barfed.

Eman Reynolds: Anna.

Anna Anyanova: Whoops, sorry.

Sabrina Lorelai: We'll let that slide, but next time, we're telling Selene Arcangela about this.

Anna Anyanova: (GASPS) You wouldn't?!

Me: Uh oh, you know no one likes a tattle tale. Remember what happened with Dark Lola?

Eman Reynolds: Yeah, we remembered.

Lincoln: And with what happened with Sebastian yesterday when he found out Buster was the one who whacked him on the head with a mallet twice in a row in two days?

Anna Anyanova: Don't remind me, he roared like a demon and when those snakes came out of his mouth, he scared the pants off Buster and his friends.

Me: Not that some of them wear pants anyway.

---

Back in Slappy's hideout he was ROARING IN RAGE BIG TIME!

Slappy: THOSE MOTHERFUCKING APES!

?: Just remember to keep your end of our deal, Slappy.

Slappy: Of course my friend.

The figure left.

Slappy: No matter. Soon it will be the last thing they see before they die.

---

Nico: I'm surprised you girls didn't use your Gene Slammed forms.

Missy Rodgers: Yeah we figured that using our most powerful forms would fit for this.

Lincoln: Besides they were going to unlock their most powerful forms today. Get retribution for what Dark Ricky said to you Nico.

Nico: That makes sense.

Qin: Yeah it was justice of the highest kind.

Lola: Yep.

Camie: It sure was.

Troy: Better power up for the next part. Super Mega Mode!

He went Super Megaforce!

Qin: Yeah!

Lola: Awesome.

Eli: Now we have the Anothers. Lets see who we have. (Concentrates) Whoa! This is awesome. We have Another King Snorky, Dracula (Simpsons), Agent 47, Red Guy, Liquidator and Hydro Man.

We gasped!

Qin: WHOA!

Me: Wow! This will be interesting.

Lola: So Ecco the Dolphin, Maya Parker, Kate Lloyd and Cow & Chicken next.

Kate Lloyd: This will be interesting.

Me: Yep.

Maria: I'll call them!

Maria called them in.

In swirls of elements came Cow & Chicken, Maya Parker and Ecco.

Nico: Awesome.

Ecco: Hey guys.

Lola: Glad you all could make it.

Xenia: Awesome.

Kate Lloyd: This will be fun.

Eli: I sense that the Anothers minus Hydro Man are one person.

Me: Awesome. Here they come!

We saw Another King Snorky, Dracula (Simpsons), Agent 47, Red Guy and Liquidator!

Nico: Whoa!

Qin: This is gonna be brutal.

Me: Yep.

Another Snorky: (In a girls voice) I'm ready for this.

Lincoln: (GASP) Abigail Alderaan!

They merged and she reverted back and was a girl with aqua blue hair and blue eyes and blue angel wings and had blue clothes.

Abigail Alderaan: It's good to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Abigail Alderaan, Keyblade Knight of Alderaan, she's my's Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet Alderaan and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet Alderaan and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith, and she harbored a powerful hatred towards The Sith for destroying Alderaan and she wanted them to pay. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords.

Me: Whoa!

Nico: The Keyblade Knight of Alderaan! That is awesome!

Me: I'm sorry you found out about your planet. The Empire totally blew that whole planet into space dust.

Qin: Yeah that was awful.

Me: But you don't have to worry about the Empire. They are all dead and destroyed and the war is over.

Nico: Yeah.

Abigail Alderaan: I know. Thank goodness.

Troy: Time to go Legendary! LEGENDARY RANGER MODE! EXCALIBUR FORCE!

He turned into the Red King-Ohger!

Qin: Yeah!

SEIZA CHANGE!

Shou Ronpo: STAR CHANGE!

He turned into the Purple Kyuranger!

Shou Ronpo: Dragon Ma-Star! Ryu Commander!

Nico: Oh yeah!

Me: By the way is the Another Hydro Man friendly or hostile?

Abigail Alderaan: Friendly and she is very creative.

Xenia: Interesting.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the anothers.

Abigail Alderaan: Lets dance!

We fired energy blasts and blasted the Anothers and I caught the Wonder Ride books!

Me: Take that!

Maria: Time for backup! (TURNS DIAL) CONDOR VIOLET 6!

Maria summoned Rex Goodwin, Blackbird, Sid the Squid, Moltres, Zapdos and Articuno, Krow and the Duke of Trump.

Me: Yeah!

Qin: This will be good.

Me: Now for Another Hydro Man.

Nico: All we can do now is wait.

But then…

KRASPLASH!

Nico got wet big time from a huge splash of water!

Nico: (SPITS) Maria!

Maria: It wasn't me!

Nico: Liquidator!

Liquidator: Don't look at me!

Hydro Man: It wasn't me!

Nico: Okay who is the wiseass!?

Me: I think him!

We saw Another Hydro Man!

Xenia: Whoa!

Nico: Uh oh.

Another Hydro Man: (Laughs) (In a girls voice) Got you good.

Me: (Gasp) That voice.

She reverted back and was a girl with black hair, purple eyes, black wings and had black clothes and a tiara with the symbol of the Zeppelin Dopant on it and the same symbol on her shorts and she had a dream sword in her hands.

Me: (GASP) Zephyr Zeppelin!

Zephyr Zeppelin: Awesome to see you again J.D.

Me: You too. Zephyr is the embodiment of the Zeppelin Dopant and she is from a family of amazing flying Zeppelin Hotel Makers and she has amazing water powers.

Hydro Man: Wow! That is cool!

Me: Yep. You guys would love seeing her hotels her family made and they are what made her family rich and awesome.

Zephyr Zeppelin: It's true and it's all really fun.

Kaito: (Gets out Gaoranger gear) Did Swartz promise you anything?

Zocks: (Gets out Hurricanger gear) Because we can grant it instead.

Kaito got a Wild Force Sword and Zocks got a Hurricanger sword.

Zephyr Zeppelin: No I fired a wave of water and shrunk him with it and flushed him down a toilet.

Sakura Knudson: That explains why he smelled like raw sewage and was dripping wet when he came back.

Lana: Awesome.

Me: Nice.

Sougo: (gets out Wild Force Ridewatch) How did you shrink Swartz?

Zocks: (Gets out Ninja Storm Ridewatch) Do you have shrinking powers too?

Sougo got WildForceRedArmoe while Zocks got NinjaStormRedArmor.

Zephyr Zeppelin: I sure do and it only works with my water.

Nico: That is cool.

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Nico: Time to drench! (ACTIVATES HYDRO MAN AND LIQUIDATOR'S RIDEWATCHES)

He fired waves of water and blasted the Another.

May: Taste this! (ACTIVATES LEVIATHAN AND CRASHFOOD'S RIDEWATCHE'S)

She fired energy blasts and blasted the another.

Maria: Top this! (ACTIVATES NOXIOUS ENTERPRISE'S SUPER SPU-31 LIQUID COOLED MOBILE PROCESSING UNIT AND TSUBAKI'S RIDEWATCHES)

She fired waves of energy and blasted the Another.

Shou Ronpo: Top this! (ACTIVATES LIQUIDATOR'S RIDEWATCH)

He fired waves of energy and smashed the Another.

Zephyr slashed Another Hydro Man all over.

Then Shiv, Nightstrike, Hitcher, NES Gigan, Mamemon Brothers and Breacher came.

Xenia: Cool!

Nico: Nice team Shiv!

Shiv: Hey thanks! After this can we get some grub?

Me: If you want.

Then a fireball flew in from out of nowhere and it hit Another Hydro Man and he exploded and I caught the Ridewatch and purified it.

Me: WHOA!

Pharaoh Man came in.

Me: Whoa! Pharaoh Man!

Nico: Cool!

Pharaoh Man: (In a girls voice) That was awesome.

Nico: (GASP) Cleopatra Pharaoh!? Whoa!

She reverted back and was a girl with black hair, yellow eyes, golden angel wings and had black and yellow clothes and she had a tiara with the symbol of the Pharaoh Dopant on it and the same symbol on her skirt and had an Explosion Sword.

Cleopatra Pharaoh: Awesome to see you again Nico and you as well Qin.

Qin: You too.

Me: Wait you're also not only the gene-slammer of Pharaoh Man but also the Embodiment of the Pharaoh Dopant? That is amazing.

Maria: It's only fitting.

Cleopatra Pharaoh: It sure is and also I'm the direct descendent of Princess Ahmanet.

We gasped in shock!

Me: Oh man! Your ancestor back over 5,000 years ago was pure evil incarnate.

Cleopatra Pharaoh: I know.

May: Why do I get the feeling you might come in handy later?

Cleopatra Pharaoh: I know it will be perfect for me.

Shou Ronpo: What's your favorite memory of Nico?

Cleopatra Pharaoh: My favorite is when me and Nico were over in Egypt and I learned all about my ancestor's history.

Nico: Her ancestor was dangerous and evil.

Cleopatra Pharaoh: She was and I'm glad you killed her but she is my family. I'm glad she is gone.

Me: I can't remember if we gave her the Black Gates or not.

May: Why do I get the feeling you might come in handy later?

Cleopatra Pharaoh: I know it will be perfect for me.

Shou Ronpo: What's your favorite memory of Nico?

Cleopatra Pharaoh: My favorite is when me and Nico were over in Egypt and I learned all about my ancestor's history.

Nico: Her ancestor was dangerous and evil.

Cleopatra Pharaoh: She was and I'm glad you killed her but she is my family. I'm glad she is gone.

Me: I can't remember if we gave her the Black Gates or not.

Nico: We'll look into that later.

Nico and Cleopatra hugged.

Nico: I've missed you.

Cleopatra Pharaoh: Same here.

We went back home.

Lincoln: Wow, we're here in New Jersey, and I know what we're going to do here, not only am I going to rescue the seven girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also going to kill our main target, and it's one we wished we'd never have to deal with again.

Me: Wait, you mean?

Nicole: Yes, Dad, our main target is none other than our old enemy, Ulube Ishikawa, and that sadistic deranged homicidal asshole has come back from the dead again and he still wants revenge on us.

Brittney: I just knew it would be him, I just knew it!

Eli: But we're through dealing with that asshole, we're going to destroy him forever and send him to The Black Gates and without The Dark Gundam's DNA in his body, he'll wish he was back in Oblivion by the time we get through with him.

Lincoln: Exactly what I was about to say, Eli. We destroyed The Dark Gundam forever when we killed Lelouch last year, but we banished The Dark Gundam to The Black Gates while Lelouch got sealed into The Book of Vile Darkness.

Sabrina Lorelai: We're keeping an eye on The Netherworld in case LeLouch escapes.

Luke: If he does come back, he's bound to go crazy.

Suddenly, we saw a beautiful and super sexy girl with short neck-length aqua blue hair, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive aqua blue angel wings, and she was dressed in a sleeveless blue vest, sleeveless aqua blue top, aqua blue skirt with the Azure Dragon on it, aqua blue pants, blue legwarmers, blue sneakers, and long white sleeveless trenchcoat with stars, lightning bolts, azure dragons, phoenixes, and angels on the coattails and on the back is Azulongmon, Digimon Sovereign of Thunder, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Seiryu Azulongmon, Avatar and Ambassador of Azulongmon, The Digimon Sovereign of Thunder and Seiryu The

Azure Dragon of The East.

Seiryu Azulongmon: That's right, and I know where the girls are being held.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The SOHO Nightclub.

Me: The SOHO Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy.

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, we can get after that genocidal deranged bastard.

We left the SOHO Night Club.

?: YOU ACCURSED GODDAMN HEROES WILL ALL PAY FOR RUINING MY PLAN TO WIPE OUT MANKIND AND DESTROY THE WHOLE PLANET! NO ONE DEFIES ME AND LIVES!

We then saw our target, Ulube Ishikawa, and he was truly insane and still out for our blood.

Sylvester: Sylvester: Well, well, well, look who's come charging right at us.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into

Then, Lincoln ran at Ulube Ishikawa and he turned the tips of his eleven massive and long white tails into Cell's stingers and impaled them into that bastard's chest, and Lincoln began absorbing him, and it was agonizingly painful for Ulube Ishikawa, as his energy was being drained and absorbed into Lincoln as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Then, as soon as he was done absorbing Ulube Ishikawa and the stingers changed back, nothing was left of Ulube Ishikawa except for his clothes and an energy card with Ulube Ishikawa's drained soul appeared in Lincoln's left hand, and then, he banished Ulube Ishikawa to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Your world destroying ways end here, you genocidal maniac. (To Seiryu Azulongmon) And it's so good to see you again, Seiryu Azulongmon.

Seiryu Azulongmon: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Seiryu Azulongmon and he hugged her, and Seiryu Azulongmon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Seiryu Azulongmon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Seiryu Azulongmon, Avatar and Ambassador of Azulongmon, The Digimon Sovereign of Thunder and Seiryu The Azure Dragon of The East, she's my Guardian Angel from New York, and she's a very powerful master of storms and azure dragons because she was born under the symbol of The Azure Dragon, and ever since her birth, she represents The Azure Dragon of The East, one of The Four Symbols of The Chinese Constellations and because of that very strong representation of The Azure Dragon, she was also made The Avatar and Ambassador of Azulongmon, The Digimon Sovereign of Thunder and she has all his powers over thunder and storms and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness.

Zoey Zhuqiaomon: She's known as The Righteous Storms of Azulongmon because any villain who dares to cross her shall face the fury of the storms, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon the most powerful of storms to leave nothing of them standing.

Me: Jeez, so any who anger her suffers the full fury of the storms.

Nico: And we know how powerful Azulongmon is: any who dare to anger The Sovereign of Thunder will be swept away by the raging storms.

Lincoln: That's right, and Seiryu's birth under The Sign of The Azure Dragon of The East made her connection to Azulongmon all too clear.

Seiryu Azulongmon: And me being a master of Azure Dragons and the storms also made it all too clear as well, and I was indeed honored to be chosen to be the Avatar and Ambassador of Azulongmon and The Azure Dragon of The East.

Lincoln: You were chosen to be Azulongmon's champion since the day you were born, that was no coincidence, he knew of how powerful you are, and he chose you for a reason, and now that you're here, Seiryu.

Lincoln went up to and hugged Seiryu Azulongmon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Seiryu Azulongmon: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Seiryu Azulongmon's neck with azure blue gems on the gold lightning bolts and azure blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Seiryu Azulongmon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Seiryu Azulongmon.

Seiryu Azulongmon had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Suna Light from Mega Man: Fully Charged and Hinoki Yatsuka, Inaho Takebe, Kaede Koume, Nadeshiko Mitsu, Shion Shizutani, and Sumire Nariwa from Dark Future.

Lincoln: Oh wow, it's Suna Light from Mega Man: Fully Charged and Hinoki Yatsuka, Inaho Takebe, Kaede Koume, Nadeshiko Mitsu, Shion Shizutani, and Sumire Nariwa from Dark Future.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hinoki Yatsuka: Yes, we're okay, thanks to you.

Then, when Hinoki Yatsuka and the other six girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Ulube Ishikawa, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie,

Suna Light: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hinoki Yatsuka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Suna Light, Hinoki Yatsuka, Inaho Takebe, Kaede Koume, Nadeshiko Mitsu, Shion Shizutani, and Sumire Nariwa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main target was another of our old enemies and one we hoped never to see again: Ulube Ishikawa, the deranged genocidal madman who came back from the dead again and still wanted his revenge on us and destroy the world.

But, when Lincoln showed what we did in tickling those two wolves at The SOHO Nightclub and then us thrashing Ulube Ishikawa, and finally, Lincoln using Cell's absorption technique to absorb that madman and banishing him to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Seiryu Azulongmon have a lot of catching up to do, now that she's back in town.

Jared: Oh shit, so that asshole came back again for Round 3?! Damn him!

Me: But, without The Dark Gundam's DNA in him after we sent it to The Black Gates forever, he was powerless against us.

Lincoln: But, now we can finally rest easy knowing that Ulube Ishikawa is finally gone forever and he is never ever coming back.

Eli: That's for sure, we've had it up to hear with that asshole to last an eternity.

Nico: Same here, he was way too obsessed with destroying the world and getting revenge on all of us, he seriously needed to be put down forever like the mad dog he really is.

---

After finally getting rid of Ulube Ishikawa and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Seiryu Azulongmon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Seiryu Azulongmon: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Seiryu, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Seiryu Azulongmon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Seiryu Azulongmon: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Seiryu, what memories did you have with Lincoln?

Seiryu Azulongmon: There is a video I have with one memory I have with Lincoln, and this was only a week after Miguel Serrano and his thugs got killed by Zoey and Lincoln.

Seiryu Azulongmon played a video on the screen, and we saw Lincoln and Seiryu Azulongmon were at an abandoned hideout in the north of Michigan. This was one of the many hideouts of that cheapskate moronic mutant, Flip.

Past Seiryu Azulongmon: This is it, you ready, Lincoln?

Past Lincoln: I am, Seiryu. Let's do it.

Seiryu Azulongmon and Lincoln kicked the door in, and that alerted Flip's army of musclebound hired thugs inside. But, before they could do anything, blasts of lightning came out and hit most of them and killed them as the lightning stopped their hearts.

Past Flip: Dang it! Whoever it is, you better come out right now, or we will shoot your heads off! What am I paying you all to stand there for?! Get out there and find them!

The rest of Flip's musclebound thugs went off searching only to get caught in a trap, because Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he ambushed them one by one by stabbing the stingers into their chests and he absorbed all of them one by one into his body and he even absorbed the thugs they killed, and as soon as he was done with absorbing them and the stingers changed back, all that were left were their clothes and guns, and this was really pissing off that mutant.

Past Flip: (ENRAGED BELLOW) DAMN IT! DAMN IT! DAMN IT! YOU BETTER GET OUT HERE RIGHT NOW! I'M NOT PLAYING!

Past Lincoln: Very well.

Then, Seiryu Azulongmon and Lincoln appeared.

Past Flip: YOU! (ENRAGED BELLOW) NOT AGAIN, YOU'LL PAY FOR RUINING MY BUSINESS, LOUD!

Past Seiryu Azulongmon: Like I even give a rat's ass about your business especially with what you've done in cheating a lot of people, you goddamn mutant cheapskate. You need to be put down like the mad dog you are!

Past Lincoln: And we showed all of your hired musclebound thugs no mercy. But, I've no doubt that you've got more all over the world, if they show up, I'll absorb them next.

Past Flip: (ENRAGED BELLOW) I'LL KILL YOU!

Flip got out a gun and he was about to shoot, but it would be too late.

Past Seiryu Azulongmon and Past Lincoln: (ECHOING VOICE) BLUE THUNDER!

Seiryu Azulongmon and Lincoln fired intense thunderbolts from the sky and from their massive angel wings and they hit and electrocuted Flip with divine fury and melted his gun and left him with burns on his body which burned his clothes and left him in his underwear. Then, Lincoln tied Flip up with red energy ropes he fired from his massive white angel wings, and they called the cops and they handed all the evidence of Flip's operations, and they took Flip right back to prison. Seiryu and Lincoln left, and they formed blue energy blasts with lightning in their hands.

Past Lincoln: Go to Hell, you goddamn mutant.

They threw the energy blasts at the hideout and it exploded and was left as a crater as the video ended.

Nico: Damn, so you guys went after that mutant only a week after you killed Miguel Serrano and his thugs.

Me: And Seiryu and Lincoln did awesome. We found out from them that Flip was planning to launch a massive attack on Royal Woods and all of Michigan and all over the world and extort the governments of the world and cause the economy of the world to collapse.

Everyone gasped.

Lincoln: That mutant went way too far, and I used Cell's absorption on those musclebound thugs of his in an assassination style attack.

Me: That's how I sensed that you were growing stronger and stronger, you absorbed them using Cell's absorption technique.

Luna: He and Seiryu did awesome getting rid of that mutant's thugs, but like he said, there's many more all over the world.

Lisa Loud: And ever since they found out about what we've been doing to him, they've been coming after us for revenge.

Nico: But, none of them weren't going to get that far when Lincoln sprouts out those tubes from his chest and latches them onto those thugs and sucks out their muscle mass, strength, and virility and he burns them to a crisp. But, you and Seiryu did awesome, especially you, Lincoln, with absorbing that mutant's thugs not to mention you and Seiryu used Blue Thunder to electrocute that mutant and he suffered really badly from the electric shocks.

Lincoln: Thanks, Nico.

Simulator Cholan: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Cholan, and it's perfect for our first date. Shall we?

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Abyss, Actia, Ai, Aluru, Alusia Van Dalsia, Anura, Araya, Ariel, Asia, Belle, Bima, Bisque, Ceska, Chione, Chocola, Cholan, Death, Dina, Elda, Em, Emeth, Ena, Eris, Fal, Fan Long, Fere, Fi, Flare, Fran, Froze, Gala, Gina, Hakuto, Halifa, Haru, Honey, Horo, Hydra, Iormu, Jelli, Jerez, Kagachi, Kalolo, Kasuka, Kehp, Keros, Kura, Kuruwa, Kuu, Kuune, Kyou, Kyure, Lato, Lea, Lethe, Liza, Lucine, Lyca, Mai, Mashu, Media, Memeko, Mimi, Miraj, Misaki, Miti, Moira, Mokunaii the 11th, Myuu, Nan Que, Nana, Nancy, Nemes, Nia, Paula, Peace, Pirati, Queen, Quess, Qukul, Ran, Rei, Rem, Reshia, Riado, Rohe, Rosty, Ruberu, Rudi, Rudoru, Rui, Ruka, Rus, Saki, Sala, Sasami, Sea, Sein, Shaia, Sharon, Shenay, Shiana, Shinotcha, Shire, Shizuka, Sitri, Sophia, Suzie, Sya Hu, Tatake, Terios, Tierra, Tito, Tolepas, Tsen, Unyi, Vynette, Were, Youko, and Yuki, and Lois Lane (DC Super Hero Girls 2015) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, one hundred-twenty one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Abyss, Actia, Ai, Aluru, Alusia Van Dalsia, Anura, Araya, Ariel, Asia, Belle, Bima, Bisque, Ceska, Chione, Chocola, Cholan, Death, Dina, Elda, Em, Emeth, Ena, Eris, Fal, Fan Long, Fere, Fi, Flare, Fran, Froze, Gala, Gina, Hakuto, Halifa, Haru, Honey, Horo, Hydra, Iormu, Jelli, Jerez, Kagachi, Kalolo, Kasuka, Kehp, Keros, Kura, Kuruwa, Kuu, Kuune, Kyou, Kyure, Lato, Lea, Lethe, Liza, Lucine, Lyca, Mai, Mashu, Media, Memeko, Mimi, Miraj, Misaki, Miti, Moira, Mokunaii the 11th, Myuu, Nan Que, Nana, Nancy, Nemes, Nia, Paula, Peace, Pirati, Queen, Quess, Qukul, Ran, Rei, Rem, Reshia, Riado, Rohe, Rosty, Ruberu, Rudi, Rudoru, Rui, Ruka, Rus, Saki, Sala, Sasami, Sea, Sein, Shaia, Sharon, Shenay, Shiana, Shinotcha, Shire, Shizuka, Sitri, Sophia, Suzie, Sya Hu, Tatake, Terios, Tierra, Tito, Tolepas, Tsen, Unyi, Vynette, Were, Youko, and Yuki, and Lois Lane (DC Super Hero Girls 2015) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now the Simulator versions of Abyss, Actia, Ai, Aluru, Alusia Van Dalsia, Anura, Araya, Ariel, Asia, Belle, Bima, Bisque, Ceska, Chione, Chocola, Cholan, Death, Dina, Elda, Em, Emeth, Ena, Eris, Fal, Fan Long, Fere, Fi, Flare, Fran, Froze, Gala, Gina, Hakuto, Halifa, Haru, Honey, Horo, Hydra, Iormu, Jelli, Jerez, Kagachi, Kalolo, Kasuka, Kehp, Keros, Kura, Kuruwa, Kuu, Kuune, Kyou, Kyure, Lato, Lea, Lethe, Liza, Lucine, Lyca, Mai, Mashu, Media, Memeko, Mimi, Miraj, Misaki, Miti, Moira, Mokunaii the 11th, Myuu, Nan Que, Nana, Nancy, Nemes, Nia, Paula, Peace, Pirati, Queen, Quess, Qukul, Ran, Rei, Rem, Reshia, Riado, Rohe, Rosty, Ruberu, Rudi, Rudoru, Rui, Ruka, Rus, Saki, Sala, Sasami, Sea, Sein, Shaia, Sharon, Shenay, Shiana, Shinotcha, Shire, Shizuka, Sitri, Sophia, Suzie, Sya Hu, Tatake, Terios, Tierra, Tito, Tolepas, Tsen, Unyi, Vynette, Were, Youko, and Yuki, and Lois Lane (DC Super Hero Girls 2015) are in your harem.

We counted and when we found out one hundred-twenty one girls joined Lincoln's harem in one day, our jaws dropped!

CLANG!

Eli put our jaws back.

Nico: One hundred-twenty one girls joining your harem in one day?! Damn, now you really broke the record, White-Haired Casanova!

Simulator Miia: Yes, now the rest of my friends have joined Linky's harem.

Miia: Just like how we joined J.D.'s harem.

Me: And how our Universe 666 counterparts have joined my Universe 666 counterpart's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Abyss, Actia, Ai, Aluru, Alusia Van Dalsia, Anura, Araya, Ariel, Asia, Belle, Bima, Bisque, Ceska, Chione, Chocola, Cholan, Death, Dina, Elda, Em, Emeth, Ena, Eris, Fal, Fan Long, Fere, Fi, Flare, Fran, Froze, Gala, Gina, Hakuto, Halifa, Haru, Honey, Horo, Hydra, Iormu, Jelli, Jerez, Kagachi, Kalolo, Kasuka, Kehp, Keros, Kura, Kuruwa, Kuu, Kuune, Kyou, Kyure, Lato, Lea, Lethe, Liza, Lucine, Lyca, Mai, Mashu, Media, Memeko, Mimi, Miraj, Misaki, Miti, Moira, Mokunaii the 11th, Myuu, Nan Que, Nana, Nancy, Nemes, Nia, Paula, Peace, Pirati, Queen, Quess, Qukul, Ran, Rei, Rem, Reshia, Riado, Rohe, Rosty, Ruberu, Rudi, Rudoru, Rui, Ruka, Rus, Saki, Sala, Sasami, Sea, Sein, Shaia, Sharon, Shenay, Shiana, Shinotcha, Shire, Shizuka, Sitri, Sophia, Suzie, Sya Hu, Tatake, Terios, Tierra, Tito, Tolepas, Tsen, Unyi, Vynette, Were, Youko, and Yuki, and Lois Lane (DC Super Hero Girls 2015), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out

their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Later it was time for another Awesome Super Mario Galaxy 2 adventure.

Nico: Next Galaxy will be Fluffy!

Nicole: Fluffy Bluff Galaxy.

Me: Cool! That one is awesome.

Nico: Yep.

Fluttershy: Me and Zak will go on that one

Nico: Okay then.

They went in and it activated and they were at Fluffy Bluff Galaxy!

Fluttershy: It's so Fluffy!

Nico: It sure is.

Qin: Yeah.

Me: (On the radio) Wow that is awesome and it's pretty too.

Nico: It sure is.

Fluttershy: Oh it sure is awesome.

Nico: Any tips, Nicole?

Nicole: (On the Radio) Well you are just going after the star in this one right?

Nico: Yeah.

Nicole: Well you just have to go to the top of the mountain in the galaxy.

Nico: Okay.

Nicole: But Goombas, Lakitus and Koopas are coming after you.

Nico: Okay. Lets go guys.

They were off and flew and then just like Nicole said they came after them!

Nico: (gets out Hydro Man and Demyx's Ridewatches) Dance water dance!

Nico activated them and fired waves of water and blasted the Goombas and Lakitus.

Fluttershy: Time to get wild! (WOLF HOWL)

She fired waves of energy and blasted the Lakitus and blasted them down.

Zak: My turn!

He fired an energy blast and blasted the Koopas.

Nico: Take that!

They blasted more of them!

Nico jumped on a cloud.

BOING!

Nico: Yeah!

Nico was seeing how fluffy the clouds were.

Nico: You guys gotta try this!

Fluttershy and Zak jumped on the clouds and they were laughing.

?: Boy that looks like fun.

A figure flew in and it was a girl with pink hair and she had purple clothes and had red angel wings and she had a tiara with the symbol of the Mystic Force Rangers on it and the same symbol was on her skirt. She had a Magistaff on her hip and she had a magic staff in her hands.

Maridia Magiranger: Maridia Magiranger, Embodiment of the Mystic Force Power Rangers is here.

Nico: Awesome to meet you!

Maridia Magiranger: I heard that J.D. killed Octomus the Master is that true?

Nico: It sure is.

Zak: He got what he deserved when we killed Void Queen.

Maridia Magiranger: I'm glad.

Nico: Me too. Lets go get the star.

They went and flew for it. More Koopas came.

Maridia Magiranger: I got this one!

She fired blasts of fire and blasted the Koopas into nothing.

Nico: Awesome!

They went and got it.

YOU GOT A STAR!

Nico: YEAH!

Fluttershy: That was so fun.

They high fived.

Zak: Tell us more about yourself.

Maridia Magiranger: Well I'm actually the descendent of the great Merlin and a true master of magic. And also I have power that is amazingly strong. But also I lived for over 500 years and destroyed all the forces of darkness.

We were amazed.

Nico: Wow that is amazing!

Maridia Magiranger: It sure is. I even know all about the powers of the Wizard Riders. Also I work as a magic shop owner in my spare time and it's fun and I help kids become great magicians like me.

Nico: That is so cool.

Zak: Boy it sure is. We killed the White Wizard and Sora the Chameleon Phantom and that was awesome.

Maridia Magiranger: That is awesome.

Nico: Would you like to join the team?

Maridia Magiranger: I would be honored.

They later came back and we cheered wildly.

---

Later we were watching TV.

Maridia Magiranger: J.D. I am forever grateful to you for killing Octomus.

Me: It was no trouble. But his power was nothing compared to me not to boast.

Nico: Yeah.

Then we saw the mascots doing some stuff on the table.

Mistmane: What are you guys doing now?

Poromon: Making Hair Barrettes.

We saw that they were jeweled and sequined and diamond barrettes.

Me: (Whistles) Those are beautiful guys.

Nico: Yeah you are doing a great job.

Rarity: Those are absolutely beautiful darlings.

Ty Rux: Matt, I'll never regret meeting you.

Matt: Me neither Ty.

Qin: Boy that was so fun. What do you think of mine?

She had an orange, red and purple diamond barrette.

Nico: That is awesome Qin.

Me: Yeah.

Poromon: We learned how to do it from this book.

He showed us a book.

Me: How to make Diamond Barrettes. That is awesome.

Lola: Those are awesome.

Matt Olson: I'll say.

Garby: Boy those are really awesome guys. (LOUD FART TOOT)

We groaned in disgust.

Me: (LAUGHS) That is funny.

Somnambula: (Egyptian Accent) These are amazing!

Poliwag: Thanks Somnambula.

They made MANY KINDS of designs. Flowers, elemental symbols, planets, stars, Chinese and Japanese Symbols and Astronomy and more. It was REALLY awesome.

Ty Rux: Man the zoids you guys used were so cool.

Qin: They sure were fun.

Scrapper: Me and my fellow Constructicons went on Matt's missions too.

Ty Rux: You guys sure did.

Nico: That was so awesome and cool.

Qin: Yeah it was and we kicked D-Structs butt.

Lola: Yeah what a jerk.

Garby: Yeah he sure was a jerk! (LOUD FART TOOT)

We groaned in disgust.

Maridia Magiranger: Boy he sure has a nasty gas problem doesn't he?

Me: Yeah Garby can't help it. But it's funny.

Ironbison: How many barrettes have been made?

Me: From the looks of things I would say A LOT.

Poromon: Yep. We made over 500 million designs in less than 7 hours.

We were amazed!

Me: WHOA! You guys are fast and very creative!

Xenia: I'll say!

Camie: Yeah! Very awesome. And mine for the Aurora is amazing and dazzling.

Me: You guys should open an awesome jewelry shop for all these.

Poromon: That's a great idea.

Scrapper: (to Ty Rux) Be honest. How amazed were you to see our Devestator form?

Ty Rux: It was so awesome! We all were amazed to see it.

Dozer: Yeah we were!

Garby: It sure was cool! (LOUD FART TOOT)

We groaned in disgust.

G1 Lightspeed: And after Matt's missions, you guys were busy.

Ty Rux: I know. It was awesome.

Me: Yeah you guys built a HUGE City in just a few weeks.

Xenia: that was amazing.

Varie: It sure was.

Ty Rux: I know. We were really busy.

Rage Mage: Nico, who gets to shine next?

Me: Starlight Glimmer, Samurai Jack, Ashi, Scotsman, Winx Club Stella, and Vinyl Scratch

Starlight Glimmer: (LAUGHS) This is gonna be fun!

Qin: Yeah it will!

Samurai Jack: This is gonna be really a fun one.

Bombshell (Skylanders): (British Accent) Jolly good!

Scotsman: (Scottish Accent) Aye this is gonna be just like old times laddies.

Me: You got that right.

Qin: It sure will be fun.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Nila Rahmed, the evil 4,000-year-old Egyptian Princess, and she's returned from the dead and she's causing havoc once more in Egypt. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Nila Rahmed, the evil 4,000-year-old Egyptian Princess, and she's returned from the dead and she's causing havoc once more in Egypt.

We gasped.

Nico: Nila Rahmed, I knew it was going to be her, I just knew it.

Me: Now, Slappy's really starting to piss us off even more.

Qin: Yeah!

Lincoln: But, with every Goosebumps Monster that we take down, we wind up pissing off Slappy even more.

Nico: You bet. Let's head down to help Gabe and Sari take down Nila Rahmed once more, and if that evil bastard, Ahmed, is also back, then he's also going as well.

Me: Right, and when we tell them Slappy was behind this, they're going to throw him straight into a woodchipper.

Cleopatra Pharaoh: Wait I read about Nila Rahmed! She was a very dangerous and evil princess that was really bad.

Nico: Yeah.

I went over and got the book for Return of The Mummy.

Me: This is one of the monsters we haven't covered. We faced the first one from Curse of The Mummy's Tomb but not this one.

Nico: See, it's a good thing you joined us!

Cleopatra Pharaoh: It sure is!

Eli: Wait I know about Nila too. She was the princess of Egypt back 4,000 years ago after the reign of Mentuhotep III.

Me: That was back in 2,000 B.C.

Nico: Yeah.

Nicole: And believe it or not guys I was actually looking for the Tomb of Nila Rahmed for years.

Nico: Wow!

Me: Yeah.

Nico: Didn't she pretend to be Gabe's friend?

Cleopatra Pharaoh: As a matter of fact yeah she did. I read all the Goosebumps books myself. But it's the Curse of The Mummy's Tomb and Return of the Mummy that had me most intrigued. Nila was just using Gabe in a terrible plot. She was the sister of Prince Khor-Ru.

Nicole: I remember Prince Khor-Ru.

Cleopatra Pharaoh: Yeah it was to bring Egypt back into the time of the Fertile Crescent. And the shocking part is that she was never mummified at all. She lived for over 4,000 years because of a red scarab amulet she had around her neck.

All of us: WOW!

Nico: She lived for that long!? That's incredible!

Camie: Yeah! That's amazing!

Nicole: No wonder I couldn't find Nila's tomb. It's because she was never dead.

Nico: Yeah.

Nicole: But legends say that her treasure is buried in a safe place that is presumably her tomb.

Qin: Wow!

The Previous group came.

Iron Lung: Can me, Evil Green Ranger, Snake, Living Laser, Taskmaster, Yenaldooshi, LaGrange, Titanium Toenail, Multiplex and Machinedramon go with you guys?

Nico: Yes you all can come with us.

Me: We're going to Egypt again.

Cleopatra Pharaoh: We're going to battle Nila Rahmed.

Iron Lung: Oh wow!

Nico: This will be interesting.

Cleopatra Pharaoh: It sure will. And I'm going to try and convince Nila to join the M.O.E.

Me: Are you sure Cleopatra?

Cleopatra Pharaoh: Yes I know she will be a good member. I know she will. She is a very prominent part of our history just like Ahmanet was. And she will when I convince her. I have this.

She showed on her arm a birthmark. It was in the shape of the ancient hieroglyphics for her ancestors name.

Nicole: That's Ancient Egyptian Hieroglyphics for Ahmanet.

Cleopatra Pharaoh: That's right. My ancestors name means Gift Of The Moon.

Nicole: That's right. It also means that.

Nico: Wow!

Gluko: Nico, which Gene Slammer do you think you'll meet next?

Nico: Now it's time for the robots of Mega Man 5. So Star Man Next

Nicole: Stellar.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Arthur Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Arthur Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Alinta Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to the other male Seraphina assholes yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Gabe Sabry and Sari destroy that evil princess, Nila Rahmed, and tell them of Slappy's part in bringing her back.

Lincoln: That dummy's really gone way too far this time, and we've got to help Gabe and Sari destroy Nila Rahmed before she threatens to destroy the world, and once we get done with her and exposing Slappy's actions behind this, you're next, Arthur Seraphina.

Alinta Seraphina: You better be ready to bleed, Arthur Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Gabe Sabry and Sari destroy Nila Ahmed and tell them of Slappy's part in bringing her back from the dead, and once we got done with destroying the evil Egyptian Princess, Lincoln and Alinta Seraphina are going to destroy Arthur Seraphina, the next of The Seraphina Sisters' evil cousins.

But, unknown to us, a figure was also following us and she has pure intentions.

?: Cousins, Lincoln, hang in there, I'm coming to help you all.

Lincoln and The Seraphina Sisters sensed it, and they knew exactly who it was, but she'll make her appearance after we take care of Nila Ahmed and face Arthur Seraphina.

We were off to Egypt.

---

We arrived in Cairo, Egypt.

Qin: I always love coming here to Cairo.

Evil Green Ranger: There's always lots of sand here.

Nico: Well it's right next to the Sahara Desert.

Xenia: Yep.

Cleopatra Pharaoh: Its good to be back in the land of my ancestry.

Me: With history that stretches back to the Biblical Times and it's amazing all this is full of so much history.

Xenia: Yeah.

We went to find Gabe.

Me: Now where would Gabe be?

Nico: He might be at the Cairo Museum.

Caitlyn: That one, right?

She pointed to the Cairo Museum.

Nico: Yep.

We were off to the Cairo Museum.

We arrived later.

Me: Wow the Cairo Museum.

Nico: Always love coming here too.

Cleopatra Pharaoh: This brings back so many memories.

Xenia: It sure does.

Gabe: Hey guys!

Me: Gabe!

Gabe: Awesome to see you all here.

Me: Same here Gabe its been a while.

Gabe: Whoa you guys really grew in numbers a lot.

Me: We had a lot of fun adventures ever since we first helped you out.

Living Laser: We even fought an alternate version of the Mummy.

Me: That was Princess Ahmanet.

Cleopatra Pharaoh: I heard all about that. You guys did incredibly well in fighting my ancestor years ago.

Me: Almost 2 years ago but yeah.

Gabe: Wow! Well I'm going on all kinds of amazing treasure hunts and this was my latest find.

He pointed to an an emerald green book with a crocodile on it.

Nicole: (GASP) The Emerald Tome of Sobek! Oh wow! I've been trying to find that for years. Gabe you are a truly amazing explorer and archaeologist.

Daring Do: He sure is a gifted one.

Gabe: So, what brings you guys here?

Sabator: Oh, we're just visiting the sights and-

Nurzak: We have reason to believe that an old enemy of yours is back.

Gabe: (GASP) Nila Rahmed is back!?

Me: Thanks to a certain dangerous evil dummy we all loathe to the nth degree.

Nico: Slappy.

Gabe: Oh man! I thought I saw the last of her.

Nicole: I know.

Laney: How was she able to stay alive for 4,000 years?

Gabe: She had this red scarab pendant around her neck.

Nicole: (GASP) That's the Red Scarab of Horus! It's said to give the wearer eternal life. But it has a really nasty surprise with it. If it's destroyed it turns the wearer into a scarab forever.

Nico: Whoa!

LaGrange: So, she could be spying on us right now?!

Eli: I don't sense her.

Gabe: But I know what she is after. Her treasure. She's after this.

Gabe showed a picture of an ancient red crystal sword.

Nicole: (GASP) The Ruby Sword of Osiris! That's said to be the powerful sword that has enough power to kill the evil God of Chaos, Set, himself. Legends say that its power is so strong that it has the power to flatten an entire city in one powerful swing.

Nico: That is strong!

Qin: Whoa!

Allie Wilde: That is incredible!

Nicole: But what Nila doesn't know is that this sword can only be wielded by someone who is pure of heart.

Komba O Charlie: Which isn't her.

Harpus: No, it ain't!

Nicole: That is for sure.

Gabe: I have a map here.

He gave it to Nicole.

Nicole: Wait this is unusual. It says here that it's right under… (Cracking) Uh oh!

The floor then collapsed and she flew above a hole.

Nico: WHOA!

Nicole: Whoa that was a close one!

Xenia: Thank goodness no artifacts are damaged.

Me: Looks like this leads somewhere.

Nicole: Lets go see.

Multiplex: I'll clone myself to cover more ground.

Starlight Glimmer: Good idea.

Nico: Lets go see.

We went down and it was dark.

Nico: Wow it's dark.

I found a torch and lit it and then a huge room was lit up and it was a HUGE ROOM FULL OF EGYPTIAN TREASURE AND IT WAS COMPLETELY PRISTINE AFTER THOUSANDS OF YEARS!

We gasped!

Me: Oh wow!

Nicole: Wow! At long last! We found it! The Treasure of Princess Nila Rahmed!

Qin: This is amazing!

Xenia: Wow! And it's still in perfect condition after thousands of years!

Nico: And buried right underneath the Cairo Museum. What are the odds of that?

Wildrider: Hey, Nila! We're about to touch your treasure. Better come and stop us!

Nico: Blabbermouth!

Wildrider: Sorry.

Nicole: Wow. Wait look here.

She found an ancient story on the wall.

Nicole: Whoa look at this.

Me: What is it?

Nicole: It's the story of Nila.

Qin: What does it say?

Nicole: It's really amazing and it was written by her father thousands of years ago. It says "Long ago, during the rule of Pharaoh Mentuhotep III, it was a time of great prosperity and peace as Egypt was under the wisdom and love of the Pharaoh and his treasure was safe. However the Pharaoh's evil daughter, Princess Nila Afrah Gouda, had sinister plans in store for him. She vowed to assassinate the Pharaoh and take over the entirety of Egypt by force and use the power of immortality to rule over the world forever.

Fearing that Nila's plan would succeed the Pharaoh hid all the treasure here in this tomb where it will be hidden till the time comes. The Pharaoh tried to stop his daughter but she escaped and vowed that she would one day return and reclaim the entirety of Egypt and all the treasure for herself and rule over the world with an iron fist."

Nico: Whoa!

Xenia: That is awful.

Cleopatra Pharaoh: That's almost as dark as my ancestor.

Nico: Yeah.

Machinedramon: By the way it's my turn for the usual battles again.

Samurai Jack: Really now?

Machinedramon: Yes I just wanted to tell you. But that is awful that this happened back then.

Nicole: And Pharaoh Mentuhotep III? That was back in 2,000 B.C.

5m agoOctane: That's deep

2m agoOctane: That's deep,

Nicole: Yeah. She wanted the wealth of Egypt and the power of the Pharaoh all for herself.

Nico: Forever and eternally.

Xenia: Yeah. Not on our watch.

Allie Wilde: Hey guys look!

We saw in an alter in the middle of the room a red crystal sword and the jewel on it was glowing an intense bright red.

Nicole: There it is! The Ruby Sword of Osiris!

Eli: Wow!

Titanium Toenail: It's obvious Nila doesn't get this.

Ashi: So, who will?

Allie Wilde: Let me go for it.

Nico: Okay.

She went and grabbed the sword and then pulled it out and then it glowed and she was enveloped in its amazing power and a vortex appeared and enveloped her.

(ESCAFLOWNE FOX KIDS INTRO SONG EXTENDED PLAYS)

She underwent a powerful transformation and got awesome ruby armbands and legbands and she had the Ruby Eye of Osiris emblazoned on her arm. She emerged and we were amazed.

Me: Wow! How do you feel Allie?

Allie Wilde: Amazing.

Bowser: You look great!

Allie Wilde: I sure do.

Qin: Yeah.

Nico: Now we just have to find Nila.

Me: Yep.

Eli: (Concentrates) I sense that she is 50 klicks and closing fast.

We went up and went outside.

Scotsman: The lass is gonna get it now.

Yenaldooshi: Let's hide and plan an ambush then.

Me: This will be good.

We hid and planned our attack. She was going to head for the entrance of the museum.

When she reaches the museum, Cleopatra Pharaoh will lull her into a false sense of security by talking to her and get her to listen to her proposal and then we do our entrance on her.

Fellbat: You sure this will work?

Nico: It will.

Cleopatra Pharaoh was waiting.

Then she saw a figure come. And it was NILA RAHMED!

Cleopatra Pharaoh: Here she comes. Wait for my signal.

She came up to Cleopatra Pharaoh.

Cleopatra Pharaoh: Princess Nila Rahmed, I presume?

Nila Rahmed: That's right and who are you?

Cleopatra Pharaoh: Cleopatra Ahmanet Pharaoh, Embodiment of the Pharaoh Dopant, Gene-slammer of Pharaoh Man and direct descendent of Princess Ahmanet.

Nila Rahmed: So I see. You have obviously come here for something.

Cleopatra Pharaoh: That's right. I am here to give you a proposal. Firstly what did you get promised from that monster Slappy?

Nila Rahmed: I wanted to live forever over all of the known world as it is now.

Cleopatra Pharaoh: Well it's obvious that you were lied to. Slappy will never live up to his end of the bargain.

Nila Rahmed: You are lying.

Cleopatra Pharaoh: I swear on my pride for all of Egypt that I am not lying.

Nila Rahmed knew she was duped.

Cleopatra Pharaoh: That's why you will be perfect for Vypra and her team in the M.O.E. But first you have to understand that we have to fight you.

Nila Rahmed: We?

Cleopatra Pharaoh: Now!

Then the Spirits of the Power of Egypt came and swirled around her and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then we came out.

Taskmaster: She means us!

Winx Club Stella: We've been expecting you!

Me: Nila Rahmed. How nice to finally meet you here in the 21st Century after 4,000 years.

Flamewar: Don't worry. Allie took care of your treasure

She showed the sword.

Allie Wilde: The sword picked me.

Nila Rahmed: But how? (Sees Gabe) You!

Gabe: That's right.

Me: You should have read the fine print. The sword only picks those that are pure of heart.

Nico: Yeah.

Vinyl Scratch: And Allie is pure of heart!

Snake: Damn right!

Allie Wilde: That's right!

Cleopatra Pharaoh: And also here is proof that I am who I say I am.

She showed her birthmark!

Cleopatra Pharaoh: That's my proof.

Nico: And now time for action!

Girl Jordan: Take this!

She fired water blasts and drenched Nila!

Sandman: Taste my new sand blade!

He fired blades of sand and slashed her all over!

Qin: Take that!

Starlight Glimmer fired skulls, Jack and Ashi slashed her and so did Scotsman. Stella and Vinyl blasted her all over.

Qin: Take that.

Xenia: Yeah!

Machinedramon: (Echoing) GIGA CANNON!

He fired waves of energy from his cannons and blasted Nila all over.

Scotsman: Freedom!

Me: Yeah!

Me: You know her?

Nico: I sure do. She comes from the neighboring planet of Fire Lilly, it's a planet full of Fire Lillymon.

Me: Wow! That's something I remember making up in my mind.

Shanan: That is amazing! The Fire Lillymon of Fire Lilly are in every way like Lillymon of Lilly except they are made of pure fire.

Firlilly Roth: That's right.

Nico: Yeah she died in a tragic war.

Me: Oh man. I'm sorry Nico. But I can fix that. (SNAPS FINGERS)

I snapped my fingers and then the skies shined down light beams and a beam shined on Firlilly and then a figure came down and entered her and then she was resurrected.

Firlilly Roth: (GASP) I'm back! Nico!

She and Nico hugged.

Nico: I've missed you so much.

Firlilly Roth: Me too!

Nico: That was awesome. Lets do it then.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Nila Rahmed, they're a massive collection of massive greatswords with embedded colored gems and the Anti-Goosebumps symbol etched on the 7'6" massive, wide, double-edged gold blades and blessed by the powers of Heaven, large gold wolf heads for the crossguards, large white angelic faces built into both sides of the hilts with large colored gems embedded in the foreheads, longer midnight black handles, four large wolf heads with colored gems for eyes and on the bottom of the four large wolf heads are large gold wolf heads with colored gems in their mouths for the pommels.

Ironbison: Has the "Bison Breast" built into him. He is a genius at destruction. He bombards the enemy with powerful anti-aircraft fire. Also uses Bison Cannon. Finally, Using his "Thunder Burst Attack," he absorbs electricity through his chest, and uses his powerful anger to amplify the destructive energy, and shoots it at his enemy, frying their circuits to dust.

In vehicle mode, Lightspeed can accelerate from 0 to 500 mph in 8 seconds, with an average cruising speed of 300 mph. His range is 2,500 miles. Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Arthur Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Arthur Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Arthur Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Arthur Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Alinta Seraphina: That was all your doing along with the doing of your brothers, Arthur, and now, you shall threaten mankind and the world no more.

?: You and the rest of those asshole had this coming for a very long time.

Suddenly, we saw a beautiful and super sexy girl with long crimson red hair with yellow hairband and golden yellow streaked bangs, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive fire-colored phoenix angel wings, and she's dressed in a sleeveless crimson red vest, sleeveless crimson red top, crimson red skirt, orange stockings, crimson red knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, flames, basilisks, cockatrices, Cerberus, hydras, griffins, perytons, sphinxes, hippogriffs, hydras, manticores, phoenixes, and angels on the coattails and on the back are The Hazy Flame Duel Monsters, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Aurora Seraphina, Gene-Slammer of The Hazy Flame Duel Monsters.

Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eliane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina: Cousin?!

Arthur Seraphina: YOU!

Aurora Seraphina: I always knew you'd be back, you jackass! Thanks to that bitch, Isabella Abaddon.

Alinta Seraphina: We got rid of her and Lincoln stripped Abigail Seraphina of all her powers and we'd sent her to prison, and we've been going after your brothers, so far, we faced Simon, Henry, Nathan, Edward, and Edgar and they've met their ends thanks to Lincoln absorbing them. Now, it's Arthur's turn.

Suddenly, Alinta Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, hippogriffs, phoenixes, and angels, she unholstered her massive Hazy Flame Hyppogrif-themed greatsword from her back, and as she approached Arthur Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, sphinxes, phoenixes, and angels with every step.

Alinta Seraphina: Never did I expect to ever see you again, Arthur. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Alinta Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are hippogriffs, phoenixes, angels, and Hazy Flame Hyppogrif flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Arthur Seraphina: the red eyes of death. Then, as the vortex faded, Alinta Seraphina emerged, but she was changed forever.

Alinta Seraphina grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large fire-colored orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and an orange yellow and crimson red energy aura with stars, fire, flames, fire magic, hippogriffs, phoenixes, and angels surrounding her, she has Hazy Flame Hyppogrif along with The Hippogriff emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws, she also Hazy Flame Hyppogrif with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red hippogriff-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Alinta Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Alinta Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Alinta Seraphina's Hazy Flame Hyppogrif-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, hippogriffs, phoenixes, and angels, and when it emerged, it was transformed into Alinta Seraphina's Eternal Fire Inferno Hazy Flame Hyppogrif Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Hyppogrif Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Hazy Flame Hyppogrif etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red hippogriff heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red hippogriff heads with orange gems for eyes and on the bottom of the large hippogriff heads is a large crimson red hippogriff head with orange gems for eyes and orange gem in its mouth for the pommel, Alinta Seraphina has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hazy Flame Hyppogrif's head with crimson red gems for eyes and large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Alinta Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Alinta Seraphina has transformed into SUPER ANGEL-HAZY FLAME HYPPOGRIF-HIPPOGRIFF-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME HYPPOGRIF HIPPOGRIFF PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME HYPPOGRIF HIPPOGRIFF PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME HYPPOGRIF HIPPOGRIFF PHOENIX ANGEL LOVE!

We were really amazed by Alinta Seraphina's Super Angel-Hazy Flame Hyppogrif-Hippogriff-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when

Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Arthur Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Alinta Seraphina absorbed it and it made them even stronger than ever, and Alinta Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, hippogriffs, phoenixes, and angels which hits Edgar Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Helia Seraphina: Oh man, Alinta's transformed, now things are really going to heat up now!

Lincoln: That's right, Alinta Seraphina's transformed into her Super Angel-Hazy Flame Hyppogrif-Hippogriff-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Arthur Seraphina.

Alinta Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Hyppogrif Hippogriff Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Hyppogrif Hippogriff Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Alinta Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Arthur. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Aurora Seraphina: You are done for, you piece of shit!

Alinta Seraphina and Lincoln went after Arthur Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Alinta Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Arthur Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Ember Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Arthur Seraphina even more madder with rage.

Arthur Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Arthur Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Alinta Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Arthur Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Arthur Seraphina were his clothes. Then, an energy card with Arthur Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Alinta Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Alinta Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Alinta Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Alinta.

Suddenly, Alinta Seraphina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alinta Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Hippogriff, and Hazy Flame Hyppogrif flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Alinta Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only two more to go.

Aurora Seraphina: Harold and Brian Seraphina.

Lincoln: Yep, and now, Slappy's losing the next few of his minions.

Aurora Seraphina: So, those losers allied with Slappy after Simon got his just desserts?! Those idiots!

Me: Those losers seriously had no idea of what they got themselves into when they allied with that dummy. So, Lincoln, you gonna introduce us to the girl who showed up when that asshole did?

Lincoln: I was just about to do that, this is Aurora Seraphina, Gene-Slammer of The Hazy Flame Duel Monsters, she's my Guardian Angel from Michigan and classmate in Art. She's the cousin of The Seraphina Sisters and she's the younger sister of Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina, but she absolutely hates her brothers with a blazing and superhot passion. Like The Seraphina Sisters, Aurora was born with massive crimson red angel wings, really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and she's a Duelist who specializes in using The Hazy Flame Duel Monsters, her favorite Duel Monsters, and like her eight cousins, Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eliane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina, Aurora Seraphina has a very strong love for me and she doesn't want to see me harmed.

Stella Seraphina: She gets along great with Leni, Luna, Laney, Lucy, Lana, and Lily, and she hates Lori, Lynn, Lola, Lisa, and Luan with a passion, but not as much as she hates her eight ruthless older brothers and dangerous criminals, Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina, and she swore to end her brothers' reign of terror forever because she knew that nothing would keep her brothers away forever, and she also hated Abigail Seraphina for everything she had done. But, she also harbored an extreme hatred for Isabella Abaddon for her contingency plan that freed Abigail and her wrathful evil brothers from the chambers they were sealed into, and she swore if she ever saw that Fallen Guardian Angel again, she would kill her and rip her black wings from her back and cut her head off.

Nico: Damn, that's one nasty grudge she harbors towards that demon bitch.

Lincoln went up to and hugged Aurora Seraphina in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aurora Seraphina's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Me: You got that right, and Lincoln, who's the next Avatar and Ambassador of The Digimon Sovereign and The Four Symbols are we meeting tomorrow?

Lincoln: That's an easy one, J.D.: Byakko Baihumon, Avatar and Ambassador of Baihumon, The Digimon Sovereign of Metal and Byakko the White Tiger of The West.

Zoey Zhuqiaomon: I knew it'd be her next, and you guys will like meeting her, Byakko Baihumon is Lincoln's Guardian Angel from New York, and she's a very powerful master of metal and white tigers because she was born under the symbol of The White Tiger, and ever since her birth, she represents The White Tiger of The West, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The White Tiger, she was also made The Avatar and Ambassador of Baihumon, The Digimon Sovereign of Thunder and she has all his powers over metal and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, and Light and Darkness.

Seiryu Azulongmon: She's known as The Metallic Fury of Baihumon because any villain who dares to cross her shall be slashed into pieces, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon a storm of blades and leave nothing of them in her wake.

Me: (GASPS) You mean one wrong move, and you'll be…?!

Nico: Sliced and diced to ribbons. (Shudders) That's one fierce girl you do not want to anger.

Professor XXXL: That takes care of Nila.

Grizzly: She'll be a good member of our ranks.

Nico: Yep.

Zzzax: She sure will be.

BlackWarGreymon: Only one question now.

Salami Swami: What do we do with this treasure?

Me: We'll give it to the Cairo Museum. It's part of Egypt's history.

Nico: Good idea. Great job today everyone.

Yugi: (To the viewers) Egypt is amazing and fun to learn about.

Me: It sure is.

We later went back home

---

Meanwhile, Slappy was infuriated.

Slappy: I HATE! HATE! HATE! HATE THOSE REPULSIVE APES! Ahmed! Get in here!

Ahmed came!

Slappy: You are in charge of Nila's post.

Ahmed (scoffs): Nila was a fool. (to Slappy) Give me a few days or so and I'll show you I can do better.

Slappy: You had better. Don't disappoint me.

Lynn: I have a feeling that this will be a good one.

Xenia: Yeah it sure will!

Qin: You got that right.

May: Yeah.

Nico: So far we're doing a really good job of pissing off Slappy.

Me: Yep and Slappy is going to really get his ugly splintery butt kicked when we're through with him.

Camie: That is for sure.

Lynn: We'll kick his butt out of the park to the black gates.

Nico: Lynn, I want to thank you, Shiv, and your teams for coming

Lynn: No prob Nico. This is gonna be so fun.

Shiv: As long as we get some grub too.

Xenia: You are always hungry huh?

Shiv: Yep.

Nico: Nightsceam, are you more effective at night,

Nightscream: I actually am effective either way in the day or night. But Night is more fun.

Qin: That is cool.

Xenia: It sure is.

Nightscream: Being a bat is really fun.

Lucy Loud: It sure is fun.

Brittney: Bats are the most amazing creatures of the night we know.

Camie: They sure are.

Nightstrike: Well, I myself am more effective at night.

Me: You both are champions of the night and that is cool.

Nightscream: I like that. That is fitting.

Nico: It sure is.

Qin: Yep.

Nicole: Boy Yesterday's mission was the funnest ever. We learned so much about awesome Ancient Egyptian artifacts.

Laney: Boy those were cool.

Nico then saw some claw marks.

Nico: What the?

We saw Claw Marks in a car.

Me: Geez. Who or what made claw marks like those?

I looked at them and saw that they were like those of…

Me: These look like Werewolf Claw Marks!

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Alex Hunter that The Werewolf Skins are back, and they've taken hold of his Aunt Marta and Uncle Colin again.

We gasped.

Nico: Oh no. This is not good.

Me: It sure isn't. But, didn't we destroy them?

Lincoln: We did.

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which then formed a viewing window and we saw the footage: and we saw that the person who brought The Werewolf Skins back and forced them onto Aunt Marta and Uncle Colin was none other than Slappy who was laughing maniacally. But, we also saw a dark stranger was also there as well, and he was laughing in a deranged malevolent manner before he disappeared in a tornado of darkness. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Me and Nico: (GROWLING LIKE TWO VICIOUS WOLVES AND SUPER PISSED OFF) THAT GODDAMN WALKING TOOTHPICK!

May: I can't believe Slappy has struck again! Now, he's gone way too far. But, who the heck was that dark stranger?

Lincoln: I don't know, but I've got a feeling that we'll find out soon. But, first, we better get rid of the werewolf skins.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, his large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head turned midnight blue, and he let out a powerful howl as Lincoln transformed into Lincoln The Nocturnal

Lincoln: (Beastly Voice) I was hoping to save it for when we went after Will Blake if Slappy turned him back into The Werewolf of Fever Swamp, but since we've got Werewolf Skins running loose, this is a huge emergency.

Me: You got that right.

I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and my nose changed to a wolf's nose and muzzle and my abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, my blue eyes had slit pupils, my rainbow wolf ears on top of my head turned brown, I still had claws on my fingers, my eleven massive and long rainbow wolf tails turned brown, and my large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind my head turned midnight blue, and I let out a powerful howl as I transformed into J.D. The Nocturnal.

Me: (Beastly Voice) Alright, now let's go after those Werewolf Skins.

Lincoln: (Beastly Voice) I also called someone else to lend a hand.

Suddenly, Ice Luan appeared.

Ice Luan: I got told of the situation, those werewolf skins are so done for.

Luan: You said it.

Lincoln: (Beastly Voice) We'll destroy them once and for all. (Sensed for The Werewolf Skins) AHA! Gotcha! I've just spotted The Werewolf Skins, and it looks like Alex managed to bag them and tie them up, so that he can expose them to the full moon and destroy them. (Sensed Aunt Marta and Uncle Collin) Oh no, and I just spotted his aunt and uncle, and they're trying to get the skins back.

Me: (Beastly Voice) They're still under the curse, the only way to break it is to destroy the skins.

Lincoln: (Beastly Voice) That's exactly what we've got to do.(Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: (Beastly Voice) I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on getting to Alex Hunter.

We looked around.

Nico: Alex, where are you?!

Eli: Over there!

We saw a figure hiding in the bushes.

Me: Alex?

Alex Hunter: Wait guys?

Me: Yeah it's us.

Alex Hunter: Oh thank goodness.

Me: Glad we found you.

Alex Hunter: Guys, you made it, I can't believe The Werewolf Skins are back, I thought we destroyed them.

Lincoln: (Beastly Voice) You can blame Slappy for that one.

Alex Hunter: Figures.

Me: (Beastly Voice) We're here to destroy the skins forever, but we also got to keep your Aunt Marta and Uncle Collin from trying to get them back.

Nico: Yeah that's right.

Juran: It's like an addiction to them, isn't it?

Nico: You're not kidding.

Qin: Yeah.

Me: But we did face the Werewolf Skins before and they were really dangerous.

Nico: Yeah.

Alex Hunter: I remember that.

Nico: We need to bury these where no one will find them!

Suddenly, we saw two figures come out, it was Alex's Aunt Marta and Uncle Collin, and they were still under the curse's influence and they were trying to get the skins back.

Qin: Oh no. We need to keep them back from The Werewolf Skins.

Suddenly, a wall of darkness formed cutting Aunt Marta and Uncle Collin off from trying to get to the Werewolf Skins, and we saw Sebastian appear.

Sebastian Mendez: The wall of darkness will keep them from getting near the skins, you guys hurry and destroy them.

Ice Luan: Right.

Suddenly, Ice Luan's ice blue eyes turned neon ice blue and she was surrounded by an arctic ice blue energy aura with stars, snow, ice, snowflakes, ice crystals, arctic animals, phoenixes, and angels, she unholstered her massive Ice Luan's Arctic Ice Snowstorm Greatsword of Arctic Comedian Justice from her back, and as she approached the Werewolf Skins, she left arctic ice blue energy, stars, snow, ice, snowflakes, ice crystals, arctic animals, phoenixes, and angels with every step.

Ice Luan: You creepy Werewolf Skins really make me sick, you possessed Alex's aunt and uncle and you caused them to hunt down and kill innocent people and made them suffer the effects of your curse, but that ends here and now, you're going to be incinerated here and now.

Suddenly, Ice Luan was surrounded by a massive vortex of arctic ice blue energy with stars, snow, ice, snowflakes, and ice crystals surrounding the vortex, there are arctic animals, phoenixes, and angels flying and running around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at The Werewolf Skins: the red eyes of death. Then, as the vortex faded, Ice Luan emerged, but she was changed forever.

Ice Luan grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large ice blue orbs orbiting around her legs, she has the body of a goddess, she has ice blue highlights in the bangs of her long light brown hair tied in a ponytail and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon ice blue eyes and an ice blue energy aura with stars, snow, ice snowflakes, ice crystals, arctic animals, phoenixes, and angels surrounding her, she has an ice phoenix holding the Ice Kanji in its claws emblazoned on her forehead and Third Eye with ice blue iris, she has on phoenix earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with ice blue gems on the gold snowflake links and ice blue crystal links and an ice blue phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with ice blue gems for eyes and holding the Ice and Eternity Kanjis in her hands for the pendant and she has on a white and gold accented choker on her neck, she has on a sleeveless white shirt with ice blue phoenix on it, yellow skirt with snowflakes on it, white knee-high combat boots with snowflakes for the buckles, and long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, arctic animals, phoenixes, and angels on the coattails, and on the back are arctic animals surrounded by snow, ice, snowflakes, and ice crystals. Suddenly, Ice Luan felt a sharp pain on her back, and then, her massive light brown angel wings with ice blue tips on the large light brown feathers grew much bigger for her new body and her eleven massive and long light brown wolf tails now have ice blue tips and ice blue markings, she has on a Ring of The Phoenix with ice blue gem and heart-shaped gem embedded in it on her right ring finger and her Blue Lantern Corps ring on her left ring finger, and her cutie mark's on her right shoulder and she has on ice blue fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Ice Luan's massive Ice Luan's Arctic Ice Snowstorm Greatsword of Arctic Comedian Justice and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of arctic ice blue energy, stars, snow, ice, snowflakes, ice crystals, arctic animals, phoenixes, and angels and when it emerged, it was transformed into Ice Luan's L-Emental Eternal Arctic Ice Elemental Snowstorm Greatsword of Arctic Comedian Justice, it's a brand-new greatsword with arctic animals and embedded ice blue gems etched on the 7'6" massive, wide, double-edged gold blade, large arctic fox heads for the crossguard, large white angel faces built into both sides of the hilt and large ice blue gems embedded in the foreheads, longer midnight black handle, four large arctic fox heads with ice blue gems for eyes and in their mouths and on the bottom of the fox heads is a large arctic fox head with blue gems for eyes and ice blue gem in its mouth for the pommel, she has on her brand new gold Bracers of the Champions of The Universe with large ice blue gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, her gold Belt of

We were amazed by Ice Luan's Super Angel-Arctic Fox-Ice Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Werewolf Skins saw it, they burst out of the ground and ran at her to kill her, but Ice Luan fired a massive barrage of arctic ice blue energy, stars, snow, ice, snowflakes, ice crystals, arctic animals, phoenixes, and angels which hit them and exploded, they got back up, but they were madder than ever as they howled.

Ice Luan: (Divine Echoing Godly Voice of The L-Emental Comedian Arctic Fox Ice Phoenix Angel and Divine Cosmic L-Emental Comedian Arctic Fox Ice Phoenix Angel Love) Howl all you want, that's not going to save you.

Aunt Marta: Give us our skins!

Nico: We don't have them. Maybe Flip does!

Me: Be right back!

I teleported and brought Flip tied to his pole over.

Flip: What the?

He saw Aunt Marta.

Flip: Who the… UH OH!

Aunt Marta: Give us our skins!

Flip: What are you talking about?!

Nico: They're your problem now!

They got closer and then MUTILATED AND RIPPED FLIP TO SHREDS! PILES AND PILES OF JEWELS AND GOLD EXPLODED OUT OF HIM!

Nico: That bought us some time!

Wataru: Henshin!

Scott: RPM, get in gear!

They transformed!

Lincoln: (Beastly Voice) You're both going to be shredded into pieces.

Me: (Beastly Voice) And you'll never hurt anyone ever again.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Ice Luan and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Beastly Echoing Godly Voice of The Harmonious

United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You Werewolf Skins are done causing havoc, and now, you're going to be torn to shreds forever and you're never coming back!

We fired waves of energy and elements and blasted the Werewolf Skins.

Nico and Alex fired energy blasts at them.

Lincoln, Ice Luan, and I went after The Werewolf Skins, and we fired extremely powerful blasts of rainbow energy, arctic ice blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Werewolf Skins and they exploded with incredible power as they hit them.

Then, we attacked them with our massive greatswords leaving scars on them and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and I left many more with my claws, and he, Ice Luan, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts and Lincoln and I were being supercharged by the infinite power of the full moon which made our attacks even more powerful than ever, and this was really driving The Werewolf Skins insane and straight to the brink of insanity.

Nico: Damn, this is really getting to be a bloodbath!

Lincoln: (Divine Beastly Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's use a combo and incinerate them, J.D.

Me: (Divine Beastly Echoing Godly Elemental Cosmic Voice of The Harmonious United Friendship Elemental Wolf Moon Phoenix Angel and Divine Godly Cosmic Harmonious United Friendship Elemental Wolf Moon Phoenix Angel Hope) You got it, Lincoln.

Lincoln and I formed massive moonlight blue energy blasts in our left hands and they were also being supercharged by the infinite power of the full moon.

Lincoln and me: WOLF MOON FIRESTORM MASSACRE!

Lincoln and I fired the moonlight blue energy blasts and they destroyed and incinerated The Werewolf Skins in a split second, and as a result, it broke the curse hanging over Aunt Marta and Uncle Collin as they no longer tried to fight against the wall of darkness Sebastian formed. Everyone cheered as Lincoln, Ice Luan, and I holstered our massive greatswords on our backs and powered down, and Ice Luan's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long light brown wolf tails, and massive light brown angel wings are permanent.

Nico: Awesome job, guys, you really tore those Werewolf Skins to shreds.

Lincoln: (Beastly Voice) Those Werewolf Skins stood no chance, and we ended the curse for good.

Maria: Not that they even had minds to begin with

Aunt Marta: What? What happened?

Uncle Collin: I have got the worst ever headache.

Me: Long and ugly story.

Nico: But at least destroyed the skins.

Sebastian Mendez: You sure did, and guys, I've been keeping an eye on Slappy, and he's really really getting pissed off. With every Goosebumps Monster we've been taking down, he's slowly losing his nerve, but we found out something disturbing: it appears he's made a deal with the dark stranger you all saw in the viewing window.

Nico: Did you find out who the stranger was?

Sebastian Mendez: I did, and it's not good: the stranger that was there with Slappy was my Universe 666 counterpart, along with the brainwashed Universe 666 counterparts of The Z-Fighters' old foes.

We gasped. Then, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, his harem, Universe 666 Clyde and his harem, and Universe 666 Ets and his harem appeared.

Universe 666 Lincoln: I should've known that deranged bastard would show his bloodsoaked hide one day.

Me: Is he as deranged, homicidal, and evil as Sebastian before Dark Sebastian was removed?

Universe 666 Me: He was infinite-times deranged, homicidal, and evil as Sebastian before his Divine Blessing and Dark Sebastian.

Universe 666 Varie: He was an absolutely insane, deranged, homicidal, blood-crazed monster who like Dark Sebastian sought to destroy all life on Earth and all life in the universes beyond, and like Sebastian, he also got inflicted with The Curse of Devil's Point and he lost his already deteriorated sanity even more. The Resistance defeated him long ago, but not before he killed the Universe 666 counterparts of The Z-Fighters' old foes. But, before he could be killed by them, he fled back to The Netherworld.

Nico: What a bastard, and did Evil Nico ever ally with him?

Universe 666 Luna: No way, dude. Evil Nico and Universe 666 Sebastian may be evil and treacherous, but Universe 666 Sebastian was never ever to be trusted: he wasn't only evil and treacherous, but like Varie said, he was absolutely insane, deranged, homicidal, and blood-crazed, and he only wanted to rain death and destruction down upon all life on Earth and all life in the universes beyond.

Me: So, they were basically enemies at every turn.

Universe 666 Lincoln: We knew never to trust that heartless snake, Evil Nico, but we also know that Universe 666 Sebastian was an absolutely psychotic, evil, treacherous, insane, deranged, homicidal, and blood-crazed monstrous demon who's never ever to be trusted. Now, he's come back to bring his twisted desires for death and destruction to reality, and he's gone and made deals with Slappy? That lunatic's going to pay for this.

Lincoln: And it'll be for after we deal with the last two evil cousins of The Seraphina Sisters, and if we can free the Universe 666 counterparts of The Z-Fighters' old foes, The Masters of Evil will have some new powerful additions to their ranks.

Nico: That's a good idea, Lincoln. But, we should keep them away from Sebastian since, well you know.

Me: Right, good idea.

Nico: Let's get Flip back in place.

I snapped my fingers and he was back in Lynn's Table and locked up.

Me: Done.

Qin: Awesome.

Alex Hunter: That was awesome though.

Nico: It sure was.

Qin: Yeah.

Me: Now for the Anothers.

Eli: Lets see who we got. (CONCENTRATES) Whoa! We got big ones. We got Another Mount Blackhead, Whale Demon, Angry Volcano, Pele (Tom & Jerry), Lava Volcano Man, The Angry Sauce Volcano, Nightstrike and Shiv.

WE GASPED!

Me: Whoa! Mount Blackhead, the volcano that's located right across the way from Camp Kidney?

Shiv: Yeah Vypra decided that he would be a great member of the M.O.E. Also we found out that Mount Blackhead loves all the foods of everyone in Camp Kidney.

Nico: That is one awesome volcano.

Me: And Whale Demon must be a new monster from Kamen Rider Black.

Shiv: Yep.

Nico: Who do we call?

Me: Sakura Shinju, Varya Volcano, Majestic Star Dragon, Universe 666 Solar Shimmer, Firestar and Gamon Ayutthaya.

Nico: Cool!

Qin: Wow! So the Avatar of the 10 Tails gets Mount Blackhead as her archenemy.

Camie: Fitting for one of Lincoln's Guardian Angels that has enough power to blow an entire planet to smithereens.

Nico: Yeah.

Me: And Gamon will be happy to get a shot in. Same with Varya.

Maria: I'll call them in.

She did so and in swirls of elements came said people.

Firestar: Hey, guys!

Me: Glad you all could make it Angelica.

Firestar: I know. This will be fun.

Sakura Shinju: We're ready for action.

Maria: Better call in backup just in case. (TURNS DIAL) HYDRO FORCE 6!

She summoned Hydro Man, Liquidator, Leviathan, Crashfood, Noxious Enterprise's Super SPU-31 Liquid Cooled Mobile Processing Unit and Tsubaki!

Nico: Awesome!

Eli: I sense that the Another minus Shiv are one person.

Me: This will be…

But then we felt a rumble!

Me: WHOA! An earthquake!

Then out came a HUGE VOLCANO AND with it were Mount Blackhead, Whale Demon, Angry Volcano, Pele (Tom & Jerry), Lava Volcano Man, The Angry Sauce Volcano and Nightstrike

May: There they are!

Nico: HOLY SHIT! Another Mount Blackhead is huge!

Varya Volcano: Wow!

Another Whale Demon: (In a girls voice) This is gonna be fun.

Lincoln: Cora Coruscant! Wow!

They merged and she reverted back and was a girl with brown hair, orange eyes, brown clothes and brown angel wings.

Cora Coruscant: Awesome to see you again Lincoln and Wow! You're grew into an awesome young man.

Sakura Shinju: He sure has.

Nico: Yep. Care to introduce us Lincoln?

Lincoln: Sure. Meet Cora Coruscant, Keyblade Knight of Coruscant, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet Coruscant and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet Coruscant and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith all over the galaxy. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords.

We were amazed!

Me: Wow! That is awesome. And the Keyblade Knight for the Capital Planet of the Jedi Republic.

Eli: That is cool! That is where I learned most about the powers and skills of the Jedi and the Force.

Cora Coruscant: That is awesome and Eli you have come a long ways too.

Nico: He sure has.

Me: Coruscant is one of the most incredible City Planets we have ever seen. It's what's called an Ecumenopolis planet.

Cora Coruscant: It sure is. And before you ask the Another Shiv is friendly and she is really powerful too.

Nico: Wow.

Qin: Yeah.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the anothers.

Nico: Lets get them!

We fired energy blasts and blasted the Anothers and Sakura Shinju fired a massive energy blast and sent Another Mount Blackhead up into space and then…

INCREDIBLY MASSIVE AND UNBELIEVABLY SUPER POWERFUL EXPLOSION OF NOVA POWER!

The explosion was so massive, so powerful, so devastating and so incredible that the shockwaves from the blast reverberated down to the planet and shook the entire area and then Slappy felt the incredible power from the blast and it destroyed all of his equipment and magical artifacts that he had and even most of his fellow monsters felt it.

Slappy: WHAT THE FUCK IS THAT!?

Slappy then fell back and hit his head!

When the blast faded we were shocked.

Me: WHOA! Her power is MASSIVE!

Nico: WOW! Lincoln you were not kidding about Sakura's power! That was massive!

Qin: WOW!

I got a call on my phone.

Me: Hello?

Lori: J.D. what was that massive explosion!? It literally shook the area!

Me: Sakura Shinju demonstrated how strong her power was! It was amazing!

Lori: WHOA! That explosion was from her!? Oh man! Looking back we were literally glad we never pissed her off! Like Linky said.

Me: Yeah no shit! Sorry for the cause for alarm.

Lori: No worries.

We hung up.

Maria: And now, we wait.

Sakura Shinju: Sorry about that guys. I did say I have incredible power that can blow the entire planet to smithereens like that.

Nico: You sure did Sakura.

Lincoln: That's one of my Guardian Angels for you.

Nico: You need to control that

Sakura Shinju: Sorry about that. When you have a strong power like mine there is pretty much no control over it. I'm essentially called the Queen of Overkill. Nico if you would allow it I would like to have Slappy taken to a planet that you don't like and then use my power to blow that entire planet into dust and take Slappy with it.

Nico: No. We fight him the old fashioned way. Besides, I have my own idea of defeating him.

Sakura Shinju: Okay then.

Qin: Good.

Me: I think that would be the ultimate perfect defeat for Slappy. After we take him down, Sakura Shinju would blow him to smithereens that way.

Nico: I like it. But keep that option available for that.

Sakura Shinju: Okay.

Me: But the shockwaves from the explosion immobilized Slappy's monitors for now.

Qin: Yeah it sure did.

Eli: I sense it.

Nico: Yeah. For now. We shouldn't underestimate him just yet.

Me: No he still has many more tricks up his uhh… Wouldn't sleeve for us.

Qin: Yeah.

Camie: That is for sure.

Lana: I hope we're facing the mud men next! That was my favorite!

Me: (LAUGHS) You would like that Lana.

Nico: Yeah.

But then we saw a figure.

Me: Here she comes!

We saw a figure and it was ANOTHER SHIV!

Nico: Whoa!

Qin: Another Shiv.

Nico: And you are?

Another Shiv: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with orange hair and red eyes and orange clothes and fire angel wings and she had a tiara with the symbol of the Scythe Dopant on it and the same symbol on her skirt and she had a deadly dragon scythe in her hands.

Me: Sellia Scythe! Awesome to see you again.

Sellia Scythe: Same to you J.D.

Me: Sellia is the Embodiment of the Scythe Dopant and she is also a deadly scythe wielder and is very powerful in mastering many weapons.

Shiv: Wow! She is very skilled in all that like I am. I use light weapons but she can use a scythe and more.

Nico: Wow!

Me: Yep and like you Shiv she has a huge appetite.

Sellia Scythe: Yep. A Scythe Master has to eat and more. After this can we get some grub?

Me: Sure.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (Gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm joining in too.

Zocks: Okay.

Kaito and Chloe got LupinRanger and PatRangers Swords and Zocks got a Kyurangers Blaster.

Sellia Scythe: Just 50,000 burgers.

Shiv: WHOA! You have a massive appetite as big as mine times 100.

Sellia Scythe: Yeah I sure do. And most people would consider that a prank but I am not kidding about that. I am always that hungry.

Nico: Boy you have an appetite as big as mine and that of a Saiyans.

Me: You and Master Goku should have an eating contest. He is a big eater too.

Sellia Scythe: I know. And I have a feeling I would be neck and neck with him.

Sougo: (gets out Patranger Ridewatch) Shiv, can you make a light scythe?

Geiz: (Gets out Kyuranger Ridewatch) Because it would make you even more similar to her.

Tsukuyomi: (gets out Lupinranger Ridewatch) It's okay if you can't though.

Shiv: I can do that.

He formed a light scythe.

Me: Cool!

Eli ignited his lightsaber.

Lincoln: Lets separate you first.

He fired a light blast and separated her.

Sellia Scythe: Awesome!

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Nico: Time for some blades to strike! (ACTIVATES SHIV AND NIGHTSTRIKE'S RIDEWATCHES)

Nico fired blades of light and energy.

May: And this too! (ACTIVATES NES GIGAN AND HITCHER'S RIDEWATCHES)

She fired laser blasts and sawblades.

Maria: Here is this one! (ACTIVATES MAMEMON BROTHERS AND BREACHER'S RIDEWATCHES)

She fired energy blasts.

Nightscream: Top this too!

He fired a sonic blast and activated Nightstrike's ridewatch and fired laser blasts too.

Then Krusty, Quackerjack, Chykka, Argo, Butch and Another Ginga came.

Krusty: Hey hey Kiddies! (Goofy Laughter)

Nico: Nice team Krusty!

Krusty: Thanks Nico! This is fun.

Me: It sure is.

?: I'll say!

Then a Star Man came.

Me: Whoa! Star Man!

Eddy: Wow! That is awesome!

Star Man: (In a girls voice) I'm ready for some stars and fun.

Nico: Serena Star! Wow!

Qin: Awesome! Star Queen Serena!

Serena Star: Good to see you guys again Nico and Qin. I got this.

She fired a ring of stars and it hit Another Shiv and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it.

Me: Awesome.

Serena Star: YEAH!

Me: Oh now that we're into the robots of Mega Man 5 we are back to the Fashion Brigade moving in.

Serena Star: Yep I am naked as a jaybird.

Me: Oh boy.

I put on my Blind Man Glasses.

Nico: Then you know this will hurt.

Serena Star: I know. I'm ready.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over and pain and then she threw up and fired a blast of stars and they slashed May's clothes into ribbons! LEAVING HER ONLY IN HER UNDERWEAR!

May: (SCREAMS)

Serena reverted back and was a girl with blond hair, blue eyes and had star angel wings and had a star symbol in the middle of her forehead.

Serena Star: (Groans) That hurt really bad. (GASP) Oh my god! Sorry May!

May: It's fine!

Serena Star: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her purple and yellow clothes and she had awesome star bracelets and a star kanji barrette too.

Serena Star: Wow! I look amazing.

Nico: You sure do.

Serena Star: Wow and the star barrette and bracelets are perfect for this attire.

May: Ahem!

Rarity: Oh my goodness! Sorry May.

They gave her new clothes too and she looked great as well.

May: Ahh thanks guys.

Maria: You're welcome.

Serena Star: Boy I think my fellow Robot Master gene-slammers are gonna have to watch where they aim their attacks when they throw up.

Nico: Yeah no kidding there.

Maria: I guess it can't be helped.

Me: Yeah no kidding.

Serena Star: Yeah.

Nightscream: Do you have any favorite memories of Nico?

Serena Star: As a matter of fact I sure do. Me and Nico were at space camp and I was looking through the new virtual reality telescope in the Observatory and I found an awesome new solar system in the constellation of Phoenix the Firebird. It's called the Phoenix Tau Epsilon Star System.

Nicole: Whoa! That solar system is a system full of violent storm gas giant planets in orbit around 8 suns.

Me: Wow! That is amazing!

Nico: Yep.

Serena Star: Yeah and it was located 52,000 lightyears from Earth.

Me: Wow! That is amazing that you guys found a system like that.

Eli: And at so far away too.

Nico: It sure was awesome.

Nico and Serena hugged.

Nico: I've missed you Serena.

Serena Star: Me too Nico. Me too.

We went back home.

And our main target is none other than another old enemy of ours, Princess Ahmanet, who has come back seeking revenge on us, but she no longer has the powers given to her thanks to her deal with Set, so we're going to destroy her and send her straight to The Black Gates for the crimes she committed against Egypt 5,000 years ago.

Lincoln: Wow, we're here in Austin, Texas, and I know what we're going to do here, not only am I going to rescue the eight girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also going to kill our main target, and it's one we wished we'd never have to deal with again.

Me: Wait, you mean?

Lincoln: Yes, J.D., our main target is none other than another old enemy of ours, Princess Ahmanet, who has come back seeking revenge on us, but she no longer has the powers given to her thanks to her deal with Set, so we're going to destroy her and send her straight to The Black Gates for the crimes she committed against Egypt 5,000 years ago.

Lynn Jr.: She's had this coming for millennia.

Eli: You said it, she, Imhotep, and Anuck-Su-Namun committed truly the worst crimes against Egypt and the world for over 5,000 years.

Suddenly, we saw a beautiful and super sexy girl with long white hair and white tiger ears on top of her head and white tiger tail, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive metallic angel wings, she has on a necklace with green gem pendant, and she was dressed in a sleeveless grey vest, sleeveless grey top, grey skirt with the White Tiger on it, white pants, white legwarmers, white sneakers, and long white sleeveless trenchcoat with stars, metal, white tigers, phoenixes, and angels on the coattails and on the back is Baihumon, Digimon Sovereign of Metal, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Byakko Baihumon, Avatar and Ambassador of Baihumon, The Digimon Sovereign of Metal and Byakko the White Tiger of The West.

Byakko Baihumon: That's right, and I know where the girls are being held.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The Kingdom Nightclub.

Me: The Kingdom Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy.

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, we can get after Ahmanet.

We left the Kingdom Nightclub.

?: (Speaking in Ancient Egyptian) You shall all pay for what you've done in ruining my plans to rule the world, Team Loud Phoenix

Then, Lincoln ran at Ahmanet, and he turned his left gold-armored claws into mosaic Life-Sucking Claws and he plunged them into Ahmanet's stomach and he began sucking out and absorbing and assimilating her flesh, organs, and vital fluids as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Then, as soon as he was done, Ahmanet was left as a emaciated, desiccated, and decayed corpse, and he sent her corpse To the M.O.E. We cheered as we holstered our weapons and powered down.

Lincoln: You've had this coming for over 5,000 years, Ahmanet, never come back again, traitor of Egypt. (To Byakko Baihumon) And it's so good to see you again, Byakko Baihumon.

Byakko Baihumon: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Byakko Baihumon and he hugged her, and Byakko Baihumon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Byakko Baihumon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man,

but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Byakko Baihumon, Avatar and Ambassador of Baihumon, The Digimon Sovereign of Metal and Byakko the White Tiger of The West, she's my Guardian Angel from New York, and she's a very powerful master of metal and white tigers because she was born under the symbol of The White Tiger, and ever since her birth, she represents The White Tiger of The West, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The White Tiger, she was also made The Avatar and Ambassador of Baihumon, The Digimon Sovereign of Metal and she has all his powers over metal and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, Nature, and Light and Darkness.

Zoey Zhuqiaomon: She's known as The Metallic Fury of Baihumon because any villain who dares to cross her shall be slashed into pieces, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon a storm of blades and leave nothing of them in her wake.

Me: Jeez, so any who anger her wind up getting sliced to ribbons, sheesh.

Nico: And we know how powerful Baihumon is: any who dare to anger The Sovereign of Metal will be sliced to ribbons.

Lincoln: That's right, and Byakko's birth under The Sign of The White Tiger of The West made her connection to Baihumon all too clear.

Byakko Baihumon: And me being a master of White Tigers and metal also made it all too clear as well, and I was indeed honored to be chosen to be the Avatar and Ambassador of Baihumon and The White Tiger of The West.

Lincoln: You were chosen to be Baihumon's champion since the day you were born, that was no coincidence, he knew of how powerful you are, and he chose you for a reason, and now that you're here, Byakko.

Lincoln went up to and hugged Byakko Baihumon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Byakko Baihumon: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Byakko Baihumon's neck with white gems on the gold lightning bolts and white crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Byakko Baihumon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Byakko Baihumon.

Byakko Baihumon had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Chastity Marks from the Chastity comics, Lady Death from the Lady Death comics, and Saori Kiryuu, Sawa Kiryuu, Momoka Nakayama, Aoi Ubukata, Haruka Ichinose, and Ayumi from High School Girls' Waists.

Lincoln: Oh wow, it's Chastity Marks from the Chastity comics, Lady Death from the Lady Death comics, and Saori Kiryuu, Sawa Kiryuu, Momoka Nakayama, Aoi Ubukata, Haruka Ichinose, and Ayumi from High School Girls' Waists.

Brittney: (Gasps) Chastity Marks and Lady Death, I've heard about them all too well, Chastity Marks is a vampire who was trained to be a vampire slayer and Lady Death is a powerful goddess of Hell, these two are legendary heroines who've fought against the forces of darkness.

Nicole: Brittney's also been wanting to meet them for a long time ever since Vampirella told her about them.

Lincoln: Looks like Brittney's gotten her wish. And are you girls okay?

Chastity Marks: Yeah, we're good, thanks to you for saving us from that crazy bitch.

Then, when Chastity Marks and the other seven girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Princess Ahmanet, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of

Lady Death: Ah, so you're Lincoln Loud of Team Loud Phoenix Storm, the one who killed Sakkara otherwise known as Purgatori.

That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Saori Kiryuu: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chastity Marks, Lady Death, Saori Kiryuu, Sawa Kiryuu, Momoka Nakayama, Aoi Ubukata, Haruka Ichinose, and Ayumi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main target was another of our old enemies and one we hoped never to see again: the evil powerhungry Princess Ahmanet, who had come back from the dead seeking revenge on us.

But, when Lincoln showed what we did in tickling those two wolves at The Kingdom Nightclub and then us thrashing Ahmanet, and finally, Lincoln using his Life-Sucking Claws to absorb and assimilate her organs, life energy, and vital fluids reducing her to a desiccated corpse forever and banishing her to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Byakko Baihumon have a lot of catching up to do, now that she's back in town.

Maria: (GASPS) So, Ahmanet came back?!

Nico: She did, but she didn't have her powers from when she made her deal with Set.

Me: But, that didn't stop us from killing her in the end. Lincoln used his Life-Sucking Claws and he'd sucked out her life force.

Lincoln: And assimilated her flesh, organs, and vital fluids as well. Now, Ahmanet, the last of the Three Ancient Blasphemers of Egypt, is finally gone for good.

Eli: You said it.

Me: And is under the servitude of the M.O.E. As Cleopatra Pharaoh's archenemy.

Cody: And that was a good name for them, Lincoln: Ancient Blasphemers of Egypt, because those three indeed committed truly horrible crimes that were blasphemous, the Gods of Egypt punished them for their sins. Now, they are finally gone for good: doomed to be eternally forgotten.

---

After finally getting rid of Princess Ahmanet and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Byakko Baihumon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Byakko Baihumon: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Byakko, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Byakko Baihumon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Byakko Baihumon: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Byakko, what memories did you have with Lincoln?

Byakko Baihumon: There is a video I have with one memory I have with Lincoln, and this was at our blacksmith's forge near our gym.

Byakko Baihumon played a video on the screen, and we saw Lincoln and Byakko Baihumon along with the rest of his Guardian Angels and harem are at their blacksmith's forge near their gym, and Lincoln who was only in a pair of black pants and shirtless and Byakko who was in a sleeveless crop top and black pants were really hard at work and drenched in sweat forging awesome greatswords, and they also used indestructible metals when forging the greatswords.

Past Lincoln: These new greatswords that we're making are some of our greatest work yet.

Past Byakko Baihumon: You said it, Lincoln, and we've been making many more greatswords in the blink of an eye.

MONSTROUSLY LOUD BELCH!

Past Byakko Baihumon: What the Hell was that?! (Sniffs) Ugh, and why does it smell like B.O., gym socks, and feet?!

Past Lincoln: Oh no, not this again, Lynn!

Suddenly, the doors burst open, and there in the doorway was Lynn who was out for blood once more and she was in the worst of her animalistic rage!

Past Lincoln: That's it, I've had it up to hear with you, you filthy animal!

Lincoln grabbed his already forged greatsword: it was an awesome work of craftsmanship, a massive greatsword with embedded orange gems and a Thunderbird, Buffalo, Phoenix, and Angel etched on the 7'6", massive, wide, double-edged indestructible silver blade, large silver buffalo heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large silver buffalo heads with orange gems for eyes and on the bottom is a large silver wolf head with orange gems for eyes and orange gem in its' mouth for the pommel.

He spread his massive white angel wings and stood ready like a brave warrior of fantasy and myth.

Past Lincoln: Bring it on, you filthy animal!

Past Lynn: (MONSTROUSLY LOUD BURP)

Lynn charged at Lincoln who stood ready with his massive greatsword, and he dodged all of her rage-driven strikes with ease, she fired a blast of earth at him, but he fired blasts of lightning with massive swings of his massive greatsword and the lightning blasted all the rocks to dust and electrocuted Lynn and sent her flying into a tree. Lynn got back up, and she was beyond enraged, she roared like an animal and beat her chest like a gorilla.

Past Laney Emperyous: You filthy animal, I hope Lincoln rips you to shreds for this!

Lincoln flew and charged at Lynn, and with multiple swings of his massive greatsword, he shredded Lynn's clothes leaving Lynn only in her bra and panties. His Guardian Angels then burst out laughing hysterically, and when Lynn saw the reason, she screamed and glared at Lincoln and his Guardian Angels with extreme hate.

Past Lynn: (GROWLS)

Past Lincoln: Had enough, you animal?! Then, leave and never come back!

Lynn roared with rage and went at Lincoln again only to receive a superhuman strong uppercut from Lincoln and he sent her flying back to The Loud House and she crashed into a net Luna made, and she was dragged back into The Loud House to face her doom as the video ended.

Nico: Damn, so you guys were busy forging those greatswords, and out of nowhere, Lynn came to kill you all.

Me: Hey, I remember that day all too well. Sheesh, Lynn really wasn't a match for Lincoln.

Luna: She sure wasn't, and Lincoln showed his skills with wielding that massive greatsword of his that he forged himself.

Nicholette Torrington: Lynn had no chance against him, he fought that animal and won.

Byakko Baihumon: And he literally sent her flying back to The Loud House to face her doom. We were about to kiss him, but he was really drenched in sweat and working, so we got ourselves a shower and then, we kissed.

Lincoln: We were going to test out the newly forged greatswords in missions in The Simulator, but Lynn showing up and out for blood proved to be a surprise, but Lynn got her comeuppance and got her butt grounded for nineteen weeks and we threw her in a cage.

Bertha Sellington: She acted like the animal that she is: banging on the cage and roaring with rage at us, but some of us had the gall to give her the finger, right, Nicholette?

Nicholette Torrington: Don't blame me, everyone else did it, including you, Bertha.

Camie Nicholetta: She's right, you even gave her a double hander and really pissed her off. I'm just lucky none of us had our fingers torn off by that beast.

Simulator Yomi: Wow, so this is Sirena Beach, it sure is beautiful.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Aki Akatsuki the Red Slime, Ariana the Banshee, Athena the Amazoness, Brunhilda the Valkyrie, Cerita the Oomukade, Cira the Holstaur, Corina the Creeping Coin, Cryos the Glacies, Cyara the Wonderworm, Devona the Ratatoskr, Fionia the Tentacle, Fumiko Tsuchikawa the Kitsune-Tsuki, Galus the Humpty Egg, Haous the Kitsune-bi, Honia the Hornet, Jeevika the Apsara, Julia Kadias the Flow Kelp, Karumi the Succubus, Kirato the Werebat, Kiyome the Sea Slime, Levion the Barometz, Lhotwe the Ant Arachne, Lorica the Dark Matter, Loviya the Angel, Loviya the Black Harpy, Mai the Kamaitachi, Mari the Queen Slime and Lina and Lora the Blue Slime, Miannda the Thunderbird, Mikomata the Nekomata, Mina the Gandharva, Nakiya and Nikila the Liliraune, Naoko Shin the Phantom, Naomi the Nureonago, Narina the Mermaid, Nayari the Nereid, Nayori the Trumpart, Nima the Cupid, Niora the Nightmare, Noriko the Owl Mage, Olma the Sea Bishop, Pelea the Lava Golem, Pyris the Ignis, Sacajawea Oresdottor the White Horn, Seamia the Cancer, Selia the Selkie, Sherryia the Shoggoth, Siyana the Sandworm, Suriko the Titania, Vekora the Jubjub, Viania the Beelzebub, and Yomi the Lich and they hugged the girls in their abnormally massive and powerful muscular arms.

They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, one hundred-twenty one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Aki Akatsuki the Red Slime, Ariana the Banshee, Athena the Amazoness, Brunhilda the Valkyrie, Cerita the Oomukade, Cira the Holstaur, Corina the Creeping Coin, Cryos the Glacies, Cyara the Wonderworm, Devona the Ratatoskr, Fionia the Tentacle, Fumiko Tsuchikawa the Kitsune-Tsuki, Galus the Humpty Egg, Haous the Kitsune-bi, Honia the Hornet, Jeevika the Apsara, Julia Kadias the Flow Kelp, Karumi the Succubus, Kirato the Werebat, Kiyome the Sea Slime, Levion the Barometz, Lhotwe the Ant Arachne, Lorica the Dark Matter, Loviya the Angel, Loviya the Black

Lily the Mermaid: Whoa, now the Simulator versions of Aki Akatsuki the Red Slime, Ariana the Banshee, Athena the Amazoness, Brunhilda the Valkyrie, Cerita the Oomukade, Cira the Holstaur, Corina the Creeping Coin, Cryos the Glacies, Cyara the Wonderworm, Devona the Ratatoskr, Fionia the Tentacle, Fumiko Tsuchikawa the Kitsune-Tsuki, Galus the Humpty Egg, Haous the Kitsune-bi, Honia the Hornet, Jeevika the Apsara, Julia Kadias the Flow Kelp, Karumi the Succubus, Kirato the Werebat, Kiyome the Sea Slime, Levion the Barometz, Lhotwe the Ant Arachne, Lorica the Dark Matter, Loviya the Angel, Loviya the Black Harpy, Mai the Kamaitachi, Mari the Queen Slime and Lina and Lora the Blue Slime, Miannda the Thunderbird, Mikomata the Nekomata, Mina the Gandharva, Nakiya and Nikila the Liliraune, Naoko Shin the Phantom, Naomi the Nureonago, Narina the Mermaid, Nayari the Nereid, Nayori the Trumpart, Nima the Cupid, Niora the Nightmare, Noriko the Owl Mage, Olma the Sea Bishop, Pelea the Lava Golem, Pyris the Ignis, Sacajawea Oresdottor the White Horn, Seamia the Cancer, Selia the Selkie, Sherryia the Shoggoth, Siyana the Sandworm, Suriko the Titania, Vekora the Jubjub, Viania the Beelzebub, and Yomi the Lich are in your harem.

We counted and when we found out fifty-five girls joined Lincoln's harem in one day, our jaws dropped!

CLANG!

Eli put our jaws back.

Nico: Fifty-five girls joining your harem in one day?! Damn, now you really broke the record, White-Haired Casanova!

Simulator Miia: Yes, now more of my friends have joined Linky's harem.

Miia: Just like how we joined J.D.'s harem.

Me: And how our Universe 666 counterparts have joined my Universe 666 counterpart's harem, and I can guess he marked you all.

The girls showed the bite marks of Lincoln on their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Aki Akatsuki the Red Slime, Ariana the Banshee, Athena the Amazoness, Brunhilda the Valkyrie, Cerita the Oomukade, Cira the Holstaur, Corina the Creeping Coin, Cryos the Glacies, Cyara the Wonderworm, Devona the Ratatoskr, Fionia the Tentacle, Fumiko Tsuchikawa the Kitsune-Tsuki, Galus the Humpty Egg, Haous the Kitsune-bi, Honia the Hornet, Jeevika the Apsara, Julia Kadias the Flow Kelp, Karumi the Succubus, Kirato the Werebat, Kiyome the Sea Slime, Levion the Barometz, Lhotwe the Ant Arachne, Lorica the Dark Matter, Loviya the Angel, Loviya the Black Harpy, Mai the Kamaitachi, Mari the Queen Slime and Lina and Lora the Blue Slime, Miannda the Thunderbird, Mikomata the Nekomata, Mina the Gandharva, Nakiya and Nikila the Liliraune, Naoko Shin the Phantom, Naomi the Nureonago, Narina the Mermaid, Nayari the Nereid, Nayori the Trumpart, Nima the Cupid, Niora the Nightmare, Noriko the Owl Mage, Olma the Sea Bishop, Pelea the Lava Golem, Pyris the Ignis, Sacajawea Oresdottor the White Horn, Seamia the Cancer, Selia the Selkie, Sherryia the Shoggoth, Siyana the Sandworm, Suriko the Titania, Vekora the Jubjub, Viania the Beelzebub, and Yomi the Lich, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Flip Swap Galaxy is next.

Me: Ooh! That one's a tricky one!

Qin: Yeah!

Pinkie Pie: Me and Piper can go with you on that one Nico!

Nico: Okay then.

They went in and the simulator activated and they were at FLIP SWAP GALAXY!

Pinkie Pie: This is gonna be amazing!

Piper: It sure will be!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well whenever Mario would do the star spin the path would switch colors on the platforms. Hence why it's called Flip Swap Galaxy. You just got to fly to the end to get the star.

Nico: Easy.

Pinkie Pie: It'll be fun!

Nico: Let's test the platforms out.

Nico did a star spin and just like Nicole said, the platforms switched when it was used.

Pinkie Pie: Wow!

Piper: Wow this will be tough!

Nico: Let's also watch out for Goombas.

?: And I'll help you guys deal with them.

A girl came and she had red hair, green eyes, blue clothes and red angel wings and had a tiara with symbol of the Operation Overdrive Rangers on it and the same symbol on her skirt and she had a Drive Lance in her hands.

Bianca Boukenger: Bianca Boukenger, Embodiment of the Operation Overdrive Rangers.

Nico: Awesome to meet you. You can tell us about yourself late. Lets go get that star.

They were off and then they saw a bunch of Goombas.

Nico: (gets out Shiv and Dark Laser's Ridewatches) Taste my blades!

Nico activated them and fired blades of energy and slashed the Goombas.

Bianca and Piper fired waves of energy and fire and blasted the Goombas.

Pinkie Pie: PARTY TIME!

She fired Confetti Blasts and blasted the Goombas.

Piper: My turn! PHOENIX TAKE FLIGHT!

She fired a wave of energy and it formed into a Phoenix and it burned the Goombas.

They then saw the Star!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Bianca Boukenger: That was fun!

They high five!

Pinkie Pie: BEST LEVEL EVER!

Piper: That was fun!

Pinkie Pie: Tell us more about yourself

Bianca Boukenger: I'm a Construction Worker as well as a rescue operations manager and I help save people's lives.

Nico: That is cool.

Bianca Boukenger: It sure is awesome.

Nico: Would you like to join the team?

Bianca Boukenger: I would be honored.

They left and we cheered wildly for them.

---

Nicole and the Mascots were on patrol.

Nicole: So far everything seems quiet and normal.

Poliwag: Yeah.

Poromon: Guys, do you hear sounds coming from that building?

They saw an abandoned bar.

Nicole: That bar has been abandoned for a long time. But yeah there are people in it.

Nicole heard that they were woman and the smell of Alfalfa was in the air.

Nicole: Marijuana. That's a hooker joint.

---

At the estate we were watching TV.

But then…

PING!

Nico: My mascot senses are tingling!

Lana: Admit you just made that up!

Nico: No I didn't. Lets go!

We were off to where Nicole and the Mascots were.

---

At the abandoned bar they went in and saw girls dressed in provocative clothing and they were smoking, drinking and using cocaine, marijuana, ecstacy and more.

Nicole: This is a dangerous place. Okay you bitches you are in a lot of trouble!

Poromon: YEAH! And don't even think about using us as sex toys!

Manaphy: Or else!

Hooker: Look! A puff ball!

The hooker hopped on Poromon.

But Nicole punched her face and knocked her down!

Poromon: I warned you! (ECHOING) LIGHTNING JAVELIN!

He fired a massive lightning blast and electrocuted the girls.

Manaphy: Take that!

Manaphy bashed and pulverized the girls all over!

Manaphy then got squeezed in between a girls breasts.

She then bashed the girl and knocked her down.

We landed in the slums.

Me: Whoa this place is a dump.

Izzy Moonbow: Muscle Man, have you seen the mascots at all today?

Muscle Man: Yeah, and you know who else has seen the mascots today?

Me: I think I know what's coming.

Muscle Man: MY MOM!

We laughed!

Then we heard sounds of fighting and it was coming from the abandoned bar.

The girls were piling up outside in a brutal mess and then we saw Nicole and the Mascots standing on top of the pile of them.

Sheila and Tom came.

Sheila: Well I'll be! We've been after these girls for years. They are the Black Succubus Gang and they are nasty street hookers wanted for numerous crimes.

Nicole: Whoa!

Tom Lair: Nice job guys.

We raided the bar and saw that it was full of all kinds of terrible things. Drugs, beer and more.

A hooker puked on Horsea.

Horsea: OH YUCK!

She fired ink into the Hooker's eyes.

Poliwag slapped a hooker all over.

Jirachi and Tentacool blasted the hookers all over.

We arrested the hookers.

Me: You girls are going to prison for the rest of your lives.

Nico: Yeah!

Maria: And you bitch!

POW!

She punched the hooker that puked on Horsea

Hooker: I need to pee.

She peed on Poliwag but he got out of the way.

G1 Thrust: You know you're just digging yourself a deeper hole, right?!

Nico smashed the girl down.

We locked them all up.

Me: You girls are really going to the slammer now.

We loaded them all up and got them sent to prison.

Me: They will get life for it.

Nico: You guys okay?

Poliwag: Yeah we're fine.

Nico: Good.

Strafe: Tell me the things they did to you guys.

They did so and it was crazy!

Nicole: And that is what happened.

May: WHY THAT DIRTY BITCH!

Poromon: We need to shower. Badly!

Nico: Okay then.

We had them brought back and they went to the shower.

Riku: Nico, who gets to shine today?

Nico: Arkayna, Draco, Goku, Lori Loud, Cornelia, and Natalia Somonmenchikov.

Me: Awesome!

Goku: (LAUGHS) I'm excited for this!

Qin: We all all are!

Nico: Yeah!

The mascots came back.

Lori: (to the mascots) Are you guys literally okay now?

Poromon: Yeah we're fine.

Poliwag: Thank goodness.

Nicole: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Mud Monsters from You Can't Scare Me, and they've returned and they're causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Mud Monsters from You Can't Scare Me, and they've returned and they're causing havoc once more

We gasped.

Nico: The Mud Monsters, I knew it was going to be them, I just knew it.

Me: Now, Slappy's really starting to piss us off even more.

Lana: Oh this is gonna be awesome!

Me: And messy.

Lincoln: But, with every Goosebumps Monster that we take down, we wind up pissing off Slappy even more.

Nico: You bet. Let's head down to help Courtney King and Eddie destroy The Mud Monsters.

Me: Right, and when we tell them Slappy was behind this, they're going to throw him straight into a woodchipper.

Qin: Yep.

I went and got the book You Can't Scare Me.

Me: This was a REALLY MESSY one.

Nico: Yeah we were saturated in mud.

Qin: Yeah! Yuck!

Lana: I liked it.

Lynn: (to the mascots) Sorry you guys had to see those hookers.

Horsea: It's all right.

Nico: Good.

The previous group came.

Zzzax: Can me, Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Professor XXXL, Grizzly, BlackWarGreymon, Salami Swami, and Machinedramon go with you guys?

Nico: Yes you all can come with.

Me: The mud men from You Can't Scare Me are next.

Grizzly: Oh boy. This will be messy.

Camie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Mud Monsters from You Can't Scare Me, and they've returned and they're causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Mud Monsters from You Can't Scare Me, and they've returned and they're causing havoc once more

We gasped.

Nico: The Mud Monsters, I knew it was going to be them, I just knew it.

Me: Now, Slappy's really starting to piss us off even more.

Lincoln: But, with every Goosebumps Monster that we take down, we wind up pissing off Slappy even more.

Nico: You bet. Let's head down to help Courtney King and Eddie destroy The Mud Monsters.

Me: Right, and when we tell them Slappy was behind this, they're going to throw him straight into a woodchipper.

Nightshade: Nico, which Gene Slammer do you think you'll meet next?

Nico: Crystal Man next.

Qin: Awesome.

Nico: Cool.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Harold Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Harold Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Helia Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to the other male Seraphina assholes yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Courtney King and Eddie destroy the Mud Monsters, and tell them of Slappy's part in bringing them back.

Lincoln: That dummy's really gone way too far this time. We've got to head down to help Courtney King and Eddie destroy the Mud Monsters, and once we get done with them and exposing Slappy's actions behind this, you're next, Harold Seraphina.

Helia Seraphina: You better be ready to bleed, Harold Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Courtney King and Eddie destroy the Mud Monsters and tell them of Slappy's part in bringing them back from the dead, and once we got done with destroying the Mud Monsters, Lincoln and Helia Seraphina are going to destroy Harold Seraphina, the next of The Seraphina Sisters' evil cousins.

We were off to the swamp in the northeast of the city.

---

We were over at Skunk Swamp.

Mumbo: It was a few days before we killed Mr. Mind when we were here.

Patty: It sure was.

Qin: Yeah no kidding.

Lola: About a week before that I think.

Me: Yeah that's right.

Cassandra: Courtney! Eddie! Are you guys here?!

We saw a swamp cabin.

Me: That's the Gunderson Clan's old house.

Nico: I remember that.

Me: Yep. After we threw them in prison it was left vacant. They must've bought the place and refurbished it.

Xenia: Yeah.

We went over and knocked on the door.

Courtney King answered.

Courtney King: Hey guys!

Eddie King: Wow! You all made it.

Me: Sorry we haven't see you all in a while.

Selma: How have you guys been?

Courtney King: Living a peaceful life. After you guys destroyed the mud monsters we moved into the Gunderson Clan's old house.

Eddie King: Yeah it's a cool place.

Me: It sure is. Also I take it you guys saw us battle Team Dark Phoenix Storm back then right?

Qin: Yeah.

Courtney King: I think I understand.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Harold Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Harold Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Harold Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Harold Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Helia Seraphina: That was all your doing along with the doing of your brothers, Harold, and now, you shall threaten mankind and the world no more.

Aurora Seraphina: And you and the rest of those asshole had this coming for a very long time.

Suddenly, Helia Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, hydras, phoenixes, and angels, she unholstered her massive Hazy Flame Hydra-themed greatsword from her back, and as she approached Harold Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, hydras, phoenixes, and angels with every step.

Helia Seraphina: Never did I expect to ever see you again, Harold. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Helia Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are hydras, phoenixes, angels, and Hazy Flame Hydra flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Harold Seraphina: the red eyes of death. Then, as the vortex faded, Helia Seraphina emerged, but she was changed forever.

Helia Seraphina grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large fire-colored orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and an orange yellow and crimson red energy aura with stars, fire, flames, fire magic, hydras, phoenixes, and angels surrounding her, she has Hazy Flame Hydra along with The Hydra emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws, she also Hazy Flame Hydra with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red hydra-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Helia Seraphina has on a sleeveless crimson red vest, sleeveless crimson red crop top, crimson red skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, fire magic, hydras, phoenixes, and angels on the coattails, and on the back is Hazy Flame Hydra and The Hydra surrounded by flames. Suddenly, Helia Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Helia Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Helia Seraphina's Hazy Flame Hydra-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, hydras, phoenixes, and angels, and when it emerged, it was transformed into Helia Seraphina's Eternal Fire Inferno Hazy Flame Hydra Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Hydra Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Hazy Flame Hydra etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red hydra heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red hydra heads with orange gems for eyes and on the bottom of the large hydra heads is a large crimson red hydra head with orange gems for eyes and orange gem in its mouth for the pommel, Helia Seraphina has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Hazy Flame Hydra's heads with crimson red gems for eyes and large crimson red gems in its mouths for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Hazy Flame Hydra and the Hydra that said, "Helia Seraphina, Gene-Slammer of Hazy Flame Hydra, Master of The Powers of Fire and Fire Magic, True Immortal and

Powerful Warrior of The Universe, Loving Sister of Stella, Hestia, Nuria, Elaine, Ember, Helia, and Bridget Seraphina, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Boboo, Destroyer of Harold Seraphina, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Flames, Fire Magic, Hydras, Stars, Phoenixes, and Angels"

Suddenly, Helia Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Helia Seraphina has transformed into SUPER ANGEL-HAZY FLAME HYDRA-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME HYDRA PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME HYDRA PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME HYDRA PHOENIX ANGEL LOVE!

We were really amazed by Helia Seraphina's Super Angel-Hazy Flame Hydra-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Harold Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Helia Seraphina absorbed it and it made them even stronger than ever, and Helia Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, hydras, phoenixes, and angels which hits Harold Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Bridget Seraphina: Oh man, Helia's transformed, now things are really going to heat up now!

Lincoln: That's right, Helia Seraphina's transformed into her Super Angel-Hazy Flame Hydra-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Harold Seraphina.

Helia Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Hydra Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Hydra Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf

Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Helia Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Harold. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Aurora Seraphina: You are done for, you piece of shit!

Helia Seraphina and Lincoln went after Harold Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Helia Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Harold Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Helia Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Harold Seraphina even more madder with rage.

Harold Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Harold Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Helia Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Harold Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Harold Seraphina were his clothes. Then, an energy card with Harold Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Helia Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Helia Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Helia Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Helia.

Suddenly, Helia Seraphina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Helia Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Hydra, and Hazy Flame Hydra flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Helia Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's another of those destructive assholes put down, and only one more to go.

Aurora Seraphina: And that asshole is none other than Brian Seraphina.

Lincoln: Yep, and now, Slappy's losing the last of his hired help.

Aurora Seraphina: Those idiots should've known Slappy wasn't going to live to his end of the bargain, he was going to double cross them and kill them in the end.

Me: Those losers seriously had no idea of what they got themselves into when they allied with that dummy. So, Lincoln, who's the next Avatar and Ambassador of The Digimon Sovereign and The Four Symbols are we meeting tomorrow?

Lincoln: That's an easy one, J.D.: Genbu Ebonwumon, Avatar and Ambassador of Ebonwumon, The Digimon Sovereign of Nature and Genbu the Black Tortoise of The North.

Zoey Zhuqiaomon: I knew it'd be her next, and you guys will like meeting her, Genbu Ebonwumon is Lincoln's Guardian Angel from Ireland, and she's a very powerful master of nature and tortoises because she was born under the symbol of The Black Tortoise, and ever since her birth, she represents The Black Tortoise of The North, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The Black Tortoise, she was also made The Avatar and Ambassador of Ebonwumon, The Digimon Sovereign of Nature and she has all his powers over nature and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, Nature, and Light and Darkness.

Seiryu Azulongmon: She's known as The Irish Natural Fury of Ebonwumon because any villain who dares to cross her shall face Nature's full fury, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would smash them into dust with the powers of nature.

Me: (GASPS) You mean one wrong move, and you'll be…?!

Nico: Facing the wrath of Mother Nature herself. (Shudders) This is one Guardian Angel you don't ever want to cross.

We were completely covered in mud.

Steam Smythe: That's it for the mud monsters.

Black Adam: This wasn't the cleanest mission ever.

Radioactive Man: But it was worth it.

Felix Faust: It sure was.

Lana: And I loved it! I thought it was awesome.

David Cain: Now for you guys to take showers.

Nico: No kidding! But great job today everyone.

Qin: This was awesome.

Lana: (To the viewers) This was an awesome adventure.

We later went back home and had a shower.

Meanwhile SLAPPY WAS BRUTALLY ENRAGED!

Slappy: THOSE REPULSIVE AND MONSTROUS LOSERS! I HATE THEM SO MUCH!

Lord High Executioner: Well, they're still dirty. So, that's something, right?'

Slappy: That is true. They are filthy

Me: But being dirty comes with the job description.

Lola: Yeah no kidding. You got to get dirty at some point in the Superhero Business.

Xenia: That is true.

Rarity: It sure is.

Nico wiped the mud off.

Nico: That is true guys. Even superheroes got to get their hands dirty.

Maria: I'd say that I never want to get that dirty again. But I'm only kidding myself at this point.

Me: Yeah no kidding. But it was good seeing Courtney and Eddie again.

Lola: Yeah. It sure was. I'm amazed they live in the Old Gunderson clan house now.

Me: Me too.

Camie: Remind me who the Gunderson Clan was?

Me: Oh they were a clan of hillbillies that lived in Skunk Swamp not far from Scratchy Bottom Campgrounds. They were pure evil hillbillies and they loved to cause trouble.

I went over who they were and they were bad news and I told them how I arrested them and sent them to prison forever.

Nico: Right! I remember them! Boy those guys were REALLY bad news!

Camie: GEEZ! They sure were.

Lola: Yeah.

Nico: But that is cool though.

Zoe Lee came to us.

Me: Zoe!

Chloe Bourgeois: Zoe? Is something wrong?

Zoe Lee tried to speak. But no sound came out.

We gasped!

Nico: Her voice is gone!

Varie: Let me take a look.

She looked her over and saw nothing wrong with her.

Varie: There's nothing wrong with her.

Me: This is definitely the work of Silencer! In that case KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Awesome!

Lincoln: Okay, guys, as much as any of us don't even want to do this, but we've got ourselves a huge emergency: we got word that

Bob Roth is being attacked by a clone of Silencer.

We gasped.

Nico: Oh man, of all the people to wind up in danger, Bob Roth is literally the last person we want to save.

Me: Yeah.

Lincoln: And of course, this clone of Silencer was sent by that dummy, Slappy.

Chloe: Figures that dummy was responsible for this.

Just then, Marinette's team and friends arrived.

Marinette: I should've known that stupid dummy was responsible for it, and as much as none of us want to do it, but we got to begrudgingly save Bob Roth from the Silencer Clone.

Nico: However, that's not all, I asked Lincoln to send all the evidence of his crimes to The Paris Police Department.

Adrien: Wait, you what?!

Lincoln: Yep, but you'll have to wait until after we deal with The Silencer Clone. (Sensed for The Silencer Clone) AHA! Gotcha! The Silencer Clone's 20 yards away and closing fast on Bob Roth who intends to use one of us as a shield!

Me: SON OF A BITCH!

Nico: No way is he going to use one of us as a human shield!

Lincoln: I've already got plans for him.

Laney: Why the Hell are we even bothering to save Bob Roth from Silencer again?

Nico: Because that's what heroes do. We save people. No matter who they are. OR did you forget?

Me: Wait! I don't know the full extent of the story but can someone fill me in on who Bob Roth is?

Marinette: Oh sure J.D. He's Jagged Stone's former producer.

She told me and those that don't know all about him.

---

Robert "Bob" Roth is a supporting antagonist of Miraculous: Tales of Ladybug & Cat Noir. He is Jagged Stone's former producer and the owner of Bob Roth Records. He is also the father of singer XY.

In "Ephemeral", after he loses a penny, Bob is akumatized offscreen by Shadow Moth into Moolak, a golden safe supervillain.

In "Migration", when Luka refuses to be part of Bob Roth Records after he was nearly reakumatized by Monarch, Bob is akumatized by Monarch into Gold Record, a golden supervillain with the power to turn anyone into an LP record with his golden record, and is given the power of the Horse Miraculous through his Alliance ring. After his deakumatization, he refuses to take the Magical Charm from Ladybug.

---

When she was done we were shocked!

Me: Whoa! Gold Record would be perfect for the M.O.E. But man that is crazy! Normally I would agree with Laney on this but Nico is right. Even though I'm against it we have to do what we do best and that is protect the innocent.

Nico: That's right.

Spiderman: And we did take care of him before. It was after we teamed up with Marinette and her friends the first time.

Me: That's right! I remember that! That was Nico's first ever big mission where he lead the team.

Nico: That was fun. And it was cool.

Marinette: It sure was.

Chloe: Yep.

Nico: And Silencer was after him that time too.

Me: Deja-vu. But sorry guys I must not have been paying attention to who he was after back then.

Lola: Yeah.

Nico: That's okay though.

Qin: And back then we were under the effects of Dark Orb Contamination.

Lola: Yep.

Me: Silencer might not be alone too.

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Qin: He sure doesn't!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on getting after The Silencer Clone and Bob Roth.

We went to find him.

We went and found him.

Me: Whoa so he's Bob Roth. He sure is a big guy. And he's also not the most trustworthy of guys.

Bob Roth: About time! What are you waiting for? Get to work!

Bob Roth wanted to push Marinette forward, only for him to struggle, as Marinette stood there, unmoving.

Me: Tch! Rude!

Nico: Tell me about it.

Marinette: Are you really trying to push me? You do realize that me and my teammates all have superhuman strength, right?

Adrien: How is someone smart enough to rip off others so easily that dumb at the same time?

Silencer: (using Zoe's voice) Get out of the way, Team Loud Phoenix Storm. Bob Roth has this coming!

Me: Just like when we first met him.

Kit: No argument here. But we're not here to help him. We're here to help you. Kamen Rider!

Jason Lee Scot: It's Morphing time!

Zayto: Link to Morphing Grid!

They transformed!

THUNDERCLAP!

Jason: TYRANNOSAURUS!

Zayto: T-REX FURY!

Kit: DRAGON KNIGHT!

They were ready for action!

Me: First you got something that belongs to Zoe!

I fired a beam of energy and gave Zoe back her voice!

Zoe Loe: Wow! That was tough! Thanks.

Me: Top this! Time to dish out some real pain! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive and incredibly powerful vortex of searing fire and light!

It hit him and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Top this one! (ECHOING) WOLF MOON FLAME HOWL! 狼炎怒鳴り声

I swung my scythe and spun and fired a massive and powerful torrent of blue fire and hit Silencer as he got up and exploded with incredible power!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Silencer was blown into a watermelon cart!

Man: SACRE BLEU! NOT AGAIN! MY WATERMELONS!

He bashed Silencer all over with a baseball bat!

Kit: (LAUGHS) That is funny!

Zoe Lee: I thought I was gonna be mute forever.

Chloe Bourgeois: Trust me. You sound better with your own voice. And as for you, Roth, consider yourself… (sees him gone)… lucky.

Lincoln: Dammit, he got away!

Me: He won't get away for long.

Zocks: But if you send evidence of his crimes to the Paris Police Department, there will barely be anywhere he can hide.

Applejack: Yeah we'll go after him like a pack of wolves going after a herd of deer,

Nico: That is for sure. With us you can run but you can't hide.

Silencer decided to steal Donald Duck's voice)

Silencer: (using Donald's voice) You big palookas! If you didn't butt in, Roth would've got what he deserved!

Nico: Yeah, I know he did a lot of things not good. But he deserves to face justice, not what you're thinking of!

Me: That's right!

But Donald Duck's voice came back to him.

Donald Duck: STEAL MY VOICE WILL YOU!

He hit Silencer with everything including the kitchen sink!

BLANG BASH SMASH WHAM BIFF CRASH THUD!

Safes, rocks, boulders, houses and more!

Soundwave then appeared.

Soundwave: Remember me, Silencer?

Silencer gasped!

Qin: He remembers him!

Me: And who are you calling a BIG PALOOKA you big palooka!

I pulled out a can of spinach and popped it open and ate it and swallowed it.

BING! BONG!

I flexed my muscles and a planet exploding was in my muscles!

Me: YEAH!

I went over and bashed and pulverized Silencer all over!

BOP BOP BOP BOP BOP BOPBOPBOP!

I punched him all over the place Popeye style!

Silencer just stole Rumble's voice.

Silencer: (using Rumble's voice) Time for you to crumble, Rumble!

Frenzy: You okay, Bro?

Rumble tried to speak but couldn't.

Frenzy: Damn, even Cybertronians aren't safe from him!

But then his voice came back.

Rumble: WHY YOU DOITY LITTLE!

He fired energy blasts and smashed down Silencer.

Then Bob Roth came and he was about to use Marinette as a human shield, so her voice could be stolen, but Lincoln fired chains of light and shackled him.

Lincoln: We'll be dealing with you later.

Just then, Miia the Lamia and Steel Lynn arrived.

Metal Lynn: And we've already got the cops coming.

Miia: Your career's about to end here.

Suddenly, Bob Roth was surrounded by police cars, and then, we saw The Silencer Clone.

Silencer Clone: You! You! Why are you letting the police handle him?! He needs to pay with his own blood!

We were surprised that The Silencer Clone is talking on his own!

Me: WHOA! That is surprising!

Lincoln: Wait, you can now talk on your own? Should've known Slappy had a hand in that as well!

Silencer Clone: He promised me vengeance against Bob Roth, and I intend to do it!

Lincoln shackled him with chains of rainbow energy.

Lincoln: Do you really think Slappy will live up to his end of the bargain? No, he sees you as nothing more than a pawn in his sick twisted schemes, he's nothing more than a conniving manipulative freak who wants to cause mayhem and destruction and he's willing to use anyone he can, even creating you to go after Bob Roth who's already in trouble with the Paris Police, thanks to me handing them all of the evidence against him.

Nico: He's right. But, your desire for revenge has already clouded your mind, and you've left us no choice.

Metal Lynn: That's right, we've got no choice but to put you down for good.

Eli: Hey bro let me have some of that Spinach!

Me: Coming at you!

I gave him a can and Eli popped it open and ate it and swallowed.

GULP! DING! DONG!

HE FLEXED HIS MUSCLES AND THE DEATH STAR EXPLODING WAS SHOWN IN THEM!

Eli: YEAH!

Eli then punched him and bashed him all over!

Eli punched Bob all over like Popeye!

But then Bob Roth took this time to escape again, not pushing his luck.

Silencer: I would've gotten vengeance against Bob Roth if you all hadn't interfered!

Nico: Okay. So maybe he got away from our reach. But that doesn't matter. Thanks to Lincoln, all of Paris knows about his crimes. And sure, it might take a while. But eventually, he's gonna slip up and get himself caught by us.

Soundwave: Soundwave superior! Silencer inferior!

Me: That is for sure!

Suddenly, Metal Lynn's metallic silver eyes turned neon metallic silver, and she was surrounded by a metallic silver energy aura with stars, metal, steel, phoenixes, and angels, she unholstered her massive Metal Lynn's Metallic Silver Steel Greatsword of Steel Draconic Justice from her back, and as she approached The Silencer Clone, she left metallic silver energy, stars, metal, steel, phoenixes, and angels with every step.

Metal Lynn: It seems as though that no matter what any of us say to you, you're just going to block all our words out and still take revenge on Bob Roth. But, you need to realize once and for all that Slappy is and always will be nothing more than a conniving manipulative liar, and there's only one way we can do it.

Suddenly, Metal Lynn was surrounded by a massive vortex of metallic silver energy with stars, metal, and steel surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a chestnut brown phoenix with red eyes glaring at

The Silencer Clone: the red eyes of death. Then, as the vortex faded, Metal Lynn emerged, but she was changed forever.

Metal Lynn grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large metallic silver orbs orbiting around her legs, she has the body of a goddess, she has metallic highlights in the bangs of her long flowing chestnut brown hair which is no longer in a ponytail and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon metallic silver eyes and a metallic silver aura with stars, metal, steel, dragons, phoenixes, and angels surrounding her, she has a dragon holding the Metal Kanji in its claws emblazoned on her forehead and Third Eye with metallic silver, she has on dragon earrings with silver gems gems for eyes and holding the Metal and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with silver gems on the gold flame links and silver crystal links and a silver dragon-shaped Element of Harmony and below the Element of Harmony is a phoenix with silver gems for eyes and holding the Metal and Eternity Kanjis in its hands for the pendant, she has on a sleeveless scarlet red shirt with silver phoenix, scarlet red shorts with silver streaks on them, black knee-high combat boots, and long white sleeveless trenchcoat with stars, metal, steel, dragons, phoenixes, and angels on the coattails, and on the back is a dragon with sports items and metal surrounding them. We were amazed by Metal Lynn's Super Angel-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Silencer Clone saw it, he tried to bust out of the rainbow energy chains Lincoln shackled him in, but he couldn't, and Metal Lynn fired a massive barrage of metallic silver energy, stars, metal, steel, dragons, phoenixes, and angels and exploded with incredible power as they hit him, he got back up, but now, he was beyond enraged.

Metal Lynn: (Divine Echoing Godly Voice of The L-Emental Athlete Metal Steel Phoenix Angel and Divine Cosmic L-Emental Athlete Metal Steel Phoenix Angel Love) Looks like I've gone and made him mad now.

Me: You said it, and those were some really strong rainbow energy chains you shackled him in, Lincoln.

Lincoln: I've been getting better with creating stronger rainbow energy chains that are impossible to break out of, and perfect for someone like him.

Miia: Now, it's my turn to transform, and then, we're really going to beat him into the dirt.

Me: You got that right.

Lincoln: And if you're watching this, Slappy.

Nico and I gave Slappy the middle finger through a window Lincoln made and it got Slappy so mad, he went ballistic and started breaking everything in his house in a maddening rage.

Suddenly, Miia's amber eyes turned neon amber and she was surrounded by a bright red energy aura with stars, bright red flames, snakes, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Silencer Clone, she left bright red energy, stars, bright red flames, snakes, phoenixes, and angels with every slither.

Miia: Every single word that Metal Lynn said to you should've made you see that Slappy was nothing but a liar, but you know what, your desire for revenge has corrupted you, and it appears that there is no other way but to put you out of your misery, and piss Slappy off even more.

Suddenly, Miia was surrounded by a massive vortex of bright red energy with stars and bright red flames surrounding the vortex, there are snakes, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at The Silencer Clone: the red eyes of death. Then, as the vortex faded, Miia emerged, but she was changed forever.

Suddenly, Miia felt a sharp pain on her back, and then, massive bright red angel wings with yellow tips on the large bright red feathers grew and sprouted out of her back and she now has eleven massive and long bright red wolf tails with yellow tips and yellow markings along with her long bright red snake tail. Miia has on her Ring of the Phoenix with large bright red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Miia's Super Angel-Greek Lamia-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Miia, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Silencer Clone saw it, he fell into an even darker rage and tried to get out, but the chains made it impossible, and Miia fired a massive barrage of bright red energy, stars, bright red flames, snakes, phoenixes, and angels which hit The Silencer Clone and exploded with incredible power, The Silencer Clone got back up, but now, he was beyond pissed off.

Luka: No way are we letting you run loose, we're taking Bob Roth to the police to face justice and we're not only denying you your vengeance.

Me: But, we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice

Then, we attacked him with our massive greatswords leaving scars on them and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and I left many more with my claws, and he, Metal Lynn, Miia and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Silencer Clone insane and straight to the brink of insanity.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) FLARE UP NOW! 双炎斬!

We were stunned!

Nico: OH MAN!

STAR STORM SCREAM! 嵐星斬！

Lincoln swung his massive greatsword and fired waves of stars which hit The Silencer Clone and he got hit hard by the waves of stars.

The Silencer Clone was literally on his last legs, and then, the poison reached his heart, and he died as a result, and his spirit was sent to The Black Gates forever. Everyone cheered as Lincoln, Metal Lynn, Miia, and I holstered our massive greatswords on our backs and powered down, and Metal Lynn's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long chestnut brown wolf tails, and massive chestnut brown angel wings are permanent, and Miia's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long bright red wolf tails and longer bright red tail, and massive bright red angel wings are permanent.

Nico: Take that, you evil clone!

And thanks to Lincoln's evidence gathered on Bob Roth, he will be taken straight to prison, and he had to pay for the damages done.

Nico searched everywhere for Bob Roth using Speed Demon and Reverse Flash's powers. But Bob Roth was long gone.

Nico: Nothing. Bob Roth used the fight to get away.

Roger Raincomprix and André Bourgeois came.

Roger Raincomprix: We saw everything. Awesome job!

André Bourgeois: Another job well done, Team Loud Phoenix Storm!

Lincoln: (sadly) I just wish we could've dealt with Bob Roth too.

André Bourgeois: True, he got away. But he's the one who truly lost.

Roger Raincomprix: Thanks to you, Lincoln, everyone in Paris knows the kind of sleazeball Bob Roth is. And Soundwave sent the same info to very other country, including America. It's only a matter of days before he's caught.

Lincoln: (to Soundwave) Is that true?

Soundwave: (Smugly) Soundwave superior. Bob Roth Inferior.

Me: The team bounty hunters have been notified of him and I put a huge bounty of $232,000,000,000,000,000.00 on him.

Xenia: Nice.

Me: Triple if he is brought in beaten up.

Qin: Cool.

Nico: Nice job, Soundwave!

Soundwave: Thanks Nico.

Nico: And great job to you guys too.

Ravage: Thanks Nico.

Frenzy: Thanks boss.

Donald Duck: Call us Palookas, will he?!

Me: But it was fun using Popeye style beatings them.

Sunset Shimmer: (LAUGHS) Tbat sure was funny.

Izzy Moonbow: Yeah it sure was awesome!

Lola: (LAUGHS) Loved those beatings.

Rumble: Can I try some spinach?

Nico: I don't think it works on Cybertronians.

Rumble: Well, fuck!

Me: That would be cool if it did though.

Lola: Yeah.

Nico: And there's no property damage

Me: Yep.

Nico: But Lincoln that was awesome! Great job using the Ronin Warriors Surekills on the Silencer clone.

Lincoln: Thanks and we really pissed Slappy off.

Me: We sure did.

---

In Slappy's hideout HE WAS REALLY PISSED OFF THAT HE WAS FOILED AGAIN!

Slappy: I HATE THOSE DOUCHEBAG PALOOKA HEROES! (ROARS IN FURY!)

He trashed his entire hideout in rage!

---

Nico: I knew using Surekills for the usual battles right now would pay off!

Me: You got that right!

Lincoln: Yeah! Ryo and everyone taught me.

Xenia: That was awesome.

Me: We're not done yet though.

Laney: We have the Anothers to face now.

Eli: Let me see who we got. (Concentrate) Whoa! We have Another Watagerugelluge, Kaileena, Firecats, Mutant Snapping Turtle, Fiery Petey Piranha, Baron Von Steamer, Munch, 2099 Scorpion (Shattered Dimensions), 2099 Doctor Octopus (Shattered Dimensions), Big Brother, Quackerjack and Krusty!

Me: WHOA! The first one is a monster I saw on the internet. That one looks like a colon.

Nico: EW! Wow!

Maria: Who do we call for this?

Me: Amethyst Arcana, Siri Shukaku, Maya Matatabi, Irina Isobu, Sonnya Gokua, Katie Kokuo, Selene Saiken, Calliope Chomei, Gina Gyuki, and Kenzie Kurama.

Nico: Cool!

Qin: So the Avatars of the 9 Tailed Beasts and the Anti-Opaline.

Nico: Yep.

Me: This is gonna be interesting.

Maria: I'll call them in.

Maria did so and in swirls of elements came said people.

Katie Kokuo: Hey guys!

Selene Saiken: We heard the call of the bounty that was set up for Roth.

Calliope Chomei: We got a lot of promising leads. We think he is heading for Liam's farm.

Maya Matatabi: Yep.

Me: Awesome! We'll find him later.

Lola: Yeah.

Me: (Sniffs) Okay why am I smelling swamp muck?

Eli: Weird. But I sense that the Anothers minus Krusty are one person.

Me: Wow.

Nico: There they are!

We saw the Anothers!

Nico: WHOA!

Sonnya Gokua: This will be cool.

Another Kaileena: This will be fun.

Lincoln: That voice! Darla Dagobah!

They merged and she reverted back and was a girl with green hair and green eyes and had sea foam green wings and had sea foam green clothes and had a ferris wheel keyblade.

Darla Dagobah: Awesome to see you again Lincoln.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Darla Dagobah, Keyblade Knight of Dagobah, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the swamp planet Dagobah and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet Alderaan and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to

Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and he eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords.

Nico: Cool!

Me: Wow! The Keyblade Knight of Dagobah!

May: That was a really muddy planet!

Maria: Yeah!

Lola: Yoda was banished there a long time ago and we found him and helped him.

Qin: Yeah when we were on Dagobah it was a really creepy place.

Nico: It sure was.

Girl Jordan: The mist and fog was thick and the muck was gross.

Darla Dagobah: Believe me I know the feeling myself and it is always a challenge to be there.

Xenia: Yeah.

Eli: We battled Dracula there and that was scary.

Darla Dagobah: That is what I heard and I'm glad you guys destroyed him.

Me: I know. What really saddened me was Yoda being on Dagobah all by himself. That was so sad that he was there.

Juran: Didn't he die there?

Me: Yeah he lived for over 900 years.

Juran: Wow!

Me: I know. But Yoda is a great member of the team.

Darla Dagobah: I know. And I'm glad Master Yoda is with you all to help you.

Me: We are too. By the way is the Another Krusty friendly or hostile?

Darla Dagobah: Friendly and you will know she is coming when a storm comes in.

Me: That's a very peculiar sign.

Xenia: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the anothers.

Nico: Lets get them!

The Avatars and Amethyst fired waves of elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Maria: Yeah! Better call for backup. (TURNS DIAL) BLADES OF GLORY!

She summoned Shiv, Nightstrike, Hitcher, NES Gigan, Mamemon Brothers and Breacher!

Nico: Yeah!

May: All we can do now is wait.

Then we heard thunder.

Me: Huh?

We looked up and saw a storm cloud come in.

Nico: That must be the storm.

Me: I sense an incredible power from it.

THUNDERCLAP! THUNDERCLAP!

Qin: Wow!

Lightning struck all over.

Then out came a tornado and it landed and out of the tornado came ANOTHER KRUSTY!

Krusty: WOW! That was an entrance!

Me: You don't have storm powers Krusty but that was awesome.

Another Krusty: (In a girls voice) That was an awesome entrance.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair and blue eyes and had blue clothes and lightning angel wings and she had a tattoo of the kanji for Storm on her arm and she had a tiara with the symbol of the Storm Dopant on it and the same symbol on her skirt and she had a lightning sword.

Me: Shayla Arashi!

Nico: WOW!

Shayla Arashi: Awesome to see you again J.D. Sorry about the scary entrance like that.

Me: No worries but that was awesome. Shayla is the Embodiment of the Storm Dopant and she is a living storm and a master of lightning, rain, hail, tornadoes, water, wind and thunder. She is that powerful.

Shayla Arashi: I sure am and also I'm a huge fan of Krusty. I love him just as much as Bart Simpson does and also I juggle bombs sometimes and blast my enemies with them.

Camie: Cool!

Krusty: That's cool you can do that! (GOOFY LAUGHTER)

Shayla Arashi: Love that laugh.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (Gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai Sword.

Shayla Arashi: No I spun him around in a tornado and made him so dizzy that he was unconscious and I ran out of there faster than lightning.

Me: Whoa! That is clever.

Sakura Knudson: That explains why I found him so dizzy back then and man he looked like he was about to really hurl.

Nico: GEEZ!

Qin: That is funny though.

Shayla Arashi: It's true.

Sougo: (gets out Dino Fury Ridewatch) And did you say you like to juggle bombs?

Geiz: (gets out Kiramager Ridewatch) Jackie likes to use bombs too!

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor

Jackie: It's true. I think it's fun and awesome.

Qin: Yeah.

Shayla Arashi: That is awesome. I do it all. My family is a bunch of circus performers and I got most of my skills from them.

Xenia: That explains it. But that is cool.

Nico: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her from Another Krusty.

Shayla Krusty: Awesome! I'm Ready for The Storm!

She fired a blast of lightning and electrocuted him.

Me: Nice!

Nico: (Imitating Krusty) Hey hey Kiddies! (Goofy Laughter)

Krusty: Hey that's really good Nico!

Nico: Thanks! (ACTIVATES KRUSTY AND QUACKERJACK'S RIDEWATCHES)

He fired bombs and smashed Another Krusty down.

May: Time for this one! (ACTIVATES CHYKKA AND ARGO'S RIDEWATCHES)

She fired energy blasts and blasted him down.

Maria: Time for this! (ACTIVATES BUTCH AND ANOTHER GINGA'S RIDEWATCHES)

She fired stars and energy and b lasted him.

Donald Duck: Chew on this you palooka! (ACTIVATES QUACKERJACK'S RIDEWATCH)

He fired a blast of energy and lightning.

Me: Take that!

Then Chief Wiggum, Proper Patrol, Gingar, Queen (Batman Beyond) Sagittarius Zodiarts and Baromon came.

Nico: Nice team Chief.

Chief Wiggum: Thanks Nico.

Me: Awesome!

?: Now for this that I saw on TV.

We saw a Crystal Man come.

Me: Crystal Man! Awesome!

Nico: Cool!

Crystal Man: (In a girls voice) Looks like the fun has started.

Nico: Crystal Kessho!? Whoa!

Qin: Awesome!

Crystal Kessho: Yep. Watch this.

She fired a Crystal Ball and Another Krusty went into a swing and got sent flying after spinning and got bounced off a spring horse ride and off a trampoline and then screamed in pain as he was being mulched in an wood chipper and his blood and guts splattered all over and then I went over and picked up the Ridewatch and purified it.

Me: YUCK! That was gross.

Nico: Horrible way to do!

Crystal Kessho: That was gruesome.

Krusty: Boy the same thing happened to me in Treehouse of Horror XIX. (SEASON 20 EPISODE 4)

Me: That was gross.

Nico: You're naked, aren't you?

Crystal Kessho: I sure am.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Nicole: No one peek or I will make you wish you were NEVER BORN!

And she wasn't bluffing.

Me: It's going to hurt just so you know.

Crystal Kessho: I know and I'm ready.

Me: Okay. (Snaps fingers)

I snapped my fingers and she doubled over in pain and then she threw up and fired a Crystal Ball and it ended up hitting May and smashing her in her face and knocking her down and some of her teeth were knocked out.

She reverted back and was a girl with blue hair and blue eyes and had blue angel wings and had a crystal cluster symbol in the middle of her forehead.

CRystal Kessho: (GROANS) That really hurt. (GASP) Oh dear god! I'm sorry May!

May: (Dazed and stupid) Mommy did someone get the number of that truck?

Me: OUCH! That must've hurt!

Maria: Boy that's going to leave a mark.

Crystal Kessho: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade went and gave her awesome new blue clothes and she had jeweled arm and legbands and on her hair was a barrette in the shape of the kanji for Crystal.

Crystal Kessho: Oh wow! I look amazing.

Varie: You sure do.

May: I'm okay. Don't worry!

Nico: Good.

Crystal Kessho: Boy I hope I didn't hurt you too badly?

May: I'll be okay.

Nico: My wife can take a hit.

Crystal Kessho: Good.

Donald Duck: What's your favorite memory of Nico?

Crystal Kessho: When me and Nico went into a cave and we found out that it was the hideout for the treasure of notorious gangster Wheezing Ed.

WE GASPED!

Me: That's an urban legend that Gerald told us a while back. He was a notorious gangster.

Crystal Kessho: Yeah. We found his treasure and I kept it and it made my family rich.

Nico: Yep.

Laney: That is amazing.

Nico: Yep.

Nico and Crystal hugged.

Nico: I've missed you.

Crystal Kessho: Me too Nico. Me too.

We went back home.

We'll show those three assholes no mercy and the streets of Detroit will run red with their blood.

Lincoln: Whoa, we're here at the abandoned Michigan Central Station in Detroit, Michigan, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but we got huge news.

Me: What is it?

Lincoln: We got word Tyler Arc's demonic and sadistic father, Damien Arc, along with his two abusive older brothers, have been sighted here.

We gasped.

Nico: So, that means…?!

Lincoln: Yes, Nico, the time's arrived to slay Damien Arc and Tyler's two abusive older brothers, and we'll make them all pay for what Tyler had to go through because of them: everything from the death of his mother to the constant abuse Tyler had to go through along with the constant threats to his life thanks to the thugs Damien's hired to kill him.

Eli: We'll show those three assholes no mercy and the streets of Detroit will run red with their blood.

Just then, the rest of the team along with The Masters of Evil also arrived here with us.

Maria: Did you guys think we'd let you have all the fun?

Tyler Arc: So, those three assholes have been here this whole fucking time. Finally, now they will pay for what they've done. Mom, your killers are finally going to die here and now.

Mandee: Wait, is that also true? Did they also…?

J.D. 5: (Through The Rainbow Phoenix) Yes, it's true, those three assholes also murdered Tyler's mom long ago, there's really no line they're willing to cross to get rid of Tyler.

Suddenly, we saw a beautiful and super sexy girl with long green hair, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive green wings with flowers, she has on a necklace with green gem pendant, and she was dressed in a sleeveless green blouse, sleeveless green top, green skirt with the Black Tortoise on it, green pants, green legwarmers, green sneakers, and long white sleeveless trenchcoat with stars, nature black tortoises, phoenixes, and angels on the coattails and on the back is Ebonwumon, Digimon Sovereign of Nature, and holstered on her back is a massive greatsword and with her are the fifteen girls.

Lincoln: (GASPS) Genbu Ebonwumon, Avatar and Ambassador of Ebonwumon, The Digimon Sovereign of Nature and Genbu the Black Tortoise of The North.

Genbu Ebonwumon: (Irish Accent) Aye, that's right, Lincoln, and I got the girls away from those vile murderous assholes.

?: (NTH-DEGREE FUCKED UP ENRAGED SCREAMS) YOU LITTLE SHIT! WHY CAN'T YOU JUST FUCKING DIE!

We then saw three hulking targets coming after us: one of them was Damien Arc, Tyler's abusive, sadistic, and demonic father, the other two were Tyler's abusive older brothers, and they were all out for his blood.

Sylvester: So, that's Damien Arc and your abusive older brothers. They're even uglier up close.

Then, Lincoln ran at Damien Arc and Tyler's abusive older brothers and he turned the tips of three of his eleven massive and long white tails into Cell's stingers and impaled them into the chests of Damien

Arc and Tyler's two abusive older brothers, and Lincoln began absorbing them, and it was agonizingly painful for them, as their energy was being drained and absorbed into Lincoln as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Then, as soon as he was done absorbing Damien Arc and Tyler's abusive older brothers and the stingers changed back, nothing was left of Damien Arc and Tyler's abusive older brothers except for their clothes and three energy cards with the drained souls of Damien Arc and Tyler's abusive older brothers appeared in Lincoln's left hand, and then, he banished Damien Arc and Tyler's abusive older brothers to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: You three assholes had this coming for a very long time, you pieces of shit. (To Genbu Ebonwumon) And it's so good to see you again, Genbu Ebonwumon.

Genbu Ebonwumon: (Irish Accent) Aye, you too, Lincoln, it's been seven years since we last met.

Lincoln went up to Genbu Ebonwumon and he hugged her, and Genbu Ebonwumon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Genbu Ebonwumon: (Irish Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Genbu Ebonwumon, Avatar and Ambassador of Ebonwumon, The Digimon Sovereign of Nature and Genbu the Black Tortoise of The North, she's my Guardian Angel from Ireland, and she's a very powerful master of nature and tortoises because she was born under the symbol of The Black Tortoise, and ever since her birth, she represents The Black Tortoise of The North, one of The Four Symbols of The Chinese Constellations and because of that strong representation of The

Black Tortoise, she was also made The Avatar and Ambassador of Ebonwumon, The Digimon Sovereign of Nature and she has all his powers over nature and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, Nature, and Light and Darkness.

Zoey Zhuqiaomon: She's known as The Irish Natural Fury of Ebonwumon because any villain who dares to cross her shall face Nature's full fury, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would smash them into dust with the powers of nature.

Me: Jeez, so any who anger her wind up facing the wrath of Mother Nature herself.

Nico: Oh boy, and I can guess that Lori, Lynn, Lola, Lisa, Luan, Chandler, or any of your old enemies did something really horrible that got her pissed off.

Lincoln: It's actually all of them.

CLANG!

Nico's jaw hit the floor, and Eli put his jaw back.

Nico: All of them pissed her off. Lori, Lynn, Lola, Lisa, Luan!

Lori: Oh no.

Luan: We're busted! I knew this was going to come back and bite us in the butt.

Lola: Big time.

Lincoln held Nico back, and despite how strong Nico is, Lincoln was much stronger. Then, Lincoln let Nico go after he'd cooled down.

Eli: Lincoln really held you back, Nico.

Me: The constant workouts Lincoln's been doing at the gym for seven years had made him more than strong enough to hold down a Saiyan like Nico.

Nico: It still stunned me that he was able to hold down a fully-grown Saiyan like me.

Lincoln: I've done this kind of training with Masters Goku and Vegeta for seven years, and I didn't hold back not even a bit.

Luna: Even we were stunned. When December comes and we give Flip, Xehanort, and Icky Vicky The Black Gates, I hope you splatter Flip's guts all over the place with a single punch.

Lori: Same with Icky Vicky, most of us are literally getting that close to wanting to kill those two.

Lincoln: I'll do just that, and now that you're here, Genbu.

Lincoln went up to and hugged Genbu Ebonwumon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Genbu Ebonwumon: (Irish Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Genbu Ebonwumon's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Genbu Ebonwumon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Genbu Ebonwumon.

Genbu Ebonwumon had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Momoko Naitou, Sayuri Ookami, Shinobu Handa, Kirin Suwabe, Maya Enjyoji, Kyouko Hayato, Chizuru Komai, Matsuri Yoshioka, Shigure Komai, and Akane Shinomiya from Shoujo Sect: Innocent Lovers, Sayuri Yurine from Dokkoida?!, and Seshiru Tenma, Yuria Tenma, Toyoe Asagiri, and Shizume Kugano from Kyonyuu Majo.

Lincoln: Oh wow, it's Momoko Naitou, Sayuri Ookami, Shinobu Handa, Kirin Suwabe, Maya Enjyoji, Kyouko Hayato, Chizuru Komai, Matsuri Yoshioka, Shigure Komai, and Akane Shinomiya from Shoujo Sect: Innocent Lovers, Sayuri Yurine from Dokkoida?!, and Seshiru Tenma, Yuria Tenma, Toyoe Asagiri, and Shizume Kugano from Kyonyuu Majo.

Ed Cowart: Looks like you've gone and rescued some major hot babes from those assholes.

Lincoln: Ed, watch it or Nicole's fury will be the least of your worries.

Me and Nico snickered.

Lincoln: Are you girls okay?

Momoko Naitou: Yes, we're okay, thanks to you.

Then, when Momoko Naitou and the other fourteen girls saw who it was that saved them from Tyler Arc's demonic and abusive father, Damien Arc, and his two abusive older brothers, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of

Momoko Naitou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

We returned to the World Tree Estate, and we were finally rid of the most dangerous assholes ever.

Maria: I can't believe those pieces of shit were hiding out at the abandoned Michigan Central Station in Detroit.

Lincoln: I know, and none of the cops were able to find them and it's due to Damien, Tyler's evil older brothers, and Damien's assassins who tried to kill them.

Me: Those pieces of shit, they tried to stay alive through means of violence.

Nico: But, in the end, they got their just desserts and now, they're finally in The Black Gates for all eternity.

Eli: So, this means, Tyler's free from those assholes forever.

Tyler Arc: And Mom can finally rest in peace.

We hugged Tyler Arc as he cried in happiness: finally, the nightmare he had to endure was over, and the demons that've haunted him have finally been put to rest.

---

After finally getting rid of Damien Arc and Tyler Arc's abusive older brothers and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Genbu Ebonwumon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Genbu Ebonwumon: (Irish Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Genbu, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Genbu Ebonwumon: (Irish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Genbu Ebonwumon: (Irish Accent) I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Genbu, what memories did you have with Lincoln?

Genbu Ebonwumon: (Irish Accent) There is a video I have with one memory I have with Lincoln, and this was at our secret garden right near our gym, and I also got a full glimpse of Lincoln going all out on Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta.

Genbu Ebonwumon played a video on the screen, and we saw Lincoln and Genbu Ebonwumon along with the rest of his Guardian Angels and harem are at their secret garden near their gym.

Past Lincoln: This is really amazing, taking a nice rest in our secret garden.

Genbu Ebonwumon: (Irish Accent) You said it, Lincoln.

Past Byakko Baihumon: It's always very peaceful here.

Suddenly, the alarms went off, and Lincoln and his Guardian Angels got up from the ground.

MONSTROUSLY LOUD BELCH!

Past Byakko Baihumon: What the Hell was that?! (Sniffs) Ugh, and why does it smell like B.O., gym socks, feet, perfume, and raw sewage?!

Past Lincoln: Oh no, not this again, you lunatics!

Suddenly, the doors burst open, and there in the doorway was Lori, Lynn, Lola, Lisa, Luan, Chandler, his goons, Flip, Scoots, Hawk, Hank, Killjoy Huggins, Pablo, Anderson, and Lewis Travolta who were out for blood once more and they were at the worst of their rage!

Past Lincoln: That's it, I've had it up to hear with you, you filthy animals!

Lincoln spread his massive white angel wings and stood ready against Lori, Lynn, Lola, Lisa, Luan, Chandler's goons, Flip, Scoots, Hawk, Hank, Pablo, Anderson, Killjoy Huggins, and Lewis Travolta and we knew it was going to get ugly.

Past Lincoln: Bring it on, you filthy animals!

Past Lori: DIE, YOU FUCKING TWERP!

Lynn let out a loud belch and they all charged at Lincoln, and he dodged all of their rage-crazy strikes with ease. Lincoln fired powerful multiple blasts of lightning and electrocuted Lori, Lynn, Lola, Lisa, Luan, Chandler's goons, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta and they got sent flying into a tree. They got back up, but now, they were beyond major-leagued pissed off now!

Past Laney Emperyous: You goddamn filthy pieces of shit, I hope Lincoln rips every last one of you to fucking shreds for this!

Lincoln then flew and charged at Lori, Lynn, Lola, Lisa, Luan, Chandler's goons, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta, and they got enveloped in a super mega massive fight cloud of epic proportions, and then, Lincoln delivered massive blows to Lori, Lynn, Lola, Lisa, Luan, Chandler's goons, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta, and he knocked them out of the fight cloud and Lincoln emerged as soon as the fight cloud remnants finally disappeared, but his orange shirt was badly shredded and his blue jeans had tears on them.

Past Lynn: (GROWLS)

Lynn ran at Lincoln and clawed at him once again, leaving another tear in the chest area of the shirt and claw marks on his chest before Lincoln punched her hard in the face.

Past Lincoln: Aw man, this was a polo shirt Leni made for me! Now, you're really going to pay for this, you filthy animal!

Lincoln then grabbed his tattered polo shirt and ripped it off showing off his massive muscular upper body and eight-pack abs, and Lincoln cracked his knuckles, and it was so loud, it made Lori, Lynn, Lola, Lisa, Luan, Chandler's goons, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta tremble in fear: NOW, THEY WERE IN SERIOUS TROUBLE!

Nico: Uh, what's with the sudden panicked look in their eyes?

Me: Wait for it.

Lynn roared with rage and went at Lincoln again only to receive a superhuman strong uppercut from Lincoln and he sent her flying back to The Loud House and she crashed into a net Luna made, and she was dragged back into The Loud House to face her doom. Lori, Lola, Lisa, Luan, Chandler's goons, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and Lewis Travolta roared with rage and charged at Lincoln, but he also gave them multiple superhuman strong uppercuts and he'd sent them flying in different directions: Lori, Lola, Lisa, and Luan were sent flying back to The Loud House and crashed into another net Luna made, and they were dragged back into The Loud House to face their doom, Flip, Scoots, Hawk, Hank, and Lewis Travolta were sent flying right back to prison or the nuthouse, Chandler's goons, Pablo, and Anderson were sent flying to a juvenile detention center, and Killjoy Huggins was sent flying into a cell in The Royal Woods Jail as the video ended.

Nico: HOLY SHIT!

Me: Yep, Lincoln basically went all out on his mean sisters and the rest of Royal Woods' jerks and he sent them flying.

Luna: It was really crazy, they made a huge mistake crossing Lincoln.

Nicholette Torrington: None of them stood no chance against him, he fought those filthy animals and won.

Byakko Baihumon: It was really awesome. But, of course, we blushed madly upon seeing Lincoln, he grew that much in height and muscle mass that day, it was so hard to believe that he was once the cute little white-haired boy.

Bertha Sellington: We were stunned ourselves, and some of us wound up getting serious nosebleeds, right, Nicholette? (Snickers)

Nicholette Torrington: Hey, I wasn't the only one, Bertha, you were also gushing out blood like crazy.

Camie Nicholetta: We all were, Nicholette. Our constantly training Lincoln for over seven years had transformed him from the cute white-haired boy who was beaten up all over the place to a massive, towering, and imposing mountain of hunky muscle and a really manly man whose rugged good looks, charisma, and personality are more than enough to make any woman swoon.

Luna: Yep, that's right.

We got a shower afterwards, and then, Lincoln and the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Moka: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Moka, and it's perfect for our first date. Shall we?

Lincoln and the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida and they hugged the girls in their abnormally massive and powerful muscular arms.

And the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida are in your harem.

Kurumu: You can thank us for introducing them to Linky, and I can also guess you girls also got marked by him, right?

The girls showed the bite marks of Lincoln on their necks.

Simulator Moka Akashiya: And not only that, but my Inner Self merged with me, and I became much more powerful than ever.

Moka: I went through that as well years ago, and now, you're even more powerful than ever.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Moka Akashiya, Tamao Ichinose, Deshiko Deshi, Keito, Lilith, and Noriko Ashida, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Rightside Down Galaxy is next.

Qin: Ooh! That one will be a gravitationally big one.

Nico: Yep.

Casey: Me and Devon will go.

Nico: Okay then.

They went into the simulator and it activated and they were at RIGHTSIDE DOWN GALAXY!

Nico: Whoa!

Casey Rhodes: This is gonna be a challenge.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one is full of gravity and twists and turns. You have to navigate through a maze inside it and go through gravity of different directions.

Nico: Wow. But we can handle it.

Casey Rhodes: There might be Goombas too.

Devon: Let's be careful here.

?: Let me help too.

A figure flew in and it was a girl with black hair and red eyes and she had blue clothes and had yellow angel wings and she had a tiara with the symbol of the Jungle Fury Rangers on it and she had the same symbol on her skirt.

Gabrielle Gekiranger: Gabrielle Gekiranger, Embodiment of the Jungle Fury Rangers.

Nico: Cool! Awesome to meet you.

Gabrielle Gekiranger: You too. I'll tell you all about myself later.

Nico: Okay.

They went down the pipe and into the galaxy. Then they flew through it.

Nico: Man, even we have to follow the planet's gravity laws!

Casey Rhodes: Whoa!

They went through left, right, up and down gravity.

Nico: Goombas!

Gabrielle Gekiranger: This will be good.

Nico: (gets out Krusty and Cargill's Ridewatches) Time for some funnies!

Nico activated them and blasted them with bombs and energy and blasted the Goombas.

Casey: JUNGLE BEAST! SPIRIT UNLEASHED!

Devon: ACTIVATE BEAST POWER!

They transformed.

Casey, Devon and Gabrielle blasted the Goombas all over the place.

Casey: Take that!

Devon: Yeah!

Gabrielle Gekiranger: And this! FLIGHT OF THE CONDOR!

She flared up a spirit aura and fired an energy aura and blasted the Goombas all over with an aura of the condor!

Casey: Call to the Beast Inside!

He flared up an aura and fired a tiger blast and slashed them all over.

Devon ran fast and slashed them all over.

Nico: Keep it up, guys!

Devon: There's the star!

They saw it and went at it!

They got it too!

YOU GOT A STAR!

Nico: Yeah!

Gabrielle Gekiranger: That was awesome!

They high five!

Casey: Tell us more about yourself

Gabrielle Gekiranger: Sure. I'm a Kung Fu, Brazilian Jiu Jitsu, Shaolin and Samurai master and martial arts master and a Spirit

Shaman. I use the powers of animal spirits in the styles of my fighting and it's how I beat my enemies. I am also a Martial Arts instructor.

Casey Rhodes: Wow! You have done it all.

Gabrielle Gekiranger: I sure have and I'm glad you guys destroyed Dai Shi.

Nico: He deserved it. Would you like to join the team?

Gabrielle Gekiranger: I would be honored.

They later left the simulator and we cheered wildly.

* * *

Later we were walking to an awesome new comic book store that opened up.

Liam: Poromon, after what happened yesterday, we're staying with you today!

Poromon: Thanks guys.

Me: Lincoln told us about this new comic book store that opened up and it's awesome.

Nico: I heard that Kumiko opened it and she is doing a great job running it like Comic Book Guy.

Whitney: That is totally cool.

Me: Yep.

We arrived.

Me: Here we are.

We saw that we were at the Sailor Cosmos Comic Emporium.

Nico: Cool!

Sailor Cosmos: I'm honored to have a comic book store after me.

Sunset Shimmer: Let's go in!

We went in and saw that it was FULL of comic books.

Me: Wow! Look at all these.

Kumiko: Hey guys welcome!

Me: Hello Kumiko. Wow this is amazing.

Nico: It sure is.

Kumiko: Thanks guys and I figured that if Jeff can own a shop then I can too.

Comic Book Guy: I'm glad you guys like our shop.

Me: It's awesome.

Leozack: What do you think, Jeff?

Comic Book Guy: I think Kumiko is doing a great job so far. Best Comic Book Store Owner ever.

Me: That is for sure.

We looked around.

Me: Wow look at these comics. Some of them haven't been produced in a long time. Ultra top quality collectors issues.

G1 Scattershot: How much for these?

Kumiko: Oh those are not for sale. They are for display.

Qin: Wow.

Qin had a couple of Bikini Girl Comics.

Qin: I am a huge fan of Bikini Girl.

Kumiko: I can tell and these are $1.00 each.

Qin: I'll take them.

She gave the money to her.

We got all kinds of comics and they were awesome.

We later went back home.

---

We arrived.

Lea: Nico, who gets to shine this time?

Nico: Tecna, Lola Loud, Maud Pie, Piccolo, Sunset Shimmer, and Julie Carolina.

Me: Cool!

Maud Pie: (monotonously) I'm so excited for this.

Sunset Shimmer: I'm looking forward to this too!

Lola: Yeah! Me too!

Piccolo: This is gonna be a good one.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Scarecrows from The Scarecrow Walks at Midnight, and they're causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Scarecrows from The Scarecrow Walks at Midnight, and they're causing havoc once more.

We gasped.

Nico: The Scarecrows, I knew it was going to be them, I just knew it.

Me: Now, Slappy's really starting to piss us off even more.

Lincoln: But, with every Goosebumps Monster that we take down, we wind up pissing off Slappy even more.

Nico: You bet. Let's head down to help Jodie, Mark, Stanley, Sticks, and their grandparents destroy the Scarecrows.

Me: Right, and when we tell them Slappy was behind this, they're going to throw him straight into a woodchipper.

Liam: That reminds me y'all. My farm is being terrorized by them scarecrows! I need your help to destroy them.

Me: Oh man!

I went over and got the book for The Scarecrow Walks At Midnight.

Me: I remember that one.

Comic Book Guy: (to the mascots) The best part of Kumiko's store? Nothing bad happened around the 4 of you

Poromon: That is too true.

Poliwag: Yeah!

Me: That was awesome.

Nico: Yep. But Liam is in trouble.

Carmen: Yeah Honeyfarmer is in trouble and we got to save his farm.

Xenia: I remember facing these scarecrows in Iowa.

Juran: Are they anything like a certain Fear Gas asshole?

Me: No these are actual scarecrows that came to life and they scare you and hurt you.

Juran: Oh. That's completely different.

Camie: Yeah.

Zocks: Shouldn't be too hard to get rid of them.

Me: Nope. Because we have one thing that Scarecrows hate above all others: Fire.

Nico: Yep.

The previous group came.

Angel: Can me, Webstor, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Radioactive Man, Felix Faust, and David Cain go with you guys?

Nico: Yes you all can come with us.

Me: We got scarecrow's attacking Liam's farm.

Red Ghost: Oh man.

Runabout: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Wave Man next.

Qin: Cool!

Lola: Yeah!

Skalamander: Let's get a move on!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy,

Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Brian Seraphina, and he's heading here now to avenge the death of his older brother, Simon Seraphina, along with the deaths of his other older brothers. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, Brian Seraphina's on the move?

Maria: How'd you figure that out quickly?

Stella Seraphina: When we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that's the sign that one of those assholes are on the move.

Me: Cool.

Nico: And that's a definitely awesome warning. Well, you know what that means.

Bridget Seraphina: That asshole's a dead man walking when we get through with him.

Lincoln: I'll do to him what I did to the other male Seraphina assholes yesterday.

Nico: You said it. Alright, gang, let's go, we're heading off to help Jodie, Mark, Stanley, Sticks, and their grandparents destroy the Scarecrows, and tell them of Slappy's part in bringing them back.

Lincoln: That dummy's really gone way too far this time. We've got to head down to help Jodie, Mark, Stanley, Sticks, and their grandparents destroy the Scarecrows, and once we get done with them and exposing Slappy's actions behind this, you're next, Brian Seraphina.

Bridget Seraphina: You better be ready to bleed, Brian Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Jodie, Mark, Stanley, Sticks, and their grandparents destroy the Scarecrows and tell them of Slappy's part in bringing them back from the dead, and once we got done with destroying the Scarecrows, Lincoln and Bridget Seraphina are going to destroy Brian Seraphina, the last of The Seraphina Sisters' evil cousins.

We were off to Liam's farm.

---

We arrived.

Ring Man: It's not every day we come here.

Lincoln: I know. Been a while since we were here.

Lola: Yeah.

Carmen: I love coming to Liam's farm. It's awesome and I'm learning so much about farmwork.

Maria: That's awesome Carmen.

Steam Smythe: Do the chickens get played with?

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed was petting and hugging the chickens and Sam S.L. came back with a massive basket full of eggs.

Steam Smythe: I guess that's a yes.

Papillon: Did anyone remember to call Jodie?

Nico: Oh right we better call her.

Maria had them come.

Radioactive Man: Hey, Jodie!

Jodie: Howdy everyone. So the scarecrows are here too.

Nico: Yeah.

Jodie: So, terrorizing my family wasn't enough?!

Chop Shop: Nope. Apparently, they felt like scaring you guys was getting tiresome.

Nico: Yeah.

Jodie: Those ornery sidewinders!

Qin: Yeah!

Me: Soon they will burn.

David Cain: Let's talk about how to kill them.

Tecna: (British Accent) If there are any tractors, I can use my powers to control them.

Liam: There's my tractor there.

He pointed to it.

Tecna: Perfect Liam.

Lola: We can also fire fireball blasts.

Nico: Good idea Lola.

Fire Man: I'm one of the people who can do fireball blasts. I DO use fire after all.

Lola: Same with me too.

Sunset Shimmer: Me too.

Sasuke Uchiha: Don't forget me too.

Flame Man: Me too.

Qin: Me too.

Me: And me as well. Many of us use fire.

Hitch Trailblazer: And don't forget Spike and Sparky and Princess Ember and Smolder.

Draco: And me too.

Lola: Our dragons too.

Me: Yep.

Felix Faust: They're just standing out there. What are they waiting for?

Lola: They're probably waiting for the right time to strike.

Qin: Yeah.

We looked around.

Me: Maybe they are waiting till midnight like they did in the book. It is call The Scarecrow Walks At Midnight after all.

Blot: Exactly what time is it anyway?

I looked at my watch.

Me: 4:00 PM. I don't think we can wait that long.

Nico: Yeah waiting for 8 whole hours would be crazy.

Maud Pie: You're right. We can't wait that long.

Black Adam: So we'll have exactly one hour to prepare.

Me: Okay. That will give us plenty of time.

Lola: Yeah.

Camie: Besides we got a job to do. And that is to kick scarecrow butt and make Slappy pissed off.

Jodie: So Slappy is behind this mess.

Liam: Yep he sure is.

Kevin Levin: Think I can absorb the straw from them?

Me: I don't think you tried straw before but give it a shot.

I gave him some straw to absorb and he tried it and then he turned flimsy and then he fell to the ground a wobbly mess.

Kevin Levin: Well that was weird.

Me: Well straw is a little too strange. No offense Liam.

Liam: None taken.

Piccolo: Okay, straw is definitely not an option.

Me: I agree Master Piccolo.

Rich Texan: Speaking as a fellow Western guy, there's bound to be something else here you can use.

Me: Plenty of metal here and wood too.

Nico: Yep.

Kevin reverted back.

Kevin Levin: That's more my thing.

Demolishor: If those straw filled fucks think they can invade the home of Carmen's boyfriend and get away with it, they just entered the town of Hurtsville!

Carmen: That's for sure!

Qin: Yeah!

Liam: Yeehaw! You tell them Demolishor!

Nico: Yeah! That is for sure!

Red Ghost: I think they heard you.

Sunset Shimmer: Why's that?

Red Ghost: Because they're coming here right now!

We saw a Scarecrow and it roared.

Me: How about a little fire Scarecrow!

I Formed fire in my hand and threw a fireball and it hit the scarecrow and he bursted into intense flames and was incinerated in an instant.

Nico: Just one?

Me: Don't think so. One comes more are sure to follow.

Tornado Man: Think it's time for our entrance!

Nico: Lets do it and rain fire!

Eli: They are coming from the north.

Nico: Lets go.

We went to face them.

Coming from the north was a massive army of THOUSANDS OF SCARECROWS!

Then the spirits of fire appeared and they swirled around the scarecrows and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and fireballs rained down and burned many of them and then a phoenix cry was heard and we landed.

Me: Okay you walking piles of straw, time to burn!

Julie Carolina: Time to web you guys up!

Webstor: Let me in on that!

Spiderman: And us too!

The Spidermen and Webstor wrapped them up in webbing and so did Venom, Julie, Sheila, Scream, Agony, Lasher, Phage, Toxin and Hybrid!

Nico fired a blast of fire and incinerated them!

Piccolo: SPECIAL BEAM CANNON!

He fired an energy beam blast and it hit a bunch of scarecrows and they exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Tecna fired waves of energy.

Lola fired fireball blasts.

Maud threw huge boulders

Piccolo fired energy blasts.

Sunset Shimmer fired fireballs blasts

Julie fired web blasts. They hit the scarecrows and blasted them all over.

They went and beat the living crap out of the scarecrows.

Tecna: I see a tractor. Right as ordered!

She used her powers and got it going and then it mowed down a bunch of scarecrows and shredded them into pulp.

I fired waves of fire and incinerated them.

Poromon: How about lightning too! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit the Scarecrows and incinerated them into nothing!

Poromon then got out a beer bottle.

He threw it and it hit a scarecrow on its head and drenched it in beer and I fired a blast of fire and it was incinerated faster.

Lola: Beer is like a fire accelerant!

Xenia: Very clever.

Lola: Yeah!

Nico: Geez! Poromon, how strong is that beer?!

Poromon: 75 proof.

Me: Potent.

Poromon: Yep. Nico me and the mascots make our own batches used for humiliations and battles.

Nico: Wow!

Poromon: We learned from The Three Stooges.

Me: Oh I remember seeing an episode for that! That was from 1946, shortly after the war ended.

I fired waves of fire and incinerated the Scarecrows all over.

Poromon threw more beer bottles.

SMASH SMASH SMASH SMASH!

He smashed them and got beer on them and Nico and Zoey Zhuqiaomon blasted the Scarecrows all over!

Nico: YEAH!

Zoey Zhuqiaomon: That may be strong beer but it's awesome.

Lola: Yeah!

Lola fired waves of fire and blasted the Scarecrows.

Nico: YEAH! Take that.

Then Firefly, Plastique, Whiteout. Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex came.

Nico: Firefly, Plastique, Whiteout. Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex.

Firefly: We saw the smoke and fire and that was awesome.

Me: Where there's smoke there's fire. Or in this case, us.

Firefly: (to Lola) Good thing it's your time to shine, huh?

Lola: Of course it is!

Plastique: You DO use fire, after all.

Whiteout: So does Sunset Shimmer.

Me: Most of us do.

Ghost: (to Nico) We heard you fought Silencer.

Nico: Yep.

Gearhead: Did Soundwave really help?

Nico: He sure did and so did all the Cassette Tape Transformers too.

Frenzy: It's true and it was fun.

Ravage: Yep.

Ryugu Tamatebacco came.

Me: Ryugu? So it's your turn for a ranger battle now.

Ryugu Tamatebacco: It sure is.

Me: Awesome.

Ryugu Tamatebacco: I didn't even realize beer was that flammable.

Me: All alcohol is. You just got to know which kind to use.

Lola: Yep.

We got the battles underway.

---

Firefly was first.

Firefly (to Lola): Nico's rescue was begrudgingly helping to stop a clone of Silencer from killing Bob Roth. Metal Lynn and Miia the Lamia transformed against him.

Lola: Yeah we were completely against it but we knew that we had no other choice. He is an innocent man even though we didn't like him.

Chunk: Yeah no kidding and he is on the run.

Sunset Shimmer: We put out a huge bounty on him.

Pipsqueak: (British Accent) And I hope someone claims it.

Sunburn: I know someone will.

Firefly: You got that right! Lets do it!

Lola: HIKARUS LETS SHINE!

She turned into a Firefly themed hero.

Lola: I am Lightning Bug! (ECHOING) INFERNO VORTEX RAGE!

She fired a massive tornado of fire and the group fired a massive blast of fire and smashed the group down.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Brian Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Brian Seraphina, the last of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Brian Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you and the rest of your brothers, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina, along with you. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Brian Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Bridget Seraphina: That was all your doing along with the doing of your brothers, Bridget, and now, you shall threaten mankind and the world no more.

Aurora Seraphina: And you and the rest of those assholes have had this coming for a very long time.

Bridget Seraphina: Never did I expect to ever see you again, Brian. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life, your reign of terror ends here and now!

Suddenly, Bridget Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are manticores, phoenixes, angels, and Hazy Flame Mantikor flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Brian Seraphina: the red eyes of death. Suddenly, Bridget Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Bridget Seraphina has transformed into SUPER ANGEL-HAZY FLAME MANTIKOR-MANTICORE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME MANTIKOR MANTICORE PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME MANTIKOR MANTICORE PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME MANTIKOR MANTICORE PHOENIX ANGEL LOVE!

We were really amazed by Bridget Seraphina's Super Angel-Hazy Flame Mantikor-Manticore-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Brian Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Bridget Seraphina absorbed it and it made them even stronger than ever, and Bridget Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, phoenixes, phoenixes, and angels which hits Brian Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Aurora Seraphina: Oh man, now Bridget's transformed, now things are really going to heat up now!

Lincoln: That's right, Bridget Seraphina's transformed into her Super Angel-Hazy Flame Mantikor-Manticore-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Brian Seraphina.

Bridget Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Mantikor Manticore Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Mantikor Manticore Phoenix Angel Love) He will burn for everything he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Bridget Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Bridget. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Aurora Seraphina: You are done for, you piece of shit! Now, you'll join the rest of your brothers in Oblivion for good!

Bridget Seraphina and Lincoln went after Brian Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Bridget Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Brian Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Bridget Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Brian Seraphina even more madder with rage.

Brian Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Brian Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Bridget Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Brian Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Brian Seraphina were his clothes. Then, an energy card with Brian Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Bridget Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Bridget Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Bridget Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Bridget.

Suddenly, Bridget Seraphina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Bridget Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Manticore, and Hazy Flame Mantikor flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Bridget Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: We did it, now all eight of those destructive fire-crazed assholes are gone forever!

Aurora Seraphina: It's finally over, I'm rid of those pieces of shit for good.

Lincoln: Yep, and now, Slappy's lost his hired help.

Aurora Seraphina: But, now I've got to worry about my Mom and Dad. Those two always favored my older brothers, and ever since I was little, all of them treated me like crap. They beat me up badly and I got burned badly by those pieces of shit.

We gasped.

Stella Seraphina: Aurora told me, my sisters, Mom, Dad, Lincoln, Leni, Luna, Laney, Lucy, Lana, and Lily about it, and needless to say, we were pissed off in a major way.

Hestia Seraphina: That's why we eventually called a family meeting and decided right then and there to gather evidence of the abuse Aurora went through, and we then sent all the evidence to the police who arrested our abusive Aunt and Uncle. Thanks to Aurora's testimony and the evidence she had on them, it was more than enough to get her Aunt and Uncle along with her piece of shit older brothers sent to prison, and for the final touch, we also cut all ties with those pieces of shit.

Me: Serves those fuckers right!

Lincoln: If those two dare to show up tomorrow, I'm sending them on a one way trip to join their sons forever!

Me: They dared to hurt your Guardian Angel like that, they deserve the worst of your wrath for their crimes. So, Lincoln, who's the last Avatar and Ambassador of The Digimon Sovereign and The Four Symbols are we meeting tomorrow?

Lincoln: That's an easy one, J.D.: Hikari Huanglongmon, Avatar and Ambassador of Huanglongmon, The Digimon Sovereign of Light and Dark and Huanglong the Golden Dragon of the Center.

Zoey Zhuqiaomon: I knew it'd be her, and you guys will like meeting her, Hikari Huanglongmon is Lincoln's Guardian Angel from New York, and she's also a very powerful master of light and darkness and yellow dragons because she's said to be the incarnation of The Yellow Dragon otherwise known as The Yellow Emperor in Chinese Mythology, and since her birth, she represents The Yellow Dragon, The Incarnation of The Yellow Emperor, and because of that very strong and powerful representation of The Yellow Dragon, she was also made The Avatar and Ambassador of Huanglongmon, The Digimon Sovereign of Light and Dark and she has all his powers over fire and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, Nature, and Light and Darkness.

Nico: Whoa, now that's really powerful.

Byakko Baihumon: That's right, and she's known as The Heavenly Justice of Huanglongmon because any villain who dares to cross her shall face her judgement, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon the Yellow Dragon and when that happens, they will face judgement day for their crimes.

Me: (GASPS) You mean one wrong move, and you'll be…?!

Nico: Facing the wrath of The Yellow Dragon and Heaven itself. (Shudders) This is one Guardian Angel you don't ever want to cross.

Zoey Zhuqiaomon: Not unless you want to face Heaven's Judgement and pay the price.

Me: Yep.

Molten Man: Hope you guys don't mind I killed some too.

Trickster: Who did those guys think they are?

Loki: They're nowhere near the level of the Scarecrow Batman used to fight.

Cad Bane: How pathetic.

Vortex: Either way, another job well done.

Nico: Yep. You said it guys. Great job everyone.

Sunset Shimmer: (To the viewers) This was a really deadly and fun battle.

Nico: It sure was.

We headed home. Little did we know that someone was watching us from the shadows and it was Bob Roth!

Bob Roth: Fuck that Team Loud Phoenix Storm! They had the nerve to tell everyone my crimes. If only I could make them pay somehow…

?: Oh, you want them to pay too, huh? Well, Bob, we may have gotten off to a rocky start. But I think we can help each other.

He saw it was Slappy.

Bob Roth: I'm listening.

Little did Roth know that I secretly slipped a tracer on him.

And we were heading to the school and we were heading there to help Jack Johnson. Trudy Bolton is with us too.

Nico: This will be awesome and fun.

Homer: Yeah it sure will be awesome.

Camie: I'm ready to have some fun.

Qin: Same here. This will be good.

Nico: Homer, I want to thank you, Wiggum, and your teams for coming.

Homer: Not a problem Nico. And I'm ready to tear some bad guys apart.

Nico: Me too.

Cuprosklodowskite: This is gonna be fun and cool.

Nico: Cuprosklodowskite, what do you like to do in your free time?

Cuprosklodowskite: Not really sure. I don't think that I can get a job anywhere.

Nico: Why?

Cuprosklodowskite: I am intensely radioactive and I am worried that I might kill people that get near me.

Me: You're are right to worry about that.

Camie: That is a problem.

Nico: It's cool. I guess having a job isn't too bad

Cuprosklodowskite: Yeah I'm happy with keeping people safe.

Me: We'll figure something out.

Nico: Yeah.

Lola: Boy we burned those Scarecrows into ashes.

Me: We sure did.

Maria: They had the nerve to attack Liam's house!

Nico: No kidding!

Qin: But we made sure they were all incinerated!

Maria: No one attacks my brother in law and gets away with it!

Laney: Yeah!

Trudy Bolton: That was an awesome adventure though.

Lola: Yeah it sure was.

Nico: And we found out how flammable beer is.

Qin: We sure did.

Me: Poromon and the mascots did great helping out with that.

Nico: Yep they sure did.

Xenia: Yeah that was cool.

Lola: That was the most fiery adventure ever.

Nico: It sure was

Me: Yeah!

Qin: That was cool.

Me: Yep.

We arrived at the school.

Me: Awesome.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Jack Johnson that the miserable bully and jerk, Wilson Schlame, is at it again.

We gasped.

Nico: Oh man, I knew that jerk was at it again! I just knew it!

Me: Same here. He sure doesn't know when to take hint.

Lincoln: He sure doesn't. But, I've also got some bad news as well: I've heard from Trudy and Jack that Wilson has gone and made a deal with Slappy, and he's also gotten his hands on a weapon that Kai and the other Ninja of Ninjago have heard about, it's called The Staff of Elements, and with it, he intends to steal everyone's elemental powers and bring chaos and destruction to all!

WE GASPED IN SHOCK AND NOW WE WERE PISSED TO HIGH HEAVEN: THAT MORON MADE A DEAL WITH THAT MALICIOUS DUMMY!

Me: THAT… GODDAMN… STUPID… !

Nico: That's the last straw, Wilson's getting such a beatdown from all of us for this! Lincoln, you should call for help.

Lincoln: Already done.

Just then, Air Lincoln and Rachnera Arachnera arrived, and they have Kai, Cole, Jay, Zane, and Lloyd, but they looked really drained.

Air Lincoln: We already got word about the whole situation, but we got here too late. Kai, Cole, Jay, and Zane had their powers absorbed by that jerk.

Rachnera Arachnera: Lloyd too.

We gasped.

Lincoln: That piece of shit, he's getting his arms and legs broken and he's going to be crippled for life! (Sensed for Wilson Schlame) AHA! Gotcha! That asshole's 20 yards away and closing fast on us!

Me: SON OF A BITCH!

Nico: He's gone way too fucking far!

Lincoln: He's already crossed the line of no return.

Qin: Time to kick some butt!

Nico: Don't worry. He's not getting away with this.

Me: I'm going to really enjoy kicking his fucking ass!

Nico: Me too!

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Qin: He is just really pissing me off!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on getting after Wilson Schlame.

Nico: Where's Jack right now?

Jack Johnson: I'm right here.

He saw him.

Nico: Oh.

We went to face Wilson.

?: (LAUGHING MALEVOLENTLY) NOW, I WILL STEAL ALL OF YOUR POWERS

We then saw our target, Wilson Schlame, and he was completely insane thanks to having The Staff of Elements in his hand and he'd already stolen Kai, Cole, Jay, Zane, and Lloyd's Elemental Powers, and now, he intends to steal ours and cause chaos everywhere. Wilson Schlame was about to use the Staff on us, but Lincoln fired a symbiote web at The Staff and yanked it out of Wilson's hands, and he smashed the crystal orb onto the ground and freed Kai, Cole, Jay, Zane, and Lloyd's Elemental Powers and were returned to them and the staff's remains were absorbed by Lincoln's massive greatsword.

Wilson Schlame: (SUPER ENRAGED SCREAM) NOOOOOOOOO! MY POWERS!

Kai: They were never yours to begin with!

Cole: And you had some nerve ambushing us, you bastard.

Lloyd: Now, you're really going to get it.

Jay: No way you're getting out of this.

Zane: Indeed.

Kai, Cole, Jay, Zane, and Lloyd fired powerful blasts of fire, earth, ice, lightning, and energy at Wilson and sent him flying into a tree, he got back up, but now, he was mega pissed off and mega insane.

Kai: Thanks for getting our powers back, Lincoln.

Lincoln: You're welcome, Kai. Now, it's payback time!

Air Lincoln: I couldn't agree more.

Nico went up to Wilson and then…

POW!

Nico punched him in the face and sent him crashing into a wall. He got up and he was really MAD NOW!

TJ: Shift into Turbo!

He turned into Turbo Red!

Wilson went at Nico and then Nico SMASHED HIM IN HIS CROTCH!

Trudy and Jack punched him in his face!

Trudy Bolton: That's for hurting my boyfriend all the time!

Jack Johnson: This is for hurting me!

POW!

He punched him in his face and knocked out most of Wilson's teeth!

Trudy then groaned as her hair fell out and she grew wings and turned into her Flying Fish Gene-slammer form!

Nico: He's in for it now!

ZOOM!

Trudy bashed and punched him all over.

Nico: We should call Stacy!

Maria: Good idea!

She did so and then…

THUNDERCLAP! THUNDERCLAP!

In a strike of lightning came Stacy!

Stacy Bolton: I'm here guys! And it's time for this shark to strike!

She fired a blast of lightning and electrocuted Wilson!

She then groaned as she spit her human teeth out onto the floor

She then transformed into SHREDGIRL!

Nico: Oh yeah!

Shredgirl slashed Wilson all over!

Nico: Take that!

Wilson: I WILL KILL YOU ALL!

Maria: Not gonna happen!

POW!

Maria punched him in his face!

Suddenly, Air Lincoln's grey eyes turned neon grey and he was surrounded by a grey energy aura with stars, wind, wind gusts, griffins, harpies, phoenixes, and angels, he unholstered his massive Air Lincoln's Hurricane Storm Griffin Greatsword of Hurricane Storm Justice from his back, and as he approached Wilson Schlame, he left grey energy, stars, wind, wind gusts, griffins, harpies, phoenixes, and angels with every step.

Air Lincoln: Just when I thought you couldn't stoop any lower than that, you went ahead and made an alliance with that dummy, Slappy, and used The Staff of Elements to steal Kai, Cole, Jay, Zane, and Lloyd's Elemental Powers and then steal our powers?! You should've known that our powers can't be stolen, and you really crossed a serious line when you attacked our friends. Now, you're going to be crippled for the rest of your life and you'll be confined to your new home in prison where you belong.

Suddenly, Air Lincoln was surrounded by a massive vortex of grey energy, stars, wind, and wind gusts surrounding the vortex, there are griffins, harpies, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Wilson Schlame: the red eyes of death. Then, as soon as the vortex faded, Air Lincoln emerged, but he was changed forever.

Suddenly, Air Lincoln felt a very sharp pain on his now more wider and more muscular back, and then, his massive white angel wings with grey tips on the feathers grew much bigger for his new body, and his eleven massive and long white wolf tails now have grey tips and grey markings.

Suddenly, Air Lincoln's massive Air Lincoln's Hurricane Storm Griffin Greatsword of Hurricane Storm Justice and all the greatswords and swords he'd gotten began merging together and they were surrounded by a kaleidoscope of grey energy, stars, winds, wind gusts, griffins, harpies, phoenixes, and angels and when it emerged, it was transformed into Air Lincoln's L-Emental Eternal Hurricane Storm Griffin Harpy Greatsword of Hurricane Storm Griffin Harpy Justice, it's a brand-new massive greatsword with embedded grey gems and a griffin and harpy etched on the 7'6" massive, wide, double-edged, golden blade, gold griffin heads for the crossguard, large white angel faces built into both sides of the hilt and large grey gems embedded in the foreheads, longer midnight black handle, four large gold griffin heads with grey gems for eyes and in its open mouths and a large gold griffin head with grey gems for eyes and large grey gem in its beak on the bottom of the griffin heads for the pommel, he has on his large gold Bracers of The Champions of the Universe with large grey gems on his large wrists and Dragon Ball Bracelet on his left gold Bracer, his large gold Belt of Elemental Bravery with large golden griffin head with grey gems for eyes and large grey gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip. We were amazed by Air Lincoln's Super Angel-Thunderbird-Griffin-Harpy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Wilson Schlame saw it, he went absolutely berserk and ran at Air Lincoln to kill him, but Air Lincoln punched him super hard in the stomach and made him belch out massive tons of blood as Wilson held his stomach in pain.

Air Lincoln: (Divine Echoing Godly Voice of The L-Emental True Hero Hurricane Wind Thunderbird Harpy Griffin Phoenix Angel and Divine Cosmic L-Emental True Hero Hurricane Wind Thunderbird Harpy Griffin Phoenix Angel Hope) Just so you know, that was for bullying Jack Johnson and Trudy Bolton.

Wilson looked at Air Lincoln with pure rage.

Wilson Schlame: WHY… YOU… ! (SCREAMS WITH RAGE)

Wilson tried to attack Air Lincoln again, but he dodged.

Air Lincoln: (Divine Echoing Godly Voice of The L-Emental True Hero Hurricane Wind Thunderbird Harpy Griffin Phoenix Angel and Divine Cosmic L-Emental True Hero Hurricane Wind Thunderbird Harpy Griffin Phoenix Angel Hope) And this is for making a deal with Slappy! (KICKS WILSON INTO ANOTHER TREE)

Wilson got out and tried to attack Air Lincoln again, but he dodged.

(KICKS WILSON INTO A WALL OF BRICKS)

Wilson got back out, but boy, was he beyond enraged now!

Nico: Incredible!

Me: Man, that was brutal!

Trudy charged at him and smashed him through a wood wall and smashed him into a metal wall.

Nico: Nice!

Lincoln: I sent the footage of what he did to Wilson to Poison Ronnie Anne, Positron Paige, Sand Girl Jordan, and Ink Stella, and they're already swooning over him.

Girl Jordan: Just like how we always swoon over you, handsome?

Rachnera: Hey, save the making out with Lincoln for later, Girl Jordan. We've still got to put that jerk away forever.

Me: I agree.

Suddenly, Rachnera's red eyes turned neon red and she was surrounded by a lavender energy aura with stars, moonlight, spiders, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Wilson Schlame, she left lavender energy, stars, moonlight, spiders, phoenixes, and

angels with every step.

Rachnera: Every single word that Air Lincoln said to you was true, you've done some really low things before, Wilson, by bullying Jack and Trudy, but even worse, you made a deal with Slappy and hurt our friends?! That's the last straw, I'm gonna enjoy crippling you for life before we throw you in prison where you rightfully belong and piss Slappy off even more.

Suddenly, Rachnera was surrounded by a massive vortex of lavender energy energy with stars and moonlight surrounding the vortex, there are spiders, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Wilson Schlame: the red eyes of death. Then, as the vortex faded, Rachnera emerged, but she was changed forever.

Rachnera has on her revealing halter top with shoulder-less sleeves that usually exposes her ample cleavage and black and gold loincloth, and her lower spider body grew much bigger, and she has on a long sleeveless white trenchcoat with stars, moonlight, spiders, phoenixes, and angels on the coattails, and on the back is a phoenix and spider with the moon shining down on them both. Suddenly, Rachnera felt a sharp pain on her back, and then, massive lavender angel wings with purple tips on the large lavender feathers grew and sprouted out of her back and she now has eleven massive and long lavender wolf tails with purple tips and purple markings on the base of her spine. Rachnera has on her Ring of the Phoenix with large lavender gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rachnera's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of lavender energy, stars, moonlight, spiders, phoenixes, and angels, and when it emerged, it transformed into Rachnera Arachnera's Greek Moonlight Spider Angel Greatsword of Greek Moonlight Spider Angel Angel Justice, it's a brand-new massive greatsword with embedded purple gems and a spider and phoenix etched on the 7'6" massive, wide, double-edged lavender blade, large lavender spider heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in the foreheads, longer midnight black handle, four large lavender spider heads with red gems for eyes and large lavender spider head with red gems for eyes and large red gem in its mouth on the bottom of the lavender spider heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with lavender gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold spider head with red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Back with us we cheered wildly and so did the school.

Me: Good riddance.

Trudy and Stacy groaned as they decreased in size.

They reverted back and were back to normal.

Trudy Bolton: (GROANS) That always hurts.

Me: You're not used to it yet.

Nico: Yeah it takes a while.

Maria: But that jerk Wilson is in the Charon reform school where he belongs.

Trudy and Stacy's pants tried to fall down but they kept them pulled up.

Me: Oh boy. Fashion Brigade?

Rarity: Don't worry darlings we got this.

They gave them new clothes.

Stacy Bolton: Ah thanks guys.

Trudy Bolton: Yeah we needed that.

Maria: You're welcome.

Jack kissed Trudy.

All of us: Awww.

Stacy: Aww.

Everyone was so happy for Jack and Trudy.

We cheered for them.

I gave a couple of kids that were about to make fun of Jack and Trudy a nasty death glare. It said "If you make fun of them I will make Wilson's fate look like a small scratch compared to what I will do to you."

Nico: Don't get any ideas teasing them!

The kids whistled.

I gave the finger gesture for I'm Watching You!

Eli: That bully had it coming.

Qin: Yeah.

Jack: Thanks guys.

Me: Anytime Jack.

Nico: You alright, Kai?

Kai: Much better now.

Me: Good.

She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Hoth, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering

The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and he eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of ice.

Nico: Wow!

Me: The Keyblade Knight of the ice planet of Hoth. That is awesome!

Nico: That planet was really cold.

Lola: No kidding.

Nico: We had a lot of fun on Hoth and it was awesome.

Eli: Yeah we had awesome races there.

Holly Hoth: That's what I heard. So cool.

Me: By the way is the Another Wiggum friendly or hostile?

Holly Hoth: Friendly and she has a really hot power.

Me: Wow!

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the anothers.

Nico: Lets get them!

The Embodiments fired waves of elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: Take that!

Maria: Time for some backup. (TURNS DIAL) CLOWNS OF BUTTKICKING!

She summoned Krusty, Quackerjack, Chykka, Argo, Butch and Another Ginga.

Krusty: Hey hey kiddies! (GOOFY LAUGHTER)

Nico: Now, we wait.

Laney: Yep.

Qin: That was a lot of Anothers.

Xenia: Yep.

Nico: At least it wasn't 30.

Me: No kidding.

Qin: Yeah.

Nico: This is how it should be. The number of Anothers being less then 10.

Me: Yeah but they just keep coming. With the amount of that keep coming into our ranks every day and more and more villains going into the M.O.E., it's going to be a long list and a huge number of them.

Nico: You're right on that.

Juran: I'm not complaining!

Nico: Me neither.

Eli: Yep.

May: The Another should be coming.

Maria: What's taking her so long?!

Me: She's here!

We saw a figure come and it was ANOTHER WIGGUM!

Me: Whoa! Another Wiggum!

Nico: Wow!

Another Wiggum: (In a girls voice) I hate being this fat!

Me: (GASP) That voice!

She reverted back and was a girl with orange hair and red eyes and had yellow and orange clothes and had fire angel wings and had a tiara with the symbol of the Inferno Dopant on it and she had the same symbol on her skirt and she had a fire sword.

Me: (GASP) Iona Inferno!

Nico: WHOA!

Iona Inferno: Awesome to see you again J.D.

Me: Same here. Iona is the Embodiment of the Inferno Dopant and she has amazing intense fire powers and she also is a great chili maker ad she makes really hot and deadly chili.

Wiggum: (GASP) Just like when I make all kinds of chili for the chili cookoff.

Nico: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Iona Inferno: No he didn't. I used my powers to create a powerful wall of fire and distracted him long enough to make my escape.

Nico: Never underestimate the powers of hellfire.

Me: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated her.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju armor.

Nico: Time for some authority! (ACTIVATES CHIEF WIGGUM AND PROPER PATROL'S RIDEWATCHES)

He fired energy blasts and smashed the Another down.

May: Take this one! (ACTIVATES GINGAR AND QUEEN'S RIDEWATCHES)

She fired energy blasts and blasted the Another.

Maria: Take this buttface! (ACTIVATES SAGITTARIUS ZODIARTS

AND BAROMON'S RIDEWATCHES)

She fired energy blasts and blasted the Another.

Cuprosklodowskite: I may be intensely radioactive but I can still kick some butt! (ACTIVATES PROPER PATROL'S RIDEWATCH)

She fired a blast of energy and blasted the Another.

Iona fired a blast of fire and blasted the Another.

The Duff Killigan, Evil Strike Man, Universe 666 Zeltrax, Taboo Dopant, Astral Drop Irma and The Spirit of Fireball McPhan came.

Nico: Awesome team Duff!

Duff Killigan: (Scottish Accent) Aye tis a great team lads.

Me: Yep.

?: That is awesome!

We saw Wave Man come.

Me: Wave Man wow!

Wave Man: (In a girls voice) This is gonna be good.

Nico: Tsunami Wave!? Whoa!

Qin: Cool!

Tsunami Wave: Yep. I got this!

She fired a wave of water and it hit Another Wiggum and knocked him down and I got the ridewatch and purified it.

Tsunami Wave: That was cool! Oh uhh just so you know I'm naked as a jaybird.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: Just so you know it's going to hurt.

Tsunami Wave: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and vomited and fired a blast of water and DRENCHED MAY from head to toe in water! She was back to normal and had blue hair and blue eyes and blue angel wings and had an ocean wave symbol in the middle of her forehead.

Tsunami Wave: (GROANS) That was bad. (GASP) Oh man! Sorry May.

May: It's okay. I'm just wet.

Me: At least it was just water.

Tsunami Wave: (Sees Herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome blue clothes and had blue armbands and leg bands and she had a a blue barrette in the shape of the kanji for Wave.

Tsunami Wave: Wow I look awesome.

May: You sure do.

Maria: I use water as well.

Tsunami Wave: That is awesome!

Cuprosklodowskite: What's your favorite memory of Nico?

Tsunami Wave: When me and Nico went to the waterpark and we went to the surf pool and we did all kinds of awesome stunts there.

Me: Cool! You would love our water park at Phoenix Land.

Nico: It's so fun.

Qin: Yeah it's so awesome.

Nico: Yep.

Nico and Tsunami hugged.

Nico: I've missed you.

Tsunami Wave: Same here Nico.

We later went back home.

We gasped.

Me: Oh shit.

Nico: Jerry told us the news of that monster's return. But, we're not letting her get away with this.

Lincoln: No, we're not, that ends here and now, that misandrist genocidal monster is going to face the ultimate punishment for her crimes and get The Black Gates.

Me: You got that right, Hitch.

Nico: And Lincoln's going to demonstrate his Surekill technique on her today, this is going to be good.

Suddenly, we saw a beautiful and super sexy girl with long golden blonde hair, jade green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive rainbow angel wings, she has on a necklace with yellow pendant, and she was dressed in a sleeveless yellow vest, sleeveless yellow crop top, golden yellow skirt with the Yellow Dragon on it, yellow pants, yellow legwarmers, yellow sneakers, and long white sleeveless trenchcoat with stars, light, darkness, yellow dragons, phoenixes, and angels on the coattails and on the back is Huanglongmon, The Digimon Sovereign of Light and Dark, and holstered on her back is a massive greatsword and with her are the five girls.

Lincoln: (GASPS) Hikari Huanglongmon, Avatar and Ambassador of Huanglongmon, The Digimon Sovereign of Light and Dark and Huanglong the Golden Dragon of the Center.

?: (NTH-DEGREE SCREAM) YOU PATHETIC HEROES! WHY CAN'T ALL OF YOU JUST DIE SO THAT I CAN FINALLY DESTROY THE HUMAN RACE!

We then saw our target, Violet Vanderfleet, and boy was she out for blood.

RAGE OF ELEMENTS! エレメントの猛威！

Lincoln swung his massive greatsword and fired a massive vortex of elemental forces and rainbow energy which hit Violet Vanderfleet and she was literally incinerated into nothing and her spirit was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Nico: HOLY SHIT! So, that was your new Surekill technique?!

Lincoln: Yep, it's called RAGE OF ELEMENTS! エレメントの猛威! This Surekill technique works just like J.D.'s RAGE OF INFERNO! レイジ・オブ・インフェルノ！, but for this, I swing my massive greatsword and fire a massive vortex of elemental forces and rainbow energy which hits the target and they're overwhelmed by it.

Me: That is really awesome and really powerful! And it's a fitting end for Violet Vanderfleet.

Lincoln: You said it. (To Hikari Huanglongmon) And it's so good to see you again, Hikari Huanglongmon.

Hikari Huanglongmon: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Hikari Huanglongmon and he hugged her, and Hikari Huanglongmon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hikari Huanglongmon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are

really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Hikari Huanglongmon, Avatar and Ambassador of Huanglongmon, The Digimon Sovereign of Light and Dark and Huanglong the Golden Dragon of the Center, she's my Guardian Angel from New York, and she's also a very powerful master of light and darkness and yellow dragons because she's said to be the incarnation of The Yellow Dragon otherwise known as The Yellow Emperor in Chinese Mythology, and since her birth, she represents The Yellow Dragon, The Incarnation of The Yellow Emperor, and because of that very strong and powerful representation of The Yellow Dragon, she was also made The Avatar and Ambassador of Huanglongmon, The Digimon Sovereign of Light and Dark and she has all his powers over fire and she knows all of his techniques. She's one of five girls who make up a group known as The Five Ambassadors of The Digimon Sovereigns of Fire, Water, Lightning, Steel, Nature, and Light and Darkness.

Zoey Zhuqiaomon: She's known as The Heavenly Justice of Huanglongmon because any villain who dares to cross her shall face her judgement, and she's really serious about protecting Lincoln from his mean sisters and the other jerks in Royal Woods, and she hates The Digimon Emperor and The Digital World's many evil villains with a seriously blazing passion, and swore that if she ever came across any of them, she would summon the Yellow Dragon and when that happens, they will face judgement day for their crimes.

Me: Jeez, so any who anger her wind up facing the wrath of Heaven!

Nico: Oh boy, and I can guess that Lori, Lynn, Lola, Lisa, Luan, Chandler, or any of your old enemies did something really horrible that got her pissed off.

Lincoln: It's actually Flip, Hawk, Hank, Pablo, Anderson and Scoots who pissed her off, and she even predicted the death sentences of

Scoots, Hawk, and Hank.

We gasped.

Nico: Which were last year when Scoots came back to cause havoc and we banished her to The Black Gates, and when you trapped the souls of Hawk, Hank, and Ophelia Shroud in energy cards and then banished them to The Black Gates before one of our winter races.

Me: That was eerie, so she saw the fates of three of the biggest jerks in Royal Woods and Hazeltucky and they came true.

Selene Arcangela: We were absolutely stunned ourselves, I guess that's what happens when some jerk tries to tempt fate and anger Heaven.

Lincoln: Tempting fate and angering Heaven never ever ends well for anyone, not even for the jerks, and now that you're here, Hikari.

Lincoln went up to and hugged Hikari Huanglongmon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hikari Huanglongmon: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hikari Huanglongmon's neck with golden yellow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her

neck.

Hikari Huanglongmon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hikari Huanglongmon.

Hikari Huanglongmon had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Abelia, Aurelia, Luna, Miser, and Viola from Soulcalibur.

Lincoln: Oh wow, it's Abelia, Aurelia, Luna, Miser, and Viola from Soulcalibur.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Abelia: Yes, we're okay, thanks to you.

Then, when Abelia and the other four girls saw who it was that saved them from Violet Vanderfleet, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary

Abelia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Miser: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Abelia, Aurelia, Luna, Miser, and Viola with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was our old hated enemy, the ruthless genocidal misandrist monster, Violet Vanderfleet, and she wanted revenge on us and she still wanted to annihilate the entire human race by killing all the men.

But, when Lincoln showed what we all did in violently thrashing her all over the place, and then, Lincoln using his new Surekill technique, Rage of Elements, that destroyed her and sent her straight to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and Hikari Huanglongmon have a lot of catching up to do now that she's back in town.

Maria: Oh man, I wasn't expecting that monster, Violet Vanderfleet, to make her comeback once again, but that Surekill technique you used on her was really wicked!

William: For sure, you eviscerated Violet with the power of all the elemental forces and sent her right to The Black Gates forever.

Lincoln: You said it, and we also showed Margie the footage of it, and this showed her of what awaits should she dare escape once more.

Me: You got that right, next time, if she breaks out, regardless of our code, we're going to finish what we started.

Nico: She goes in the same category as Princess Morbucks, and her actions can never be forgiven. If she breaks out again, she's doomed.

---

After finally getting rid of Violet Vanderfleet and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hikari Huanglongmon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hikari Huanglongmon: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hikari, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Hikari Huanglongmon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hikari Huanglongmon: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Hikari, what memories did you have with Lincoln?

Hikari Huanglongmon: There is a video I have with one memory I have with Lincoln, and this was at my house.

Hikari Huanglongmon played a video on the screen, and we saw Lincoln and Hikari Huanglongmon along with the rest of his Guardian Angels and harem at her house.

Past Lincoln: Okay, here goes.

Lincoln fired a gold energy blast and it formed into a gold statue of The Yellow Dragon.

Past Hikari Huanglongmon: Wow!

Past Nicholette Torrington: Nice, you have the power to create golden statues by firing gold energy blasts.

Suddenly, the alarms went off, and Lincoln and his Guardian Angels saw the alert.

?: LOUD! I WILL HAVE MY REVENGE ON YOU!

Past Hikari Huanglongmon: What the Hell was that?! (Sniffs) Ugh, and why does it smell like raw sewage?!

Past Lincoln: Oh no, not this again, Chandler!

Suddenly, they saw on the computer the one who triggered the alarm: Chandler, and it was obvious due to the stink lines coming off him, and he also had his goons, Artie and Trent, with him.

Past Hikari Huanglongmon: Great, he's also brought his asshole goons, Artie and Trent, with him.

Lincoln and his Guardian Angels came out to face him.

Past Lincoln: This just never stops with you, does it?! You just won't stop until you kill me, that's it, I've had it up to hear with you, Sewage Breath!

Lincoln spread his massive white angel wings and stood ready against Chandler and his goons and we knew it was going to get ugly.

Past Lincoln: Bring it on, you filthy animals!

Chandler, Artie, and Trent all charged at Lincoln, and he dodged all of their rage-crazy strikes with ease. Lincoln fired powerful multiple blasts of lightning and electrocuted Chandler, Artie, and Trent and they got sent flying into a tree. They got back up, but now, they were beyond major-leagued pissed off now!

Past Laney Emperyous: You goddamn filthy pieces of shit, I hope Lincoln rips you three to fucking shreds for this!

Lincoln then flew and charged at Chandler, Artie, and Trent, and they got enveloped in a super mega massive fight cloud of epic proportions, and then, Lincoln delivered massive blows to Chandler, Artie, and Trent, and he knocked them out of the fight cloud and Lincoln emerged as soon as the fight cloud remnants finally disappeared, but his orange shirt was badly shredded and his blue jeans had tears on them.

Chandler, Artie, and Trent roared with rage and went at Lincoln again only to receive a superhuman strong punches from Lincoln and he sent Chandler, Artie, and Trent flying into a tree and knocked them out.

Past Hikari Huanglongmon: Nice one.

Past Lincoln: Now, what should we do with them?

Past Hikari Huanglongmon: I've got an idea.

Hikari whispered something in Lincoln's ear and he nodded. Then, he fired waves of gold energy from his massive white angel wings and turned Chandler, Artie, and Trent into gold statues after Hikari and Lincoln stripped them and left them in their underwear and left them at the park and everyone was laughing as the video ended. We were laughing hysterically!

Nico: (LAUGHING HYSTERICALLY) OH MAN, NOW THAT WAS TOTAL HUMILIATION!

Me: (LAUGHING HYSTERICALLY) NOTHING'S WORSE THAN GETTING STRIPPED TO YOUR UNDIES AND TURNED INTO GOLD STATUES AND LAUGHED AT!

Luna: It was really hilarious, we couldn't even stop laughing.

Nicholette Torrington: It was way too funny.

Byakko Baihumon: Even some of us posted the photos on the internet for all to see.

Bertha Sellington: Plus, everyone loved the post we did with the photo.

Nicholette Torrington: Yep, I remember it: Royal Woods Sewage Brat and Asshole Thugs Stripped to Undies and Turned Into Gold Statues.

Camie Nicholetta: It was way too hilarious, and everyone left awesome comments, one of them was, "Those three deserved it for hurting Lincoln, his nice sisters, friends, and Guardian Angels." or "HA HA! YOU THREE ASSHOLE JERKS REAP WHAT YOU SOW!"

We got a shower afterwards, and then, Lincoln, Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Athena (Warriors Orochi): So, this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Athena, and it's perfect for our first date. Shall we?

Lincoln, Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham and they hugged the girls in their abnormally massive and powerful muscular arms.

And Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham are in your harem.

Livewire: You can thank me for introducing Simulator Lois Lane (My Adventures With Superman) and Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman) to him. Plus, I'd heard all about the world Lois Lane (My Adventures With Superman) and Leslie Willis A.K.A. Livewire (My Adventures with Superman) came from, and I can say this: I really hate that counterpart of me so much, I want to short circuit her brain until it's mush.

Nu Wa: Athena had heard everything about Lincoln, and I was the one who introduced my Simulator counterpart to him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Nu Wa, Athena (Warriors Orochi), Simulator Lois Lane (My Adventures With Superman), Universe 666 Leslie Willis A.K.A. Livewire (My Adventures with Superman), Sherrice, Mary Towa, Twitch Malto, Hashtag Malto, Margygr, and Universe 666 Ferham, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Now it was time for Another Super Mario Galaxy 2 adventure.

Nico: Next is Bowser Jr.'s Fiery Flotilla.

Me: Whoa! This will be fun.

Luster Dawn: Me and Silverstream will go next.

Nico: Okay then.

They went in and the simulator activated and they were at BOWSER JR.'S FIERY FLOTILLA!

Nico: We're here.

Luster Dawn: Wow!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one has a really crazy boss. I'll tell you all when you get there. It's at that big moon over there.

They saw the moon.

Nico: Okay.

?: Let me help too.

They saw a girl with red hair, red eyes and had black clothes and had red angel wings and she had a rail saber in her hands and she had a tiara with the symbol of the RPM Rangers on it and the same symbol on her skirt.

Nicole Corrinth: Nicole Corrinth - Embodiment of the RPM Rangers is here.

Nico: Awesome to meet you Nicole.

Nicole Corrinth: Same here.

Nico: We can talk later. Lets get to the moon there.

They were off.

Luster Dawn: No Go Onger as your last name?

Nicole Corrinth: No that would be a little too weird. So my name was picked for the city of Corrinth.

Nico: That makes sense.

Nicole Corrinth: Yeah. By the way I heard you guys killed Venjix.

Nico: Yeah we sure did and he was reborn as Evox in Beast Morphers 10 years later.

Luster Dawn: Yeah that literally blew us out of our socks at the revelation.

Nicole Corrinth: Yeah! To be honest I knew he was still out there somewhere but I never expected him to resurface 10 years later like that.

Silverstream: He hid in Scott's Morpher

Nico: Yeah!

Nicole Corrinth: I know! That was so crazy! He was right under their noses the entire time.

Nico: Yep. And when we faced him during the battle with the Void Queen we destroyed him for good.

Nicole Corrinth: That's what I heard! Word spread to all my fellow embodiments like wildfire that you guys have been killing all of our major enemies and I heard also that Lord Zedd is back after 25 years.

Nico: Yep.

Luster Dawn: But he can't hide forever

Nico: Nope.

Luster Dawn: When the time comes we're going to make sure that we destroy him once and for all.

Nico: Yep. We just got to know where to find him.

Nicole Corrinth: Good. He will pay.

They arrived at the moon and out came BOWSER JR.!

Bowser Jr: How are you liking the new Galaxies?

Nico: Fun and challenging and awesome!

Bowser Jr.: Glad you guys are having fun.

Luster Dawn: We sure are and this is gonna be so fun!

Bowser Jr.: Yeah it sure will be! And meet my new pet!

Out came GOBBLEGUTT!

He was a dragon!

Nico: Gobblegutt!

Luster Dawn: Oh boy!

Bowser Jr.: Have fun!

He teleported.

Nicole: (On the radio) Okay this one is going to be tough. See those red segment sacks along his body?

Nico: Yeah.

Nicole: You have to pop those twice.

Nico: Olay then.

Gobblegutt tooted like a steamhorn!

Nico: (gets out Wiggum and Springfield Mafia's Ridewatches) Time for gunshots!

Nico activated them and got guns and he fired and blasted the sacks the first time.

Nico: YEAH!

Then he turned red and roared and he had steam coming out of his horns and nose.

TOOOOOTT TOOOOTT!

Me: WHOA! Now he is mad!

Luster Dawn: This is gonna be tricky now!

Silverstream: Yep!

Luster Dawn fired blasts of fire and blew one of Gobblegutt's sack's open.

Silverstream fired blasts of light and blasted another sack.

Nicole Corrinth fired an energy blast and blew the final sack apart and then he roared and glowed and then he exploded! Ouch came a Grand Star!

Nico: There's the first Grand Star!

Luster Dawn: Awesome! Lets get it!

They went and got it!

YOU GOT A GRAND STAR!

Nico: YEAH!

Nicole Corrinth: That was fun!

They high five!

Silverstream: Tell us more about yourself.

Nicole Corrinth: Well I'm a computer technician and I work on computers and I also helped Dr. K with inventing some of the weapons for the rangers. I was only 7 at the time and was making the rangers suits and weapons perfect. But when I found out that Venjix survived I turned into the Embodiment of RPM to help the others destroy the enemies of the rangers.

Nico: Wow!

Silverstream: That is amazing.

Nicole Corrinth: It sure is. I never got to finish my work though.

Nico: Well maybe you can get that chance. Would you like to join the team?

Nicole Corrinth: I would be honored.

They later left the simulator and we cheered wildly for them.

---

Later the mascots were up to something.

Poromon: Are the others asleep?

They nodded.

Poromon: Lets go.

They were off.

But most of us were not asleep. I went to get the mail.

I went to the mailbox and got the mail and came back.

Me: Mail's here!

Nico: What did we get?

Me: Lets see.

I looked through it and it was mostly magazines, coupons and more.

But one letter caught my eye.

Me: Huh? Hmm.

I opened a letter,

Me: Lets see. (Reading) "I am back from the dead for revenge. You have 1 week to move away from Michigan forever and never come back or else I will kill you all. This is not joke. Move or else! - Don Gordon"

I gasped!

Nico: Wait that's Adrienne Delaney's husband! Didn't he die on one of your rescues?

Me: Yeah he did! That demon must be back in him.

Nico: Where's Adrienne?

Me: She hasn't come out of her room since my rescue at the Carnovasch Mansion.

Nico: Boy that's rough.

Brittney: I sense that he is possessed by that demon. I'll face him.

Nico: Okay.

Brittney went down to face Don.

Brittney was looking around and then out came Don Gordan and he was insane and dressed like Carno!

Don Gordan: (LAUGHING INSANELY) I WILL KILL YOU!

Brittney: I sense a demonic force in him!

Brittney then held him in place with dark energy and then she painted a symbol on the ground with some candles and then got out her book.

Brittney: (CHANTING AN INCANTATION)

Don screamed in pain as he was thrashing around. But then a demonic force left him as she finished and then out came the demon ASTEROTH!

---

The Demon is the main antagonist from the 1995 live-action computer game Phantasmagoria. It was an entity of pure evil summoned from a cursed book 100 years ago by the great magician Zoltan Carnovasch and possessed him, slowly making Carno, who was previously a good man, into a monstrous serial killer who brutally murdered all five of his wives. Carno was eventually killed in the process of killing his fifth wife, and this was witnessed by his adopted son, Malcolm, who saw the spirit of the demon leave his body and go back into the book, which young Malcolm then sealed away in a church.

In the present day of the game, the Demon is released once again when the main character, Adrienne, accidentally stumbles upon and opens the book after moving into Carnovasch's mansion with her husband Don. The demon then possesses Don, who subsequently starts becoming more and more abusive and evil, yelling at, hitting and even raping Adrienne, eventually turning into a complete murderous psychopath like Carno was. Adrienne learns the Demon's backstory from Malcolm, now an old man, who also tells her how it can be banished again.

Adrienne is forced to kill Don to stop him from killing her, but then the demon suddenly appears in physical form from his corpse and starts chasing her. Adrienne runs back to the secret chamber where the book is, and then recites the spell to seal away the Demon again.

---

Brittney: Oh my god! Asteroth!

She fired a blast of energy and banished him to the Black Gates and then she went and got Don and brought him over inside and he had a really nasty headache.

Don Gordon: (Groans) What happened? Where am I?

Me: Don are you okay?

Don Gordon: What happened?

Me: You were possessed by an evil demon and you did all kinds of horrible things!

Don Gordon: Where's Adrienne?

Me: She's in her room. But she hasn't come out in a while. You were killing people left and right because of that demon.

Don Gordon: WHAT!?

Me: We have a terrible story to tell you

I told him what happened.

---

Successful mystery novelist Adrienne Delaney (Victoria Morsell) and her photographer husband Don Gordon (David Homb) along with her pet cat Spaz have just purchased a remote mansion off the coast of a small New England island previously owned by a famous 19th-century magician, Zoltan "Carno" Carnovasch (Robert Miano), whose five wives all died mysteriously. Adrienne hopes to find an inspiration for her next novel in her new home, but starts having nightmares immediately upon moving in. She is comforted by the loving and supportive Don. Adrienne explores the estate, making mysterious discoveries like strange music, warnings written on her computer, and ominous messages from a fortune-teller automaton. Unbeknownst to the happy couple, Carno had practiced black magic when he lived in the mansion and had summoned an evil demon that possessed him and caused him to murder his wives.

During her exploration of the grounds, Adrienne finds a secret chapel hidden behind a bricked off fireplace. After opening a locked box atop an altar, Adrienne unknowingly releases the demon that possessed Carno, which possesses Don. Don starts acting menacingly toward Adrienne and drinking heavily, culminating in him raping her later on. Adrienne meets Harriet Hockaday (V. Joy Lee), a superstitious vagrant, and her strong but dim-witted son, Cyrus (Steven W. Bailey), who are secretly living in a barn on the estate. After Adrienne agrees to let them stay, they volunteer to help around the mansion, though Don disapproves. When a technician named Mike (Carl Neimic) visits the mansion to install the phone-line, Don screams at him in a jealous rage, warning him to stay away from his wife. Spaz also goes missing. Adrienne later discovers Spaz's collar where Don had been sitting by the fireplace earlier.

While the local townspeople believe all Carno's wives died of natural causes or accidentally, Adrienne learns through a series of visions that he murdered them in grotesque ways. Hortencia (Christine Armond), who avoided Zoltan's abuse by secluding herself in her greenhouse, is stabbed with gardening tools and suffocated with mulch. Victoria (Holley Chant), an alcoholic, is killed when Zoltan impales her eye with a wine bottle during an argument. An overly talkative third wife, Leonora (Dana Moody), has her mouth gagged and her neck contorted in a torture device. Finally, the food-loving Regina (Wanda Smith) is force-fed animal entrails through a funnel until she chokes to death. Harriet performs a séance for Adrienne, in which she vomits a green ectoplasm that takes the form of Carno. A repentant Carno tells her that he was possessed by the demon when he tried to learn black magic to use in his performances. He reveals that the previously trapped demon must be stopped and only she can contain it once again. Adrienne is later horrified to discover Spaz's dead body in the garden.

Adrienne visits the nearly 110-year-old Malcolm Wyrmshadow (Douglas Seale), who is being cared for by Ethel (Lilyan Chauvin); Malcolm had been Carno's apprentice as a young boy. Malcolm reveals that Carno met his demise after his last wife, Marie (Traci Clauson), who was tired of being abused by him, discovered he was a murderer. Marie conspired with her lover, Gaston (Jeff Rector), Carno's prop master, to kill Carno by sabotaging the equipment for his most dangerous escapology trick "The Throne Of Terror", in which Carno donned a burning hood and escaped from bonds on a throne underneath a swinging axe. The sabotage left Carno horribly burned and disfigured and he was assumed dead, but he astonishingly survived and mutilated Marie and Gaston. After killing

Marie by beheading her, Carno was impaled by Gaston, who then succumbed to his own wounds. Malcolm reveals that it was he who had originally sealed the demon in the estate's chapel. Malcolm also tells Adrienne about a ritual that can eradicate the demon. Later that night, Mike leaves the mansion, finally having completed installing the phone-line. Unbeknownst to Adrienne, Don murders Mike with an axe.

Harriet, fearing for her safety, decides to leave with Cyrus as Don becomes more abusive and erratic. The next day Adrienne discovers she cannot leave the mansion and later finds a collection of photos of her in Don's darkroom which have her head cut off. She is confronted by Don, who is now completely insane and dressed like Carno. Adrienne scars Don's face with acid from his darkroom when he tries to kill her and flees, discovering the corpses of Mike, Harriet and Cyrus hidden throughout the mansion. Don captures Adrienne and straps her into the throne, but she distracts him long enough to free herself and trigger the swinging axe, which impales and kills Don. His death unleashes the demon, which pursues Adrienne through the mansion. She escapes long enough to perform a ritual that traps the demon once again. The game ends with Adrienne walking out of the mansion with a vacant stare, almost catatonic.

---

When it was done he was shocked and horrified!

Seth Nightroad: Guys, where are the mascots?

Nico: No idea. They were here a few minutes ago.

Don Gordon: Oh dear god. What have I done!?

Nico: Don it's not your fault. That demon MADE YOU to all that against your will.

Me: Yeah you are not to blame for it.

Brittney: Carno made a terrible mistake by using Satanic Magic in his shows. In doing so he summoned a demon from hell.

Don Gordon: I got to see Adrienne.

Me: Don she may not be willing to see you after what happened. You did some pretty terrible things to her.

Nico: Yeah.

Don Gordon: (Crying) I got to at least talk to her!

Me: Okay.

Me and Don went to her room.

I knocked on her door.

Me: Adrienne? Adrienne it's me.

Adrienne Delaney: I'm not hungry.

Me: I don't have any food with me right now.

Don Gordon: Adrienne? Honey it's me Don.

Adrienne gasped.

Me: Adrienne I assure you he is not under the possession of that demon anymore. Brittney exorcised it and banished it to the Black Gates.

Adrienne Delaney: (Crying) WHY SHOULD I BELIEVE HIM!? YOU THINK I CAN EVER FORGIVE HIM FOR WHAT HE DID TO ME!?

Don Gordon: Adrienne I'm sorry! I wasn't in control of myself!

Me: He's telling the truth. He was possessed and his actions were not of his own accord.

Adrienne then opened her door.

Adrienne Delaney: Come on in.

We went in.

* * *

Meanwhile the mascots were in good old Sin City.

Poromon: Here we are in Vegas!

Poliwag: VIVA LAS VEGAS!

Manaphy: Awesome!

They went to Yosemite Sam's Casino.

* * *

In Adrienne's room we were talking to her.

Adrienne Delaney: Do you have any idea what you put me through!? I WENT THROUGH HELL BECAUSE OF YOU!

Don Gordon: Adrienne listen! I wasn't myself! I did not mean to hurt you!

Me: He's right Adrienne. He wasn't in control. He was hurting not just you but killing many people too against his will.

Nico: He's right Adrienne. He's really sorry for what he did.

Me: I know it's not going to be enough for you to accept and forgive but he is scarred and haunted by everything that happened. He didn't mean any of that because he was not himself.

Don Gordon: (Crying) I'M SORRY ADRIENNE! I'M SORRY!

Moka: Eli, can you sense where the Mascots are?

Eli: Okay.

Eli sensed for them and found them.

Eli: Oh man! They're all the way over in Las Vegas!

Moka: Las Vegas!?

Maria: Las Vegas!? What are they doing over there!?

Me: Adrienne listen. I know it's going to be hard but Don never meant to do anything to you like that. He was not in control. Astaroth did that to him. I know it's going to be hard. But at least try to give him a chance.

Adrienne Delaney: (Crying) Oh Don!

She hugged him and the both cried hard.

Nico: What are gonna do about that mansion?

Me: What else. Destroy it. It holds too many dark secrets.

Maria: NICO! The Mascots snuck off to Las Vegas!

The outside of the tree was shown.

Nico: (SCREAMING) WHAAAAAAAAAAAAAAAAAATTTTTT?!

---

Yosemite Sam: Hey there, mascots!

Poromon: Howdy Sam!

Poliwag: Awesome casino you have here.

Yosemite Sam: Thank you. Try your luck?

Manaphy: Sure.

They went to the slots and then they put a coin in and pulled the lever and then won the jackpot!

---

We were flying to Vegas.

Flamewar: They better have a good reason!

Me: We'll find out!

Nico: Yeah! But man I can't believe that Don is that broken.

Me: He really regrets everything he did because of that demon.

Nico: Man poor guy. I can't believe that happened to him.

Me: I know. That was horrible.

We arrived in Las Vegas, Nevada.

Me: Good old Las Vegas.

Nico: Awesome.

Then the mascots came and THEY HAD A MASSIVE BOATLOAD FULL OF GOLD, COINS, JEWELS, CASH AND MORE!

Poromon: Hey guys!

Me: WHOA! You guys won all this!?

Nico: Whoa! How much is all this?

Manaphy: $999,999,999,999,999,999,999,999,999,999.00.

CLANG CLANG CLANG CLANG!

May, mine, Nico and Varie's jaws dropped and Eli put them back!

Me: WOW! What casino did you guys go to?

Poliwag pointed to Yosemite Sam's Casino and it was bone dry abandoned!

Me: WHOA! You guys bankrupted that whole casino!

Afterburner: Do you guys know what we did while you were having a good time?

Poromon: No.

Me: Well we'll tell you.

We told them everything.

Poromon: Oh no! So Don came back and Brittney saved him and he and Adrienne are trying to recover?

Me: That's pretty much the whole thing in a nutshell.

Poliwag: Oh man. I'm sorry guys. We didn't know this was coming.

Me: It's okay guys.

Naruto: But I'm amazed you guys won all this! Aunt Tsunade is going to freak hearing about this!

Me: No kidding bro.

Nico: Well I am disappointed that you went to Vegas without my consent but I'm amazed you guys won all this! Well done. How about as punishment you guys buy us dinner.

Poromon: Fair enough.

Maria: Now to bring this money-

Poromon: NO! MY MONEY! MINE!

Daffy Duck: Geez! Is that how I act when I'm greedy?

Me: Yep.

Nico: Poromon?

Poromon: Whoa sorry.

We got the money and stuff all the way back to the estate and moer and put the cars they won in the garage and put the money in the vault.

---

Tania: Nico, who gets to shine today?

Nico: Rarity, Sirius, Toru, Carol, Flora, and Erica Haddock.

Rarity: All right darlings!

Sweetie Belle: Way to go Rarity!

Nico: Yep.

Qin: This will be fun.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Sam, Louisa, and Nat, the ghosts from Ghost Beach, and they've returned once again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Sam, Louisa, and Nat, the ghosts from Ghost Beach, and they've returned once again.

We gasped.

Nico: But, didn't we send them back to Heaven last year?

Lincoln: We did, but Slappy decided to fuck that over by forcing them back to Earth with a Dark Orb in his hand, and even worse, I sensed that Bob Roth has made a deal with Slappy to get revenge on us.

We gasped.

Me: Why that repulsive chubby coward!

Marinette: So, now he's thrown in his lot with Slappy, figures.

Nico: How did you pick that up?

Me: I think I know.

I revealed I placed a tracker on Bob Roth.

Lincoln: Whoa, you placed a tracker on him? Nice one.

Me: Yep. Now, we can keep an eye on Bob Roth and make our move on him when the time comes, and did Slappy make another deal with anyone else?

Lincoln: Yep, he made a deal with Ahmed. But, we'll deal with him when we face him Princess Khala.

Me: Gabe and Sari are so going to be pissed when they find out he's also come back as well.

Nico: You got that right.

I went and got the book for Ghost Beach.

Me: We helped Sam, Louisa, and Nat cross over into the Great Beyond and that was awesome.

Haruka: Reminds me of Minako.

Me: It does.

Qin: Yeah.

Me: Looks like we're heading to the beach for some fun and a battle to help Sam, Louisa and Nat.

Nico: Yep.

I spun around and I was In my Summer Beach attire.

Me: Wouldn't be a trip to the beach without the proper attire.

Maria: Is it even considered a proper beach?

Nico: It was at the beaches of Lake Huron where we faced them.

Me: Yep.

Maria: I remember.

Me: Yeah. But also I think I have a pretty good feeling about what Slappy promised Sam, Louisa and Nat.

Nico: Me too.

The Previous group came.

Whiteout: Can me, Firefly, Plastique, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

Nico: Yes you all can come with.

Qin: Ghost Beach is next.

Whiteout: The ghosts of Ghost Beach? Didn't you guys send them to the afterlife last year?

Me: Yes we did. Slappy brought them back somehow.

Laney: Yeah.

Whiteout: Oh boy.

Lemmy Koopa: Nico, which Gene Slammer do you think you'll meet next?

Nico: Stone Man next.

Me: Cool.

Tara: That one will be earthmoving.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Aurora Seraphina's evil abusive parents who abused her and treated her like crap since the day she was born, and they also favored her evil older brothers and they tag-teamed to hurt and kill her, and they've broken out of prison and they want revenge on Lincoln and The Seraphina Sisters for killing their boys. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: Let me guess, our former relatives, Aunt Cyra and Uncle Cyrus, have broken out of prison and they want revenge on you and all of us for killing their boys.

Maria: How'd you figure that out quickly?

Stella Seraphina: Even though our former cousins are dead, when we see everyone's rainbow energy auras, rainbow protective auras, and rainbow fire auras flare up even more, that means our other two former relatives are also on the move.

Aurora Seraphina: I always knew those two would be the last ones left: the last remnants of my past. This needs to be done, I have to kill them.

Lincoln: I'm also joining in on this, Aurora. Like I said, if your evil parents break out to get revenge on us for what we did to your evil brothers, they're going to meet the same fate as them, but in a more bloodier way, and I plan on going werewolf on them and eating their hearts out.

Nico: As long as it's not like what you did with The Harvester on my last rescue, we lost our lunches because of that. Alright, gang, let's go, we have to help Jerry and Terri Sadler and their cousins, Agatha and Bradford Sadler, and free the spirits of Sam, Louisa, and Nat and send them back to Heaven.

Lincoln: Slappy went way too far in dragging Sam, Louisa, and Nat out of Heaven to haunt the beach once more, we must free them and send them right back to Heaven, and once we get done with setting them free once again, you're next, Cyra and Cyrus Seraphina.

Aurora Seraphina: Even though I'd finally been free of my former brothers, I haven't forgotten about you two either, you two were the root cause of the abuse I'd suffered for years, now I intend to make you both pay for it with your lives.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Jerry and Terri Sadler and their cousins, Agatha and Bradford Sadler, and free the spirits of Sam, Louisa, and Nat and send them back to Heaven and tell them of Slappy's part in dragging them out of Heaven to haunt the beach once more, and once we got done with freeing Sam, Louisa, and Nat from the beach once again, Lincoln and Aurora Seraphina are going to destroy Aurora's evil abusive parents and send them to join their sons in The Black Gates.

We were off to the beaches of Lake Huron.

---

We arrived at the beach.

Firefly: Here we are!

Me: Love the beach.

Nico: Me too.

Lola: Yeah it's always fun.

Nico: Yep.

Freon: Water weakens me. So, I should be careful.

Me: We'll fix that one of these days.

Qin: Yeah.

We got to having some fun first. We were building sandcastles, sunbathing, surfing, digging and swimming for buried treasure, volleyball and more.

Me: Boy this is fun.

Nico: Yep.

Gearhead: I'm going to look for some vehicles to control.

Nico: Okay then.

Gearhead went to do so.

Laney: Boy the beach is fun.

Camie: It sure is.

Donna Diego: This is so relaxing.

Scream: It sure is.

Qin: That is for sure.

Popeye: Boy nothing like a little fun at the beach. (LAUGHS)

Nico: Yep.

Varie: Slappy really pissed us off big time!

Trickster: Ok, what's taking Jerry and Teri so long?

Me: They just showed up.

Jerry: Hey guys.

Teri: You made it.

Me: We sure did.

Whiteout: Yep.

Teri: I take it you…

Me: Heard that the ghosts of Sam, Louisa, and Nat are back? Yep. You have Slappy to blame for that.

Meowth: Ok, how did you guys find out?

Teri: Sam came and told us and he told us to find you.

Me: I see. Must be crying out for help.

Teri: Yep. Sam told us that Slappy promised to bring them back to life.

Me: With Slappy he will never live up to that.

Cad Bane: He told you to find us?

Rarity: Is it a trap?

Teri: If it is we would know.

Jerry: Yeah.

Eli: I sense it's not a trap.

Arpeggio: (British Accent) Let me fly in the air to find out where they are.

Nico: Okay.

He went to find them.

Nico: Slappy really pisses me off to no end.

Me: Yeah. Nico you should send another threatening message to him in the form of your eyes.

Nico: Like how we did to so many people?

Me: Yep

Nico: Nah. I can't think of any more. I've been busy developing strategies against Slappy's buddies.

Vortex: I don't blame you.

Sirius: It probably took you several days to think up the teams for this set of adventures.

Nico: It did.

Lola: But it was worth it.

Nico: Yep.

Popeye: I'll show that ugly swab what for. (BUZZES PIPE)

Teri: So, Poromon. Did you and the other mascots really go to Vegas?

Doofenshmirtz: You should've seen them!

Me: They won every single cent from Yosemite Sam's casino.

Nico: Yep.

Whiteout: Boy that explains why he came back crying his eyes out and how he looked like a destitute bum.

Nico: Geez!

Whiteout: Yeah. Those mascots have the best luck of them all.

Toru: Did I mention that they snuck out?

Poromon: MY MONEY! MINE!

Loki: Well, there's no need to be selfish.

Poromon: Sorry. I don't know why I get like that.

Nico: No worries.

Qin: But that was fun seeing that.

Metal Man: Although something else was going on while they were doing that.

Me: Yeah.

We told them all about Adrienne and Don.

Jerry: Oh man! That's awful.

Lola: Yeah it was.

Nico: Yeah.

Sheila: Poor Don. That demon did a number on him.

Molten Man: But she's alright now.

Carol: She's slowly rebuilding their relationship.

Me: Yeah. But you can't rush these things though.

Nico: I know.

Me: AND SLAPPY IF YOU ARE WATCHING THIS. I HOPE YOU GET BOILED IN BUTTER AND EATEN BY A MASSIVE SWARM OF TERMITES!

Arpeggio came back.

Burst Man (to Arpeggio): Tell me you found them.

Arpeggio: I certainly did. They are 20 klicks to the north.

Me: Right around where we fought them before.

Lola: Yeah.

Flora: What are we waiting for?

Ghost: Let's not keep them waiting.

Maria: I swear, if this is a trap, I'm slashing them with an aqua sword!

Eli: Don't worry it isn't.

We were off.

Kickback: Trap or not, we're doing our entrance anyway!

Nico: Lets go.

We went at them.

Sam, Louisa, and Nat Were in a depression and then the spirits of water came and they swirled around them and they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard! We came and landed.

Me: Nice to see you 3 again.

Lola: Yeah.

Erica Haddock: It's been a while, you three. How've you been?

Sam: Why can't you guys just leave us alone? Haven't you done enough to us?!

Louisa: It's bad enough you fought us a year ago. But now, you're trying to prevent us from getting our lives back?!

Nat: You think we wanna be dead forever?! This isn't right. THIS ISN'T FUCKING RIGHT!

Me: So that's what Slappy promised you.

Plastique: I knew this was a fucking trap!

Me: No it's not! Sam, Louisa, Nat, Slappy is not going to live up to his end of the bargain. He is going to double cross you.

Nico: Yeah!

Rarity: J.D., darling, don't bother. There's only one way these 3 will listen.

Me: You're right Rarity. Now we do this the hard way.

Rarity fired jewels, Sirius fired water blasts, Toru fired waves of energy, Flora fired energy blasts, Carol fired an atomic laser and Erica blasted them with energy waves.

Nico: Yeah!

Maria: I truly am sorry. But we can't let you 3 hurt anyone in your anger.

She formed an Aqua Sword and slashed them.

Nico: Take that!

Poromon: This is for your own good! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted them.

Then Robo Roxy, Gentleman Ghost, Evil Green Ranger, Toiletnator, Leonard, Mr. Mittens, Fixer, Xiao Fung, Condiment King, and Gramma Stuffum came.

Nico: Robo Roxy, Gentleman Ghost, Evil Green Ranger, Toiletnator, Leonard, Mr. Mittens, Fixer, Xiao Fung, Condiment King, and Gramma Stuffum.

Gentleman Ghost: As a fellow ghost, I can relate to their pain.

Robo Roxy: First, you guys stop them.

Evil Green Ranger: Then you guys help them.

Me: Yep.

Toiletnator: (to Nico) We heard you helped Jack.

Nico: We sure did.

Leonard: Did you really fight his bully?

Me: Yep and we really let him have it.

?: That is awesome.

A figure came out and it was FLY SPORIX BEAST from episode 23 of Dino Fury!

---

Over 65 million years ago, this Sporix and the other Sporix Beasts were created on Rafkon by military leaders hoping to use them as weapons against an approaching evil. As predicted by Zayto, they eventually turned against their creators and desired to destroy all life in the universe. Though Zayto and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and their dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs. When the other Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, the Fly Sporix Beast is amongst the Sporix Beasts that escape. The Fly Sporix Beast hatches somewhere in the town center of Pine Ridge and goes on an immediate rampage by blasting the city with laser blasts. As it does so, Zayto arrives on a rooftop and dodges all of its blasts before skating off and slashing the Sporix. Though Izzy and Aiyon dive out of a window and shoot it with the Mosa Blaster to no effect, Ollie kicks him down before Javi obliterates the Fly Sporix Beast with his Stego Fury Strike. Due to its immediate defeat by Javi, the Fly Sporix Beast is unable to use its collected energy to grow and the Dino Fury Rangers easily recover its Sporix Cell.

---

Zayto: Fly Sporix Beast!

Fly Sporix Beast: Been a while rangers.

Me: I remember you! You didn't have a plan however.

Fly Sporix Beast: I know. That was fun though.

Me: Yep.

Javi: I remember that I kicked your butt!

Fly Sporix Beast: Don't remind me!

Me: That was awesome.

Qin: Yeah it sure was.

Nico: Yep.

We got the battles underway.

Suddenly, Aurora Seraphina's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Aurora Seraphina has transformed into SUPER ANGEL-HAZY FLAME DUEL MONSTERS-BASILISK-COCKATRICE-CERBERUS-GRIFFIN-PERYTON-SPHINX-HIPPOGRIFF-HYDRA-MANTICORE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM HAZY FLAME MONSTERS GODDESS PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM HAZY FLAME MONSTERS GODDESS PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM HAZY FLAME MONSTERS GODDESS PHOENIX ANGEL LOVE!

We were really amazed by Aurora Seraphina's Super Angel-Hazy Flame Duel Monsters-Basilisk-Cockatrice-Cerberus-Griffin-Peryton-Sphinx-Hippogriff-Hydra-Manticore-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Cyra and

Cyrus Seraphina saw it, they fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Aurora Seraphina absorbed it and it made them even stronger than ever, and Aurora Seraphina fired a massive barrage of crimson red and yellow energy, stars, fire, flames, fire magic, basilisks, cockatrices, Cerberus, griffins, perytons, sphinxes, hippogriffs, hydras, manticores, phoenixes, and angels which hits Cyra and Cyrus Seraphina and they were knocked down, they got back up, but now, they were even angrier than ever.

Stella Seraphina: Oh man, Aurora's transformed, now things are really going to heat up now!

Lincoln: That's right, Aurora Seraphina's transformed into her Super Angel-Hazy Flame Duel Monsters-Basilisk-Cockatrice-Cerberus-Griffin-Peryton-Sphinx-Hippogriff-Hydra-Manticore-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to the very people responsible for starting her abuse years ago.

Aurora Seraphina: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Firestorm Hazy Flame Duel Monsters Phoenix Angel and Divine Cosmic Eternal Flame Firestorm Hazy Flame Duel Monsters Phoenix Angel Love) They will burn for everything they've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Aurora Seraphina.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, you two. Unlike what we did in imprisoning Abigail after I stripped her of her powers, you two like your sons are way too dangerous to let live, and thus, you two will die for everything you've done. You two are done for, you pieces of shit! Now, go join the rest of your sons in Hell for good!

Aurora Seraphina and Lincoln went after Cyra and Cyrus Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Aurora Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, crimson red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Cyra and Cyrus Seraphina and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Aurora Seraphina also attacked them with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Cyra and Cyrus Seraphina even more madder with rage.

Cyra Seraphina: YOU! YOU! YOU LITTLE BITCH!

Cyrus Seraphina: I WILL KILL YOU ALL!

Cyra and Cyrus Seraphina charged right at them with uncontrollable rage and wrath in their hearts, but Aurora Seraphina fired a powerful fire blast at them which hit them hard and burned them.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, his large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head turned midnight blue, and he let out a powerful howl as Lincoln transformed into Lincoln The Nocturnal.

Lincoln: (Divine Beastly Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, I'm really going to enjoy tearing you both to pieces.

Lincoln pounced on Cyra and Cyrus Seraphina and he proceeded to rip and tear them apart as he tore into their flesh with his gold-plated claws, and even worse, he ate their organs and he ripped out their hearts and devoured them and he also assimilated their really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

Many of us wound up turning green in the face and ran to a nearby trash can and hurled our guts out. As soon as Lincoln was done, he let out a really loud howl as the moon shined down on him. Then, as soon as their spirits appeared, Lincoln and Aurora Seraphina fired black energy blasts at them, and they condemned them to The Black Gates forever. We cheered wildly for what Aurora Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Aurora Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red and yellow-tipped phoenix angel wings are permanent.

Aurora Seraphina: This is the end of the both of you and an end to the nightmares that plagued me since the day I was born. Thanks for helping me take care of my former parents forever, Lincoln.

Lincoln: (Beastly Voice) You're welcome, Aurora.

Suddenly, Aurora Seraphina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Seraphina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and The Hazy Flame Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Aurora Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished and Lincoln changed back.

Nico: Man, I knew you said you were going to go werewolf on them and rip their hearts out and eat them, but of course, you had to go with eating their organs as well.

Lincoln: This is how much I hate those who dare to abuse their own children, especially if those children are my Guardian Angels.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the thing, J.D.: for tomorrow and the days to come, we're going to be meeting Gene-Slammers for The Cybertronians, both Autobot and Decepticon.

We gasped.

Nico: Whoa, now that's awesome! Now, we're going to meet some Cybertronian Gene-Slammers on your side, so who are the first ones we're meeting?

Lincoln: The first ones we're meeting tomorrow are the Gene-Slammers of Scourge, Battletrap, and Nightbird.

Selene Arcangela: Awesome, and there's only three girls who'd be Gene-Slammed into Scourge, Battletrap, and Nightbird: The Power Washer Heroes.

Selene Emperyous: I knew it'd be them. Now, not many people know this, but Lincoln is also part of The Power Washer Heroes, and their job is to clean up Gotham Royal York and other cities of all the dirt. They've even cleaned up national parks and even Paris entirely.

Marinette: Wait, I remembered hearing about them on the news in Paris a few years ago, they really cleaned up Paris from top to bottom.

Nico: I remember you telling me it, Marinette. (GASPS) Wait a second, I remembered seeing a white-haired kid with them. So, that was… , that was you, Lincoln! Oh God, now I remember all too well.

Lincoln: And I remembered seeing you when we went to Paris that day to clean up, so that was you with Marinette and her friends.

Me: Whoa, so just like me, you also met Nico long ago, Lincoln. Wow.

Selene Emperyous: Yep, and Lincoln also made The Power Washer Heroes beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and they hate Bradley Uppercrust III with a blazing passion, and the reason why? Because he stole a Power Washer that thankfully was not working, and he destroyed the not working power washer as it exploded and it splattered all over an art museum. Thankfully, not only did Lincoln and The Power Washer Heroes save all the paintings, but they also cleaned up the art museum, and after that, they also ended up beating the living crap out of Bradley Uppercrust III.

Max Goof: This also proves just how much of a lowlife he truly is.

Me and Nico: What an asshole!

Selene Emperyous: My words exactly, boys. And the first of the other members of The Power Washer Heroes are Lola Lane, Gene-Slammer of Scourge, she's Lincoln's Guardian Angel from Metropolis and classmate in Math and she's also the younger sister of Lois Lane from My Adventures With Superman. She's the leader of The Power Washer Heroes, and she and Lincoln created some of the most powerful power washer, so much so that all the dirt was washed away in an instant. She has black hair in a ponytail and she wears a red shirt and blue skirt. Lincoln made Lola Lane a red and blue striped bikini, and to show thanks, she kissed Lincoln on the lips and she hates Bradley Uppercrust III with a blazing passion.

Michelle Emperyous: The second member is Maria Fey, Gene-Slammer of Battletrap, she's Lincoln's Guardian Angel from Japan and classmate in Gym and she's also the twin sister of Maya Fey. She has the same powers as her sister, but hers are much more powerful. She is also one of the most powerful mediums ever known, she's able to exorcise even the most evil of demonic entities from homes. She has black hair like her sister and wears a pink kimono. She's also the brains of The Power Washer Heroes. Lincoln made Maria a pink bikini, and to show thanks, she kissed Lincoln on the lips and she hates Bradley Uppercrust III with a blazing passion.

Laney Emperyous: And the third member is Belle Briefs, Gene-Slammer of Nightbird, she's Lincoln's Guardian Angel from Japan and classmate in Science and she's also the twin sister of Bulla and Trunks, and she's not only the brains and master inventor of The Power Washer Heroes, but she's also a Saiyan and she's also able to use any of The Super Saiyan transformations with no issue same with her sister as well. She and Lincoln created the Power Washers capable of wiping clean any and all dirt. Like her sister, Belle has blue hair and wears a pink shirt and pink skirt. Lincoln made Belle a pink bikini, and to show thanks, Belle kissed Lincoln on the lips, and she hates Bradley Uppercrust III with a blazing passion.

Bulla: I saw the power washers Lincoln and Belle made, and they were really amazing, but I could not forget just how much my sister hated that prick. One day, that asshole peeked at me and Belle as we were changing our clothes, I let out a scream and that alerted Trunks and Lincoln, and when they saw that asshole peeking at us, they charged in and thrashed Brad all over the place.

Max Goof clenched his left hand so tightly, he drew blood as it dropped and sizzled on the ground.

Me: Uh oh.

Max Goof: I also remember that day all too well, I was so fed up and blinded with rage against that prick, I grabbed Lincoln and Trunks and hurled them off, and then, I jumped on Brad and proceeded to smash him all over the place! If he so much as breaks out again, I'm gonna tar and feather him!

Trunks: I still remember that all too well. It still surprised me that you were able to hurl us both off of Brad, Max.

Max Goof: Trust me, I'm capable of a lot of things when I get that mad. Anyways, after I got done with smashing Brad all over the place, Lincoln kicked Brad so hard, he sent him flying out back to the college. But, we did tell Bulma and Master Vegeta of what that asshole did.

Vegeta: That explained why I saw your hands covered in a lot of blood that day.

Gohan: Max, if Brad does escape again, I hope whatever tortures you have in store for him, they had better be much worse than what Lincoln and Trunks are capable of inflicting on him.

We gasped.

Me: (Gulps) If that happens, no one's going to say a word at Brad's funeral.

Nico: Same here, this won't end well if that prick tries to escape once more.

Mr. Mittens: We're really sorry this happened to you.

Fixer: You didn't deserve this fate.

Me: Yeah.

Xiao Fung: And we know you want to be alive again.

Condiment King: But Slappy won't grant that.

Gramma Stuffum: So, if he won't do it, we will!

Me: Yep. (SNAPS FINGERS)

Then they were resurrected after a beam of light hit them and they were brought back.

Sam: We're Alive!

Louisa: Awesome!

Nat: Cool!

Nico: Awesome! Great job today everyone.

Eli: (To the viewers) Never mess with the dead or else.

Me: Yep.

We went back home.

Meanwhile SLAPPY WAS REALLY ENRAGED!

Bob Roth: Well, this is what we get for relying on a bunch of stupid kids. This is why I stopped relying on my son.

Slappy: SHUT YOUR FUCKING TRAP FATTY!

He smashed and pulverized Bob Roth all over.

TO BE CONTINUED!

Me: I got the feeling that Slappy is behind Matt Amsterdam's trouble.

Nico: That toothpick is pissing us off every single day.

Xenia: (GROWLS) The sooner we kill that toothpick the better.

Nico: Yeah.

Qin: I've had it with him.

Laney: Me too.

Rarity: I despise him just as much as all of you do darlings.

Xenia: Yeah no kidding.

Nico: Rarity, I want to thank you, Duff, and your teams for coming

Rarity: It's no problem darling and it's going to be so fun.

Me: It sure will be.

Papillon: It sure will be cool.

Nico: Papillon, I remember when you joined us after Van Bloot's defeat.

Papillon: Me too and that was cool.

Nico: Yeah.

Camie: What kind of creature is Papillon again?

Shanan: She's what's called a Glaucusian from the planet Papillionus.

Camie: Wow!

Shanan: Yep. They are butterfly humanoids from the planet Papillionus. It's a forest planet located 76,240 light-years away from Earth. They are a peaceful race that are widely known for their loving and healing nature and can only attack when provoked at a certain level. But it was destroyed when a massive gamma ray burst from a far away galaxy struck it and completely destroyed it.

Camie: That's terrible!

Qin: Yeah we were shocked ourselves.

Nico: Yep.

Laney: That was awesome.

Nico: Shanan talked some sense into you

Shanan: I sure did and that was fun.

Qin: It sure was.

Papillon: I thought so too.

Shanan: I remember Mina told me that you were once her partner Katarina.

Papillon: I sure was and that was amazing.

Nico: Yeah no kidding.

Me: Yeah. Boy yesterday really pissed us off. Slappy brought back the ghosts of Ghost Beach.

Lola: Yeah!

Haruka: I really feel bad for them

Nico: Me too.

Qin: Yeah they were forced into that against their wills.

Me: They were kidnapped from the Great Beyond and forced into servitude of Slappy. That is going to piss off the spirits big time.

Brittney: Oh believe me dad that are INFURIATED! Slappy made the Spirit World's top 10 most dangerous and wanted fugitives. The Spirit World Special Defense Force have labeled him a dangerous S-Class Threat. Even though he is a D-Class Apparition he still is a dangerous force.

Nico: Wow!

Me: No kidding.

Brittney: Slappy may not be that strong but he is still a dangerous force.

Haruka: I meant that I feel bad for them before Slappy forced them into his service.

Nico: We know that but we all feel bad too.

Qin: Yeah and we faced them last year.

Camie: Wow.

Lola: No kidding.

Nico: Rarity, Sirius, Toru, Carol, Flora, and Erica Haddock did a good job

Rarity: Thank you darling. It was fun.

Sirius: Boy it sure was.

Xenia: It sure was.

Toru: But it's great that we got them their lives back.

Qin: It sure is.

Zuria: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Matt that The Reality Police are back, and we also got word that Greg and his sister, Pam, are also causing trouble for him again.

We gasped.

Nico: Oh man, I knew we'd be dealing with The Reality Police along with those repulsive apes who are at it again! I just knew it!

Me: Same here. Those two morons and The Reality Police just don't know when to take a hint.

Lincoln: They sure don't. But, I've also got some bad news as well: I've heard from Matt The Reality Police, Greg, and Pam have gone and made a deal with Slappy, and they've gotten their hands on weapons, and even worse, Greg and Pam threw stink bombs at the Mascots.

Nico, me, May, and Maria: THEY DID WHAT?!

Sabrina Lorelai: Those goddamn assholes, they're dead!

Lincoln: We'll deal with them later, first, we need to deal with The Reality Police. Luckily, I've called in two people to help us deal with The Reality Police.

Just then, Shadow Lucy and Cerea the Centaur arrived.

Shadow Lucy: We'd heard the news and we came here as fast as we could.

Cerea: We already hosed down The Mascots, but they are super pissed off at Greg and Pam for their goddamn stunt.

Nico: And so are we.

Lincoln: They're getting both their arms and legs broken and we told their parents on them. (Sensed for The Reality Police and Matt) AHA! Gotcha! The Reality Police are 20 yards away and closing fast, and so is Matt who's heading right for us.

Me: Which means, we got to be ready.

Nico: And by that, we mean get the diamond barrier up and ready once Matt's with us.

Lincoln: Yep.

Maria: Let's get the Mascots here too.

Me: Good idea.

They came.

Poromon: I'M GOING TO MAKE THOSE JERKS PAY!

Poliwag: YEAH! NO ONE STINK BOMBS US!

Xenia: Oh yeah!

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Reality Police.

Just then, Matt came running right towards us.

Matt: Guys, thank God

Me: We got here as fast as we could.

We saw that he was really tired!

Me: Geez! You look really tired.

Matt: (YAWNS) I haven't slept for 14 days.

Nico: In other words, two weeks.

Me: Yeah. Man were you trying to stay awake so the Reality Police couldn't get you?

Matt: (YAWNS) Yeah.

?: YOU WILL ALL PAY FOR KILLING US!

We then saw our targets, The Reality Police, and they were out for blood. But, before The Reality Police could attack, Lincoln fired magnetic blasts which yanked the weapons Slappy gave them: machine guns, grenade launchers, missile launchers, grenades, bombs, knives, machetes, swords, etc.

Nico: (WHISTLES) Damn, that dummy had given them a weapons factory.

Me: They are ready to go to war!

Lincoln sent them to our weapons vault, and he fired rainbow energy blasts that hit The Reality Police and knocked them down, they got back up, but boy were they pissed off big time now!

Matt: (YAWNS) Nice one with snatching their weapons, and I can't believe those two and The Reality Police had made a deal with Slappy.

Me: I know!

Nico: We dealt with Wilson who also made the deal with Slappy and sent him to The Charon Reform School yesterday, now it's going to be the turn of those two repulsive apes after we deal with The Reality Police.

Shadow Lucy: Yes, their souls will forever drown in darkness for their sins.

Nico: Lets get them!

May: Can't let these go to waste!

Me: Lets do it!

We fired laser blasters and missile guns and blasted the Reality Police all over.

Suddenly, Shadow Lucy's red demon eyes turned neon red and she was surrounded by a black and blood red energy aura with stars, dark flames, dark lightning, darkness, shadows, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels, she unholstered her massive Shadow Lucy's Vampire Demonic Darkness Greatsword of Eternal Darkness Justice from her back, and as she approached The Reality Police, she left black and blood red energy, stars, dark flames, dark lightning, darkness, shadows, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels with every step.

Shadow Lucy: There can be no sort of forgiveness for you, Reality Police, you claim to uphold the law, but in reality, you would find any excuse to target anyone including Matt who'd suffered from endless insomnia due to his repulsive ape siblings. Your actions can never be forgiven, and for that, your dark souls shall be dragged into darkness eternal for your crimes.

Suddenly, Shadow Lucy was surrounded by a massive vortex of black and blood red energy with stars, dark flames, dark lightning, darkness, shadows, dark magic, black magic, and Satanic Magic surrounding the vortex, there are creatures of the night, phoenixes, and angels flying around the vortex, and in the vortex is a blood red phoenix with red eyes glaring at The Reality Police: the red eyes of death. Then, as the vortex faded, Shadow Lucy emerged, but she was changed forever.

Suddenly, Shadow Lucy felt a sharp pain on her back, and then, her massive black angel wings with blood red tips on the large black feathers grew much bigger for her new body and her eleven massive and long midnight black wolf tails now have blood red tips and blood red markings and she has vampire fangs. Shadow Lucy has on a Ring of The Phoenix with black gem and heart-shaped gem embedded in it on her right ring finger and Yellow Lantern Corps ring on her left ring finger and Ring of the Goths of Darkness on her right pinkie, and black fingerless gloves with the symbol of The Loud House on the back and a Stone of Gelel embedded in her left hand.

Suddenly, Shadow Lucy's massive Shadow Lucy's Vampire Demonic Darkness Greatsword of Eternal Darkness Justice and all the greatswords and swords she'd gotten began merging and they were surrounded in a kaleidoscope of black and blood red energy, stars, dark flames, dark lightning, darkness, shadows, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels, and when it emerged, it was transformed into Shadow Lucy's L-Emental Eternal Vampire Demonic Darkness Greatsword of Eternal Darkness Justice, it's a brand-new massive greatsword with embedded blood red gems and the creatures of the night and symbols The Goths of Darkness etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black vampire bat heads for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in the foreheads, longer midnight black handle, four large black vampire bat heads with blood red gems for eyes and a large black vampire bat head with blood red gems for eyes and blood red gem in its mouth on the bottom of the black vampire bat heads for the pommel, she has on her gold Bracers of the Champions of The Universe with large black gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, large gold Belt of Elemental Bravery with gold bat head with blood red gems for eyes and a large black gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Shadow Lucy's Super Angel-Vampire-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Reality Police saw it, they went after Shadow Lucy to kill her, but Shadow Lucy fired a massive barrage of black and blood red energy, stars, dark flames, dark lightning, darkness, shadows, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels at The Reality Police which exploded with incredible power as it hits them and knocked them down, they got back up, but now, they were enraged.

Shadow Lucy: (Divine Echoing Godly Voice of The L-Emental True Eternal Darkness Shadow Gothic Vampire Demon Phoenix Angel and Divine Cosmic L-Emental True Eternal Darkness Shadow Gothic Vampire Demon Phoenix Angel Love) You monsters deserve to pay for what you've done.

Suddenly, Lincoln sensed two more figures and fired chains of darkness that got them out and they were both shackled, and we saw who they were: Greg and Pam, Matt's repulsive ape siblings.

Greg: (GROWLS) DAMN IT! WE WERE SO CLOSE TO AMBUSHING YOU!

Pam: YOU RUINED OUR LIVES! YOU RUINED US!

Lincoln: You two repulsive apes deserved it, and there was no way you were going to ambush us, we can tell from the stink lines coming off you from the last time we taught you both a lesson.

Cerea: Keep them chained up, Lincoln, we're going to trash those two pieces of shit later, right now, we got bigger fish to fry.

Me: Reality Police, your time is up!

Nico: Never again will we let you two monsters terrorize Matt in his dreams ever again! You shall pay the ultimate price for your misdeeds!

May fired a missile launcher.

She fired and blasted the three of them!

Poromon: Lets get them!

Mascots: CUTIE VENGEANCE!

They smashed down Matt's brother and sister and slapped, bashed, bit and punched them!

Horsea: Ambush us, will you?!

She squirted ink into Pam's mouth and it tasted horrible!

Me: Time for some spinach!

I pulled out a can of spinach and popped it open and ate it.

GULP! BOING BING!

I flexed my muscles and a VOLCANO ERUPTING WAS SHOWN IN THEM!

Me: YEAH!

The Reality Police went at me and then…

KRABLAM!

I punched them and sent them smashing into a a fire hydrant!

Right: ToQ Change!

Juru: Kiramai Change!

Aruto: Henshin!

TOQ ICH!

They transformed and were ready!

They fired waves of energy and lasers and blasted the Reality Police all over.

Me: Nico throw me a bunch of horseshoes.

Nico: You got it.

He threw the horseshoes and I punched them and they hit the Reality Police on their heads.

BONK BONKBONKBONKBONK BONK BONK!

One of them ground their hair off.

Nico: Love that gag!

Poliwag: Take this!

He slapped Greg all over the place with his tail!

SLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAP!

Me: Top this!

I punched the reality police and bashed them all over like a punching bag and NUMEROUS WEAPONS AND ALIEN GADGETS FELL OUT OF THEM!

Me: Nico!

I gave him a can of spinach!

Me: May! Maria!

I gave them cans of spinach too.

POPEYE SPINACH THEME PLAYS!

They popped open their cans of spinach and ate them.

GULP! BOING! DING!

They flexed their muscles! Nico had the Death Star exploding in his muscles, May had a massive armored tank in her muscles and Maria had a MASSIVE BATTLESHIP in her muscles!

Nico: YEAH!

They went and pulverized the Reality Police with extremely savagery and mercilessness.

Suddenly, Cerea's blue eyes turned neon blue and she was surrounded by a golden yellow energy aura with stars, nature, centaurs, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Reality Police, she left golden yellow energy, stars, nature, centaurs, phoenixes, and angels with every step.

Cerea: Every single word that Shadow Lucy said to you was true, you're done terrorizing Matt in his dreams, these things weren't his fault, but the fault of his repulsive ape siblings. But, you refuse to listen and for that, you monsters are heading right for Oblivion.

Suddenly, Cerea was surrounded by a massive vortex of golden yellow energy with stars and nature surrounding the vortex, there are centaurs, phoenixes, and angels flying around the vortex, and in the vortex is a blonde phoenix with red eyes glaring at The Reality Police: the red eyes of death. Then, as the vortex faded, Cerea emerged, but she was changed forever.

Cerea has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Cerea's Super Angel-Greek Centaur-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Cerea, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Reality Police saw it, they fell into an even darker rage and ran at her to kill her, but Cerea fired a massive barrage of blonde energy, stars, nature, centaurs, phoenixes, and angels which hit The Reality Police and exploded with incredible power as they were sent flying into a tree, they got back up, but now, they were beyond pissed off.

Cerea: (Divine Echoing Godly Voice of The Divine Nature Voluptuous Greek Centaur Angel and Divine Cosmic Nature Voluptuous Greek Centaur Angel Love) Now, it's high time we got rid of you for good.

Me: You dream monsters are done haunting Matt.

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Slappy, you've gone way too far this time enlisting the help of those Reality Police monsters and those two repulsive apes, and now, you get to watch as we take down another one of your minions!

Lincoln, Shadow Lucy, Cerea, and I went after The Reality Police, and we fired extremely powerful blasts of rainbow energy, grey energy, lavender energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Reality Police and they exploded with incredible power as they hit them.

Horsea: Nice muscles, Maria!

Maria: Thanks!

Manaphy: Go mama! Tear them apart!

Poromon: Oh yeah!

They were really tearing them apart!

Then, we attacked them with our massive greatswords leaving scars on them and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Shadow Lucy, Cerea, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Reality Police insane and straight to the brink of insanity.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. MOONLIGHT DREAM STYLE NINJA ART: MOONLIGHT DREAM RASENSHURIKEN!

Lincoln formed a massive midnight blue Rasenshuriken with stars orbiting around the full moon core and he threw it at The Reality Police and it exploded with such incredible power, they were obliterated in an instant and were sent to The Black Gates. Everyone cheered as Lincoln, Shadow Lucy, Cerea, and I holstered our massive greatswords on our backs and powered down, and Shadow Lucy's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long black wolf tails, and massive black angel wings are permanent, and Cerea's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Nico: Finally, we got rid of The Reality Police for good.

Lincoln: You said it. (Turns to Greg and Pam) Now, where were we? Oh yeah, we're gonna beat you two repulsive apes into the dirt for what you did!

Greg: THIS IS ALL YOUR FAULT, IF YOU STUPID HEROES HADN'T INTERFERED, WE'D FINALLY BE RID OF THAT LOSER!

Pam: ALL OF YOU ARE TO BLAME! I ORDER YOU ALL TO PAY US COMPENSATION AND BOW BEFORE US LIKE THE VERMIN YOU ARE!

Me: OH, SHUT UP, BITCH!

POW!

I punched Pam hard in the face and knocked out her teeth!

I punched Greg too!

Nico: PILE ON, GANG!

We piled on and we proceeded to pummel and pulverize Greg and Pam really hard as a massive fight cloud formed. Then, as we got off them and the fight cloud disappeared, Greg and Pam were really mangled! Then, Lincoln trapped them inside a glass box!

Lincoln: This isn't over yet.

Lincoln snapped his fingers and he summoned a massive stink bomb inside the glass box with Greg and Pam inside it!

Me: (GASPS) THE EL MONGO STINK BOMB!

Lincoln: Close, J.D., this is The El Mongo Stink Bomb 2.0., an updated version of The El Mongo Stink Bomb. I used the very same ingredients the Eds used for it, but I also added in Lynn's and Ed's old stinky and sweaty and super stinky socks for more intense stink power!

We gasped.

Eddy: Oh this is gonna be awesome!

Nico: OH MAN! EVERYONE, TAKE COVER AND HOLD YOUR NOSES! THIS IS GONNA GET STINKY!

We ran and ducked in bushes as Lincoln pressed the button and The El Mongo Stink Bomb 2.0. at Greg and Pam, and then, the bomb exploded!

SUPER MASSIVE AND EXPLOSIVE FART!

Edd: I CAN'T BREATHE!

And the glass box inside was shrouded in green gas. The glass box disappeared and Greg and Pam were really smelly and stinky and they were coughing, gagging and puking their guts out! and they had stink lines coming off them like crazy.

Me: PHEW! MAN, THAT STINKS!

Nico: WHO STEPPED ON A DUCK!

Me: OH GOOD GOD!

Xenia: THAT IS HORRIBLE!

Luna: UGH! IT SMELLS LIKE LYNN'S UNWASHED GYM CLOTHES AND GYM BAG!

Nico: (Sniffs) WHOA! OH MAN, THAT REEKS!

May: YUCK! SMELLS LIKE ED'S FEET TIMES 1,000!

We had gas masks on and I put on a 22nd Century Exopack.

Mr. Amsterdam: I got to say, that was really stinky, but that was well done.

Me: Thanks Mr. Amsterdam.

Mr. Amsterdam: (To Greg and Pam) Greg, Pam, words cannot express just how angry and disappointed we are in the both of you, you made your younger brother's life a living nightmare so much so that he wasn't able to sleep.

Mrs. Amsterdam: And because of it, he suffered torment at the hands of The Reality Police. This has gone on long enough, we tolerated your constant bullying of your brother more than enough times already, and we weren't able to do anything about it. We thought you'd finally learn your lesson, but what you both did in attacking Team Loud Phoenix Storm's mascots with stink bombs and allying with Slappy along with The Reality Police to get revenge, you two will never ever be forgiven.

Mr. Amsterdam: And we're going to fix this right now. Greg, Pam, you two are hereby disowned and we're cutting all ties with you, as of this moment, you two aren't our kids anymore, and Greg, we're giving your room to Matt, and we're selling all of your stuff as well.

This horrified Greg and Pam, and they got so angry, they tried to get out of the chains and kill us, but they can't.

Lincoln: But if that wasn't enough, I think you two need to experience what Matt went through.

Lincon unholstered his massive greatsword.

Lincoln: You two are going to experience everything that Matt went through in his nightmares, and you're going to regret ever bullying your little brother, you repulsive apes! ENDLESS NIGHTMARE! 終わりない悪夢

Lincoln swung his massive greatsword and fired a massive vortex of darkness and moonlight which hit Greg and Pam and trapped them in The Nightmare World, and then, he beamed them to The Charon Reform School.

Me: Whoa, was that a new Surekill technique you developed?

Lincoln: Yep, it's called Endless Nightmare! 終わりない悪夢 It works just like your Rage of Inferno 超弾動閃煌斬 and my Rage of Elements! エレメント猛威, but for this technique, I swing my massive greatsword and fire a massive vortex of darkness and moonlight which hits the target and traps them in a neverending nightmare born of their own misdeeds.

Nico: Whoa, that's intense!

Lincoln: Yep, and because they showed no remorse to Matt for all the bullying they did unto him, they are now trapped forever in their neverending nightmare in The Nightmare Realm forever: doomed to be haunted by the nightmares of their own misdeeds and never to wake up again.

Me: MAN! That is brutal! So now their hell is the eternal torment of their savage bullying.

Lincoln: Yep.

Laney: Brutal!

Me: May they be banished forever to the darkness of hell where their actions will haunt them forever.

Qin: Good riddance.

Matt was really asleep.

Me: He is totally out cold.

Rarity: Oh the poor thing. He really is tired.

Nico: Let's get him to his room

Me: Good idea. He is really exhausted. But he can sleep easy now.

We went to his house and got him to his new room in Greg's old room. We put Greg's and Pam's stuff in a box and moved Matt's stuff into his new room and we sold Greg and Pam's stuff and got a lot of money for it.

We put him in his bed and he was sleeping.

I put a Do Not Disturb sign on his door.

Me: Shh.

We went back outside.

Nico: Sweet dreams.

Me: Yeah. He's going to be out like this for maybe 2 days.

Nico: I would be out cold for that long too.

Lola: Me too.

---

Meanwhile Slappy watched us and HE ROARED IN EXPLOSIVE FURY AND BASHED AND PULVERIZED BOB ROTH ALL OVER THE PLACE!

Slappy: THOSE MOTHERFUCKING LOSERS! WHY!? WHY!? WHY!? WHY DO THEY ALWAYS MAKE A FOOL OF ME!?

But then Slappy fell asleep.

Bob Roth: Huh. How convenient.

All that rage made him tired.

---

Back with us Mr. Amsterdam was really sad.

Mr. Amsterdam: I'm so sorry for everything that my evil 2 former children caused.

Mrs. Amsterdam: We should have listened to Matt. We didn't know he was going through all this.

Me: It's not your fault you 2.

Mr. Amsterdam: We failed Greg and Pam.

Me: Now THEY are the ones that failed YOU. Because they were hated him from the very minute he was born.

Poromon: THEY AMBUSHED US!

Me: Shhh!

Poromon: Sorry.

Manaphy: But yeah they did.

Me: Now they won't do that ever again.

Cerea: Thank goodness.

Maria: Matt's gonna be asleep for a few days

Me: He sure will be.

Qin: Yeah.

Eli: Lets go someplace else for the battle with the Anothers.

Me: Good idea. Lets head to the park. The battle with them here will wake up Matt.

Xenia: I agree.

We went to the park.

---

We arrived at the park.

Poliwag: I hope he'll be ok.

Nico: He will be. Don't worry.

Me: At least we helped him out and pissed off Slappy more.

Xenia: Yeah we sure did.

Eli: Now for the Anothers. We have Another Roachmon, Snimon, Mammothmon, Mojyamon, Frigimon, Evil Strike Man and Duff Killigan.

Me: Whoa! All Digimon next.

Qin: Yeah.

Duff Killigan: (Scottish Accent) Aye. These are Digimon that were either under the loop-de-loop madness of the Digimon Emperor and Myotismon now.

Nico: Wow.

Lola: That makes sense.

Me: (Chuckles) Loop-De-Loop madness. That's funny.

Nico: I like that.

Maria: Who do we call for them?

Me: Seshiru Tenma, Yuria tenma, Shizume Kugano, Manny the Mammoth and Catra.

Nico: Cool!

Lincoln: This will be interesting.

Nico: Yep.

Maria called them in and then we felt a rumble and coming in riding on Manny's back was Seshiru Tenma, Yuria tenma, Shizume Kugano, and Catra.

Catra: Hey, guys!

Manny: Looks like the fun is about to begin.

Nico: It sure is.

Yuria Tenma: But we're ready for some action.

Lincoln: I know you all are.

Nico: Cool.

Eli: I sense that the anothers minus Another Duff are one person.

Me: Awesome.

Poromon: There they are!

We saw a bunch of figures come in and they were Another Roachmon, Snimon, Mammothmon, Mojyamon, Frigimon and Evil Strike Man!

Me: Whoa! This will be interesting.

Another Snimon: (In a girls voice) I'm ready for some fun.

Lincoln: Yulia Yavin IV!? Whoa!

They merged and she reverted back and was a girl with green hair, green eyes, green leaf angel wings and had green clothes and had a prismatic keyblade.

Yulia Yavin IV: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure This is Yulia Yavin IV, Keyblade Knight of Yavin IV, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Yavin IV, and she has intense nature powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Yavin IV, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught him everything that she knows when it comes to using the powers of nature.

We were amazed.

Me: Wow! The Keyblade Knight of the planet Yavin IV.

Eli: Wow! That's where the Battle of Yavin was and it lead to the destruction of the Death Star.

Yulia Yavin IV: I know. That was so awesome. Luke blew the entire Death Star to smithereens.

Me: He sure did. That was so epic.

Yulia Yavin IV: It sure was.

Qin: Yeah. That was my favorite battle in the Star Wars movies.

Lola: Mine too.

Nico: That was awesome.

Me: That was awesome blasting apart the Death Star when we celebrated Star Wars Day back in 2020.

Nico: Yeah that was unforgettable.

Qin: Yeah it was!

Nico: Sorry we have to do this

Me: By the way is the Another Duff friendly or hostile?

Yulia Yavin IV: Friendly and she is a powerful force of good and fire.

Me: Whoa.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the anothers.

Nico: Lets get them!

We fired waves of energy and lasers and blasted the anothers and I caught the Wonder Ride Books!

Me: Oh yeah!

Maria: Time for backup! (TURNS DIAL) DUMB COP 6!

She summoned Chief Wiggum, Proper Patrol, Gingar, Queen (Batman Beyond) Sagittarius Zodiarts and Baromon!

Nico: Oh yeah!

May: Now, we wait.

Me: Yep.

Yulia Yavin IV: Boy the battle of Yavin must've been so awesome for you all.

Me: It was. We piloted starships and fighters and blasted the Death Star and TIE fighters all over the place left and right.

Nico: And blew the entire death star into oblivion.

May: It's true

Yulia Yavin IV: That is awesome.

Qin: Yeah.

Me: That was still an awesome and epic battle. One of our most unforgettable ever.

Xenia: It sure was.

Yulia Yavin IV: Wow!

Nico: But it destroyed Alderaan first.

Yulia Yavin IV: I know. That was terrible. But I heard you guys brought it back.

Me: Yep.

Qin: And killed Palpatine much later.

Me: Yep.

But then…

BONK!

I got hit in the head with a golf ball!

Me: OUCH!

I saw the ball.

Me: OUCH! That hurt! OKAY WHO IS THE WISEASS THAT HIT ME!

Duff Killigan: Wasn't me!

Nico: I think it was from him!

We saw a figure and it was ANOTHER DUFF KILLIGAN!

Duff: Who's that handsome lad!?

Me: Another you!

Nico: Wow!

Another Duff: (In a girls voice) Sorry J.D.! I didn't mean to hit you.

Me: (GASP) That voice.

She reverted back and was a girl with red hair, red eyes, red clothes, fire angel wings and had a tiara with the symbol of the Shiranui Dopant on it and the same symbol on her skirt and she had a fire sword.

Me: (GASP) Sheila Shiranui!

Sheila Shiranui: Awesome to see you again J.D. Sorry to hit you like that.

Me: No worries.

Sheila Shiranui: Yeah I'm a lousy golfer.

Me: It's okay. Golf is not for everyone. Sheila is the embodiment of the Shiranui or Unknown Fire Dopant and she has intensely strong fire powers that are amazingly powerful and the fire is said to be from the fires of hell. And her power is amazing.

Nico: Whoa! That is strong.

Me: Yep. But she loves the Scottish Culture.

Sheila Shiranui: I sure do. My favorite food from Scotland is haggis.

Lucille Loud: (Scottish Accent) It's an honor to meet someone who loves Haggis now.

Lana: Haggis is awesome stuff.

Lincoln: It sure is.

Me: That's cool that you love haggis.

Duff Killigan: It sure is lass.

Sheila Shiranui: Yeah. I also heard all about Lincoln and his family being descended from Scottish Royalty and that is awesome. I actually did a lot of history research on Loch Loud and knew that there was a terrible injustice done to them and they were exiled from Scotland because of Morag's ancestor Aggie.

Me: That's right.

Sheila Shiranui: Yeah when I found out about that I vowed to make sure they come back and reclaim their home. My ancestor vowed to kill Aggie McLaughlin. But she never got the chance. So I vowed to finish her work. But I heard that you guys already did that.

Me: We sure did. We sent her to prison and after 400 years we avenged the McLoud's and gave them back their rightful place at Loch Loud.

Lucille Loud: Aye. It's true.

Sheila Shiranui: Good. I'm so happy.

Me: Yep.

Kaito: (Gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury sword and Zocks got a Kiramai sword.

Sheila Shiranui: Just to help me do what I said that my ancestor was trying to do.

Me: Well that was before we killed Swartz. But we already did all that.

Lola: Yeah it's true.

Nico: Yep.

Sougo: (gets out Dino Fury Ridewatch) Duff, when are you and Lori having that golf off?

Geiz: (Gets out Kiramager Ridewatch) We've been waiting for it for a while now.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Duff: We arranged to have it on September 1st.

Me: After we deal with Slappy. Good idea.

Nico: Yeah.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Sheila Shiranui: Whoa! Time to burn!

She fired a fireball and blasted Another Duff!

Nico: FORE! (ACTIVATES DUFF AND EVIL STRIKE MAN'S RIDEWATCHES)

He hit a golf ball of energy and smashed down Another Duff!

May: Time for this! (ACTIVATES UNIVERSE 666 ZELTRAX AND TABOO DOPANT'S RIDEWATCHES)

She fired energy blasts and smashed the Another down.

Maria: Time for some fun! (ACTIVATES ASTRAL DROP IRMA AND THE SPIRIT OF FIREBALL MCPHAN'S RIDEWATCHES)

She fired energy blasts and smashed the Another down.

Papillon: BATTER UP! (ACTIVATES EVIL STRIKE MAN'S RIDEWATCH)

She threw a baseball and it hit the Another and exploded!

KRABBBBBBBBOOOOOOOOOOOOMMMMM!

Then Tchang Zu, Queen Jellyfish, Grem, Edgar the Bug, Caleb Quinn and Atomic Flounder came.

Nico: Nice team Tchang Zu.

Tchang Zu: Thanks Nico.

Qin: Awesome.

Then huge rocks flew in and smashed down Another Duff and I caught the ridewatch and purified it.

Me: WHOA! Who did that?

?: I did.

We saw Stone Man.

Me: Whoa Stone Man.

Nico: Awesome.

Stone Man: (In a girls voice) That was awesome.

Nico: Stella Stone? Whoa!

Me: Cool!

Stella Stone: Yep. And just so you know I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt a lot.

Stella Stone: I know. I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up and then she fired a rock and then…

KRASMASH!

It bashed May right in her face and she was knocked stupid.

She reverted back and was a girl with brown hair, brown eyes, brown angel wings and had a symbol for s rock in the middle of her forehead.

Stella Stone: Oh man! That hurt. (GASP) Oh dear god! I'm sorry May.

May: (Stupid and dazed) Mommy Max ate the last of the ice cream sandwiches.

May got back to normal.

May: I'm okay!

Qin: Boy she got hit hard.

Stella Stone: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her awesome brown clothes and she also got a Stone Kanji Barrette and got brown armbands and legbands.

Stella Stone: Wow! I look amazing!

Nico: You sure do.

Papillon: What's your favorite memory of Nico?

Stella Stone: When me and Nico went and bashed numerous criminals in a prison into pulp as they did a prison riot.

Me: Whoa! That is cool!

Eli: It sure is.

Nico: Yep.

Nico and Stella hugged.

Nico: I've missed you.

Stella Stone: Same here.

We went back home.

But, we're not going to let that prick get away with this, and Max Goof isn't going to either, and when he transforms to fight Brad, the wrath of Heaven and Hell is about to be unleashed.

Lincoln: Whoa, we're here in Spoonerville, and I know what we're going to do here, not only am I going to rescue the four girls here, but we've got bad news: Bradley Uppercrust III has broken out of his post again and he still wants revenge on us.

Nico: That damn prick! I can't believe him!

Me: This was due to Greg and Pam. (GROWLS) I should've broke their arms and legs and sent them into a coma!

Max Goof: They've got some nerve breaking Brad out, but like I said, I'm through letting him run wild again. This time, I'll finish him for good!

We gasped.

Nico: Oh God, I don't like the way you said it, man!

Me: This just proves how much Brad has pissed off Max too many times to count.

Style Queen: Be that as it may, Brad isn't getting out of this.

Suddenly, we saw three girls head our way: the first is a beautiful and super sexy girl with long black hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive red and black angel wings, she has on a necklace with blue gem pendant, and she was dressed in a red short-sleeved shirt, blue skirt, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, and angels on the coattails and on the back is Scourge, and holstered on her back is a massive greatsword.

And the third is a beautiful and super sexy girl with long blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive blue angel wings, she has on a necklace with blue gem pendant, and she was dressed in a pink short-sleeved shirt, pink skirt, pink knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, and angels on the coattails and on the back is Nightbird, and holstered on her back is a massive greatsword, and with them are the four girls.

Lincoln: (GASPS) Lola Lane, Gene-Slammer of Scourge, Maria Fey, Gene-Slammer of Battletrap, and Belle Briefs, Gene-Slammer of Nightbird.

Lola Lane: That's right, and we got the girls away from that goddamn prick.

Maria Fey: But not before Belle punched him in his face.

Belle Briefs: And knocked out a couple of his teeth.

?: YOU GODDAMN FOOLS WILL ALL PAY FOR HUMILIATING ME! NONE OF YOU WILL LEAVE HERE ALIVE!

We then saw our target, Bradley Uppercrust III, running towards us and he was really out for blood now.

Max Goof: (Thinking to himself) You've always made every last one of our lives miserable and all for your stupid desire for glory, and to find out you've also pissed off Lincoln and his Guardian Angels as well, that ends here and now! (Out loud) No more.

Suddenly, something within Max Goof's mind brutally snapped as the memories of Bradley Uppercrust III's crimes and what he'd done to outright piss off Lincoln and his Guardian Angels to no end echoed and rushed through his head, and his deep blue eyes turned neon deep blue and he was surrounded by a white and red energy aura with stars, crosses, angels, swords, light, darkness, keys, phoenixes, and angels, he unholstered his Max Goof's Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade from his back, and as he approached Bradley Uppercrust III, he left white and red energy, stars, crosses, angels, swords, light, darkness, keys, phoenixes, and angels with every step.

Max Goof: You absolutely never cease to make me sick to absolutely no end, Brad, for far too long, you've caused me, PJ, Bobby, Tank, and Dad a ton of trouble with all of your schemes, and for what: for your foolish desires for glory. You have and always will be nothing more than the megalomaniacal monster we always hated, but the very thing that truly makes you the worthless heartless monster you are is you're sociopathic, ruthless, greedy, egotistical, callous, cruel, sadistic, and powerhungry. (SUDDENLY STARTING TO GET MAJOR-LEAGUE PISSED OFF AS HIS RED AND WHITE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE) But, as if that wasn't enough, you've tried to kill Lincoln and his Guardian Angels too many times to count and on top of that, I also find out that you are also a sleazy pervert… , THAT IS THE LAST STRAW, I HAVE ABSOLUTELY HAD IT UP TO HEAR WITH YOU, BRAD! FOR FAR TOO LONG, YOU'VE CAUSED ENOUGH TROUBLE FOR US AND TO THE ENTIRE WORLD, I REFUSE TO LET YOU RUN WILD ONCE MORE! THIS TIME, I'M PUTTING YOU DOWN LIKE THE MAD DOG YOU ARE! AS ONE OF THE CHOSEN WIELDERS OF THE KEYBLADE AND ONE OF THE FUTURE KNIGHTS TO KING MICKEY'S COURT, I HEREBY SENTENCE YOU TO DEATH!

We gasped at the sudden extent of Max Goof's fury: Bradley Uppercrust III has shot himself right in the foot, and now, he's about to face the wrath of Heaven and Hell infinite-fold!

Nico: Oh no! Oh no! This isn't good, now Brad's really shot himself in the foot!

Me: Thanks to everything Max had heard from Lincoln's Guardian Angels, now he really hates Brad a whole lot more.

Lincoln: You said it. EVERYONE, HIT THE DECK AND RUN FOR COVER! MAX IS GOING TO EXPLODE AND IT'S ABOUT TO GET UGLY!

Everyone outside heard Lincoln's yell and ran to any nearby buildings to hide, as Max Goof screamed with the fury of a madman and he was surrounded by a massive vortex of white and red energy with swords, light, darkness, crosses, stars, and keys surrounding the vortex, there's a massive army of angels flying around the vortex, and inside the vortex is a gold phoenix with blood red eyes glaring at Bradley Uppercrust III: the red eyes of eternal death, and lights shined down from the Heavens and a divine choir of Angels sang and hellfire arose from Hell as the demons howled and screamed with fury and rage. Then, as the vortex faded, Max Goof emerged, but he was changed forever.

Max Goof grew from 7'9" to 8'3" in height, his massive and powerful muscles grew much bigger and he still retained his eight-pack abs, he has large gold metal bands on his massive biceps and thighs and he now has eleven large crimson red orbs orbiting around his legs, he has red highlights in the bangs of his long black hair and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon deep blue eyes and a white and red energy aura with stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels surrounding him, he has an Angel holding a Keyblade in its right hand and the Light and Eternity Kanjis in its left hand emblazoned on his forehead and Third Eye with deep blue iris, he has on his Crystal Necklace of The Buddha with red gems embedded in the gold sun links and deep blue crystal links and a red angel-shaped Element of Harmony and on the bottom of the angel-shaped Element of Harmony is an Angel with deep blue gems for eyes and holding the Light and Eternity Kanjis in its hands for the pendant and he has on a white and gold-accented choker on his neck, Max Goof has on a crimson red shirt with gold phoenix on it, long dark blue jeans, black knee-high boots, white gloves, and long long-sleeved white trenchcoat with stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels on the coattails and on the back of the coat is The Disney Castle and above one of the towers is an Archangel with a Keyblade in its right hand and sword in left hand surrounded by Keyblades and above the Archangel is a Hidden Mickey icon, Crown pendant, Keyblade, and the symbol of Kingdom Hearts. Suddenly, Max Goof felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with golden tips on the large white feathers grew much bigger for his new body, Max Goof has on his Ring of The Phoenix with large deep red gem with heart-shaped gem embedded in it on his right ring finger and a Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Max Goof's massive Max Goof's Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of white and red energy, stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels, and when it emerged, it was transformed into Max Goof's Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade of Justice, it's a brand-new massive Keyblade with embedded colored gems and Hidden Mickey icon, Sora's Crown pendant, Keyblade, Archangel, and the symbol of Kingdom Hearts etched on the 7'6" massive, wide, double-edged crimson red blade, large white angel wings for the Keyblade's guard, large white angelic faces built into both sides of the hilt and blue cat's eye pupils and large red gems on top of the blue cat's eye pupils embedded in the forehead, longer midnight black handle, four large white angel heads with deep blue gems for eyes and large white angel head with red gem in its mouth on the bottom of the angel heads for the pommel, the Three Wayfinders of Terra, Aqua, and Ventus surrounded by silver angel wings for the keychain links, and the keychain's token the silhouettes of Mickey, Donald, and Goofy, he has on his brand-new large gold Bracers of The Champions of The Universe with red gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, his new large gold Belt of Elemental Bravery with a golden Mickey head with blue gems for eyes for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his right hip. There's a gold kanji below Disney Castle that said, "Max Goof, Champion of The College Xtreme Games, Loving Only Son of Goofy, Childhood Friend of Pete Junior and Bobby Zimmeruski, Friend to Many, Loving Boyfriend of Roxanne, Ally and Partner of Leon Belmont, Humiliator of Bradley Uppercrust The Third, Destroyer of Walter Bernhard, Brave and Powerful Next Generation

We were amazed by Max Goof's Super Angel-Disney Knight-Archangel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Roxanne saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Bradley Uppercrust III saw it, he went mad with anger and rage and ran at Max to kill him, but Max Goof fired a massive barrage of white and red energy, stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels which hits Bradley Uppercrust III and sent him flying into a wall and tons of gold, jewels, and other currencies exploded out of him, he got back up, but now, he was mega pissed now.

Max Goof: (Divine Echoing Godly Voice of The Angelic Demonic Disney Knight Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel and Divine Cosmic Angelic Demonic Disney Knight Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) You are done causing trouble for all of us, Brad. Now, prepare to say goodbye to your miserable life.

Max Goof went after Brad and he was really thrashing him all over the place with some very powerful slashes from his massive new Keyblade and blasting him with extremely powerful blasts of white and red energy, stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels which really hurt Brad bad and he also left tears in Brad's clothes, and tons of gold, jewels, gems, and other valuable currencies exploded out of him.

Me: Damn! This is really getting brutal.

Nico: Big time, I knew Max hated Brad for all the crap he's pulled, but after finding out more sleazy things about him from Lincoln's Guardian Angels, now he's been pushed way too far, and Brad's really going to get the beating of his miserable life!

Then, Max fired a massive beam of black and red energy which hit Brad and exploded and it knocked him out cold, and we tied him up in rainbow energy chains. We cheered as we holstered our weapons and powered down, and Max Goof's brand-new body, clothes, weapons, jewelry, gold halo, Third Eye, and massive white angel wings are permanent.

Max Goof: Next time, if you ever break out, I won't hesitate in ending you!

Eli: (SCREAMS)

Eli screamed and hugged me tight.

Eli: (SHUDDERS) Sometimes, I hate it when Max scares me like that.

Me: Get him mad, and you won't live to see tomorrow.

Cuprosklodowskite: And for good messure!

She grabbed Brad and he screamed in powerful and excruciating agony as she was pouring GAMMA RADIATION INTO HIM! She was really pouring the radiation in him and it felt like he was being exposed to 100 nuclear bombs! HE SCREAMED IN POWERFUL AGONY! He was POISONED WITH INTENSE RADIATION! Then he was sent back to Lynn's table.

Lincoln: WHOA! That is gonna be painful!

Lola: No kidding!

Lincoln: But, we took down Brad and sent him back to Lynn's Table, and he won't try that ever again, or like Max said, he's going to end him. (To Lola Lane, Maria Fey, and Belle Briefs) And it's so good to see you all again, Lola, Maria, and Belle.

Lola Lane: You too, Lincoln, it's been a long time.

Maria Fey: We were hoping to meet again under better circumstances.

Belle Briefs: Maybe, one that didn't warrant Brad's escape.

Lincoln went up to Lola Lane, Maria Fey, and Belle Briefs and he hugged them, and Lola Lane, Maria Fey, and Belle Briefs are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Lola Lane: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Maria Fey: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Belle Briefs: You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, the first girl is Lola Lane, Gene-Slammer of Scourge, she's Lincoln's Guardian Angel from Metropolis and classmate in Math and she's also the younger sister of Lois Lane from My Adventures With Superman. She's the leader of The Power Washer Heroes, and she and Lincoln created some of the most powerful power washer, so much so that all the dirt was washed away in an instant. She has black hair in a ponytail and she wears a red shirt and blue skirt. Lincoln made Lola Lane a red and blue striped bikini, and to show thanks, she kissed Lincoln on the lips and she hates Bradley Uppercrust III with a blazing passion.

Michelle Emperyous: The second girl is Maria Fey, Gene-Slammer of Battletrap, she's Lincoln's Guardian Angel from Japan and classmate in Gym and she's also the twin sister of Maya Fey. She has the same powers as her sister, but hers are much more powerful. She is also one of the most powerful mediums ever known, she's able to exorcise even the most evil of demonic entities from homes. She has black hair like her sister and wears a pink kimono. She's also the brains of The Power Washer Heroes. Lincoln made Maria a pink bikini, and to show thanks, she kissed Lincoln on the lips and she hates Bradley Uppercrust III with a blazing passion.

Laney Emperyous: And the third girl is Belle Briefs, Gene-Slammer of Nightbird, she's Lincoln's Guardian Angel from Japan and classmate in Science and she's also the twin sister of Bulla Briefs and Trunks, and she's not only the brains and master inventor of The Power Washer Heroes, but she's also a Saiyan and she's also able to use any of The Super Saiyan transformations with no issue same with her sister as well. She and Lincoln created the Power Washers capable of wiping clean any and all dirt. Like her sister, Belle has blue hair and wears a pink shirt and pink skirt. Lincoln made Belle a pink bikini, and to show thanks, Belle kissed Lincoln on the lips, and she hates Bradley Uppercrust III with a blazing passion.

Vorya Emperyous: They and Lincoln are known as The Power Washer Heroes and their job is to clean up Gotham Royal York and other cities of all the dirt. They've even cleaned up many of the national parks and even Paris entirely. Lincoln made The Power Washer Heroes beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and they hate Bradley Uppercrust III with a blazing passion because he stole a Power Washer that thankfully was not working, and he destroyed the not working power washer as it exploded and splattered all over an art museum.

Sadie Emperyous: Thankfully, not only did Lincoln and The Power Washer Heroes save all of the paintings, but they also cleaned up the art museum, and after that, they ended up beating the living crap out of Bradley Uppercrust III, and this also proves just how much of a lowlife he truly is.

Lola Lane: And we got the video of that certain incident that warranted a full-scale beatdown on Brad from Lincoln and Trunks, that was until a seriously pissed off Max pried them off and he also beat up Brad really badly.

Me: This we got to see.

Lincoln: We still remember that incident too well, and now that you three are here.

Lincoln went up to and hugged Lola Lane in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Maria Fey in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Finally, Lincoln went up to and hugged Belle Briefs in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lola Lane: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on Lola Lane, Maria Fey, and Belle Briefs' necks with red, pink, and blue gems on the gold lightning bolts and red, pink, and blue crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Maria Fey: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lola Lane, Maria Fey, and Belle Briefs.

Lola Lane, Maria Fey, and Belle Briefs had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Haruka Fujimino, Yuki Segawa, Asaka Segawa, and Tsukino Segawa from Dekakute Ecchi na Ore no Ane.

Lincoln: Oh wow, it's Haruka Fujimino, Yuki Segawa, Asaka Segawa, and Tsukino Segawa from Dekakute Ecchi na Ore no Ane.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Haruka Fujimino: Yes, we're okay, thanks to you.

Then, when Haruka Fujimino and the other three girls saw who it was that saved them from Bradley Uppercrust III, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Haruka Fujimino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up

to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Haruka Fujimino: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruka Fujimino, Yuki Segawa, Asaka Segawa, and Tsukino Segawa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was our old hated enemy, Bradley Uppercrust III, who broke out of Lynn's Table and he still wanted revenge on us.

But, when Lincoln showed what happened with Max transforming and what we all did in violently thrashing him all over the place, and then, Max firing a black and blood red energy blast that hit Brad and took him down and we sent him back to Lynn's Table, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln, Lola Lane, Maria Fey, and Belle Briefs have a lot of catching up to do now that they're back in town.

Maria: Greg and Pam went way too far breaking that goddamn prick out, I knew they'd try to piss us off one more time before we sent them straight to The Charon Reform School.

Lincoln: As if throwing stink bombs at the Mascots wasn't bad enough, they busted Brad out of Lynn's Table. Now, I'm really glad I put those two in an endless nightmare after we got rid of The Reality Police.

Me: Same here.

Nico: It was a long time coming for those assholes, but we were patient enough, and we're already pissing off Slappy even more.

Right about now, he's probably trashing his home and beating up his cohorts in a fit of rage. I also wouldn't be surprised if someone winds up putting a couple of termites down his pants.

Unknown to Nico, some of Lincoln's Guardian Angels were also thinking the same thing as well.

---

After taking down Bradley Uppercrust III again and throwing him right back at Lynn's Table this time with intense radiation poisoning, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lola Lane, Maria Fey, and Belle Briefs saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Lola Lane: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Maria Fey: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Belle Briefs: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Lola Lane: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maria Fey: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, can you show us that certain incident that led to Brad getting a violent thrashing from Lincoln and Trunks before Max pried them off and he also violent thrashed him?

Lola Lane: Gladly, but I got to warn you, it's really violent and bloody.

Lola Lane played a video on the screen, and it showed Belle and

Bulla punching Bradley Uppercrust III in the face after they caught him peeping at them.

Past Belle: UGH! YOU GODDAMN FUCKING ASSHOLE! NOW, YOU'RE REALLY GOING TO GET IT!

Past Bulla: You said it, sis.

Past Belle and Past Bulla: (SCREAMING AT THE TOP OF THEIR LUNGS) LINCOLN, TRUNKS, WE GOT A PERVERT!

Just then, Lincoln and Trunks arrived, and after they heard everything, Lincoln had a murderous look on his face same with Trunks.

Past Lincoln: You dared to peek at Belle and Bulla?! As if you couldn't stoop any lower, Brad!

Past Trunks: We should've done much worse to you when we first met Max and his friends, but to find out you peeked at my sisters, now you've gone and done it!

Lincoln and Trunks pounced on Brad and they proceeded to beat the living crap out of him. Just then, Max Goof arrived as he saw the quarrel.

Past Max Goof: Guys, what on Earth is going on here?!

Belle and Bulla explained it, and when they were done, Max Goof's eyes turned blood red with murder and rage and his body was literally overtaken with murderous rage. Then, he walked up and grabbed Lincoln and Trunks and pried them off of Brad and threw them to the side, and then, he glared at Brad with murderous rage: IF LOOKS COULD KILL, BRAD WOULD ALREADY BE DEAD!

Past Max Goof: You know what, as if you weren't that much of a lowlife because of all the stupid stuff you did in Spoonerville wasn't bad enough, but to also hear that you've done the same thing in Royal Woods, that's even worse. But, now I hear that you're also a sleazy disgusting pervert as well! Now, you've really crossed it big time, Brad.

Then, Max grabbed Brad by the collar of his shirt and hoisted him up.

Past Max Goof: And let me tell you this: the thrashing that you're going to get from me, you're going to wish that Lincoln and Trunks had killed you.

That frightened Brad really badly, and then, Max punched Brad hard in the face, and then, he got into a violent brawl with him as they were enveloped in a violent fight cloud and it was really violent to the extreme. Then, Max kicked Brad so hard, he got knocked out of the fight cloud and he crashed into a light pole and was knocked out, and Lincoln tied him up with red energy ropes and then, the cops came, loaded Brad inside, and took him back to prison as the video ended.

Me: Hey, I remembered that incident all too well. Man, you guys came back with a lot of Brad's blood on your hands.

Lincoln: We did, but Max got a lot of it on his hands when he pummeled Brad badly.

Trunks: It was as if something extremely murderous took him over, and that glare he had, it was like looking into Death's Eyes.

Nico: Wait, I remembered that incident all too well. (SHUDDERS) Man, Brad really crossed it that time, and he should consider himself lucky that Lincoln, Trunks, and Max trashed him, because if Vegeta found out, Brad would be in for far worse than what those three did to him.

Lincoln: That's for sure.

We got a shower afterwards, and then, Lincoln, Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Anetta: Wow, so, this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Anetta, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari and they hugged the girls in their abnormally massive and powerful muscular arms, and Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari are in your harem.

Livewire: At least, the Universe 666 versions of Violent and Mandy are truly decent girls unlike the one we'd killed yesterday and the one suffering from our humiliations.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Violet Vanderfleet, Universe 666 Mandy, Simulator Anetta, Simulator Maddy, Simulator Yai Ayanokoji, and Simulator Ms. Mari, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Puzzle Plank Galaxy is next.

Me: Ooh! That one is gonna be cool.

Lola: Yeah!

Nico: Yep.

Ink Rose: Me and Zick will go with.

Nico: Awesome!

Qin: Yep.

They went in and the Simulator activated and they were at PUZZLE PLANK GALAXY!

Nico: Wow!

Ink Rose: This will be so fun.

Zick: It sure will!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this is a puzzle galaxy and you guys are going after Mandibug Stack right?

Nico: Yeah.

Nicole: Well you got to do that puzzle down there to summon it. But you've got to face Goombas along the way no doubt.

Nico: Okay. This will be fun.

Zick: Let's get moving

?: Let me help too.

A girl came and she had Red Hair and Blue Eyes and had Red Chinese clothes and she had a Samurai Sword in her hand and she had red angel wings and had a tiara with the symbol of the Samurai Rangers on it and it was on her skirt too.

Nikita Shinkenger: Nikita Shinkenger, Embodiment of the Samurai Rangers is ready.

Nico: Awesome to meet you Nikita.

Ink Rose: I like your outfit.

Nikita Shinkenger: Thanks.

Nico: We can talk more about yourself later. Lets go get to work.

They flew down to the puzzle of Mandibug Stack.

They flew down and got to the puzzle and it was jumbled.

Nico: I remember this puzzle. Easy.

They got it set right and it glowed and out came MANDIBUG STACK!

Nikita Shinkenger: Time to squish some bugs.

Nicole: (On the radio) Okay you guys faced these before. You have to bash the top bug and then do the same to the main one.

Zick: Right!

Nico: (gets out Duff Killigan and Golden Glider's Ridewatches) Sports time!

Nico activated them and became a skating golfer and he bashed them with golf balls.

Nico then jumped and bashed the top bug and then the main bug got mad and got tooting like a steam horn!

Me: WHOA! Now he is mad!

Ink Rose: It doesn't matter

Ink Rose and Zick fired waves of darkness and energy and Nikita fired a blast of fire and energy and the blasts hit bug and it exploded and out came the star!

Nico: There's the star!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Nikita Shinkenger: That was so awesome!

They high five.

Zick: Tell us more about yourself

Nikita Shinkenger: I'm a samurai and I was trained in Hong Kong and Japan. I learned all about the art and many styles in the art centered around the elemental forces of nature. It's really awesome and the way of the samurai is all about honor.

Nico: That is right. Would you like to join the team?

Nikita Shinkenger: I would be honored.

They left the simulator and we cheered wildly for them.

---

Later we were watching TV. But then we smelled something unusual.

Me: (Sniffs) Smell that?

Nico: Smells like molten gold.

Eli: I sense the mascots up to something.

Kendra Kingfisher: What have you guys done now?

We went and followed the smell.

It was coming from the workshop.

We went in and saw the mascots pouring gold into a mold and then it cooled down and then the mold opened and we saw a SOLID GOLD JEWEL ENCRUSTED TOILET!

WE GASPED!

Me: WHOA! Is that a Solid Gold, Jewel Encrusted Toilet?

Poromon: Yep.

Qin: That is so cool!

Squiliam: That toilet is absolutely amazing! It's just as amazing as my toilet back home.

Qin: Wow!

Camille Bergeron: Explain how you did this!

Poromon: We bought a bunch of gold bars and melted them down and made it into this.

Nico: Wow!

Xenia: That is amazing.

Laney: Very awesome.

Sideways: Where did the Gold Bars come from?!

Poromon: We used some of our money we won.

Me: Wow!

Sideways: Oh. That makes sense.

Nico: That is cool though.

Poromon: It's for a special project we have. It's a surprise.

Chase: What's the Special Project?

Poromon: The Toilet is the final touch. It's for Nico and May.

We followed them and the mascots went in to Nico and May's bathroom and then we heard them install it and then when it was finished we saw that it was a full scale replica of Squilliam's Bathroom fitted for Nico and May! It had a Solid Gold Toilet, Jewel encrusted toilet paper holder and even a jewel encrusted whirlpool bath hot tub for Nico and May and even a magnificent rainforest waterfall shower!

Nico: WHOA! YOU REALLY MADE AN AWESOME BATHROOM!

Squiliam: Oh this is an absolutely amazing bathroom guys! It's just as stylish as my bathroom back home.

Poliwag: We learned all about designing from you Squiliam.

Squiliam: I'm truly honored guys.

Sandpit: Nico, who gets to shine next?

Nico: Fluttershy, Cloudkicker, Melon Mint, Spitfire, Takanuva, and Irena Malloy

Fluttershy: Oh this will be fun.

Cloudkicker: I'm ready for some fun!

Melon Mint: Me too! This will be cool!

Spitfire: You got that right!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Sabre, the creature from Welcome to Camp Nightmare, and he's returned and he's causing havoc at Camp Nightmoon once again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Sabre, the creature from Welcome to Camp Nightmare, and he's returned and he's causing havoc at Camp Nightmoon once again.

We gasped.

Nico: Sabre's back, I knew it was going to be him, I just knew it.

Me: Same here.

Eli: Yeah.

Me: Looks like we're going back to planet Nightrama.

Lincoln: We hadn't forgotten about Sabre, he was one ferocious monster. But, be that as it may, we still need to destroy him once more.

Nico: Right, Lincoln. Let's head there at once and tell Billy Harlan and the others that Sabre's back and it was due to Slappy.

Fluttershy: (Shivering in fright) Planet Nightrama! I h-h-haven't forgotten that planet! It was horrible!

Lincoln was comforting Fluttershy.

Lincoln: Flutters it'll be okay. You have me with you.

I went over and got the book for Welcome to Camp Nightmare.

Me: Boy I remember this one. It took place on an alien planet located 66,666 lightyears away from home.

Xenia: That was freaky.

Lola: Yeah.

Nico: Fluttershy, it's going to be okay. Remember, this is YOUR time to shine!

Fluttershy: Oh I know but I still get scared of that place every time.

Nice: I know Fluttershy. I know.

Me: We faced Sabre last year and it was still scary seeing that planet.

Laney: It was.

Nico: And this was before we started using the Black Gates.

Qin: Yeah it sure was.

Me: Yep. And I apologize for not showing it to you all sooner.

Nico: Aw no worries.

Me: Still what makes me mad is that they had people from Earth camp on an alien planet thousands of lightyears from home without even realizing the kinds of dangers that are on it.

Nico: Yeah whoever did this needs to realize that.

Laney: I'll say.

Then the previous group came.

Gramma Stuffum: (German Accent) Can me, Robo Roxy, Gentleman Ghost, Evil Green Ranger, Toiletnator, Leonard, Mr. Mittens, Fixer, Xiao Fung, and Condiment King go with you guys?

Nico: You sure can.

Lola: We're going to Planet Nightrama to battle Sabre again.

Nico: Yeah.

Robo-Roxy: From Welcome to Camp Nightmare. That was a scary one.

Lola: Yeah.

Jack Spicer: Nico, which Gene Slammer do you think you'll meet next?

Nico: Gyro Man next.

Qin: Ooh that one will take flight.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Magmion, the secondary antagonist in Gormiti: The

Invincible lords of Nature and the Gormiti franchise as a whole and one of the heads of the Volcano Gormiti, and he's come to conquer the world in the name of The Volcano Gormiti. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and J.D., you're not going to like this guy one bit: the person we just saw and the dark energy signal we sensed belongs to Magmion, one of the heads of the Volcano Gormiti, and he's come to conquer the world in the name of The Volcano Gormiti.

I gasped.

Me: Oh God, I knew it was going to be him, he's Magor's servant and a dangerous warlord of lava and fire.

Selene Salamandra: Leave him to me and Lincoln, we'll put him out for good or better yet, let Lincoln absorb him in the same way he absorbed The Seraphina Brothers and many other powerful villains.

Nico: If we kill Magmion, we're sure to piss off Magor as well, and who knows, maybe we'll deal with him very soon. Alright, gang, let's go, we're heading to Camp Nightmoon to help Billy Harlan and the rest of the campers kill Sabre once again.

Lincoln: And tell them of Slappy's part in bringing him back from the dead, and once we get done with killing Sabre, you're next, Magmion.

Selene Salamandra: There's absolutely no way we're going to let you live any longer, Magmion. You and The Volcano Tribe have caused more than enough trouble to all of Gorm and its residents for the very last time, now you will face the wrath of Salamandra the Steel, The Alchemy Beast of Steel and Fire.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Billy Harlan and the rest of the campers kill Sabre once again and tell them of Slappy's part in bringing him back from the dead, and once we get done with killing Sabre, Selene Salamandra and Lincoln are going to destroy Magmion.

We went to the ship and we were off to the planet Nightrama. We got a 66,666 light-year journey ahead of us.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 9212.7: The U.S.S. Valorous Phoenix is en route to the scary nightmarish planet Nightrama for our latest mission and that is to rescue the campers of Camp Nightmoon and destroy the evil creature Sabre. After which we're going to give the people who made Camp Nightmoon on an alien planet like that a piece of our minds.

Me: I agree with you Nico. Building a camp on an alien planet like that without realizing the kinds of dangers of it heartless.

Laney: It's like a death sentence.

The mascots got out their paint guns.

Evil Green Ranger: (to the mascots) Are you guys really getting out orange paint guns?!

Poromon: Yep. But these are explosive paint balls we're using.

Me: Nice.

Camie: Been a while since you used them.

Poliwag: It sure has.

Notacon: There are better planets then this one!

Nico: Yeah the food planets would be better.

Qin: I agree there.

Xenia: Yep.

Eli: Pandora too?

Me: I don't think so. Pandora's atmosphere is poisonous and the Na'Vi would not allow it and there are creatures there that would kill you at every corner.

Eli: Good point.

Leonard: Don't forget the ones of the Omnitrix Aliens.

Nico: Some of the inhabitants of those planets would not like having camps there for humans.

Lola: Yeah.

Leonard: Another good point.

Lola: Yeah.

Nico: Sorry just being cautious.

Me: No worries.

Lola: Yeah.

Me: Can you imagine there being a camp on the Chum Planet.

All of us: EW!

Nico: Boy that would be so disgusting.

Michael Morningstar: Please tell me we're there.

Nico: Almost.

Lola: Yeah.

Fluttershy: (Shivering) I am just r-r-r-really scared of this planet!

Fixer: Fluttershy, it's going to be okay.

Nico: Yeah we won't go back to this planet after this.

Me: I know it scared you last year but we got through it.

Lincoln: Yeah Flutters, I helped you get through this and I can help you do so again.

Fluttershy: Oh thank you everyone.

Fixer: Fluttershy, it's going to be okay.

Nico: Yeah we won't go back to this planet after this.

Me: I know it scared you last year but we got through it.

Lincoln: Yeah Flutters, I helped you get through this and I can help you do so again.

Fluttershy: Oh thank you everyone.

Nico: We won't go back to this planet because it's a safety hazard, that's why.

Me: I agree. It's too dangerous and horrible for all things humankind.

Xenia: Good idea.

Laney: Yeah.

Lisa Loud: We arrived at our destination.

Nico: On screen.

We saw that we were at the planet Nightrama and it was as dark and creepy as ever.

Maria: We're here.

Me: Scary place.

Varya Volcano: Wow when you said it was a scary looking planet you weren't kidding. Those 4 moons around it make it scary.

Lola: Yeah.

Kendra Kingfisher: It sure does.

We got to landing and we landed the ship in the same spot as last year.

We got out and it was creepy.

Varya Volcano: So this is the planet Nightrama.

Kendra Kingfisher: Wow. It's a scary forest planet.

Me: Yep.

Blaster Tron: (Robot Voice) Searching for Billy Harlan.

Nico: Go for it Blaster Tron.

Blaster Tron kept scanning.

Blaster Tron: Billy Harlan found. 25 klicks to the west.

Nico: Okay. Lets go and stay alert.

We were off to the camp.

We arrived and the camp was still there.

Me: Camp Nightmoon. Hard to imagine that it's back here.

Qin: Yeah.

Lola: Scary.

Camie: This is crazy that this camp was put here.

Me: I know.

Billy Harlan: Hey guys!

Condiment King: Hey, Billy!

Fluttershy: (still scared) Nice to see you here.

Billy Harlan: Fluttershy still scared of this place?

Me: Mm-hmm.

Laney: Yeah. Lincoln is comforting her.

Billy Harlan: Thank goodness you're all here. Sabre is…

Me: Back to terrorize you guys here on Nightrama. We know.

Billy Harlan: How did…

Lincoln: I told them.

Paragus: In camps like these, we tell stories to pass the time. Why don't we tell some now while waiting?

Me: Sure.

Billy Harlan: I was gonna say. You guys have grown a lot in numbers since last year.

Me: Not just that but also in power.

Billy Harlan: Wow.

We got to telling all kinds of great stories. We told him about the ambassador missions, the big major battles we had and many more.

Xiao Fung: What story should we tell?

Cloudkicker: How about the one where Poromon took steroids?

Poromon: That was funny!

Billy Harlan: Go for it.

It was during the time when we went to Swallow Falls for the 2nd time.

When it was finished everyone that hadn't heard it was in awe.

Xiao Fung: What story should we tell?

Cloudkicker: How about the one where Poromon took steroids?

Poromon: That was funny!

Billy Harlan: Go for it.

It was during the time when we went to Swallow Falls for the 2nd time.

When it was finished everyone that hadn't heard it was in awe.

Bomb Man: See, it started when Poromon was beat up by bullies.

Billy Harlan: Those jerks! Picking on someone as cute as Poromon.

Poromon: I know.

Kevin Reynolds: Yeah. And I suggested that Poromon do steroids. Not my smartest idea.

Poromon: But I looked really awesome muscular.

Manaphy: (Hearts swirl around her) And hunky too.

Mr. Mittens: And during that time, he was acting tough.

Melon Mint: He even said there was a toll in the hall.

Stewie: It was like how I did so when I was like that.

Nico: That was crazy.

Billy Harlan: Wow! That was crazy. Tell me what happened during your Ambassador Missions.

Me: Okay but this will take a while.

We told him about what happened over the course of the last year and a half with them.

Harley Quinn: Also, have you heard about Blood and Honey?

Billy Harlan: YEAH! I sure did! That was a horrible movie! I heard that during the big missions you guys were having that the mascots were having uhh what do you call them?

Me: We call them Blood and Honey breakdowns.

Billy Harlan: Yeah those. And I saw the trial you guys did and that was crazy.

Me: It was. But thanks to that lawsuit we got that movie banned.

Toiletnator: Yep. They kept doing this during certain big missions.

Spitfire: Not that I blame them.

HORSEA: POOH DID NOTHING TO BE DISGRACED BY THIS MOVIE! FUCKING LOOK AT IT!

Billy Harlan: That is a funny breakdown but I agree with you there!

Qin: Yeah no kidding!

Kit: Yeah we were shocked and horrified!

Lola: No kidding.

Billy Harlan: I know!

Me: Yeah no kidding.

Me: All in all it was a bunch of really eventful missions for us.

Billy Harlan: Yeah no kidding. But what I also want to know is how we got back here on Nightrama?

Gentleman Ghost: Why don't we go after Sabre now?

Takanuva: Just what I was thinking.

Nico: I agree there. We'll let him come to us. We need bait.

I pulled out a huge steak.

We went at Sabre as he was eating the steak and then the colors of paint appeared and they swirled around him and then they converged and then…

?: Boy poor kid.

A figure came out and it was PROJECTOR GOMORYU from episodes 28 & 29 of Kiramagers!

---

Projector Gomoryu was behind the attack and destruction of the Crystalia Kingdom alongside Faucet Hildon.

Projector Gomoryu was sent to Earth to act as Yodonna's muscle in a fresh attempt to destroy the Kiramagers. Although typically only Emperor Yodon himself can control Jamen Beasts, Carantula has developed a special tablet capable of enhancing the Jamen Beast. It is first seen in the city obliterating a building by flying straight through it which forced a response from the Kiramagers. Kiramaizin arrives in the city to find the neighborhood demolished but no Jamen Beast only for Muryou to detect something near a nearby high rise. Unfortunately, before Kiramaizin can react, a cloaked Projector Gomoryu blasted it back with a blast of sonic wind but they cannot find the Jamen Beast so they summoned Mashin Magellan to form Kiramaizin Magellan. They manage to blast Projector Gomoryu's wings and stomach with the Magellan Shot but it blasts Magellan out of Kiramaizin's hand with a sonic blast. Before they can recover, it uses devastating energy shock-waves to wipe out the Giant Robo, crippling Mashin Fire. Having proven her power and point, Yodonna and Projector Gomoryu return to Yodonheim. Later, as Shiguru and Juru perform a concert for the Gold Kiramai Stone, Yodonna returns with an army of Bechats and the unseen Projector Gomoryu to destroy Tokyo only to be confronted by Sayo and accidentally reveal that the tablet is the source of Projector Gomoryu's invisibility. This results in a battle over the tablet which the Kiramagers win. Takamichi retrieves the tablet and uses it to expose Projector

Gomoryu and the Kiramagers are all surprised at its immense size. Desperate to finish things, the Kiramagers form GigantDriller and Sena takes control of King Express Zabyun (since Kiramaizin was unusable due to Mashin Fire's injury). Even so, Yodonna is sure that the Jamen Beast is so powerful that being visible doesn't matter and orders it to attack. Using its wings, Projector Gomoyu is able to blast the city with roof tiles and assorted junk before charging and smacking GigantDriller and King Express Zabyun multiple times with its wings. GigantDriller then uses Mashin Duston to suck up the junk but Projector Gomoryu charges up another kinetic attack which wouuld finish them off. Fortunately, the Gold Kiramai Stone (moved by Juru and Shiguru's selflessness) stops it with a bash on the head before munching on its wings multiple times. As Projector Gomoryu goes down, the Gold Kiramai Stone turns into Mashin Hakobu but Projector Gomoryu starts smoking. Its Jamen is overheating and thus it is forced to escape through flying away before it either overheats to uselessness or explodes from the exertion. Later, as Galza learns from Yodonna that King Oradin's body is being held in Yodonheim, Carantula reveals that Projector Gomoryu has cooled off and Yodonna orders him to send it back to wreak havoc. The Jamen Beast returns to the city and starts to break apart buildings with its wings. With most of the Kiramagers in Hakobu's special realm trying to unlock access to the Miracle Kiramai Stone, Takamichi has to fight Projector Gomoryu alone in the city as GigantDriller. GigantDriller tries to impale the Jamen Beast with his Driller Knuckle but it teleports behind the formation and headbutts it down. Shortly thereafter, another two Driller Knuckles miss because Projector Gomoryu teleports away from them and is smacked away. Fortunately, King Oradin has manifested in a new body as Mashin Oradin and energy smashes straight through Projector Gomoryu which also fries its Jamen. As Mashin Hakobu returns with the Kiramagers and Mashin from his special realm, Projector Gomoryu takes flight to try and smash them out of the sky so King Oradin offers Juru to pilot him and thus Juru becomes Go Kiramai Red and uses his Insparklenation. With this new idea, Mashins Oradin and Hakobu fuse to form the new Grateful Phoenix and goes in pursuit of Projector Gomoryu with the Jamen Beast dodging many laser blasts. However, when it tries to return fire, Grateful Phoenix dodges the blast and stopping to fire it slows down Projector Gomoryu so much that the Giant Robo easily grabs it and delivers multiple punches. Juru then summons the Golden Axe which energy slashes the Jamen Beast straight out of the sky. Grateful Phoenix then fuses them into the Golden Halberd as Projector Gomoryu charges, easily overwhelming it with multiple electricity charged slashes before using the Grateful Prominence attack to cleave Projector Gomoryu in half. All the Jamen Beast can do it roar in pain as its two halves fall to the ground and explode.

---

Shiguru: Projector Gomoryu!

Projector Gomoryu: BEen a while rangers.

Me: I remember you! You were Yodonna's muscle to try and kill the rangers.

Projector Gomoryu: That's right. Good memory.

William: Did Vypra make you normal sized?

Projector Gomoryu: She sure did!

Me: Cool!

Qin: Yeah.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Magmion, or we will force you out.

A massive muscular red creature came out, it was none other than Magmion, one of the heads of The Volcano Gormiti.

Me: Magmion, I should've known you'd one day come after us.

Magmion: You ruined Lord Magor's plans to conquer the Isle of Gormiti, and for that, I will kill you all and reduce the world to ashes!

Selene Salamandra: You are not laying one single hand on anyone, Magmion, your days of causing havoc and destruction end here.

Suddenly, Selene Salamandra's red eyes turned neon red and she was surrounded by a crimson red energy aura with stars, fire, flames, steel, dragons, phoenixes, and angels, she unholstered her massive Salamandra the Steel-themed greatsword from her back, and as she approached Magmion, she left crimson red energy, stars, fire, flames, steel, dragons, phoenixes, and angels with every

step.

Selene Salamandra: You make me sick to no end, Magmion, you and the rest of The Volcano Gormiti have caused more than enough havoc on the home of The Gormiti, and all for Magor's evil desire to bring destruction to all. You lack remorse nor empathy for the destruction you've caused and for the Gormiti that'd fallen to you in the past, all of your crimes have gone unpunished for far too long, and now, you shall pay the ultimate price for them… with your life.

Suddenly, Selene Salamandra was surrounded by a massive vortex of crimson red energy with stars, fire, flames, and steel surrounding the vortex, there are dragons, phoenixes, angels, and Salamandra the Steel flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Magmion: the red eyes of death. Then, as the vortex faded, Selene Salamandra emerged, but she was changed forever.

Selene Salamandra grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large crimson red orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long crimson red hair and crimson red hairband and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and a crimson red energy aura with stars, fire, flames, steel, dragons, phoenixes, and angels surrounding her, she has Salamandra the Steel with the alchemical symbol of steel emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Star, Fire, Steel, and Eternity Kanjis in its claws, she also has Salamandra the Steel with red gems for eyes and holding the Star, Fire, Steel, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red manticore-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Selene Salamandra felt a sharp pain on her back, and then, her massive crimson red phoenix angel wings with yellow tips on the large crimson red feathers grew much bigger for her new body and she also now has eleven massive and long crimson red wolf tails with yellow tips and yellow markings, Selene Salamandra has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Selene Salamandra's Salamandra the Steel-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of crimson red energy, stars, fire, flames, steel, dragons, phoenixes, and angels, and when it emerged, it was transformed into Selene Salamandra's Eternal Alchemical Alchemy Beast Fire Inferno Salamandra the Steel Alchemy Angel Fire Phoenix Angel Greatsword of Eternal Alchemical Alchemy Beast Fire Inferno Salamandra the Steel Alchemy Angel Fire Phoenix Angel Justice, it's a brand-new massive greatsword with embedded yellow gems and Salamandra the Steel etched on the 7'6" massive, wide, double-edged crimson red blade, large crimson red salamander heads for the crossguard, large white angelic faces built into both sides of the hilt and large crimson red gems embedded in their foreheads, longer midnight black handle, four large crimson red salamander heads with yellow gems for eyes and on the bottom of the large salamander heads is a large crimson red salamander head with yellow gems for eyes and yellow gem in its mouth for the pommel, Selene Salamandra has on her large gold Bracers of The Champions of The Universe with crimson red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Salamandra the Steel's head with crimson red gems for eyes and large crimson red gems in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious

There's a crimson red kanji below Salamandra the Steel that said, "Selene Salamandra, Gene-Slammer of Salamandra the Steel, Master of The Powers of Fire and Steel, Alchemical Angel of Fire and Steel, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Archenemy of Flying Squirrel Demon, Destroyer of Magmion, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Steel, Stars, Phoenixes, Angels, and Salamanders"

Suddenly, Selene Salamandra's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she

transformed into her most powerful and and most incredible transformation ever!

Selene Salamandra has transformed into SUPER ANGEL-SALAMANDRA THE STEEL-SALAMANDER-DRAGON-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC FIRESTORM ALCHEMICAL FIRESTORM STEEL SALAMANDRA THE STEEL DRACONIC SALAMANDER PHOENIX ANGEL OF DIVINE COSMIC FIRESTORM ALCHEMICAL FIRESTORM STEEL SALAMANDRA THE STEEL DRACONIC SALAMANDER PHOENIX ANGEL JUSTICE AND DIVINE COSMIC FIRESTORM ALCHEMICAL FIRESTORM STEEL SALAMANDRA THE STEEL DRACONIC SALAMANDER PHOENIX ANGEL LOVE!

We were really amazed by Selene Salamandra's Super Angel-Salamandra the Steel-Salamander-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Magmion saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Selene Salamandra absorbed it and it made them even stronger than ever, and Selene Salamandra fired a massive barrage of crimson red energy, stars, fire, flames, steel, dragons, phoenixes, and angels, which hit Magmion and exploded and he was knocked down, he got back up, but now, he was even angrier than ever.

Salene Sallamandia: WHOA!

Rosa Laurence: That's amazing, Selene's transformed.

Lincoln: That's right, Selene Salamandra's transformed into her Super Angel-Salamandra the Steel-Salamander-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to Magmion for good.

Selene Salamandra: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Flame Fire Inferno Alchemical Fire Steel Salamandra the Steel Draconic Salamander Phoenix Angel and Divine Cosmic Eternal Flame Fire Inferno Alchemical Fire Steel

Salamandra the Steel Draconic Salamander Phoenix Angel Love) He will pay for everything that he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Selene Salamandra.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Magmion, and this will serve as a direct warning to Magor: we're coming for him and he will pay for what he's done.

Selene Salamandra and Lincoln went after Magmion who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Selene Salamandra kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Magmion and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Selene Salamandra also attacked them with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Magmion even more madder with rage.

Magmion: YOU! YOU! I WILL KILL YOU ALL IN THE NAME OF LORD MAGOR!

Magmion charged right at them with uncontrollable fiery rage and wrath in his black heart, but Selene Salamandra fired a powerful fire blast at them which hit him hard and he got knocked down, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Magmion's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his Superhuman Physicality, Psychopower, Magic, Pyrokinesis, and Immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Magmion was nothing at all. Then, an energy card with Magmion's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Selene Salamandra and Lincoln did as they holstered their massive greatswords and powered down and Selene Salamandra's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red angel wings are permanent.

Selene Salamandra: This is for all the lives of those who fell victim to you and The Volcano Gormiti. Thanks for helping me destroy Magmion for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Salamandra wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Salamandra's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Salamandra the Steel flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Selene Salamandra sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fiery battle you guys fought, and Magmion didn't stand any chance against you guys.

Me: That's for sure.

Selene Salamandra: And I don't know if Rosa told you guys this, but she along with the rest of us are part of a group called The Alchemical Element Angels, we each have the powers of Fire, Water, Earth, Wind, Light, and Darkness, and we also have the individual powers of The Seven Alchemy Beasts of Steel, Tin, Bronze, Mercury, Lead, Gold, and Silver.

Me: Whoa.

Nico: Just like Salene and the others.

Tsuki Moonface: And Rosa Laurence is The Gene-Slammer of All Seven Alchemy Beasts meaning she has all the powers of Fire, Water, Earth, Wind, Light, and Darkness and all the powers of The Seven Alchemy Beasts of Steel, Tin, Bronze, Mercury, Lead, Gold, and Silver, and we made her our leader.

Rosa Laurence: I hadn't forgotten about that. But, we each had a different hatred towards some of Lincoln's enemies.

Linda Leon: Yeah, we hated Chandler with a blazing passion for the things he did to Lincoln and his friends while you hated Lynn with a blazing passion for what she did to Lincoln.

Lincoln: That's right, each of you harbored hatred towards Chandler for what he did to me while Rosa harbored hate towards Lynn for what she did, and you all showed no mercy to any of them.

Me: You got that right. So, Lincoln, who's the next group of Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one: Gene-Slammers for the Maximals, Optimus Primal, Cheetor, Airazor, and Rhinox.

Nico: Nice.

Selene Salamandra: And there's only group of girls who'd be Gene-Slammed into The Maximals: The Angelsong Sisters.

Elena (Grandia 2): My sisters, I haven't seen them in a long time.

Nico: Ooh, now who are they?

Lincoln: You'll love meeting them, The Angelsong Aisters are beautiful songstresses well known for their angelic singing voices, and they're also the sisters of Elena from Grandia 2 as well. They also found out that, at one point, The Red Ribbon Army, and by extension, Dr. Gero, once worked with Team Rocket by gathering the DNA of Cybertronians, even the Thirteen Primes themselves, they also stole DNA from other races like Elves, Dwarves, Vampires, Werewolves, and Hobbits.

We gasped.

Me: What the fuck?! So, it wasn't just that fucked-up genocidal asshole, Kurata, and Dr. Regal who had worked with Team Rocket at that time, but also, The Red Ribbon Army, especially that fucked up madman, Dr. Gero?!

Jessie: (GASPS) Wait a second, we remembered hearing about another person joining our ex-boss' project.

Meowth: But, we had no idea it was The Red Ribbon Army.

James: Especially that madman, Dr. Gero.

Selene Emperyous: That's right, and The Angelsong Sisters were among those to be Gene-Slammed into the Maximals. They, Lincoln, and Elena would love to sing in choirs especially during holidays, Valentine's Day in particular. The Angelsong Sisters took Lincoln and Elena to an Italian restaurant where Lincoln and Elena kissed each other on the lips. it took place long before Ronnie Anne came along.

Nico: This is really quite a shocking revelation, I can't believe that fucked-up madman also helped out with Giovanni's Gene-Slammer project.

Lincoln: This also further proved that Dr. Gero is nothing more than a powerhungry madman who was nothing more than a mad dog, and I'm so glad we gave him The Black Gates forever.

Me: You said it. So, can you tell us the names of The Angelsong Sisters?

Selene Emperyous: Gladly. The names of The Angelsong Sisters are Angelina Angelsong, Gene-Slammer of Optimus Primal, Bella Angelsong, Gene-Slammer of Airazor, Celeste Angelsong, Gene-Slammer of Cheetor, and Dalia Angelsong, Gene-Slammer of Rhinox, these four sisters are Lincoln's Guardian Angels from England and classmates in Music, and they're also the most beautiful singers as well as capable of hypnotically control other people's minds via their singing voices. This very power they have was how they got Lori, Luan, Lynn, Lola, and Lisa grounded many times over, and it was also how Chandler and his goons, Pablo and Anderson, and even Hawk and Hank wound up in trouble. Angelina has red hair, Bella has green hair, Celeste has blue hair and Dalia has purple hair. As a result of the date between Lincoln and Elena, Lincoln also made a promise, that when he comes of age, he will marry Elena and her sisters along with the other members of his harem, and they hate the jerks with a blazing passion.

Nico: Whoa, these girls literally have the voices of the sirens to hypnotically control other peoples' minds like that.

Lincoln: That's exactly what I thought, Nico. Because of their hypnotic singing, Lori, Lynn, Lola, Lisa, and Luan had gotten grounded many times over, and it was also how Chandler and his goons, Pablo and Anderson, and even Hawk and Hank wound up in trouble with the police.

Selene Emperyous: It was so hilarious, we were cracking up like crazy!

Lily the Mermaid: And that very promise you made to The Angelsong Sisters, it's just like the one you made with me years ago when we first met.

Lincoln: That's right, I made that promise that I would marry you when I came of age, and now, that promise has extended to my entire harem.

Me: We're gonna need to build a bigger church.

Nico: No kidding, with our rapidly expanding harems, we're gonna need a massive football stadium-sized church to hold weddings for those with large harems.

Lily the Mermaid: That's true.

Ronnie Anne: And Lily's gonna have to work overtime to create stained glass windows for all of our memories with Lincoln.

Lily: This'll be my biggest project yet!

Lily the Mermaid: We've got scrapbooks full of many precious memories we have with your brother that you can use for the stained glass windows, Lily.

Lily: Perfect!

Lily hugged Lily the Mermaid.

Luna: You just gave Lily the biggest project of her life, dude! She's gonna need a lot of energy drinks to stay awake while making them.

Cargill: You ok now, Fluttershy?

Fluttershy: I am. Thank you.

Krusty: That's good.

Kalin: Now, we can put this planet behind us.

Me: Thank goodness.

Private HIVE: After we give the counselors a court martial!

Control Freak: Any suggestions on where to move the camp?

Me: I think I have a really good idea.

I decided to have the camp moved to the chili dog planet.

Billy Harlan: The Chili Dog Planet! Whoa!

Xenia: Yep. Fitting too.

We went to the counselors headquarters and gave them a really stern talking to and told them about how Nightrama nearly killed them and all that and they were shocked and they agreed to go to prison for it.

Nico: That's that. Great job today everyone.

Fluttershy: Thanks. (To the viewers) It was so fun doing this one.

Qin: Yeah it was.

We later went back home.

Meanwhile SLAPPY was INFURIATED!

Bob Roth: How about to cool off, you show me around that Horrorland 2.0 park you and the Horrors built? Might as well take a look around before Team Loud Phoenix Storm comes to wreck it.

Slappy: Good idea.

They went and did so.

# GOOSEBUMPS HORROR PART 12

Welcome to Dead House

---

In the early morning hours at 2:40 AM, Lincoln had a dream, and he saw two figures who was hiding out and living inside a giant grandfather clock of Tick-Tock Clock. But, they were no ordinary two figures, they were XJ-14 / Jazz Loud, daughter of Lincoln's future wife, XJ-4 / Jasmine Wakeman. And XJ-16 / Jenna Loud, daughter of Lincoln's future wife, XJ-6 / Jessy Wakeman. Lincoln woke up from the dream, but he wasn't the only one, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

XJ-4 / Jasmine Wakeman: And not only that, it also means that we found out where our daughters are at.

XJ-6 / Jessy Wakeman: Any ideas where exactly?

Me: Their at Tick-Tock Clock.

Nico: The second track of the Star Cup in Mario Kart DS and the first track of the Lightning Cup in Mario Kart 8 and Deluxe? That's not good. What if any of the racers accidentally run them over? That won't be safe at all.

Lincoln: I know, Nico. Come on, we'd better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, XJ-4 / Jasmine Wakeman, XJ-6 / Jessy Wakeman, Me, and Nico were heading to Tick-Tock Clock. Then, Lincoln saw a young 14-years-old technorganic girl who has fair skin, large light blue eyes, and long violet hair styled in a hime cut with maid hairband. She also had four mechanical tentacle arms with three claw-like fingers on her back. She wears a black gothic lolita dress with violet collar and cuffs, white bloomers, violet stockings, and black mary-janes shoes with violet bows. And a tall and thin 16-years-old technorganic girl who has fair skin, long bright green hair that curls in four huge bangs in the back, and a green helmet that has one blue optic-eye. She also has four mechanical spider-like legs instead of two normal human legs. She wears a green and orange long sleeve shirt with a white shirt underneath tied with a bright green bow and a green skirt. Lincoln saw who they are, it was XJ-14 / Jazz Loud and XJ-16 / Jenna Loud.

Lincoln: Excuse me, are you Jazz and Jenna?

XJ-14 / Jazz Loud: Indeed we are.

XJ-16 / Jenna: Who are you?

Lincoln: Glad you ask. I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, XJ-4 / Jasmine Wakeman and XJ-6 / Jessy Wakeman came out, and when XJ-14 / Jazz Loud and XJ-16 / Jenna Loud saw them, they were stunned.

XJ-14 / Jazz Loud and XJ-16 / Jenna: Mother?

XJ-4 / Jasmine Wakeman and XJ-6 / Jessy Wakeman: We're here, kids.

XJ-14 /Jazz Loud and XJ-16 / Jenna Loud, ran up to XJ-4 / Jasmine Wakeman and XJ-6 / Jessy Wakeman, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you two should know, Jasmine, Jessy, your mothers are one of my many future wives.

XJ-14 / Jazz Loud and XJ-16 / Jenna: That means… you're our father.

Lincoln smiled, and that filled XJ-14 / Jazz Loud and XJ-16 / Jenna with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced XJ-14 / Jazz Loud and XJ-16 / Jenna Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting XJ-4 / Jasmine Wakeman and XJ-6 / Jessy Wakeman with their daughters, and XJ-14 / Jazz Loud and XJ-16 / Jenna Loud now has a loving, strong, brave, and caring father in their life.

Me: I hope everyone in the hospital is doing okay?

Qin: Yeah me too.

Lola: Same here.

Xenia: Yeah.

Rainbow Dash: This is gonna be an awesome battle though.

Camie: Yeah.

Eli: I sense that something is going down. Whatever is going down I have a feeling it is not good.

Qin: Yeah no kidding.

Rainbow Dash: This will be good.

Nico: Rainbow Dash I want to thank you and Tchang Zu and your teams for coming.

Rainbow Dash: No problem Nico. This is gonna be so awesome.

Me: It sure will be.

Nico: Noel, what do you like to do in your free time?

Noel: I haven't thought of it. I have thought about becoming a music store owner.

Nico: That is a good one.

Qin: It sure is.

Lola: Yeah.

Carol: Awesome.

Nico: That honestly is a good job.

Noel: It sure is. I think so too.

Me: It sure is and it's fitting because you are a singer.

Noel: That is true.

Lincoln: Yep. Flutters are you doing okay now that we're not going to Nightrama?

Fluttershy: Oh I sure am Linky thank you.

Me: Boy that was a scary adventure for Fluttershy. But at least we stopped that camp there. When we got back we gave them a REALLY GOOD talking to.

Laney Simmons: That was horrible that Billy and his friends went to a camp like that.

Nico: Yeah.

Me: Now if the camp was on the food planets that would be cool. But if it was on the chum planet the kids would be hurling their guts out.

Qin: Yeah no kidding.

Lola: That would be gross!

Nico: But the campfire stories we told Billy and friends were great.

Maria: Did you guys also like how Poromon got steroids?

Taro: What are the chances of him getting them again?

Me: Not really sure.

Lola: That would be awesome though but steroids I read aren't good for you.

Lana: Yeah.

Laney: Bane takes Venom which is a super steroid but he doesn't complain.

Nico: Yeah that's true.

Taro: But all those stories were awesome.

Nico: Fluttershy, Cloudkicker, Melon Mint, Spitfire, Takanuva, and Irena Malloy did good.

Fluttershy: It was a fun adventure.

Lola: We all thought so.

We arrived at the hospital and it was quiet.

Me: Weird. It's quiet. Too quiet.

Nico: Keep your eyes peeled.

Eli: I sense a terrible force at work.

We went in and it was a quiet place.

Me: Boy usually this hospital is busy. But it's as quiet as a graveyard.

Laney: It's like all the doctors staff and patients just vanished.

I smelled something.

Me: But the air reeks of blood.

Nico: (eyes widen) You don't think…

Natasha Hernandez: Yeah I feel it. Vampires are here.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that Margot, the vampire whom we killed long ago when we met Buffy Summers, Alucard, and Seras Victoria has come back from the dead and wants revenge on us.

We gasped.

Me: Oh God, I never thought we'd run into Margot again!

Nico: Same here, but there's no doubt we'd run into him again, and of course, Slappy brought him back.

Lincoln: Exactly. But, I got an idea: we'll separate Margot from the evil vampire half.

Eli: Okay.

Lincoln: And since we got ourselves a dangerous situation with Margot, we're gonna need all hands on deck.

Lincoln called Crystal Laney and Doppel, along with the rest of the team.

Lori: We literally heard everything and got here as fast as we could, Linky. So, is it true Margot's back?

Lincoln: Yep.

Lola: And we're going to separate her from the evil vampire half and destroy him. The last time we faced Margot, we had to deal with a ton of people turned into vampires, along with Deacon Frost and his minions.

Nico: Yeah, but last year, Lincoln sent Deacon Frost and his fucked-up minions to The Black Gates on his rescue, we won't have to worry about those fuckers again.

Me: You said it.

I pulled out a scroll and unsealed garlic bulbs, blasters, ultraviolet flashbang bombs, holy water, crosses and more.

Me: Never leave home without my vampire hunting gear.

Suddenly, Lincoln's large gold halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head.

Lincoln: (Sensed for Vampires) Heads up, gang! We got vampires!

We then saw the vampires, and it looks like Margot had already fed on the people there and turned them into vampires. Lincoln fired waves of black and orange energy which hit them and turned the vampire victims back to normal and they went through a portal leading to outside and escaped.

Me: Nice one!

Nico: They could be anywhere.

Suddenly, Lincoln's large gold halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head.

Lincoln: (Sensed for Vampires) Heads up, gang! We got vampires!

We then saw the vampires, and it looks like Margot had already fed on the people there and turned them into vampires. Lincoln fired waves of black and orange energy which hit them and turned the vampire victims back to normal and they went through a portal

leading to outside and escaped.

Me: Nice one!

Qin: That was just for starters.

Lincoln: Thanks. (Sensed for Margot) AHA! Gotcha! I just spotted Margot, he's 20 yards away and he's in the disguise of the girl that we saw. (Gasps) And I just spotted Amanda, she's already heading for us.

Nico: She already knew Margot had returned, but she didn't expect Slappy to have brought him back from the dead.

Me: We still need to give her a hand.

Lincoln: And that we will. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they too got turned into vampires by Margot and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Margot.

Casey: Jungle Beast, Spirit Unleashed!

Ryotaro Nogami: Henshin!

They transformed and were ready.

Nico: Nice.

Then, we saw Amanda heading for us.

Amanda: Guys, we got bad news!

Lincoln: We already know, Amanda: Margot's back. But, we're ready for her. (Picked up on Margot) He's here.

We then saw Margot arrive.

Me: I should've known you were at it again, Margot.

Margot: You've ruined everything for me, Team Loud Phoenix Storm! The world would've finally been mine and I would've finally turned every last human into vampires!

Natasha Hernandez: Sorry to disappoint you but I'm already a vampire.

Lincoln: You're just as evil and demonic as Count Dracula, but we're not letting this nightmare go on any longer.

Margot: You don't get it! I am beyond human!

Me: No you are nothing because I'm going to tell you what we are. We're the top of the very fucking food chain! You are history you fucking monster!

Lincoln fired a blast of light which separated Margot from the vampire half and brought here to us, while we stand face to face with the vampire itself.

Vampire Margot: Finally, I'M FREE!

Crystal Laney: But, not for much longer.

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated an ultraviolet light flashbang bomb and then it released a massive flash of ultraviolet light and incinerated all the vampire minions!

THEY'RE ALL TOAST!

They all screamed in pain as they were all incinerated into ashes!

Vampire Margot: NO!

Qin: That was just for starters.

Lola: Now you are next!

Nico: Have some garlic!

Nico ate the garlic and then…

ALARM KLAXON!

HE THEN FARTED AND GARLIC COVERED THE ROOM AND MANY OF THE MINIONS WERE INCINERATED!

Qin: YEAH!

Me: Have a taste of this!

I threw a bunch of grenades and then…

KRABBOOOOOOOMMM! KRABBBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOOOMMMM! KRABBBBBBBBBOOOOOOOOOOMMM!

Silver Nitrate gas sprayed all over and incinerated numerous vampire minions.

Nico threw more garlic bombs and they exploded and hit the vampire minions and they burned!

Qin: Nice one!

Me: Watch these fuckers go boom!

I pulled out NUMEROUS EDTA Auto Injectors.

I threw them and numerous vampires got hit by them and they inflated like balloons and screamed.

Then…

MASSIVE KRASPLATS!

THEY EXPLODED ALL OVER IN PILES OF BLOOD AND GORE!

Suddenly, Crystal Laney's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, crystals, animals, fairies, rainbow fire, phoenixes, and angels, she unholstered her massive Crystal Laney's Crystal Fairy Greatsword of Crystal Cavern Justice from her back, and as she approached Vampire Margot, she left pink energy, stars, crystals, animals, fairies, rainbow fire, phoenixes, and angels with every step.

Crystal Laney: You absolutely make me sick to no end, you undead bloodsucking freak. You've gone about causing havoc throughout the hospital and turned a lot of people into vampires to slake your thirst for blood, and on top of that, you've traumatized those who hadn't been turned into vampires, and for that, I will reduce you to ashes for this.

Suddenly, Crystal Laney was surrounded by a massive vortex of pink energy, stars, crystals, and rainbow fire surrounding the vortex, there are animals, fairies, phoenixes, and angels flying and running around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Vampire Margot: the red eyes of death. Then, as soon as the vortex faded, Crystal Laney emerged, but she was changed forever.

Crystal Laney grew from 7'4" to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has pink highlights in the bangs of her long flowing brown hair reaching to the bottom of her neck and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink energy aura with stars, crystals, rainbow fire, animals, fairies, phoenixes, and angels surrounding her, she has a rainbow fairy holding the Crystal Kanji in its hands emblazoned on her forehead and Third Eye with rainbow iris, she has on fairy earrings with rainbow gems for eyes and holding the Crystal and Eternity Kanjis in their hands, she has on her Crystal Necklace of the Buddha with pink gems on the gold rock links and pink crystal links and a pink fairy-shaped Element of Harmony and below the Element of Harmony is a fairy with pink gems for eyes and holding the Crystal and Eternity Kanjis in its hands for the pendant and she has on a white and gold accented choker on her neck, she has on a sleeveless black shirt with rainbow phoenix and her red scarf, black skirt with crystals on it, black pants with crystals, black knee-high boots with crystals for the buckles, and long white sleeveless trenchcoat with stars, crystals, rainbow fire, animals, fairies, phoenixes, and angels on the coattails, and on the back is a fairy with crystals surrounding it. Suddenly, Crystal Laney felt a sharp pain on her back and then, her massive brown angel wings with pink tips on the large brown feathers grew much bigger for her new body and she now has eleven massive and long brown wolf tails with pink tips and pink markings, she has on a Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Indigo Lantern Corps ring on her left ring finger, and she has on black fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded in her left hand.

Suddenly, Crystal Laney's massive Crystal Laney's Crystal Fairy Greatsword of Crystal Cavern Justice and all the greatswords and swords she'd gotten began merging together and they were surrounded by a kaleidoscope of pink energy, stars, crystals, rainbow fire, animals, fairies, phoenixes, and angels and when it emerged, it was transformed into Crystal Laney's L-Emental Eternal Crystal Cavern Fairy Greatsword of Crystal Cavern Justice, it's a brand-new massive greatsword with embedded rainbow gems and a fairy etched on the 7'6" massive, wide, double-edged pink blade, large fairy heads for the crossguard, large white angel faces built into both sides of the hilt with large pink gems embedded in the foreheads, longer midnight black handle, four large fairy heads with pink gems for eyes and a large fairy head with pink gems for eyes and pink gem in its mouth on the bottom of the fairy heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large pink gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, large gold Belt of Elemental Bravery with large gold fairy head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the fairy that said, "Crystal Laney Loud, Elemental Angel of Crystals, Youngest of The Loud Family, Loving Sister of Her Many Siblings, Loving Youngest Daughter of Rita and Lynn Senior, Amazing and Talented Artist, Member of The L-Ementals, Archenemy of The Earth Mystic, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Descendant of 17th Century Laney of Loch Loud in Scotland, Member of Team Loud Phoenix Storm, Defender of The Loud House and The Loud Family, Master of Crystals, Animals, and Fairies"

We were amazed by Crystal Laney's Super Angel-Crystal Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Vampire Margot saw it, he ran at her to bite her and turn her into a vampire, but Crystal Laney fired a massive barrage of pink energy, stars, crystals, rainbow fire, animals, fairies, phoenixes, and angels which hit Vampire Margot and he got slashed by the crystals and burned badly by the rainbow fire, he got back up, but now, he was even more enraged at us.

Crystal Laney: (Divine Echoing Godly Voice of The L-Emental True Eternal Rainbow Fire Crystal Fairy Phoenix Angel and Divine Cosmic L-Emental Rainbow Fire Crystal Fairy Phoenix Angel Love) You've had this coming for a very long time, you bloodsucking leech!

Doppel: And now, you're in for a whole lot worse!

Lincoln: That's right!

Suddenly, Lincoln let out a loud unearthly shriek and loud werewolf howl and then, a massive colony of vampire bats appeared and tore into Vampire Margot and they left scratches on his face and they even clawed out his eyes. Then, if that wasn't enough, a pack of werewolves came in and attacked Vampire Margot, and he had more claw marks on him.

Nico: What the heck was that?!

Victoria Kurenai: Oh shit, that was The Unearthly Shriek of The Vampires and The Unearthly Howl of The Werewolves, it's a power only the most powerful Alpha Vampires and Alpha Werewolves have! I never thought I'd hear them again.

Selena Kurenai: Same here, Victoria.

Taylor Sugimura: (Shudders) That still gives me nightmares even to this day. When The Unearthly Shriek of The Vampires and The Unearthly Howl of The Werewolves is heard, that's the sign that death is coming for them in the form of Lincoln Loud, the most powerful Alpha Vampire-Werewolf Hybrid in Royal Woods.

Me: (Gulps) I still remembered those two calls all too well, it's like the call of death coming for those who've crossed his path.

Suddenly, Doppel's gold eyes turned neon gold and she was surrounded by a white energy aura with stars, illusions, doppelgangers, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Vampire Margot, she left white energy, stars, illusions, doppelgangers, phoenixes, and angels with every step.

Doppel: Every single word that Crystal Laney said to you was true, you're done terrorizing the people here in the hospital, you bloodsucking leech. And because this was all Slappy's doing, we're sending him your severed head straight to him after Lincoln tears your head off and devours your heart!

Suddenly, Doppel was surrounded by a massive vortex of golden yellow energy with stars and illusions surrounding the vortex, there are doppelgangers, phoenixes, and angels flying around the vortex, and in the vortex is a blonde phoenix with red eyes glaring at Vampire Margot: the red eyes of death. Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-

Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Crystal Laney and Doppel and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Slappy, you've gone way too far this time bringing back Margot to get revenge on us, now you get to watch as we kill another one of your minions, and we'll finish what we began long ago, you bloodsucking leech!

Lincoln, Crystal Laney, Doppel, and I went after Vampire Margot, and we fired extremely powerful blasts of rainbow energy, pink energy, white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Vampire Margot and they exploded with incredible power as they hit him.

Then, we attacked him with our massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Crystal Laney, Doppel, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Vampire Margot insane and straight to the brink of insanity.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough.

Then I threw numerous auto injectors and they hit Vampire Margot and he screamed in pain.

Me: Some motherfuckers are always trying to ice skate uphill.

I threw the last one into his head and opened up a one way portal that lead to Slappy's Hideout and pushed him into it and Slappy saw him.

Slappy: What the?! Margot what's wrong!?

He screamed as he inflated like a balloon and then…

MASSIVE MEGA KRASPLAT!

HE EXPLODED AND BLOOD AND GUTS SPLATTERED ALL OVER BOB ROTH AND SLAPPY AND THEY WERE ALL DRENCHED IN VAMPIRE BLOOD AND INNARDS!

All of us: EEEEEEWWWW!

Eli: Nasty!

Lola: Yeah!

Nico: Been a while since we fought one of those.

Me: I know.

Everyone cheered as Lincoln, Crystal Laney, Doppel, and I holstered our massive greatswords on our backs and powered down, and Crystal Laney's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long brown wolf tails, and massive brown angel wings are permanent, and Doppel's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long white wolf tails, and massive white angel wings are permanent.

Nico: Now that's what I call an awesome vampire hunting mission.

Me: You said it, and this'll serve as a prelude to November 1st.

Lincoln: Our huge mission to get after Marlow Roderick's coven who are coming back to Barrow for revenge.

Alexa Oleson: But, unlike with the vampires you all know, the vampires who attacked Barrow aren't affected by the traditional weapons that hurt them and the same goes with bullets, and the only way to kill them is to cut their heads off.

Sophia Kitka: And they are completely driven by their animalistic instinct to hunt and kill along with eating their prey.

Nico: Damn. So, the only way to kill them is to cut their heads off.

Lincoln: Exactly, that's the only way we can kill them, and we'll make sure that those vampires pay for what they did to the town back in 2007.

Alexa Oleson: So many lives were lost in their rampage and so much blood was spilled, our town had lost its innocence that very day all those years ago. We will never ever forgive them for this and we'll have our revenge on them, none of those vampires will ever set foot in Barrow ever again!

We went to Margot.

Nico: You okay, Margot?

We looked her over and we saw her starring out far.

Me: She's got the thousand mile stare. It's from killing people as a vampire.

Blade: She did a terrible thing to the hospital.

Lola: But we saved her.

Camie: Yeah. And freed her.

Xenia: Yep.

Nico: We're getting her the help she needs.

Ino: I'll help her and so will Carrie.

Nico: Great.

Lola: Now we got to get to work on the anothers.

Eli: Lets see who we have. (CONCENTRATES) Whoa! We have Another Inazuma Ginger (Decade), Octopus Ball Org, Patcheye, Roasted Alien Chicken (Courage the Cowardly Dog), Genoprocessor, Pikarime of the Shakōkidokū, Wile E. Coyote, Monster Daffy Duck, Mystery Meat, Avataroki, Queen Jellyfish and Tchang Zu.

We gasped!

Me: WHOA!

Lola: Wow!

Lana: This will be awesome.

Me: Wait the Genoprocessor is part of you guys?

Tchang Zu: It sure is.

Lola: Nice.

Maria: Who do we call in?

Me: Shayla Arashi, Sheila Shiranui, Popeye's Nephews, Malora Incredible, Gina Deoxys Gene, Patricia Pan, Jenna Jinx, Saya Squid, Bianka Bierwurst and Hannah Heaven.

Popeye: Well blow me down. So my nephews get a shot too.

Poopeye: We're ready Uncle Popeye.

Peepeye: Yeah this will be fun!

Pipeye: Yeah and we're ready to kick some butt.

Pupeye: This will be awesome.

Shayla Arashi: Yeah it sure will and since all the team is here we're already here.

Sheila Shiranui: Yep.

Malora Incredible: Yep.

Eli: I sense the anothers minus Tchang Zu are one person.

Qin: Nice.

Nico: There they are!

We saw Another Inazuma Ginger (Decade), Octopus Ball Org, Patcheye, Roasted Alien Chicken (Courage the Cowardly Dog), Genoprocessor, Pikarime of the Shakōkidokū, Wile E. Coyote, Monster Daffy Duck, Mystery Meat, Avataroki and Queen Jellyfish!

Me: WHOA!

Nico: I'm eating the Roasted Alien Chicken.

Me: Nice.

Jenna Jinx: This is gonna be fun.

ZOOOM!

KRABLAM!

A basketball flew in out of nowhere and smashed her in her face!

Qin: OUCH!

Another Patcheye: (In a girls voice) That must've hurt!

Lincoln: Brie Bespin!

They merged and she reverted back and she was a girl with yellow hair, yellow eyes and had yellow wings and clothes and an awesome cloud keyblade.

Brie Bespin: Awesome to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I get that a lot.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Brie Bespin, Keyblade Knight of Bespin, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Bespin, and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Bespin, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of light.

Me: Awesome. And the Keyblade Knight of the planet Bespin.

Nico: Wow! Cloud City of Bespin is where we got the idea for some of our space prisons.

Brie Bespin: That's what I heard.

Me: Yep it's where I got the idea for it. Also Bespin was where Luke faced Darth Vader and he ended up getting his hand slashed off and there we heard the most shocking and iconic revelation ever known.

Brie Bespin: That Darth Vader was really Luke's father Anakin.

Me: Yep.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD

FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

She glowed and was separated from the Anothers.

Nico: This is gonna be good!

Nico ran fast and ate the Another Roasted Alien Chicken.

Saya Squid: Hey Duck! (GETS OUT EUSTACE'S UGLY MASK) OOOGA BOOGA BOOGA!

Another Monster Daffy Duck screamed.

Another Monster Daffy Duck: (SCREAMS IN FRIGHT!)

Then BOOOOM!

He exploded!

The group fired waves of energy and elements and blasted down the Anothers and I caught the Wonder Ride Books.

Nico: That was awesome and funny!

Eli: YEAH!

Nico: (BELCH)

Nico belched up the Wonder Ride Book.

Qin: Awesome.

Maria: (TURNS DIAL) SCOTTISH GOLF 6!

She summoned Killigan, Evil Strike Man, Universe 666 Zeltrax, Taboo Dopant, Astral Drop Irma and The Spirit of Fireball McPhan!

Nico: OH YEAH!

Me: Awesome.

Nico: Wait! Is Another Tchang Zu hostile or friendly?

Brie Bespin: Oh right. Friendly and she has a MASSIVELY powerful explosive temper.

Nico: Uh oh.

Qin: (GULPS) Oh boy.

Me: Yikes.

Nico: All we can do now is wait.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WOW!

We saw amazing lightning.

Me: Wow! We don't have to wait long.

Then a figure came and it was ANOTHER TCHANG ZU!

Nico: WHOA!

Me: This is gonna be good.

Another Tchang Zu: (In a girls voice) I'm ready for some explosive fun.

Me: (That voice!

She reverted back and was a girl with red hair and red eyes and had red and orange clothes and fire angel wings and she had a tiara with the symbol of the Dynamite Dopant on it and the same symbol on her skirt and she had a red crystal sword.

Me: Diana Dynamite! Wow!

Diana Dynamite: Awesome to see you again J.D.

Me: Same here. Diana is the Embodiment of the Dynamite Dopant and she has a REALLY NASTY EXPLOSIVE TEMPER! She gets explosively mad easily. She doesn't take Jack shit from anyone. She kills ANYONE just by shoving dynamite down their throats and blowing them to pieces. She has the powers of dynamite and blows anything sky high.

Diana Dynamite: It's true. Anything big or small makes me mad and I just blow them up without hesitation. (GETS ANGRY) AND YOU MAKE ME FUCKING SICK!

She threw a stick of dynamite and it hit a vampire that survived and it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA! See what I mean?

Nico: WHOA! That is one nasty explosive temper. No pun intended.

Eli: YEAH!

Me: Yep.

Tchang Zu: Boy she is as mad as me when I get mad at things I don't like.

Me: Yeah.

Short Fuse: (Australian Accent) Wow! She has really nasty anger issues like I do.

Me: I know.

Diana Dynamite: You have Anger problems yourself?

Short Fuse: Yeah I sure do. It's why I got kicked out of the Wonderbolts.

Diana Dynamite: I see. I went to every Anger Management class known but nothing helped.

Me: They did everything they could on Diana but her anger is far too strong for her to control.

Nico: Yikes.

Kaito: (gets out Revice gear) Did Swartz promise you anything?

Zocks: (gets out Saber gear) Because we can grant it instead.

Flint: If I were to guess it's to help you get rid of your anger problem.

Kaito got a Revice sword and Zocks got a Saber sword.

Diana Dynamite: Well that was originally what he intended for me but after seeing my explosive reputation and how my anger can kill people with dynamite like that, he got a cowardly yellow stripe and sent me on my way after putting the ridewatch in me.

Sakura Knudson: Wow that explains why Swartz got so scared back then and I found him crying like a baby in the corner.

WE LAUGHED!

Sougo: (LAUGHS) That's funny.

Diana Dynamite: (LAUGHS) That is funny.

Me: Yep. You guys thought Eva had a nasty anger problem, Diana Dynamite's anger is 100 times worse than hers.

Nico: (GULPS) That is bad.

Me: Boy Swartz should have been afraid of me when I exploded in power like that when we faced him.

Lola: No kidding.

Sougo: (gets out Revice Ridewatch) I think there's one other thing you and Tchang Zu have in common.

Geiz: (Gets out Blades Ridewatch) I dare you to count the number of explosions Tchang Zu has made with his powers!

Sougo got ReviceArmor while Geiz got BladesArmor.

Tchang Zu: My powers may be that over lightning but I too have an explosive power too.

Diana Dynamite: That is awesome.

Lincoln: Lets separate you first.

Me: Then you can go Apeshit all over the Another Tchang Zu.

Diana Dynamite: Gladly.

Lincoln fired a wave of light and separated her.

Diana Dynamite: Now this (GETS ANGRY) IS WHERE MY FUCKING ANGER MAKES ME WANT TO SHIT ALL OVER THE SIDEWALK!

She fired NUMEROUS sticks of dynamite and threw them at Another Tchang Zu and then…

---

She really LET HIM HAVE IT!

KRABBOOOOOOOMMM! KRABBBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOOOMMMM! KRABBBBBBBBOOOOOOOOOOMMM! KRABBOOOOOOOMMM! KRABBBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOOOMMMM! KRABBBBBBBBOOOOOOOOOOMMM! KRABBOOOOOOOMMM! KRABBBBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOOOOOOMMMM! KRABBBBBBBBOOOOOOOOOOMMM!

Nico: WHOA!

Tchang Zu fired numerous blasts of lightning and they hit Another Tchang Zu and exploded!

Diana Dynamite: I counted 20 explosions there.

Tchang Zu: Good job.

Nico: (gets out Tchang Zu's Ridewatch) Time for more shocking action!

Laney Simmons fired a blast of lightning and blasted down Another Tchang Zu.

Laney Simmons: Lets make this electrifying!

Nico: Time to bring down the lightning! (ACTIVATES TCHANG ZU AND QUEEN JELLYFISH'S RIDEWATCHES)

Nico fired waves of lightning and blasted down Another Tchang Zu!

May: Take this one! (ACTIVATES GREM AND EDGAR THE BUG'S RIDEWATCHES)

She fired energy and bugs and blasted him all over.

Maria: Time for this horror! (ACTIVATES CALEB QUINN AND ATOMIC FLOUNDER'S RIDEWATCHES)

She fired a blast of energgy and blasted him down.

Noel: Time for this lightning! (ACTIVATES QUEEN JELLYFISH'S RIDEWATCH)

She fired a powerful blast of lightning and smashed him down.

Then Killer ShriKe, Lanhua, Yost Graviton, Universe 666 Mean Twilight Sparkle, Grim Reaper Unversed and Evil Tuxedo Mask came.

Nico: Nice team Killer Shrike.

Killer Shrike: Thanks Nico!

?: That is awesome!

Then a Gyro Man came.

Me: Gyro Man!

Qin: Whoa!

Gyro Man: (In a girls voice) This will be awesome and cool!

Nico: Amelia Wright Gyro! Whoa!

Amelia Wright Gyro: Yep. I got this.

She fired a blast of energy and smashed the another down and I caught the Ridewatch and purified it.

Rainbow Dash: That was AWESOME!

Nico: YEAH!

Lola: Yeah that was cool!

Amelia Wright Gyro: Yeah it was!

Me: Wait are you by any chance related to…

Amelia Wright Gyro: Yep. Orville and Wilbur Wright were my Great Great Grandfather and Great Great Uncle.

Me: Wow! Orville and Wilbur Wright were awesome and they were widely known for the invention of the first ever airplane.

Laney: Without them we wouldn't have entered the age of aviation.

Nico: Yep.

Amelia Wright Gyro: That's true. Oh and yes I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt a lot.

Amelia Wright Gyro: I know.

Me: Okay here goes. (SNAPS FINGERS)

I snapped my fingers and then she doubled over in pain and threw up and blew May away and Rainbow Dash caught her.

She reverted back and was a girl with green hair, green eyes and had green angel wings and had a symbol in the shape of the Wright Brothers first plane in the middle of her forehead.

Amelia Wright Gyro: (GROANS) That was painful. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome green clothes and she had a green scarf and she had a green barrette in the shape of the kanji for fly.

Amelia Wright Gyro: Wow! I look awesome and cool.

May: At least I only got blown away!

Amelia Wright Gyro: Sorry about that May.

May: No worries.

Noel: What's your favorite memory of Nico?

Amelia Wright Gyro: When me and Nico made an awesome airplane together. We made the Air Hotel Typhoon.

Me: Whoa that ginormous flying hotel shaped like a huge blimp with greenhouse, theater and even a massive international all you can eat buffet and even an awesome petting zoo?

Amelia Wright Gyro: That's right.

Shaggy: Like oh boy! That sounds like an amazing plane.

Me: It is Shaggy.

Nico: That was fun.

Nico and Amelia hugged.

Nico: I've missed you.

Amelia Wright Gyro: Same here.

We later went back home.

But, when Rayman finds out that Razorbeard has made a deal with Slappy and finding out that dummy was the one who brought him back, he's going to absolutely lose it big time and also transform and he's going to destroy Razorbeard and send a very direct and threatening warning to Slappy: and it's one that'll end with Slappy throwing a nasty fit and attacking his minions once again.

Lincoln: Whoa, we're here in Gormiti, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news.

Rayman: And I know what that bad news is: Admiral Razorbeard, another of my biggest and baddest enemies, has returned, and he wants revenge on me for destroying him in the past and ending his plans to conquer The Glade of Dreams and rule it forever with an iron fist.

We gasped.

Nicole: That jerk, I always hated him for a long time. But, how the hell did he come back?!

Rayman: (Realizes something) There's only one person, or should I say, dummy, who could have the gall to bring him back from the dead.

Lincoln, me, and Nico: SLAPPY!

Me: (GROWLING LIKE A SAVAGE WOLF) That goddamn good-for-nothing piece of termite food!

Nico: Now, he's really starting to piss me off, the sooner we take care of the other Goosebumps Monsters and Slappy's cohorts, the sooner we can get to ripping Slappy limb from limb and I'm so looking forward to throwing him into a pit of termites!

Rayman: Hey, do I have to use Eli's Nanny Goat Discipline on you two savage wolves?!

Rayman summoned spectral versions of his hands and were about to grab me and Nico by the collars of our shirts and give us Eli's Nanny Goat Discipline. Our eyes were about to pop out of our heads as soon as we saw the spectral versions of Rayman's hands.

Me: Uh… , no, we're cool.

Nico: Yeah… , we're good.

Rayman: (Smirks) Good.

The spectral versions of Rayman's hands disappeared.

Me: Oh man, that was a close one.

Nico: You said it.

Suddenly, we saw Rayman's smirk slowly turn into a vicious scowl, and his purple eyes turn red with rage, and then… ,

TRAIN WHISTLE!

WE SAW STEAM WHISTLING OUT OF HIS HEAD!

Me and Nico: UH OH!

Rayman: (ENRAGED SCREAM) SLAPPY, I'M GONNA RIP YOU LIMB FROM LIMB AND THROW YOU INTO A WOODCHIPPER, SET YOUR ASHES ON FIRE, AND DANCE ON YOUR ASHES! YOU THINK YOU CAN GET AWAY WITH ANOTHER ONE OF YOUR DIRTY STUNTS LIKE THAT?! NO WAY AM I GOING TO

LET YOU, YOU HEAR ME, YOU GOOD-FOR-NOTHING, GARBAGE EATING, PILE OF WOOD SHAVINGS! YOU PSYCHOPATHIC MONSTROUS PIECE OF TERMITE FOOD!

We gasped.

Lightning Dust: Oh no, not again!

Juniper Lee: Yep, he's really lost it again.

Suddenly, we saw four girls head our way: the first is a beautiful and super sexy girl with long red hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive red angel wings, she has on a necklace with red gem pendant, and she was dressed in a red short-sleeved shirt, red skirt, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lights, music notes, and angels on the coattails and on the back is Optimus Primal, and holstered on her back is a massive greatsword.

The second is a beautiful and super sexy girl with long blue hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive blue angel wings, she has on a necklace with blue gem pendant, and she was dressed in a red short-sleeved shirt, blue skirt, blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lights, music notes, and angels on the coattails and on the back is Cheetor, and holstered on her back is a massive greatsword.

The third is a beautiful and super sexy girl with long green hair, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive green angel wings, she has on a necklace with green gem pendant, and she was dressed in a green short-sleeved shirt, green skirt, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lights, music notes, and angels on the coattails and on the back is Airazor, and holstered on her back is a massive greatsword.

And the fourth is a beautiful and super sexy girl with long purple hair, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive purple angel wings, she has on a necklace with red gem pendant, and she was dressed in a purple short-sleeved shirt, purple skirt, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lights, music notes, and angels on the coattails and on the back is Rhinox, and holstered on her back is a massive greatsword, and with them are the six girls.

Lincoln: (GASPS) Angelina Angelsong, Gene-Slammer of Optimus Primal, Bella Angelsong, Gene-Slammer of Airazor, Celeste Angelsong, Gene-Slammer of Cheetor, and Dalia Angelsong, Gene-Slammer of Rhinox.

Angelina Angelsong: (British Accent) That's right.

Bella Angelsong: (British Accent) And we got the girls away from Captain Razorbeard.

Celeste Angelsong: (British Accent) And even worse, we saw that stupid dummy, Slappy, with him.

Dalia Angelsong: (British Accent) And we saw that he was the one who brought him back from the dead, that good-for-nothing piece of termite food.

?: RAYMAN! YOU WILL PAY FOR RUINING MY PLANS TO TAKE OVER THE GLADE OF DREAMS!

We then saw our target, Captain Razorbeard, and he was out for blood and he has his minions with him.

Rayman: (Thinking to himself) You've always made every last one of our lives miserable and all for your desire to take over The Glade of Dreams, you've caused us enough trouble to last an eternity, that ends here and now! (Out loud) No more.

Suddenly, something within Rayman's mind had brutally snapped as the memories of what Captain Razorbeard did in his plans to take over The Glade of Dreams echoed and rushed through his head, and then, his purple eyes turned neon purple and he was surrounded by a purple and red energy aura with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels, he unholstered his massive Rayman's Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice from his back, and as he angrily approached Captain Razorbeard, he left purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels with every step.

Rayman: You absolutely never cease to make me sick to absolutely no end, Razorbeard, for far too long, you and your men have plagued The Glade of Dreams, you captured me and my friends and tried to take over The Glade of Dreams. You've always been nothing more than a psychopathic evil monster whom we will always despise, but what makes you the worthless heartless monster you are is you're sociopathic, apathetic, ruthless, greedy, egotistical, callous, cruel, sadistic, psychotic, and powerhungry. (SUDDENLY STARTING TO GET MAJOR-LEAGUE PISSED OFF AS HIS PURPLE AND RED ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE) I thought we were finally rid of you for good after I destroyed you, but Slappy just had to mess that up by bringing you back, and now, to find out that you and your men are now causing havoc in Gormiti… , THAT IS THE LAST STRAW, I HAVE ABSOLUTELY HAD IT UP TO HEAR WITH YOU! FOR FAR TOO LONG, YOU'VE CAUSED ENOUGH TROUBLE FOR US, THE GLADE OF DREAMS, AND TO THE ENTIRE WORLD, I REFUSE TO LET YOU RUN WILD ONCE MORE! CAPTAIN RAZORBEARD, YOU JUST EARNED YOURSELF THE FULL EXTENT OF MY WRATH! PREPARE YOURSELF, THE LEGENDARY HERO AND DEFENDER OF THE GLADE OF DREAMS IS COMING TO END YOU ONCE AGAIN, AND NOT EVEN YOUR BENEFACTOR, SLAPPY, IS GOING TO SAVE YOU FROM MY WRATH NOW THAT HE'S LEFT YOU FOR DEAD!

We suddenly gasped at the sudden extent of Rayman's rage: Captain Razorbeard has shot himself in the foot, and now, he's about to face the full fury of The Legendary Hero and Defender of The Glade of Dreams.

Me: OH MAN!

Nico: (Gulps) That now makes it three times he's exploded with rage.

Lincoln: It was against two of June's enemies, and now, it's against the monster who tried to take over The Glade of Dreams. EVERYONE, HIT THE DECK AND RUN FOR COVER! RAYMAN IS GOING TO EXPLODE AND IT'S ABOUT TO GET UGLY!

Everyone outside heard Lincoln's yell and ran to any nearby buildings to hide, as Rayman screamed like an absolute madman to the infinite power and he was surrounded by a massive vortex of purple and red energy with stars, light, darkness, and magic surrounding the vortex, there are Lums, dragons, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at Captain Razorbeard: the red eyes of eternal death. Then, as the vortex faded, Rayman emerged, but he was changed forever.

Rayman grew from 7'9" to 8'3" in height, his massive and powerful muscles grew much bigger and he still retained his eight-pack abs, he has large gold metal bands on his massive biceps and thighs and he now has eleven large purple orbs orbiting around his legs, he has purple and red highlights in the bangs of the two fronds of his strawberry-blonde hair which grew to reach down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon purple eyes and a purple and red energy aura with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels surrounding him, he has a Lum in the hands of a night dragon emblazoned on his forehead and Third Eye with purple iris, he has on his Crystal Necklace of The Buddha with red and purple gems on the gold crescent moon links and red and purple crystal links and a purple dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a Fairy with red and purple gems for eyes and holding a Lum and the Light, Dream, Dark, and Eternity Kanjis in its hands for the pendant on his neck. Rayman has on a purple short-sleeved shirt with mysterious white ring on it and the phoenix with the symbol of The Celtic Dream Crusaders above it, white gloves, long purple pants, black knee-high boots with dragons for the shoe buckles, and long long-sleeved white trenchcoat with stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels on the white coattails and on the back is a fairy and dragon with Lums surrounding them along with the symbol of The Celtic Dream Crusaders above their heads. Suddenly, Rayman felt a very sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers grew much larger for his new body. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his right ring finger and his Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand covered by his left white glove and wedding ring on his left pinkie finger.

Suddenly, Rayman's massive Rayman's Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice and all of the greatswords and swords he'd gotten began merging together and they were surrounded by a kaleidoscope of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels and when it emerged, it's transformed into Rayman's Eternal Night Dream Morpheus's Celtic Dream Eternal Night Dragon Fairy Phoenix Angel Greatsword of Peaceful Celtic Dream Eternal Night Dragon Fairy Phoenix Angel Justice, it's a brand-new massive greatsword with embedded red gems and the Greek God of Dreams, Morpheus and a Celtic Triquetra etched on the 7'6" massive, wide, double-edged purple blade, large purple dragon heads with red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four large purple dragon heads with red gems for eyes and purple gems in their mouths and on the bottom of the four large dragon heads is a large purple dragon with red gems for eyes and red gem in its mouth for the pommel, he has on his brand-new large gold Bracers of The Champions of The Champions of The Universe with red gems on his wrists in the long sleeves of his long-sleeved white trenchcoat and Dragon Ball Bracelet on his left gold Bracer, his new large gold Belt of Elemental Bravery with a gold dragon head with purple gems for eyes and a large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace Equestrian Peace, his Spellbook of Eternal Dreams, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his left hip. There's a red kanji below the fairy that said, "Rayman, Legendary Hero and Guardian of The Glade of Dreams, Best Friend of Globox and Many, Defender of Betilla the Fairy and The Fairy Council, Member of The Celtic Dream Crusaders, Emissary and Champion of Morpheus, Owner and Wielder of The Spellbook of Eternal Dreams, Loving Husband of Juniper Lee, Loving Son-In-Law to The Lee Family of Orchid Bay, Destroyer of Mr. Dark and The Nightmare Creatures, Slayer and Destroyer of The Evil Ancient Witch Auntie Roon, Archenemy of Red Herring, Defender of Peaceful Dreams and The Night, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Darkness, Lums, Fairies, Moonlight, Dragons, Celtic Dreams, Phoenixes, and Angels"

We were really really amazed by Rayman's Super Angel-Fairy-Dragon-Lum-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Juniper Lee saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Captain Razorbeard saw it, he went absolutely berserk and ordered his men to destroy Rayman, but Rayman fired a massive barrage of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels which wasted his men completely, and this pissed off that mad metal pirate.

Rayman: (Divine Echoing Godly Voice of The Celtic Dream Glade Eternal Night Light Darkness Fairy Night Dragon Phoenix Angel and Divine Cosmic Celtic Dream Glade Eternal Night Light Darkness Fairy Night Dragon Phoenix Angel Hope) You've had this coming for a very long time, Razorbeard, and not a single person is going to say anything kind at your funeral.

Rayman went after Captain Razorbeard and he fired extremely powerful blasts of purple and red energy, stars, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels at Captain Razorbeard, and they exploded with incredible power as they hit him, and he also attacked him with his new massive greatsword leaving scars on him, and he even disarmed him of his sword. Then, he summoned spectral versions of his hands and they pummeled him with punches, and it was brutal.

Nico: Whoa, Rayman is tearing that tin can apart!

Then, Rayman fired a spectral version of his right fist charged with Black Gate Energy, and the fist hits Captain Razorbeard and exploded with incredible power and Captain Razorbeard was destroyed and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Rayman's new body, clothes, weapons, jewelry, gold halo, Third Eye, and massive strawberry-blonde angel wings are permanent.

Rayman: We've taken care of Razorbeard, but I hadn't issued my warning to Slappy.

Me: I think you already issued your warning to Slappy when you freaked out and went ballistic.

Nico: Yeah, it was so loud, it hit Slappy's eardrums.

Lincoln: So, he already got your warning, and we got rid of another major threat from The Glade of Dreams forever. (To The Angelsong Sisters) And it's so good to see you, Bella, Celeste, and Dalia again, Angelina.

Angelina Angelsong: (British Accent) You too, Lincoln.

Bella Angelsong, Celeste Angelsong, and Dalia Angelsong: (British Accent) It's been seven years since we last met.

Angelina Angelsong: (British Accent) And it's so good to see you again as well, Elena.

Elena (Grandia 2): You too, Angelina.

Lincoln went up to The Angelsong Sisters and he hugged them, and The Angelsong Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Angelina Angelsong: (British Accent): Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Bella Angelsong: (British Accent): You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Celeste Angelsong: (British Accent): You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, these girls are Angelina Angelsong, Gene-Slammer of Optimus Primal, Bella Angelsong, Gene-Slammer of Airazor, Celeste Angelsong, Gene-Slammer of Cheetor, and Dalia Angelsong, Gene-Slammer of Rhinox, these four sisters are Lincoln's Guardian Angels from England and classmates in Music, and they're also the most beautiful singers as well as capable of hypnotically control other people's minds via their singing voices. This very power they have was how they got Lori, Luan, Lynn, Lola, and Lisa grounded many times over, and it was also how Chandler and his goons, Pablo and Anderson, and even Hawk and Hank wound up in trouble. Angelina has red hair, Bella has green hair, Celeste has blue hair and Dalia has purple hair. As a result of the date between Lincoln and Elena, Lincoln also made a promise, that when he comes of age, he will marry Elena and her sisters along with the other members of his harem, and they hate the jerks with a blazing passion.

Nico: Whoa.

Michelle Emperyous: The Angelsong Sisters are not only beautiful songstresses well known for their angelic singing voices, but they're also the sisters of Elena from Grandia 2 as well. They also found out that, at one point, The Red Ribbon Army, and by extension, Dr. Gero, once worked with Team Rocket by gathering the DNA of Cybertronians, even the Thirteen Primes themselves, they also stole DNA from other races like Elves, Dwarves, Vampires, Werewolves, and Hobbits. The Angelsong Sisters were among those to be Gene-Slammed into the Maximals. They, Lincoln, and Elena would love to sing in choirs especially during holidays, Valentine's Day in particular. The Angelsong Sisters took Lincoln and Elena to an Italian restaurant where Lincoln and Elena kissed each other on the lips. it took place long before Ronnie Anne came along.

We gasped.

Nico: Just as we heard yesterday.

Me: You know, it was bad enough Team Rocket also had the assistance of that genocidal fucked-up mad scientist lunatic, Kurata, and Dr. Regal, but now, we find out that The Red Ribbon Army, and to a greater extension, that fucked-up madman mad scientist, Dr. Gero, was also part of Team Rocket's Gene-Slammer Project as well?!

Lincoln: I was shocked myself. But, we stopped their DNA Harvesting and drove The Red Ribbon Army and Dr. Gero away, but they swore revenge on us for ruining their plans.

Angelina Angelsong: (British Accent) We swore that if any of The Red Ribbon Army dare to come after us, we would strike back with a vengeance.

Android 17: There's no need to worry though, Dr. Gero was given The Black Gates.

Android 18: Along with those in The Red Ribbon Army.

Android 16: Except for a few who have joined The Masters of Evil.

Celeste Angelsong: (British Accent) Now, that we can tolerate.

Lincoln: Vypra's keeping an eye on those who'd joined The Masters of Evil, so they wouldn't try any sort of double-cross, and now that you four are here.

Lincoln went up to and hugged Angelina Angelsong in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Bella Angelsong in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Finally, Lincoln went up to and hugged Dalia Angelsong in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Angelica Angelsong: (British Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklace of Eternal Love appeared on Angelica, Bella, Celeste, and Dalia Angelsong's necks with red, blue, green, and purple gems on the gold lightning bolts and red, blue, green, and purple crystal links from their merged Crystal Necklaces of The Buddha along with four white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Celeste Angelsong: (British Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Angelica, Bella, Celeste, and Dalia Angelsong.

Angelica, Bella, Celeste, and Dalia Angelsong had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Lily, Maha, and Shet from Shachiku Succubus no Hanashi, Dina and Surua from Seduction of Succubus, and Aru from Absolutely Fizzling! Succubus.

Lincoln: Oh wow, it's Lily, Maha, and Shet from Shachiku Succubus no Hanashi, Dina and Surua from Seduction of Succubus, and Aru from Absolutely Fizzling! Succubus.

Ed Cowart: Uh oh, looks like you've rescued six more voluptuous Succubi.

Lincoln: Ed, you better watch it or I'm telling Nicole. Are you girls okay?

Maha: Yes, we're okay, thanks to you.

Then, when Lily and the other five Succubi girls saw who it was that saved them from Captain Razorbeard, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The

Lily: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lily: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lily, Maha, Shet, Dina, Surua, and Aru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Admiral Razorbeard, another of Rayman's biggest and baddest enemies, who had returned for revenge on Rayman for destroying him and ending his plans to conquer The Glade of Dreams and rule it forever with an iron fist.

But, when Lincoln showed what happened with Rayman transforming and what we all did in violently thrashing him all over the place, and then, Rayman sending a spectral version of his right fist that exploded as it punched him and sending Razorbeard to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln, Angelica, Bella, Celeste, and Dalia Angelsong have a lot of catching up to do now that they're back in town.

Maria: Whoa, so Rayman transformed and he thrashed that pile of scrap metal who was also brought back by that dummy, Slappy?! He's really reaching more all-time lows already!

Lincoln: He sure is.

Nico: We were almost close to losing it, that was until Rayman summoned spectral versions of his hands that were about to grab us and use Eli's Nanny Goat Discipline move on us.

Me: Thank goodness we cooled down, otherwise, those floating spectral fists were going to clobber us.

Eli: And they seriously pack a punch, no pun intended.

After destroying Captain Razorbeard and saving the Isle of Gormiti, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Angelsong Sisters saw Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Angelica Angelsong: (British Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bella Angelsong: (British Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Celeste Angelsong: (British Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Dalia Angelsong: (British Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Angelica Angelsong: (British Accent) I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Angelica Angelsong: (British Accent) We do have one video that involved an incident with Lori, Luan, Lynn, Lola, Lisa, Chandler and his goons, Pablo and Anderson, and Hawk and Hank trying to attack us.

Angelica Angelsong played a video on the screen, and it showed Lincoln and The Angelsong Sisters at choir class at school. But, their day was about to be rudely interrupted.

MONSTROUSLY LOUD BELCH!

Past Angelica Angelsong: (British Accent) What the heck?! (Sniffs) UGH! And why does it smell like B.O., sweaty feet, smelly gym socks, raw sewage, and too much perfume?!

Past Lincoln: Ugh, not this again!

Then, the doors burst open, and they saw Lori, Luan, Lynn, Lola, Lisa, Chandler and his goons, Pablo and Anderson, and Hawk and Hank, and they were out for blood. But, then, The Angelsong Sisters sang a sweet melody that hypnotized Lori, Luan, Lynn, Lola, Lisa, Chandler and his goons, Pablo and Anderson, and Hawk and Hank and put them under their spell and they confessed to the entire school they were planning on killing Lincoln, The Angelsong Sisters, and everyone here before going on a rampage and turn the entire world into a graveyard. Lincoln tied them up in red energy ropes before the spell on them was broken, and they were handed over to the Loud Parents and Sisters and the cops as the video ended.

Nico: Whoa, now that's some powerful singing, and unlike with The Sirens, your song hypnotizes only Lincoln's enemies and his mean sisters.

Angelica Angelsong: (British Accent) That's right, and once under our spell, we get them to confess their crimes.

Lincoln: And it always ends with them getting in huge trouble with our parents and sisters and the cops.

Me: You have no idea how many criminals they've brought down because of their song.

We got a shower afterwards, and then, Lincoln, Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Teresa Linares: Wow, so, this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Teresa, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose and they hugged the girls in their abnormally massive and powerful muscular arms, and Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Agria, Universe 666 Aurora, Universe 666 Emeraude, Universe 666 Fortuna, Teresa Linares, Thitose Cxarma, Universe 666 Symonne, Simulator Talia al Ghul, Simulator Kalawarna, and Simulator Rose, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: We're going back to Puzzle Plank Galaxy. To visit an… old friend.

Nicole: Bugaboom right?

Nico: Yep.

Qin: Wow!

Emma Goodall: Me, Gia and Lillith will go with you guys.

Nico: Awesome.

Eli: Awesome.

They went into the simulator and then it activated and they were back at Puzzle Plank Galaxy.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you faced him before so you pretty much know how to beat him. Do what you did before in the first game.

Nico: Okay.

Lilith: This will be fun.

Emma: Lets do it guys!

Emma, Gia and Lillith: GO GO MEGAFORCE!

They transformed!

Emma: FLAMES OF THE PHOENIX! MEGAFORCE PINK!

Gia: CLAW OF THE TIGER! MEGAFORCE YELLOW!

Lillith: SONG OF THE SIREN! MEGAFORCE GREEN!

Nico: Oh yeah!

?: Let me help too!

A girl flew in and she had purple hair, purple eyes, purple clothes, red angel wings and had a tiara with the symbol of the Megaforce Rangers on and the same symbol on her skirt and she and she had an Ultra Megaforce Staff in her hands.

Erika Goseiger: Erika Goseiger, Embodiment of the Megaforce Rangers.

Nico: Wow! Awesome to meet you Erika.

Emma Goodall: Awesome to meet the Megaforce Embodiment.

Erika Goseiger: Same here Emma and you as well Gia. And I don't believe I met the Megaforce Green yet.

Lilith: Oh sorry. My name is Lilith Clawthorne and I'm the new Megaforce Green. America doesn't have Megaforce Green except for Japan and I'm the new Megaforce Green to honor his memory.

Erika Goseiger: Oh yeah! The Japanese version of him sacrificed himself. That makes sense. Awesome to have you part of the team.

Lilith: Thanks.

Emma: We'll talk later.

Erika Goseiger: Sure thing.

Nico: Lets go.

They were off and they got to the planet and they saw BUGABOOM!

Nico: Awesome.

Emma: Ugly bug.

Gia: No kidding.

Nico: Hey, buddy! Remember me?

HE ROARED!

Me: I think he does remember you!

Nico: Yep.

Emma: This will be good!

Nico: (gets out Tchang Zu and Zzzax's Ridewatches) This is off to a shocking start!

Nico activated them and fired waves of lightning and they hit the Bugaboom and electrocuted him and then Nico smashed him on his back.

Emma: YEAH! Lets do it together!

Emma, Gia and Lilith jumped and bashed him on his back!

Nico: OH YEAH!

He roared in fury!

Nico: WHOA!

Me: Now he's REALLY MAD!

Erika Goseiger: Now time for this power! (ECHOING) ULTRA RANGER POWER OF THE UNIVERSE!

She fired a blast of energy from her staff and it hit Bugaboom and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Nico: YEAH!

The star came and they went and got it!

YOU GOT A STAR!

Nico: YEAH!

Erika Goseiger: Now that is what I call an awesome Mega Win!

Emma: You said it!

Gia: Yeah!

They all high five!

Emma: Tell us more about yourself.

Erika Goseiger: Well I am a mage and I use magic. I do awesome magic shows at birthday parties and more.

Nico: You and Luan and Eddy would get along great.

Erika Goseiger: I sure will. And on the next adventure you guys will love my sister Eileen Gokaiger. She is the Embodiment of the Super Megaforce Team and she has 47+ Years of Rangers in her.

Nico: Cool!

Emma: We'll have to have all the Super Megaforce Team on that.

Nico: Yep. Would you like to join the team?

Erika Goseiger: I would be honored.

They later left the simulator and we cheered wildly.

Later the mascots were about to sneak out again. And they were dressed in their warmest winter clothes.

Poromon: Everyone's asleep again.

Poliwag: This will be fun.

Manaphy: Yeah. Lets head to the North Pole.

They were off to the North Pole. Little did they know that I was watching TV and I heard them talking.

Me: (In my head) So they are off to the North Pole. I wonder how come. I better go check.

I got on my warm winter clothes and left a note for Nico and the team and I followed them.

The Mascots landed in the North Pole.

Poromon: BRRR! It's cold!

Poliwag: I know!

Me: Hey guys.

Manaphy: J.D.!? What are you doing here?

Me: I heard you guys going to North Pole and decided to accompany you. What are you guys trying to do up here?

Poromon: We're trying to find something that was thought to be lost here.

Me: Really? What do you think it is?

Poromon: No idea.

* * *

Nico and everyone got up.

Nico: Ahh! Needed a good nap.

Courage: Guys, where are the mascots?

May: No idea.

Nico: Oh great they snuck out again. (Sees something) Huh?

Nico went over and saw my note and read it.

Nico: (Reading) "Nico the mascots are sneaking out again so I decided to follow them. They are heading to the North Pole. Signed J.D." Oh man!

May: The North Pole!? They will freeze!

Camie: We got to get them!

Nico: Well at least J.D. is with them. But we got to get them!

They went and donned their warmest winter clothes and were off to the North Pole.

---

At the North Pole we were searching.

Poliwag: C'mon! Where is it!?

Me: It has to…

Then the ground started cracking.

Me: Uh oh.

Then the ice fell and I flew above a hole.

Me: Whoa this leads somewhere.

I went down and it was a deep cave.

Me: Wow.

Poromon: What is it?

Me: A cave of some… (Sees something) WOW!

They came down and we saw a HUGE CRYSTAL PALACE MADE OF TANZANITE CRYSTAL!

Manaphy: OH WOW!

Me: I never have seen anything like it! It's a palace of Tanzanite Crystal!

Horsea: That is beautiful!

We went into the palace and it was an absolutely breathtaking sight to behold.

Me: Wow! This is amazing. I can't believe that this is here.

Horsea: Boy it sure is amazing.

Poromon: Wow! I can't believe that this is here under the North Pole.

---

Nico and the team arrived.

Kalolo: Alright, where are they?!

Eli: I sense them down there in that cave.

Nico: Lets go.

They flew down and then they too saw the palace.

Nico: (GASPS)

Nicole: (GASP) OH Wow!

Eli: Wow! That is a beautiful palace!

Nicole: (GASP) I can't believe it! I thought it was just a myth! That's the Castle of Tanzann!

Nico: Wow! I didn't know this was here!

May: It's beautiful!

Nicole: This castle is said to be home to the Staff of Tanzann. A powerful staff that has the power to grow Tanzanite Crystal Clusters from any kind of rock anywhere.

Nico: Wow!

Then they heard our voices.

Nico: Lets go.

They went in and saw us.

Nico: There you guys are.

Me: About time you guys came.

Nico: This is amazing guys!

Nicole: You guys found a legendary place that I never thought existed. This is the castle of Tanzann and it's said to be home to the Staff of Tanzann, it has the power to create amazing Tanzanite Clusters from any kind of rock anywhere.

Me: WHOA! I've never heard of something like that. That is amazing.

Poromon: Boy me neither. That is cool!

Nicole: It sure is. And it's been buried under the North Pole.

Lola: Yeah.

Me: How old is a castle like this?

Nicole: From the looks of things I would say that it was here ever since the end of the Great Ice Age.

Laney: That was back 15,000 years ago I think.

Lola: Yeah.

Nicole: Yep.

Poromon: And we found it for the first time since.

Nicole: You sure did. You managed to find one of my top 10 Impossible Treasures.

Nico: That is amazing.

Thunderblast: You know you could've froze to death, right?!

Poromon: I know. But we didn't thanks to J.D.

Me: Yeah I was with them.

Nico: And you did good being with them and we're proud of you for that.

Me: Thanks.

Freeway: Did you make snowmen?

Nicole: I think they made something better. One of the most amazing finds ever.

Nico: Yep.

Megan Megalith: I think I'll get the staff.

Nico: Okay.

Nicole: There it is there.

We saw on an alter and the staff was made of pure Tanzanite Crystal and it had a glowing blue jewel in it.

Nico: Wow! It's magnificent.

Megan Megalith: Here goes.

Megan went over to it. She then put her hand on it and then pulled it out and it glowed and then she underwent an amazing transformation!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED VERSION PLAYS)

She got crystal armbands and even a barrette with the symbol of the Megalith Duel Monsters symbol on it and she got armbands and legbands of crystal.

Nico: WHOA!

Me: Wow! Megan how do you feel?

Megan Megalith: I feel amazing.

Nico: Yeah.

But then it glowed and a massive wave of energy spread all over the planet and then MASSIVE Clusters of Tanzanite crystal grew all over the planet and it was amazing!

Shocker: Nico, who gets to shine next?

Nico: Piper, Lily Loud, Pepperdance, Nuova Shenron, Kopaka, and Flurry Heart.

Me: Awesome!

Nuova Shenron: It will be an awesome honor.

Lily Loud: I'm so looking forward to this.

Pepperdance: (Cajun Accent) Ooowee! This is gonna be fun.

Me: Lets get home first.

Nicole: Good idea.

We went back home.

---

We arrived back home.

Me: Whew. Glad that's done.

Poromon: But that was a cool treasure hunt.

Lola: It sure was.

Nicole: Boy I'll say.

Laney: That was cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than the zombies from Welcome to Dead House, and they've come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than the zombies from Welcome to Dead House, and they've come back for revenge.

We gasped.

Me: OH NO!

Nico: The zombies from Welcome to Dead House, I knew it was going to be them, I just knew it.

Me: Same here.

Lincoln: Those zombies were the result of an accident that occurred in Dark Falls decades ago, and they have to survive on human blood by luring families to the house in Dead Falls, and they can only be destroyed by halogen light or sunlight in this case.

Lisa Loud: I've already made halogen light weapons for this occasion.

Lisa Loud presented us with halogen light weapons.

Nico: Awesome. Alright, gang, let's head down to help Amanda and Josh Benson along with their family and get rid of the zombies.

Lincoln: Right.

I went and got the book for Welcome to Dead House.

Me: This was an explosive one.

Nico: We fought those before we first fought the Anti Fairies.

Me: Boy that was before the Great War with The Anti-Fairies on Friday, September 13th.

Nico: Yeah.

Jenna Jinx: Wow! On Friday the 13th.

Me: Yep. The very day they cherish for bad luck and everything turned out to be their last day alive.

Qin: And Speaking of the Great War, the Anniversary of the Great War with The Royal Defenders is coming up.

Nico: Wow! In a few days.

Camie: Yeah.

Varie: Yep.

Nico: But we'll worry about that later. Lets get ready for an explosive battle

Maria: Let's rescue Amanda's family first. Then, we kill the zombies.

Me: Good idea. But we'll have to kill a bunch of zombies along the way.

Nico: Yeah no way getting around that.

Lola: Yep.

The previous group came.

Chalmers: Can me, Springfield Mafia, Cantwell, Wiggum, Vreedle Brothers, Cargill, Krusty, Kalin, Private HIVE, and Control Freak go with you guys?

Louie: This is gonna be an explosive one, isn't it?

Nico: Yes it sure is going to be explosive. And yes you all can come with us.

Me: The Zombies of Welcome to Dead House are back.

Qin: Yep.

Louie: Oh man!

Nico: Yeah.

Cantwell: Nico, which Gene Slammer do you think you'll meet next?

Legs: I actually think these are very interesting.

Nico: Glad you think so. And the next one will be Napalm Man.

Qin: Cool! Or hot rather.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than General Rilldo, Machine Mutant and Commander of The Machine Mutants and Planet M-2 created by Dr. Myuu, and he's come back for revenge against Goku, Trunks, and Pan. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the person we just saw and the dark energy signal we sensed belongs to General Rilldo, Machine Mutant and Commander of The Machine Mutants and Planet M-2 created by Dr. Myuu, and he's come back for revenge against Master Goku, Trunks, and Pan.

We gasped.

Pan: That machine mutant, can't he learn to stay dead?!

Me: Unfortunately not, and we're still not close to figuring out who it was that opened that portal and resurrected The Z-Fighters' old enemies all those years ago.

Poromon: Why don't we ask him! (Points to Sebastian)

Manaphy: Hey, yeah, there's only one person who's had a nasty grudge against The Z-Fighters from years back along with a nasty grudge against our friends from Acme Acres.

Poliwag: We know it was you who did it, Sebastian! Admit it!

The Mascots were giving Sebastian The Stink-Eye.

Sebastian Mendez: WHAT THE HELL!

Lincoln: Guys, hold it! You can't just go and accuse Sebastian of something like that!

Gohan: Wait, I think they may be right.

Buster Bunny: (GASPS) We remembered seeing a dark figure in Acme Acres late at night near where Montana Max's mansion stood, and then, he said some sort of dark incantation, and then, he opened up a portal to… (Realizes where the portal leads to) The Hell For Infinite Losers!

Babs Bunny: So, that means… !

The toons did wild takes galore at the revelation: THE PERSON WHO OPENED THAT PORTAL TO THE HELL FOR INFINITE LOSERS AND BROUGHT BACK THE Z-FIGHTERS' OLD ENEMIES YEARS AGO WAS SEBASTIAN BEFORE HIS DARK SIDE WAS REMOVED!

Nico: Oh shit. But, why didn't you tell us that before, Buster?

Sebastian Mendez: Because I put a curse on them that made them forget that I was the one who had opened up that portal.

Plucky Duck: Now, we've got to fix this mess you made years ago, and you better not have anymore of your nasty surprises from all those years ago, or you're looking at getting a piano dropped on your head.

Sebastian Mendez: (DEMONIC VOICE) (Demonic Grin) Try that, and Shirley's going to have to look for a new boyfriend! (LAUGHING DEMONICALLY)

That freaked Plucky out as he hid behind Shirley.

Nico: Now, now, you two can get at each other later, but now, we know where the portal's at and who was the person behind that stunt years ago. Alright, gang, let's go, we're heading out to help Amanda and Josh Benson along with their family and get rid of the zombies.

Lincoln: And tell them of Slappy's part in bringing them back from the dead, this is going to be brutal, and once we get done with killing the zombies of Dark Falls, you're next, General Rilldo.

Linda Leon: There's absolutely no way we're going to let you live any longer, General Rilldo. You and Dr. Myuu have caused more than enough trouble for the very last time, now you will face the wrath of Leon the Lead.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Amanda and Josh Benson along with their family get rid of the zombies once again and tell them of Slappy's part in bringing them back from the dead, and once we get done with killing the zombies of Dark Falls, Linda Leon and Lincoln are going to destroy General Rilldo.

We were off.

* * *

We were flying over the Appalachian Mountains.

Rhomboid: I hope I get to blow up some zombies real good!

Family Guy Penelope: Given how many there are, you might get that chance.

Me: Yeah.

We then flew over the town that Amanda Benson is from.

But then we came across a warzone.

(BATTLE: LOS ANGELES DEPLOYMENT THEME PLAYS)

Massive fiery explosions were blasting off left and right as the people were blasting zombies all over the place at a massive left.

BOOOM BOOOM BOOOOOMM! BOOOOOMM! BOOOOMM! BOOOOOM!

We were shocked.

Me: My god! This is terrible!

Nico: Oh man! Just like the first time

KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM!

We saw the people blasting and killing Zombies left and right at a rapid pace by the hundreds and they just kept on coming.

Bai Tza: I swear, we JUST got here!

Me: It was like this when we were here the first time.

Nico: Yeah.

Bai Tza: I remember that.

Lola: Yeah.

Nico: Lets do our entrance!

We flew in.

The people were killing zombies left and right. But then the spirits of light shined in and then they swirled around the zombies and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

A massive fiery explosion blasted off above the zombies and fireballs rained down on them and then a phoenix cry was heard and we flew out of the explosion and fired waves of energy and fire and blasted the zombies all over as the people cheered wildly!

Nico: You dumb zombies have failed this world!

We fired waves of energy and elements and blasted them.

KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM! KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM!

Diana Dynamite: Take this you fiends!

She fired more dynamite blasts and then…

She blew them apart all over the place.

Cargill: Let's see how the Team Fortress 2 Mercenaries are doing.

Scout was running about the enemy ranks, to fast for them to hit him, and taking pot shots at his foes with his shining Australium Scattergun while laughing maniacally. A few zombies saw the Scatterguns usefulness at close range and began to back up and advance at Scout from a far. Scout simply switched out to his Unusual Festive Shot To Hell Pistol with a Isotope effect on it and picked off the zombies. Then he took out his Australium Force-O-Nature and ran straight towards a large zombie and fired both shots in the guns clip into the flesh eater's head. His head exploded, sending meaty chunks everywhere that also sprayed blood. Scout jump back from the gory splash zone, taunting his opponents mercilessly. A zombies tried to strike the Bostonian from behind, but Scout simply ducked down and took out his Batsaber and broke the zombies's neck with a skillful flip over its head and striking it straight in the neck. He landed behind the dead zombie and taking out his Australium Scattergun once more, he charged back into the fray.

Nico: Oh yeah!

Scout: (Boston Accent) Take that!

We fired waves of energy and elements and blasted Zombies all over.

---

I fired grenades and blasted them all over.

KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM!

Billy: 15 Points! (LAUGHS)

Cut Man: Remember, we need to find Amanda and her family!

To say that Soldier was causing havoc would have been an understatement. He had chosen to equip his Australium Rocket

Launcher and was right now in the process of blowing any enemy in his way, no matter if they were zombie or not. Body parts, blood, and guts flew around him as he screamed his battle cry at the top of his voice. However, his recklessness was causing him to take some damage from many sides and slowly wearing him down. Luckily, he had an easy solution that would not just heal him a little but also kill more enemies at the same time. He switched out his Australium Rocket Launcher and brought out his Australium Black Box. Using the health give back on every hit, he fired rockets at his enemies and healing himself while destroying the opposition. When he had easily cleared his area, Medic ran over quickly and trained his Australium Medic-Gun onto Soldier and healed the patriotic maniac fully before running back into the fray to heal others. Soldier was about to equip his Australium Rocket Launcher once more, when a large zombie leaped out of no where and tacked him to the ground. It bared its fangs as it looked down at Soldier. Suddenly, a loud shot rang out and the zombie felt something down in its stomach. It looked down to see that it had no stomach anymore. Just a hole and few bones and black blood dripping from where it had been and a Unusual Festive Shotgun with a Cool effect pointing straight at the hole. The zombie slid off as Soldier stood up, dusting himself off and finally re-equipping his Australium Rocket Launcher before charging into the fight once more.

---

I fired grenades and blasted them all over.

KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM!

Me: Laser beam!

I fired laser beam blasts and sliced the zombies in half.

Laney: I see them!

I looked and saw Amanda and her family on top of a house.

Camie: Take this!

She fired aurora energy and blasted the zombies all over.

Sirius: I got this!

She flew and went for Amanda and family.

Kalin: Don't worry. We're here to rescue you guys!

Pyro was having fun giving happiness to the enemy. Correction, Pyro was having fun being a Nazi burning Jews at a concentration camp… thats more accurate. He had equipped his Australium Flamethrower and ran straight at the enemy, laughing joyous as it saw them burn. Though for it, it was seeing them laughing happily as they were shown what happiness and magic was. Its opponents didn't last long and ended up writhing in the floor in agony as the flames consumed their body and turned it into ashes. One zombie was able to stay alive after being set on fire and charged after the mysterious pyromaniac. However, Pyro had sensed a motion behind it, most likely all those years of Spy checking at the Gravel Wars, and equipping its Australium Axtinguisher and, turning around, smashed the blade down on the burning zombies's head. The zombie screeched in pain as the weapon carved through it head and out the other side. Its corpse went limp and burned down to join its brethren. In ashes.

They were incinerated!

Lola: YEAH!

Me: Cannon!

I formed a cannon and fired a cannonball!

KRABLAM!

I blasted through numerous zombies!

Lola fired numerous fireballs and blew them apart!

* * *

I fired grenades and blasted them all over.

KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBBOOOOOOMM! KRABBBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM!

Nico: YEAH!

Billy: All right zombies! You want to smell what Billy the Baker is cooking!?

He took a stick and bashed numerous Zombies all over with it and we sliced and diced them.

BONK! BONK BONK BONK!

Sirius got Amanda and family down and we blasted the zombies all over.

Ghuul: You guys ok?

Drunk men on the battle field isn't unheard of. Drunk men with golden weapons and a killer skill? Not so much. Demoman had equipped his Australium Grenade Launcher and randomly launched pipes (grenades) into the crowd of enemies, cackling madly as they blew up into smithereens. He did this for quite a while, causing mayhem in the enemy ranks. However, after around the sixth volley of grenades, he realized he had run out of ammo. He switched out to his Australium Sticky Bomb Launcher and fired the sticky bombs at the feet of the incoming crowd of attackers. His foes looked down at the spiky mines and looked back up at the drunken scotsman. Demo simply smiled and donated the bombs sending bits and pieces of everyone splattering all over once again. He laughed once more and was about to run over to Engineer, who had a Dispenser up, to refill his ammo when a large burly zombie approached him. The zombie approached him menacingly and stared at Demoman with hard eyes. Demoman paused for a second looking at this new adversary before grinning and taking out his Australium Eyelander. The two opponents circled each other slowly After a few seconds, the zombie screamed a battle cry and ran forward. Demoman just smirked and rose his Australium Eyelander and blocked the strike. Demoman took no time to let his opponent recover himself and slashed across the zombie's stomach. It howled in pain as the sword sliced a deep gash in his stomach, revealing a small part of the large intestine. The zombie breathed heavily as Demoman just laughed and raised his Australium Eyelander high and, with one swift slash, he decapitated his foe. The headless corpse fell to its knees and lay on the ground, slowly oozing blood from the sliced veins and arteries showing out of the neck. Demoman sheathed his Australium Eyelander and stood silent for a second as a moment of respect for his adversary, before taking out his Australium Sticky Bomb Launcher once more and sticky jumping away towards Engineer.

We were blasting the Zombies all over the place.

---

Qin: OH YEAH!

Nico fired energy and fireballs all over.

Luan: Taste my Shine Sword!

She formed a sword of light and slashed the zombies all over.

Eustace: Take this zombies! (Pulls out Ugly Mask) OOOGA BOOGA BOOGA!

He scared the Zombies into exploding! KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! KRABBBBBOOOOOOOOOOOOMMM! KRABBBBOOOOOOOMM! KRABBBOOOOOM! KRABBBOOOOOOOOOMMM! KRABBBBBOOOOOOMM! Lola: Yeah!

Eustace: (LAUGHS)

KRABLAM!

Eustace got hit on the head with a rolling pin by Muriel!

Eustace: OW! What did I do?

Our favorite Sandvich eating Soviet mercenary was busy firing his highly lethal Australium Tomislav right at the enemy, causing them to fall down bleeding from various bullets holes all over the body. Heavy laughed as a few zombies tried to jump over the bullets only for Heavy to adjust his aim slightly and catch them mid leap and send them back down in a heap of black Swiss cheese. However, the enemy realized that they would need something more durable to get though Heavy's column of death. Heavy was just finishing off a pack of zombies that had tried to surround him when loud booming steps sounded. He stop firing his Australium Tomislav and looked to see a large zombie charging down the street towards him. Heavy ducked behind a wall. He looked up to see if Medic was anywhere nearby. When he couldn't find his German comrade, he just shrugged and traded his Australium Tomislav for a Festive Sandvich. He took a bite out of the Christmas themed snack and his health filled right back to full. Once he was done he peeked around the corner to see the zombie trying to find where he had hidden. Heavy quietly took out his Australium Mini-Gun, he need the faster firing speed to take out this enemy, and reving it behind the wall he slowly walked out from behind his cover and instantly started firing. The mech was taking by surprise and tried to return fire, but Heavy had gotten the jump on it and the Australium Mini-Gun's bullets had already began to tear through the zombie without any trouble. Heavy stopped firing and looked down at his Australium Mini-Gun and then cradled it like a baby. He loved his guns.

He was blasting them all over the place with incredible fury!

Eli: Take this!

He fired a blast of Force Lightning and electrocuted the Zombies and blasted them all over.

Qin: Takte this!

She fired waves of fire and blasted the zombies.

Control Freak: Time to summon some help to scare them away for now!

He summoned Tormentor Necromorphs from the Dead Space games.

Nicole: OH YEAH!

Hunter: (German Accent) Ja! Und that was good.

The Tormentors scared the zombies and they exploded and the zombies were scared away.

Nicole: Nice one COntrol Freak!

Qin: Yeah.

Me: That should hold them off for a while.

Amanda Benson: Thanks guys.

Me: Are you all okay?

Amanda Benson: Thanks to all of you guys.

Piper: Can't believe you started without us!

Amanda Benson: Sorry about that. It just happened.

Xenia: No worries.

Lola: Yeah.

Me: Let me guess, Slappy brought all the zombies back.

Amanda Benson: And Dawes as well.

Ravager: Did you know that this was the very first Goosebumps book?

Amanda Benson: Yes I did.

Me: Good. I have a feeling Dawes was promised something big.

Private HIVE: Probably to get a chance to kill us.

Lily: That's nothing new.

Me: Yeah.

Qin: But either way now that we're here we will stop them.

Me: Like we did last time.

Camie: Yeah.

RD Girl Jordan: Did anyone get bitten?

Amanda Benson: No thank goodness. But it was a brutal battle.

Qin: We can see that.

Varie: But it was amazing though.

Krusty: It's gonna take forever to destroy all of them!

Pepperdance: Unless we destroy the main boss.

Me: And that's Dawes.

Laney: Blow up the head zombie and the rest will follow.

Nicole: Yep.

Concrete Man: We're probably gonna kill more zombies on the way.

Nico: Yep.

Laney: And it'll be awesome.

Lola: Yep.

Octagon: I reckon we should get going then.

Nuova Shenron: Don't want to keep the flesh eating monsters waiting.

Me: Agreed.

Nico: Yeah. We already did the entrance.

Lols: We sure did.

We went to find Dawes.

Bone Chompy growled at the approaching zombies.

When you are defending a certain point, stationary buildings are an incredible asset. Such as Dispensers… or Sentry's. Engineer had immediately set up a Sentry gun and used his Australium Wrench to quickly upgrade it to level three, using metal from that Stewie provided, and armor from Double D. When the enemy first charged in, they were sure they could easily overwhelm… only to hear a beeping sound from the corner and seeing a large red Sentry gun with twin Gatling guns and a box that fired four rockets. Their had been a spilt second silence before the Sentry opened fire and cleared the entire wave of enemies. Engineer just stood beside his contraption and laughed as he hit the Sentry with his Australium Wrench to reload the bullets and rockets in the building. After, as his teammates began charging in themselves, he placed down a Dispenser for his team, to heal up if Medic wasn't around but more importantly refill their ammo, and quickly upgraded it. By the time it was done, his comrades were running back and forth from his little nest and the battlefield, thanking him happily for the aid. All was going great… that is until a zombie came around and attacked at his Sentry. Engineer took out his Rescue Ranger and fired at the Sentry to heal it as it got attacked, but it was no use and his contraption was blow to shreds. The zombiethat had destroyed the Texan's beloved sentry now turned to him. However, Engineer just smiled and replaced his Rescue Ranger with his Australium Frontier Justice. Since his sentry had killed many enemies before being taken out, the gun he was holding was crackling with revenge crits. Engineer smiled and raised the gun and fired all three shots from its clip at zombie. In normal circumstances, this may have down a bit of damage but not enough to be very significant. However, these were crits. Three times the power. The shots tore through the zombie like it was made out of paper and it fell, completely defeated. Engineer reloaded his Frontier Justice, chuckling slightly, before turning to his Dispenser and collected some metal. Then he proceeded to erect another sentry.

We blasted more zombies left and right until we saw DAWES!

Me: There you are.

Wiggum: Like what we did to your minions?

Kopaka: Because you're next!

The general ideology is that doctors in war are very easy targets and are easy to dispatch. That is true in many cases. Except for a certain German doctor. Medic was laughing hysterically as he used his Australium Blutsauger to fire syringes into the enemy lines. They weren't as effective as bullets, a large amount can easily take out a few people. Not to mention, when these syringes hit an opponent, Medic would automatically heals him a small amount of health. This makes the Blutsauger a prime weapon for battles and when Medic needs to defend himself against more then one enemy. However, he knew he couldn't just kill all day with his Blutsauger and after finishing off one more poor zombiewith a couple of syringes to the neck, he equipped his Australium Medi-Gun and began to run to his teammates that needed healing. As he did so, enemies would try to pick him off, only to get blown away by the other mercenaries or syringed to death by the Australium Blutsauger. For a while, Medic followed this pattern until he finally healed enough to build his

Übercharge meter to max. He grinned his sadistic grin and turned to the nearest mercenary. It was Heavy. Medic cackled insanely as he trained the healing beam on Heavy and popped the Über. He and Heavy both began to shine a metallic red color and Heavy roared with laughter as he revved his Australium Mini-Gun and fired at the helpless attackers who did not fully realize what had happened. By the time they did, they were long gone. They piled around the dynamic duo as they murdered them mercilessly. Finally after eight seconds, thought it had seemed like hours, the Über fizzled out and left Medic and Heavy standing and a large pile of bodies. Medic looked below his feet at the corpses he was currently standing on. He loved his job.

We blasted and smashed more buttstomping zombies.

Qin: How did you buttstompers like that?

She fired waves of energy and fire and burned the zombies.

Dawes: YOU MONSTERS! You ruined everything for me!

Sissi Delmas: Your flesh eating goons had it coming!

Sniper was having a grand time. He stood next to Engineer's nest and had equipped his Australium Sniper Rifle and was currently putting bullets through the skull of every enemy that passed his scope. He grinned as he sniped another enemy, his one hundred and fiftieth. He was reloading his gun when he noticed a few zombies coming behind them. He ducked down behind Engineer's Dispenser. Sniper took a moment to gather himself before quickly peeking over the top of the Dispenser and sniped one of the zombies. The shot hit is mark, striking the opponent right through the eye, blood spilling from the new hole in his head. The otherzombies turned to face Sniper once more, but he was ready and quickly took out another before once again ducking behind the Dispenser. However, this time when he checked to see if the remaining zombie had moved on, he saw that it was still looking at him and most likely wouldn't move and was tracking him. Sniper thought for a second before he got an idea. Crouching, he army crawled to a bunch of corpses near the Dispenser and hid under them. He slipped into the pile of bodies, ignoring the rotting flesh of zombies. He noticed that a zombie's body was twitching slightly. He just stared at it emotionlessly and took out his Australium SMG. He raised the gun and fired a few bullets into the dying zombie's body. It gurgled for a second before falling completely limp. Sniper looked at it for a second longer, checking if the zombie was indeed dead, before switching back to his Australium Sniper Rifle and poking a small hole through the mass of bodies in front of him, he looked from inside his corpse fort at the remaining zombie who hadn't noticed that he had moved. Sniper smiled and aimed.

Nico: Yeah.

Lola: Take that

Fat Tony: Your minions are dropping like undead flies!

The teams expert espionage was in the midst of a complicated but very effective loop. Equipping his Dead Ringer trinket and his Australium Knife, Spy would disguise as an enemy and blend right in. He wouldn't stab immediately, but wait for a very good opportunity to cause confusion instead of just outright killing. When these moments came, he would backstab the nearest foe and losing his disguise. He would continue backstabbing until the enemy finally noticed him and turned their attention on him. At this moment he would switch to his Australium Ambassador and fire a few shots into the enemy line, killing a few. However, when the zombies seemed to be on top of him, he would just smile and take out his Dead Ringer. Letting a stray bullet hit him, he would leave a fake corpse behind and run back around the enemy line again, meanwhile disguising again. Once he uncloaked, the cycle would begin once more.

Fat Tony and men blasted the Zombies and Dawes all over.

Qin: Take that!

Pepperdance fired waves of fire and blasted the zombies.

Maria: No kidding! Thanks to them, the zombies are being cleared out!

Nico: You got that right sis!

Qin: Yeah!

Lily fired waves of water and blasted the zombies.

Maria: No kidding! Thanks to them, the zombies are being cleared out!

Nico: You got that right sis!

Qin: Yeah!

Lily fired waves of water and blasted the zombies.

Nico threw a grenade and it hit Dawes and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Nuova Shenron: NUOVA DEATH RAY!

He formed a huge lens and fired a powerful focused beam of sunlight and it hit Dawes and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Piper fired waves of fire rings.

Lily fired blasts of water

Pepperdance and Nuova Shenron fired waves of fire.

Kopaka fired ice waves.

Flurry Heart fired waves of light.

The blasts all hit Dawes and exploded all over.

Heavy: Cry some more!

Nico: YEAH!

Then Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Oculous, Koragg, Trap Jaw, and Living Laser came.

Nico: Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Oculous, Koragg, Trap Jaw, and Living Laser.

Electro: Damn, you guys were busy!

Deadwood: I think the Team Fortress 2 Mercenaries have the most body count.

Hydro Man: Yeah. Of zombies!

Me: Yeah no kidding!

Moonstone: (to Nico) We heard you fought a monster from Are you Afraid of the Dark.

Nico: Yep. Margot the vampire.

Mysterio: Haven't fought those in a while.

Nico: I know.

?: No kidding!

Then a figure came and it was DRIED PERSIMMON WORLD from episode 30 of Zenkaigers!

* * *

At a temple bell, Persimmon World used his arm cannon and fire his dehydration soundwaves onto the populace as he caused the whole town to be very thirsty. However, the Zenkaigers showed up and chased him through the cemetery. Once they manage to corner him, they were about to transform until they were opened fire by Tojitendo's latest general, Hakaizer as he introduced himself to the Zenkaiger and the Persimmon World.

Persimmon World asked him if he was on his side and Hakaizer explained that he was created by Ijirude to keep the Zenkaigers busy while the Worlds focused on their mission to cause trouble. Then, the team transformed and battle the duo, but Hakaizer has proved as a tough foe as he easily knock back the Zenkaiger's attack and he even pulled out his Zenryoku Zenkai Cannon, known as the Zenryoku Hakai Gun, as he summoned NinjaYellow, HurricaneYellow, Shinken Yellow, KiNinger to attack the Zenkaiger. With that, the Persimmon World used his Eat Persimmon Ring's the Bell Cannon and fire his dehydration soundwave at the Zenkaiger and then flees to cause more trouble.

Later, he revealed himself to the Zenkaigers that he is actually Dried Persimmon World and his plan is to make the case of an endless thirst. With that, Zenkaigers chased him to a warehouse and transformed to battle him, but due to their thirstiness, they were outmatched by him. Thankfully, the World Pirates have provided the Zenkaiger with a Re-Hydration Station so they can fighting the Dried Persimmon World easily. This goes on well until Hakaizer arrived and used his Zenryoku Hakai Gun to summon DenziBlue, DynaBlue, Blue3, TimeBlue to keep the Zenkaigers at bay from drinking.

The team split into two groups as one of them fight against the Dried Persimmon World while Kaito holds off Hakaizer and eventually, Kaito manages to take back the Zenryoku Zenkai Cannon from Hakaizer and then used it to finish off the Dried Persimmon World with the new attack, Zenryoku Zenkai Finale Buster, thus breaking the spell.

That set General Rilldo free.

Linda Leon: Thanks for the assist, Buster. (To General Rilldo) And if you think one of us has gone nuts stopping Sebastian like that, you're wrong. He did this because we're going to be the ones to kill you first.

Suddenly, Linda Leon's golden yellow eyes turned neon golden yellow, and she was surrounded by a golden yellow and brown energy aura with stars, earth, lead, lions, phoenixes, and angels, she unholstered her massive Leon the Lead-themed greatsword from her back, and as she approached General Rilldo, she left golden yellow and brown energy, stars, earth, lead, lions, phoenixes, and angels with every step.

Linda Leon: You make me sick to no end, General Rilldo, you and the rest of The Machine Mutants have caused far too much destruction to count for so many years, and all for Dr. Myuu's ambitions. You lack remorse nor empathy for the destruction you've caused and for those that'd fallen to you in the past, all of your crimes have gone unpunished for far too long, and now, you will pay the ultimate price for them… with your life.

Suddenly, Linda Leon was surrounded by a massive vortex of golden yellow and brown energy with stars, earth, and lead surrounding the vortex, there are lions, phoenixes, angels, and Leon the Lead flying around the vortex, and in the vortex is a golden yellow phoenix with red eyes glaring at General Rilldo: the red eyes of death. Then, as the vortex faded, Linda Leon emerged, but she was changed forever.

Linda Leon grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large golden yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long golden yellow hair and golden yellow bow and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon golden yellow eyes and a golden yellow and brown energy aura with stars, earth, lead, lions, phoenixes, and angels surrounding her, she has Leon the Lead with the alchemical symbol of lead emblazoned on her forehead and Third Eye with red iris, she has on lion earrings with yellow gems for eyes and holding the Star, Earth, Lead, and Eternity Kanjis in its paws, she also has Leon the Lead with red gems for eyes and holding the Star, Earth, Lead, and Eternity Kanjis in its claws for the second pendant on the bottom of her golden yellow lion-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love.

Linda Leon has on a short-sleeved brown blouse, sleeveless golden yellow top, golden yellow skirt with the alchemical symbol of lead on it, brown knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, earth, lions, phoenixes, and angels on the coattails, and on the back is Leon the Lead and it's surrounded by earth. Suddenly, Linda Leon felt a sharp pain on her back, and then, her massive brown angel wings with golden yellow tips on the large brown feathers grew much bigger for her new body and she also now has eleven massive and long golden yellow wolf tails with brown tips and brown markings, Linda Leon has on her Ring of the Phoenix with large golden yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Linda Leon's Leon the Lead-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of golden yellow and brown energy, stars, earth, lead, lions, phoenixes, and angels, and when it emerged, it was transformed into Linda Leon's Eternal Alchemical Alchemy Beast Seismic Earth Leon the Lead Alchemy Angel Earth Phoenix Angel Greatsword of Eternal Alchemical Alchemy Beast Seismic Earth Leon the Lead Alchemy Angel Earth Phoenix Angel Justice, it's a brand-new massive greatsword with embedded brown gems and Leon the Lead etched on the 7'6" massive, wide, double-edged golden yellow blade, large golden yellow heads for the crossguard, large white angel faces built into both sides of the hilt and large golden yellow gems embedded in their foreheads, longer midnight black handle, four large golden yellow lion heads with brown gems for eyes and on the bottom of the large salamander heads is a large golden yellow lion head with brown gems for eyes and brown gem in its mouth for the pommel, Linda Leon has on her large gold Bracers of The Champions of The Universe with golden yellow gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Leon the Lead's head with brown gems for eyes and large brown gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and

Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a golden yellow kanji below Leon the Lead that said, "Linda Leon, Gene-Slammer of Leon the Lead, Master of The Powers of Earth and Lead, Alchemical Angel of Earth and Lead, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Archenemy of Arijigoku Demon, Destroyer of General Rilldo, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Lead, Stars, Phoenixes, Angels, and Lions"

Suddenly, Linda Leon's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Linda Leon has transformed into SUPER ANGEL-LEON THE LEAD-LION-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ALCHEMICAL SEISMIC EARTH LEAD LEON THE LEAD LION PHOENIX ANGEL OF DIVINE COSMIC ALCHEMICAL SEISMIC EARTH LEAD LEON THE LEAD LION PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ALCHEMICAL SEISMIC EARTH LEAD LEON THE LEAD LION PHOENIX ANGEL LOVE!

We were really amazed by Linda Leon's Super Angel-Leon the Lead-Lion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when General Rilldo saw it, he fell into a rage and fired a blast of metal breath at her and Lincoln to turn them into metal, but Lincoln and Linda Leon absorbed it and it made them even stronger than ever, and Linda Leon fired a massive barrage of golden yellow and brown energy, stars, earth, lead, lions, phoenixes, and angels, which hit General Rilldo and exploded and he was knocked down, he got back up, but now, he was even angrier than ever.

Leona Terra: WHOA!

Rosa Laurence: That's amazing, Linda Leon's transformed.

Lincoln: That's right, Linda Leon's transformed into her Super Angel-Leon the Lead-Lion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to General Rilldo for good.

Linda Leon: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Seismic Earth Alchemical Lead Earth Leon the Lead Lion Phoenix Angel and Divine Cosmic Seismic Earth Alchemical Lead Earth Leon the Lead Lion Phoenix Angel Love) He will pay for everything that he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Linda Leon.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Rilldo, now this time, stay dead, and I mean it this time!

Linda Leon and Lincoln went after General Rilldo who continued firing powerful blasts of metal and energy at them, but Lincoln and Linda Leon kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, golden yellow and brown energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at General Rilldo and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Linda Leon also attacked them with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving General Rilldo even more madder with rage.

General Rilldo: YOU! YOU! I WILL KILL YOU ALL!

General Rilldo charged right at them with uncontrollable fiery rage and wrath in his black heart, but Linda Leon fired a powerful fire blast at them which hit him hard and he got knocked down, and then, a pile of goo engulfed General Rilldo, and then, Lincoln called it back, as it latched onto his stomach and began merging back with him, Lincoln began absorbing General Rilldo and in the process, he was also assimilating his Metal Breath, Techniques, Superhuman Abilities, Rocket Punch, Changing His Physical Appearance, and Turning into Liquid Metal as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, an energy card with General Rilldo's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Linda Leon and Lincoln did as they holstered their massive greatswords and powered down and Linda Leon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive brown angel wings are permanent.

Linda Leon: This is for all the lives of those who fell victim to you and that madman. Thanks for helping me destroy General Rilldo for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Linda.

Suddenly, Linda Leon wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Linda Leon's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Leon the Lead flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and mountains forming behind them and we cheered wildly. Then, Lincoln and Linda Leon sucked in and absorbed the elemental forces and mountains and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fiery battle you guys fought, and General Rilldo didn't stand any chance against you guys.

Me: He gave Master Goku, Trunks, and Pan a lot of trouble when they first fought him.

Lincoln: He sure did, but he made a mistake in underestimating his opponents.

Linda Leon: That he did, and he also didn't count on Sebastian being here. He would've thought that he was still the same monster who brought him and the other villains back.

Me: Too bad for him that he's no longer the same from years ago. So, Lincoln, who's the next group of Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one: Gene-Slammers for the Predacons.

Nico: Whoa!

Selene Salamandra: And there's only group of girls who'd be Gene-Slammed into The Predacons: The Ramenangel Sisters.

Eli: Who are they?

Selene Emperyous: You'll love meeting them, Eli, and so will the rest of the team, they are Ai-Ai Ramenangel, Gene-Slammer of Predaking, Bianca Ramenangel, Gene-Slammer of Sky-Byte, Cora Ramenangel, Gene-Slammer of Skylynx, Dora Ramenangel, Gene-Slammer of Darksteel, Emily Ramenangel, Gene-Slammer of Terrorsaur, Farah Ramenangel, Gene-Slammer of Tarantulas, Gwen Ramenangel, Gene-Slammer of Scorponok, and Hilary Ramenangel, Gene-Slammer of Quickstrike, The Ramenangel Sisters: these eight angels are Lincoln's Guardian Angels from China and classmates in Cooking, and they're also masters of making ramen and have various ramen dishes and they're the sisters of Min Min.

Michelle Emperyous: They and Lincoln even helped Teuchi expand Ramen Ichiraku to throughout the world and they're always keeping an eye on all the stores in case of troublemakers especially the jerks. Ai-Ai has red hair, Bianca has blue hair, Cora has yellow hair, Dora has orange hair, Emily has green hair, Farah has purple hair, Gwen has indigo hair and Hilary has pink hair with each sister wear matching skirt and shirt matched by their hair color. Lincoln made the Ramenangel Sisters and Min Min beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and they hate Bubble Bass and Lewis Travolta with a blazing passion, the reason why? It's because they tried to scam all the Ramen Ichiraku restaurants of their food, but Lincoln, Min Min, and the Ramenangel Sisters saw right through their trick and beat the living crap out of them.

Nico: Figures, those bloated gluttons did this scam to all the other restaurants.

Lincoln: Yep, but they failed to realize that we saw right through their trick, and we beat the living crap out of them.

Naruto: And as a result, Teuchi banned Bubble Bass and Lewis Travolta for life, and they even put out Wanted Posters with their pictures on them, and there was also a bounty out on them.

Nico: Damn.

Me: Teuchi wasn't going to tolerate that sort of bullshit from those two gluttons at all.

Lily: That's why I also banned Bubble Bass from The Krusty Krab for life after he got sent to prison, and he was banned from all the ramen restaurants and restaurants in Gotham Royal York for life as well, same with Lewis Travolta, serves them right.

Blizzard: That's the last of the undead.

Oculous: All the bodies aren't moving anymore.

Koragg: That's probably for the best.

Me: At least they are all resting in peace.

I snapped my fingers and incinerated all the bodies to make sure.

Trap Jaw: What do you say we celebrate?

Nico: Good idea. Great job everyone.

Princess Luna: (To the viewers) This was a powerful thing and a fun one.

Qin: It sure was. Now we can go have fun.

Living Laser: Specifically in a place not filled with zombies?

Nico: Yep.

We went to Lynn's Table.

---

Slappy and Bob were still washing the blood off.

Lord High Executioner: Rest assured, I am not going down so easily.

Bob Roth: What exactly is your plan?

Lord High Executioner: (chuckles evilly) Let's just say that history is about to repeat itself. (leaves)

Bob Roth: Is it me or does that guy take his job way too seriously?

Slappy: He does.

# GOOSEBUMPS HORROR PART 13

## A NIGHT IN TERROR TOWER

---

Poromon was in Ben's car.

Poromon: Thank you for driving me.

Ben: You know I'm supposed to be looking out for Goosebumps monsters with the others, right?

Poromon: Relax. I'm not keeping you from anything. Your check engine light is on.

Ben: Mm-hmm.

Poromon: Typically that's an indicator. To, you know, check your engine.

Ben: It's fine, it's been on for, like, a month.

Poromon: Well, actually, that would be all the more reason to, you know, check your engine.

Ben: Poromon, it's fine.

Poromon: If it were fine, the light wouldn't be on. That's why the manufacturer installed that light, to let you know it's not fine.

Ben: Uh, maybe the light's broken.

Poromon: Is there a "check the check engine light light"?

Ben: How about we change the subject?

Poromon: OK.

The next few minutes were silent before Poromon did a popping sound. And then, he did more popping sounds which got on Ben's nerves.

Poromon was popping like a fish.

Ben: Please don't do that!

Poromon: Ok. I'm sorry. It's just that I'm finding your reckless nonchalance regarding the check-engine light to be very troubling.

NOBODY LIKES A BACKSEAT DRIVER POROMON!

Ben: (Pulling over) Get out.

Poromon: Well, I have to tell you that while I do have a theoretical understanding of the workings of an internal combustion engine, I'm not sure I'm capable of performing diagnostics.

Ben: I said, get out.

Poromon: Okay. I'll give it a shot. (Gets out. Ben drives away.)

Poromon: AW CRAP!

Julie came.

Julie Yamamoto: Hey Poromon. Ben kick you out?

Poromon: Yeah.

Poromon called us.

Nico: Hello? Hey Poromon.

Poromon: Can one of you guys drive me home?

Nico: Sorry. I have to get ready for my rescue. Back me up here, will you, Julie?

Julie Yamamoto: No, just for the fun of it, I'm gonna take his side.

Rice: I'm sorry, Poromon. You'll just have to find someone else to drive.

Poromon looked at Julie.

Julie: (groans) Oh damn, I picked the wrong side.

OH BOY!

Julie is driving on her moped, Poromon is on the back clutching her for dear life and screaming.

Poromon: Aaaaaaaaaaaaaaaaaa! Oh God, not the bad neighborhood! Aaaaaaaaaaaaa!

FOR MERCY'S SAKE SHE IS NOT EVEN GOING THAT FAST!

Later he was with Kevin and Gwen in Kevin's car.

Kevin Levin was driving his car with Gwen and Poromon as the passengers.

Kevin Levin: Why did Julie leave you in the middle of the road anyway?

Poromon: We had a difference of opinion.

Gwen Tennyson: Over what?

Poromon: Whether or not she was trying to kill me. For the record, I maintain she was. Where are you going?

Kevin Levin: I'm taking you home.

Poromon: Oh, but I'm not going home. I'm planning to go to the grocery to get more beer for me. And for the liquor store.

By now, Kevin's eye was twitching.

UH OH!

Gwen Tennyson: Kevin, remember to take a deep breath.

Kevin Levin: (sighs) Right. I have a better idea.

He dropped him off at Lynn's Table.

Poromon: Oh Feather Biscuits!

Rice Fitzgerald: No problem Nico. This will be fun and cool.

Laney: It sure will.

Nico: Haruka, what do you like to do in your free time?s

Haruka: Well I work as a caretaker. I look out for the elderly.

Eli: When me and Misuzu first met I saw Haruka look out for Misuzu every day when she was in a wheelchair. Me and bro where we came from did some research on her disease and it was actually called the Curse of the Wind Angel or Kanna. My blood actually could save her life from it and the powers of the Force too.

Nico: Wow! That is amazing.

Lola: Yeah.

Misuzu: And I will always be grateful to Eli for it.

Nico: That was very nice of you.

Haruka: It sure is. My sister means everything to me.

Qin: Aww.

Nico: Yeah. So sweet.

Sheila (D&D): That is awesome and cool.

Lola: It sure is.

secs agoMe: Yep. Man that was the most explosive adventure ever with fighting zombies.

Qin: Yeah it was!

Camie: That was awesome!

Me: Yeah. Man the Team Fortress men did amazingly well against them.

Nico: They had the highest body count

Me: They sure do and they are the kinds of people that don't take any prisoners.

Nicole: You got that right.

Qin: Man that is awesome.

Lola: I'll say!

Nico: Yep. But I'm glad that Amanda and her family are safe.

Me: And just like what happened last time we arrived in the midst of a massive and fiery battle.

Camie: Boy no kidding! And this happened before?

Me: It sure did. It was like a scene out of the movie Battle: Los Angeles.

Nico: That opening scene always was awesome.

Me: But it was scary seeing all those explosions and everything being destroyed at an incredible level with everything on fire.

Nico: Yeah no kidding.

Qin: That was so epic.

Nico: Of course, we killed zombies too

Me: We sure did.

Nico: Yeah that was so awesome!

Laney: Yeah.

Me: So all in all we all won our fair share of the battle.

Nico: We sure did. And Piper, Pepperdance, Nuova Shenron, Lily, Kopaka, and Flurry Heart did great too.

Lily: We sure did.

Pepperdance: (Cajun Accent) Oowee! That was fun.

Nuova Shenron: It sure was fun.

Nico: Yeah. The important thing is that Amanda and family are safe.

Qin: That is true.

Me: Yep.

Maria: Also, do you hear what Poromon's been up to?

Nico: (groans) Oh Dear God, what did he do now?

Me: He wanted a lift over to the beer store and liquor store to get some beer. But he was a total back seat driver to Ben, Julie, Gwen and Keven and they dropped him off at Lynn's Table.

Nico: Oh god!

May: Hope you don't mind but I brought him along with us.

Poromon: Yeah.

Me: Always fun having you with us Poromon.

Poromon: Yeah.

Me: Yep.

Jenna: Thank goodness me, Kia and Lina never did that with you J.D.

Me: Thank goodness for that Jenna yeah.

Xenia: Thank goodness.

Qin: Yeah.

Lola: Yeah.

Nico: Nothing out of the ordinary so far.

Me: Yeah. Nico we need to give Poromon a Drivers License.

Nico: I agree. That's a good idea.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Lucy Dark and her family that Mr. Mortman is back.

We gasped.

Me: Not that ugly buttface again!

Nico: I knew that it was going to be him, I just knew it!

Me: Same here, and of course, Slappy brought him back.

Lincoln: And since we got ourselves a dangerous situation with Mortman, we're gonna need all hands on deck.

Lincoln called Mud Lana and Mero the Mermaid along with the rest of the team.

Lori: We literally heard everything and got here as fast as we could, Linky. So, is it true Mr. Mortman has come back?

Lincoln: Yep.

Lola: That dummy's really gone too far.

Lana: Yeah!

Just then, we met up with Lucy Dark and her family.

Lucy Dark: Guys, did you hear about…?

Lincoln: We did, Mr. Mortman's come back, and it was because of Slappy.

Lucy Dark: Figures. We need to stop him right now.

Lincoln: And we will, and you all better brace yourselves: we're also going to expose his true form by tricking him into eating crickets, didn't you say you saw him change into his monster form when he ate some crickets?

Lucy Dark: That's right.

Me: That's a smart idea, Lincoln. Now, let's head for the library.

Nico: Lets go.

Twilight Sparkle: I always love libraries.

Me: You love libraries and book stores. Also the library is having a book sale today Twilight so you can get some books after we deal with Mortman.

Twilight Sparkle: Good idea J.D.

Lola: We faced Mortman before and he was a REALLY NASTY monster.

Nico: Yeah he was a butt ugly monster.

Qin: Yeah.

We head for the library, and we hid behind the shelves as we headed deep into Mr. Mortman's office, and just in time to see him feeding his spiders crickets. Suddenly, he grabbed a handful of crickets, and he was about to eat them.

Me: This is it. Lincoln, get ready.

Lincoln: Right.

Just then, Mr. Mortman began eating crickets, and that was the signal as the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which then formed a viewing window for all to see. Then, they saw it for themselves: suddenly, Mr. Mortman transformed into his monster form as his eyes turned black and bulged out of his head.

This grossed everyone who wasn't with us out.

Camie: Oh, okay, that's disgusting!

Me: Big time. This guy is one buttugly motherfucking sack of shit.

Nico: Let's get that bug eating freak.

Suddenly, the spirits of the legendary monsters of myth and folklore appeared from nowhere and they attacked Mr. Mortman with energy blasts and elemental forces, then, they converged, and they exploded as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Mr. Mortman: YOU!

Nico: That's right, us, you bug-eating bug-eyed freak!

Me: You are one UGLY Motherfucker.

Eli: Even though you aren't NEARLY as ugly as a Yautja you still are ugly.

Lincoln: We should've known that dummy had brought you back for more, but, at least, we also get another chance to kill you once

more.

Lincoln fired powerful blasts of rainbow lightning from the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head, and they electrocuted Mr. Mortman.

Lucy Dark: Nice one. Now, for me.

Lucy Dark fired blasts of blood red lightning that electrocuted Mr. Mortman.

Nico: Nice.

Me: Have you looked at yourself in the mirror lately Mortman? You are about as buttugly as a toxic waste dump!

Qin: Yeah!

Me: (Activates Mr. Nasty's ridewatch) I've seen uglier people than you come in last at the ugliest moron contest and you have an ugly face that can crack a landfill!

Nico: Nice!

Me: You want to see an ugly face? (Gets out Eustace's Mask) OOOGA BOOGA BOOGA!

Mr. Mortman screamed!

Nico: Nice one!

Ben: Poromon, after the rescue, me, Gwen, Kevin, and Julie need to have a talk with you.

Poromon: Okay.

Andros: Let's Rocket!

Emu: Henshin!

They transformed and were ready!

Me: Looking at your face Mortman makes me fucking sick to my stomach!

Mortman: Fuck you too! I HATE YOU!

His hate caused my aura to explode out with incredible force!

Me: Thanks for the power boost freak!

Poromon got out a beer bottle.

He threw it and smashed it on Mortman's head!

SMASH!

Poromon: Top this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit Mortman and ignited the beer and he bursted into flames!

I then went at Mortman and we both roared and I punched him in the face and kicked him in the stomach and I dodged his punches and then kicked him in the face and punched him in the face and kicked him in the chest and flipped him and smashed his chest open with a deadly piledriver!

I then grabbed his eye stalks and then…

SQUELCH!

I RIPPED HIS EYE STALKS CLEAR OFF HIM!

He screamed in excruciating agony!

---

As the fight was going on, Slappy and Bob were watching and Slappy looked like he was going to hurl and so was Bob.

Bob threw up on him first.

Bob Roth: (VOMITS)

Slappy: HEY! YOU IDIOT!

Slappy threw up on him in return.

Bob Roth: Aw yuck!

They threw up on each other repeatedly!

---

Nico: Honestly, the eye stalks are creepy!

Me: You look better without them anyway.

Mortman: (ROARING IN PAIN) I WILL KILL YOU!

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Lucy Dark, Mud Lana, and Mero and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Mortman, now we're going to make absolutely sure that you never ever return again!

Lincoln, Lucy Dark, Mud Lana, Mero, and I went after Mr. Mortman and we fired extremely powerful blasts of rainbow energy, black and blood red energy, light pink energy, mud brown energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mr. Mortman and they exploded with incredible power as they hit him.

Then, we attacked him with our massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Lucy Dark, Mud Lana, Mero, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Mr. Mortman insane and straight to the brink of insanity.

Lucy Dark fired waves of blood red lightning and they really electrocuted Mr. Mortman really badly.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. (ECHOING VOICE) CRIMSON LIGHTNING!

Lincoln fired waves of crimson red lightning which hit Mr. Mortman and electrocuted him badly. Then, Lincoln turned the tips of his eleven massive and long wolf tails into white wolf heads, and they went right at Mr. Mortman and they proceeded to tear him apart and devour him piece by piece. Many of us turned green in the face and barfed!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Luna: EW! PUKE FEST!

FWOMP!

Luna fainted.

Then, as soon as they were done, the wolf head tips changed back, and Lincoln banished Mr. Mortman to The Black Gates forever. Everyone cheered as Lincoln, Lucy Dark, Mud Lana, Mero, and I holstered our massive greatswords on our backs and powered down, and Lucy Dark's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent, and Mud Lana's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent, and Mero's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long light wolf tails and longer light pink mermaid tail, and massive light pink angel wings are permanent.

Nico: Damn, now that was really gruesome.

Me: Very.

Lincoln: BLECH! He tasted like garbage, raw sewage, toxic waste and bat guano!

Lincoln got out an industrial size bottle of mouthwash and poured it into eleven buckets, and Lincoln turned the tips of his eleven massive and long wolf tails into white wolf heads, and they gargled the mouthwash and spat it out, and the wolf head tips changed back.

Lola: Next time, don't eat anyone who tastes like garbage and bat guano, Linky.

Lincoln: I'll make sure of that.

Nico: Yeah!

Kevin Levin: Next time, eat someone who tastes like chicken.

Nico: Yeah.

Poromon: Yummy.

Lola: Yeah.

Me: Guys stop! You're making me queasy.

Kevin: Sorry.

Maria: But you get the idea.

Me: Yeah.

Laney: But we've seen the last of Mortman.

Nico: Yep.

Twilight came back and she had a massive stack of books.

Twilight Sparkle: Hey guys. Did I miss anything?

Me: The whole battle.

Luan: I knew you wouldn't resist the library. So I got the whole battle on film for you.

She showed it to her.

Twilight Sparkle: Whoa! That was awesome!

Nico: They're gonna need a new librarian.

Me: Yep.

Lucy Dark: Now that Mortman has been exposed.

We were hearing much of the city throw up!

Nico: Our exposure was a little too much.

Me: A little?

Nico: Okay it was A LOT too much.

Lincoln: Yeah.

Nico: But it was worth it.

Me: Yep. What books did you get Twilight?

Twilight Sparkle: Lots of good ones.

She showed us books on physics, astronomy, nature and more.

Me: Boy you are loaded.

Twilight Sparkle: Yep.

Nico: Yeah.

Twilight Sparkle: I got all the books they had in the sale.

Me: Boy you really cleaned out their entire inventory.

Twilight Sparkle: I sure did.

Nico: We'll pay for them.

Twilight Sparkle: Oh I already paid for them.

Nico: Oh then nevermind.

Me: Awesome. Now for the Anothers.

Eli: Lets see who we got. (CONCENTRATES) Whoa! They merged and she reverted back and she was a girl with orange hair, orange wings, orange eyes and had orange clothes and she had a Geonosian Symbol in the middle of her forehead.

Gallie Geonosis: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Gallie Geonosis, Keyblade Knight of Geonosis, she's my Guardian Angel from Michigan and she's also a powerful

Jedi and a powerful force of epic power. She was born and raised on the planet, Geonosis, and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Geonosis, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught him everything that she knows when it comes to using the powers of light.

Me: Wow! The Keyblade Knight of the planet Geonosis.

Eli: That's where the awesome Battle of Geonosis took place and it was awesome.

Me: Yep.

Qin: That was really awesome.

Xenia: It sure was.

Nico: Yeah.

Me: By the way since Shadow is with us I have a feeling the Another Killer Shrike is…

Gallie Geonosis: Hostile. Yeah and he REALLY HAS it for you J.D.

Me: Uh oh!

Nico: (GULPS)

Qin: Oh boy.

Eli: I recognize that symbol in the middle of your forehead. That's the emblem of the Petranaki Arena.

Gallie Geonosis: That's right.

Me: That is cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and was separated from the Anothers.

Nico: This is gonna be good!

They fired waves of energy and elements and blasted the Anothers all over.

Qin: Yeah!

Maria: Better call for backup. (TURNS DIAL) THUNDER DEMON 6!

She summoned Tchang Zu, Queen Jellyfish, Grem, Edgar the Bug, Caleb Quinn and Atomic Flounder!

Nico: Oh yeah!

Grem: This will be fun.

Nico: Show yourself! I know you're here!

Out came ANOTHER KILLER SHRIKE!

Me: Another Killer Shrike.

Another Killer Shrike: I HATE YOU MORE THAN ANYTHING J.D.! YOU SENT ME TO PRISON AFTER YOU HELPED MY DAUGHTER EXPOSE MY OPERATION ON SOCIAL MEDIA!

Me: (GASP) (GROWLS)

My aura flared up with explosive force.

Me: Brad Davis! I should have known!

He reverted back and was a mad that was dressed in a red prison jumpsuit and he had black hair and his eyes were BURNING WITH INTENSE RAGE!

Me: I vowed that if I ever saw your face again that I would kill you in the most excruciatingly painful and brutal manner and burn you alive while you were bleeding to death!

Brad Davis: YOU WILL DIE FIRST!

Nico: Who is this?

Me: His name is Brad Davis. He is the former biological father of my friend Hayley Davis, she is the gene-slammer of Shinobird Monsters. This guy hated his own daughter with a vengeance. He was physically and VERBALLY abusive to her and he would do all kinds of HORRIBLE things to her.

EVERYONE GROWLED AT THAT!

Me: She came to school with a nasty black eye and I went with her to her house. When we found out what he was doing which was shady illegal smuggling of animals we posted it all over social media and then the police came and as he was about to be arrested HE DID SOMETHING SO HORRIBLE THAT IT WAS BEYOND IMAGINATION!

Eli: What did he do?

Me: He disowned his daughter for no reason and then held her down, raped her, sodomized her, and then shot her leg full of bullets! I punched him off and then the SWAT team came and shot his leg full of holes and they arrested him. And I vowed that if I ever saw him again that I would rip him to shreds and then rip his throat open and then burn him alive while he is still bleeding to death!

When it was done EVERYONE WAS HORRIFIED AND ENRAGED AT HIM!

Brad Davis: THAT MOTHERFUCKING WHORE HAD IT COMING! I WILL KILL HER IF I SEE HER AND FINISH WHAT I STARTED!

POW!

I punched him square in the face and stabbed him right in his arm with a dagger!

Me: You want to get to her, you got to go through me!

I THEN PUNCHED HIM IN HIS FACE REPEATEDLY!

---

I was punching him all over till I knocked out all of his teeth and broke his nose.

Nico pulled me off.

Nico: J.D. save some for all of us.

Me: Oh sorry.

Kaito: (gets out Jetman gear) Normally, we'd ask you what Swartz promised you.

Zocks: (gets out Zyuranger gear) But I think said promise is obvious.

Me: And that is revenge on me.

Brad spit out blood.

Brad Davis: THAT'S RIGHT AND AFTER I'M DONE WITH YOU I'M GOING TO KILL EVERYONE YOU LOVE J.D. AND THEN KILL THIS ENTIRE PLANET! THIS ENTIRE PLANET CAN GO TO FUCKING HELL!

Me: You're fucking insane!

Kaito got a Jet Sword and Zocks got a Mighty Morphin sword!

Tchang Zu: THIS GUY REALLY MAKES ME SICK!

Xenia: YEAH!

Me: When you threaten everyone I love, YOU JUST SIGNED YOUR OWN FUCKING DEATH WARRANT!

Sougo: (gets out Jetman Ridewatch) We need to find Hayley Davis after this.

Geiz: (gets out Mighty Morphin Ridewatch) She needs to know about this!

Sougo got RedHawkArmor while Geiz got TyrannoMightyMorphinArmor.

Me: Here's a picture of her.

Ben took the picture and it was a girl with blue hair and blue eyes and had blue clothes and blue angel wings and she had the symbol of the Shinobird on her forehead.

Ben: I'll find her. (TURNS INTO XLR8) XLR8!

ZOOM!

He went to find her.

Nico: I have a feeling I know what he is going to do.

Me: Yep. And I know just how she can deliver the perfect payback.

Nico: (gets out Killer Shrike's Ridewatch) You're a bad father!

Me: And I'm going to make you suffer!

Nico: People like you make me sick! (ACTIVATES KILLER SHRIKE AND LANHUA'S RIDEWATCHES)

He fired waves of energy and blasted him all over.

May: YOU MAKE ALL US PARENTS LOOK BAD! (ACTIVATES YOST GRAVITON AND UNIVERSE 666 MEAN TWILIGHT SPARKLE'S RIDEWATCHES)

She fired waves of energy and blasted him.

Maria: YOU ARE A REALLY HORRIBLE MONSTER! (ACTIVATES GRIM REAPER UNVERSED AND EVIL TUXEDO MASK'S RIDEWATCHES)

She fired a blast of energy and smashed him all over!

Haruka: And this too! (ACTIVATES LANHUA'S RIDEWATCH)

She fired an energy blast and smashed him down.

Then Beetle, Katz, Evan & Myles, Yodo, LeFou and Hellhound came.

Nico: Nice team Beetle!

Beetle: Thanks Nico!

ZOOM!

XLR8 came back with Hayley Davis!

Me: Hayley!

Hayley Davis: Hey J.D.! (GASP) (GROWLS)

She then pulled out a knife and then went over to her so-called father.

Nico: Uh oh.

Lola: I don't like that look on her face.

Killer Shrike: Wait. I remember you now! You were one of the guys I rejected for being a bank robber alongside me because you were a loose cannon!

Me: Really!? WHOA!

Nico: That is crazy!

She then got on him and then growled in explosive rage! THEN SHE DID THE UNTHINKABLE! SHE STABBED HIM RIGHT IN HIS CHEST!

SHE SCREAMED IN SO MUCH RAGE AND FURY AND WAS STABBING HIM REPEATEDLY!

SHE STABBED HIM NUMEROUS TIMES OVER AND OVER AGAIN!

Hayley Davis: (ENRAGED) I HATE YOU! I HATE YOU! I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU! I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU! I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU!

SHE STABBED HIM WITH SO MUCH RAGE AND FURY THAT SHE WAS TEARING HIM APART AND RIPPING HIM TO SHREDS!

Nico: It's like an understandable version of Crocker's freakout.

Me: Nico!

Nico: What it is.

She then disemboweled him and ripped out his intestines and then slashed is throat and decapitated him and then gouged his eyes out and ripped his tongue out and then ripped his brain out and then slashed his manhood off and then ripped out all of his organs! Then she slashed his arms and legs off!

Eli: OH MAN! THAT IS BRUTAL!

Qin: BOY SHE IS REALLY OVERFLOWING WITH SO MUCH HATE OVER HIM!

Nico: Save some for the Gene Slammer!

Me: Nico I don't think there's anything left for that!

Hayley Davis: I HATE YOU!

I went and stopped her!

Me: HAYLEY STOP!

I grabbed her.

Me: Hayley stop!

She was literally SATURATED IN BLOOD and she was dripping wet with it.

Me: Hayley he's dead!

I got the ridewatch and purified it.

?: Oh man! WHAT A BLOODY SIGHT!

We saw Napalm Man.

Nico: Napalm Man! Whoa.

Hayley looked at what she did and then she saw herself covered in blood and then she broke down crying and I comforted her.

Me: Hayley.

Napalm Man: (In a girls voice) Wow she really had it out for him.

Nico: Nina Pyrus Napalm. Wow.

Nina Pyrus Napalm: Awesome to see you again.

Nico: Same here.

I brought Hayley over and she was a mess.

Nico: WHOA! She is literally covered in blood.

Lola: No kidding.

Maria: Lets get her cleaned up.

Maria went and cleaned her up.

Nina Pyrus Napalm: Let me get rid of those leftover thugs from Flip.

I fired a wave of fire and incinerated the mutilated body of Brad and banished his spirit to the black gates.

Nina fired waves of napalm missiles and blasted them in fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOMMMMMMM!

They screamed in pain as they were incinerated.

Nico: Geez.

Hayley then hugged me and cried hard and her screaming wailing and crying really was full of pain.

Nico: Poor Hayley.

Nina Pyrus Napalm: Poor girl. She really had ALL THAT HATE in her.

Camie: Yeah.

Me: It's over Hayley. It's over. He's gone for good.

Nico: Oh man.

Nina Pyrus Napalm: I can't believe he would do this to his own daughter.

Lola: Yeah.

Qin: Yeah.

Sheila: I can't believe the kind of monster that man was.

Nico: Me neither.

Hayley Davis: (WAILING) I'M SORRY GUYS! I'M SORRY!

Me: Hayley it's okay. You never have to see that monster again.

Nico: Poor girl.

Nina Pyrus Napalm: I'm naked, FYI.

Me: I had a feeling.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Nina Pyrus Napalm: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and fired a bomb and we ducked and it hit a tree and exploded into flames.

Nico: WHOA!

She was back to normal and was a girl with purple hair, orange eyes and fire angel wings and she had a symbol in the shape of a fire explosion in the middle of her forehead.

Nina Pyrus Napalm: (GROANS) Oh man that hurt. Oh man sorry about the tree. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome purple clothes and she had a purple barette in the shape of the kanji for Explosion.

Nina Pyrus Napalm: Wow I look awesome.

Nico: You sure do.

May: Ha! I didn't get hit! Yay me!

But then…

SMASH!

The tree fell over and smashed onto her.

May: Ow.

May got up and she was fine.

May: I'm still okay!

Nico: Funny.

Haruka: What's your favorite memory of Nico?

Nina Pyrus Napalm: When me and Nico went and destroyed an entire cult of terrorists and I blew them all up with napalm and fireballs.

Nico: Yep.

Eli: Cool!

Xenia: Awesome.

Nico: Yep.

Nico and Nina hugged.

Nico: I've missed you.

Nina Pyrus Napalm: Same here Nico.

We went back home and I comforted Hayley and she got better thanks to me and the Three Stooges.

Nico: This won't be easy though, I just know this demon warrior that Sebastian left there years ago is really powerful.

Just then, Buster Bunny and the others arrived.

Buster Bunny: He sure is. If we had the Mascots here, we'd get Sebastian to tell us how to destroy it.

Sebastian Mendez: And they're not here, and you won't be able to get the answers out of me that easily, not even if you were to drop an anvil or a piano on my head!

Sebastian Mendez: Okay, okay, you have to use The Lord's Prayer to do so!

We headed for the grounds where Montana Max's former mansion stood, and there we saw it: the portal that led to The Hell for Infinite Losers.

Lincoln: There it is. Now, where's The Demonic Beast that's supposed to be guarding the portal?

Suddenly, we heard a massive roar and we saw it: it was a massive and extremely muscular 12'5" tall hulking bull demon and it was charging right at us.

Then, Lincoln said The Lord's Prayer in Latin, and the massive 7'6" wide, double-edged golden blade of his massive greatsword was enveloped in holy light, and he fired a massive beam of holy light that not only destroyed the demonic guardian and sent it to The Black Gates, but it also hit and it sealed The Portal to The Hell for Infinite Losers forever. We cheered as we holstered our weapons and power down.

Lincoln: We did it, we finally sealed the portal to The Hell for Infinite Losers, but we still got the rest of The Z-Fighters' old foes to deal with, so Sebastian's mess from those years ago still hasn't been cleaned up, but we'll continue to do so. (To the Ramenangel Sisters) And it's so good to see you and your sisters again, Ai-Ai.

Ai-Ai Ramenangel: You too, Lincoln.

Bianca Ramenangel: It's been seven years since we last met.

Lincoln went up to The Ramenangel Sisters and he hugged them, and The Ramenangel Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you eight since you were seventeen, and as you can see, I really grew a lot since then.

Cora Ramenangel: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Dora Ramenangel: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Emily Ramenangel: You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, these girls are Ai-Ai Ramenangel, Gene-Slammer of Predaking, Bianca Ramenangel, Gene-Slammer of Sky-Byte, Cora Ramenangel, Gene-Slammer of Skylynx, Dora Ramenangel, Gene-Slammer of Darksteel, Emily Ramenangel, Gene-Slammer of Terrorsaur, Farah Ramenangel, Gene-Slammer of Tarantulas, Gwen Ramenangel, Gene-Slammer of Scorponok, and Hilary Ramenangel, Gene-Slammer of Quickstrike, The Ramenangel Sisters: these eight girls are Lincoln's Guardian Angels from China and classmates in Cooking, and they're also masters of making ramen and they've made various ramen dishes and they're the sisters of Min Min. They and Lincoln even helped Teuchi expand Ramen Ichiraku to throughout the world and they're always keeping an eye on all the stores in case of troublemakers especially the jerks.

Michelle Emperyous: And they're easy to point out: Ai-Ai has red hair, Bianca has blue hair, Cora has yellow hair, Dora has orange hair, Emily has green hair, Farah has purple hair, Gwen has indigo hair and Hilary has pink hair with each sister wear matching skirt and shirt matched by their hair color. Lincoln made the Ramenangel Sisters and Min Min beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and they hate Bubble Bass and Lewis Travolta with a blazing passion, the reason why? It's because they tried to scam all the Ramen Ichiraku restaurants of their food, but Lincoln, Min Min, and the Ramenangel Sisters saw right through their trick and beat the living crap out of them.

Nico: Should've known those fat tubs of lard were behind this.

Hilary Ramenangel: We hated those two gluttons with a passion, and we even have a story on how we helped Buster Bunny and his friends defend the Ramen Ichiraku restaurant that was set up in Acme Acres and all of Acme Acres from yet another one of Sebastian's blood-crazed murderous and deranged rampages.

Me: This we got to hear.

Nico: Same here.

Suddenly, Buster Bunny and his friends surrounded Sebastian and they had mallets and other toon weapons with them.

Me: Whoa, what's with the sudden hostility?

Plucky Duck: It's a habit, we've had to deal with that dirty, lowdown, mangy, blood-crazed madman for years.

Buster Bunny: And it wasn't funny.

Lincoln: We know it wasn't, and we've had to put up with his violent tendencies, even though he was freed of his Dark Side for good, and now that you girls are here.

Lincoln went up to each of The Ramenangel Sisters and he hugged them in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ai-Ai Ramenangel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, eight Elemental Thunderbird Necklace of Eternal Love appeared on The Ramenangel Sisters' necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with eight white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Bianca Ramenangel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ramenangel Sisters.

The Ramenangel Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Asaka Miwa, Sara Mariya, Ayako Saibara, Shizuka Yaginuma, Emi Nomura, Mana Oguri, Megumi Ooyama, Nao Yaginuma, and Ryou Kanou from Binkan Athlete.

Lincoln: Oh wow, it's Asaka Miwa, Sara Mariya, Ayako Saibara, Shizuka Yaginuma, Emi Nomura, Mana Oguri, Megumi Ooyama, Nao Yaginuma, and Ryou Kanou from Binkan Athlete.

Nicole: Whoa, you just rescued a group of athletic and beautiful girls from that demonic guardian that Sebastian left all those years ago.

Lincoln: There was no way I was going to let that remnant of Sebastian's past hurt them. Are you girls okay?

Asaka Miwa: Yes, we're okay thanks to you.

Then, when Asaka Miwa and the other eight girls saw who it was that saved them from the demonic Guardian Sebastian left to guard the portal years ago, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Asaka Miwa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asaka Miwa, Sara Mariya, Ayako Saibara, Shizuka Yaginuma, Emi Nomura, Mana Oguri, Megumi Ooyama, Nao Yaginuma, and Ryou Kanou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was the gigantic and very dangerous bull demon warrior Sebastian had left behind years ago to guard the portal to The Hell For Infinite Losers and keep Buster Bunny and his friends and anyone else from it

But, when Lincoln showed what we did in thrashing that demon and Lincoln using The Lord's Prayer and firing a beam of holy light that not only destroyed the demon, but also closed The Portal to The Hell for Infinite Losers forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and The Ramenangel Sisters have a lot of catching up to do now that they're back in town.

Maria: Whoa, so you guys closed The Portal to The Hell for Infinite Losers forever?

Lincoln: And destroyed the demonic guardian Sebastian left to guard it all those years ago.

Me: We nipped the very problem that plagued us all those years ago.

Nico: And we closed the portal for good. Now, we still got the rest of Sebastian's mess to clean up from those years ago as well, but like Lincoln said, we're ready for whatever nasty surprises that were left behind in his wake.

---

After closing the portal to The Hell for Infinite Losers and destroying the demonic guardian there, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Ramenangel Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Ai-Ai Ramenangel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bianca Ramenangel: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Cora Ramenangel: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Emily Ramenangel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Farah Ramenangel: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, mind showing us that video of what you all did in defending the Ramen Ichiraku in Acme Acres and all of Acme Acres from Sebastian years ago?

Emily Ramenangel: You got it.

The Ramenangel Sisters put up the video, and it showed The Ramenangel Sisters at Acme Acres and the Ramen Ichiraku restaurant at Acme Acres, and it was really packed.

Past Lincoln: Whoa, business here really is booming!

Past Ai-Ai Ramenangel: You said it.

Suddenly, the alarm sounded.

Past Bianca Ramenangel: What the heck was that?! That better not be those gluttonous morons or any of your old enemies, Linky, or even worse, that control freak Alpha Bitch, that belching farting overly aggressive four-legged monstrosity, that rampaging pageant demon, that heartless scientist, or that homicidal deranged joker?

Past Buster Bunny: (GASPS) It's not! Toons, he's back!

Past Babs Bunny: (GASPS) Him, as in Sebastian Mendez?! Him HIM?!

Past Plucky Duck: And he's also got The Z-Fighters' old enemies with him!

They saw it: Sebastian Mendez was heading right for the Ramen Ichiraku Restaurant where Buster and his friends are and with him are The Z-Fighters' old enemies, and he was out once again to cause destruction and death.

Past Cora Ramenangel: Stay here, Linky, we'll take care of that lunatic.

The Ramenangel Sisters and Buster and his friends came out of the restaurant and marched towards that blood-crazed madman and his villainous cohorts!

Past Buster Bunny: This just doesn't stop with you, does it?! How many times do we have to kick your deranged hide into the dirt?!

Past Sebastian Mendez: DIIIIIIIIIEEEEEEEEEEEE! (LAUGHING LIKE AN NTH-DEGREE FUCKED-UP MADMAN)

Sebastian summoned demonic energy blasts to attack them, but the Ramenangel Sisters and Buster and his friends dodged the attacks, and then, The Ramenangel Sisters fired blasts of energy that broke the spell over Frieza and he attempted to kill Sebastian again.

Past Sebastian Mendez: (ENRAGED DEMONIC SCREAMING) YOU DARE TO TURN YOUR BACK ON ME?! YOU PATHETIC LITTLE WORM, I'LL TEAR YOU TO SHREDS!

Sebastian ran at Frieza who attempted to blast him again, but Sebastian slashed off Frieza's arms and legs along with his tail and spilled his blood. Then, Sebastian menacingly walked to Frieza and then, he stomped on Frieza's chest hard and crushed his chest and heart as the tyrant's blood had spilled all over him. Then, in a maniacal and deranged fury, he killed all of The Z-Fighters' foes: his resurrected minions and he left behind a massive pile of the dead Z-Fighters' foes and a massive pool of blood and Sebastian was covered head to toe in blood and laughing like an infinite Nth Degree Fucked Up madman. Then, The Ramenangel Sisters fired beams of colored energy which hit that deranged madman, and he screamed in agonizing pain as he fell to the ground in a pool of his own blood.

Past Hampton Pig: Is it over?

Past Buster Bunny: No, it's not.

Suddenly, Sebastian rose from the ground, brought back by The Curse of Devil's Point, and he swore revenge against them as he disappeared in a tornado of red and black darkness laughing like the Nth-Degree Fucked-Up madman he was as the video ended.

Nico: Jeez, you weren't kidding about what you girls had to go through.

Lincoln: Yeah, this was the 900,000,000th time that he attacked Acme Acres.

Buster Bunny: We were almost that close to getting The Z-Fighters to take care of that lunatic again, but The Ramenangel Sisters really trashed him and his minions!

Ai-Ai Ramenangel: We sure did, and because of that stunt of his, Sebastian wound up on the top list of Public Enemies of The Guardian Angels of Lincoln Loud: A CLASS S DERANGED HOMICIDAL EVIL NTH-DEGREE FUCKED UP BLOOD-CRAZED MADMAN OUT TO DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND!

Nico: (GASPS) Oh, you really did it that time, Sebastian!

Me: Yeah, you went way too far and you wound up on the list of Public Enemies of Lincoln's Guardian Angels years ago, and they wouldn't stop until you were destroyed.

Sebastian Mendez: I've cheated death too many times to count, and I wasn't going to die that day nor ever.

We got a shower afterwards, and then, Lincoln, Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ranko Saotome: Wow, so, this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Ranko, and it's perfect for our first date. Shall we?

Lincoln, Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo and they hugged the girls in their abnormally massive and powerful muscular arms, and Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Ranko Saotome, Simulator Akane Tendo, Simulator Nabiki Tendo, Simulator Ukyo Kuonji, and Simulator Shampoo, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their

stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

---

Poromon entered the living room to see all of us there.

Kevin Levin: Poromon, sit down.

Me: Now that Hayley is all better we can have our little talk.

Poromon: (gesturing to Gwen Tennyson) She's in my spot. Don't look at me like that, everybody knows that my spot.

Me: Just sit in her lap.

He did so.

Gwen Tennyson: Poromon, you know that we care about you.

Poromon: Yeah.

Spyro: And it's because we care about you that we've decided we have to speak up.

Gwen Tennyson: You're hurting the people around you, sweetie.

Me: And it's not helping that you are becoming a backseat driver.

Kevin Levin: So we made you an appointment, and we want you to keep it. (gives him handbook)

Poromon: Department of motor vehicles new driver handbook? But I don't have a problem.

Me: It's not that kind of a problem.

Kevin Levin: Poromon, you need to learn how to drive.

Me: Yeah we're trying to get you your own car.

Spyro: This madness has to stop.

Kevin Levin: The others are taking you to the DMV, I'm going to work on my own car.

Sunset Shimmer: It's going to be fun Poromon. You will love driving.

Gingka: Ellie, I'll never regret meeting you.

Ellie Singh: Me neither Gingka.

Me: That was so fun for us.

We went to the DMV.

Poromon: I just don't see why I need a driver's license, Gatomon doesn't have a driver's license.

Julie Yamamoto: Yeah, but Gatomon didn't make me wet myself at 40 miles an hour.

Me: Okay that part we didn't need to hear Julie.

Julie Yamamoto: Sorry.

Ben: Yeah, and I never wanted to kick Gatomon in the nuts.

Gatomon: Not that I don't have them.

Me: Didn't need to hear that either.

Gatomon: Sorry.

Poromon: Okay I get the idea.

Gingka: Remember when we first met?

Ellie: I sure do. That was so awesome.

Me: It sure was.

We got to the DMV and Poromon filled out his form.

DMV Lady: Application?

Poromon: Here you go.

DMV Lady: Take this to the testing area, put your name at the top, sign the bottom, answer the questions, bring it back, next!

Poromon: Excuse me, but I have some concerns about these questions.

DMV Lady: Look at that sign up there.

Poromon: Yes?

DMV Lady: Does it say I give a damn?

Poromon: No.

DMV Lady: That's because I don't.

Poromon: Just, look, see, this first question makes no sense, how many car lengths should you leave in front of you when driving? There's no possible way to answer that, a car length is not a standardized unit of measure.

DMV Lady: Look at the sign.

Ben: Poromon, it's C, just put down C.

Poromon: I don't need your help, Ben.

DMV Lady: Listen to that little boy, honey, put C. Next!

Poromon: No, no, wait, no, hang on, look at this next question.

Julie: Poromon, why are you arguing with the DMV?

Poromon: How else are they going to learn? Look, question 2, when are roadways most slippery? Now, okay, there are three answers, none of which are correct. The correct answer is, when covered by a film of liquid sufficient to reduce the coefficient of static friction between the tire and the road to essentially zero, but not so deep as to introduce a new source of friction.

Me: Poromon that's enough.

Laney: That lady reminds me of Patty and Selma.

Marge: Yeah and they hated their job.

Later we were introduced Poromon to Mrs. Velma Louise and she is a driving instructor that will help Poromon. Poromon was in his human form.

We got Poromon registered and then all hell broke loose! HE WAS ACTING LIKE SPONGEBOB WAS WHEN HE WAS FAILING HIS

SCHOOL TESTS!

Mrs. Louise is panicking while Poromon is in his driving test again and destroying stuff.

Poromon: Don't worry, Mrs. Louise! This is the one! This is the one! Come on, Poromon! Think! Think! Uhh… [destroys the lighthouse] Turn that way! Turn that way! No, turn that way! Right! Left! Oh no! No! [destroys the school building] Come on, don't ever do that! Come on! [a nuclear explosion is heard and a mushroom cloud appears] No! I'm ready! I can do this, Mrs. Louise! I can do it! I can do it!

Mrs. Louise: The driving test is over, Poromon. Stop the boat!

Poromon: Wait, I can do this, Mrs. Louise! I can do this!

Mrs. Louise: [Poromon and Mrs. Louise are driving fast on and off the road of the track] The road, Poromon, get back on the road!

Poromon: [while struggling to get back on the road] Gotta pass the test! Gotta pass! [Mrs. Louise is screaming as the boat goes through a cart of watermelons and crashed it]

SPLAT SPLAT SPLAT SPLATSPLATSPLAT!

Sandals: Hey, what do you got against the melons?

Draco: Maybe this isn't worth it.

Me: BOY THAT IS CRAZY!

Lily: No kidding!

SpongeBob: Boy Poromon is as destructive as I was when I was in Boating School!

Mrs. Puff: Boy how can I ever forget that SpongeBob?

Me: I hope Poromon doesn't fail the driving test as many times as SpongeBob did before he got his license.

Nico: No kidding!

Qin: I think Poromon is just getting used to it.

Me: Yeah. Mrs. Puff I heard from SpongeBob that he landed you in prison a lot right?

Mrs. Puff: He sure did and it was over 3,212 days in prison.

Me: That's the equivalent of…

Lisa Loud: 8.8 years of incarceration.

Me: Geez!

Taro: What exactly is the difference between the Beyblades of your team and Tyson's team?

Gingka: Ours have metal around them and it makes them much stronger and powerful.

Tyson: We don't have that kind of technology for ours.

Taro: Oh! That's completely different.

Me: Huge difference but that is cool.

Tyson: It sure is

Me: Yeah.

Mrs. Puff: Boy SpongeBob has failed my class more times than Leni or Poromon has.

Me: How many times did SpongeBob fail?

Mrs. Puff: Over 11,214,532 times.

CLANG!

My jaw dropped and Eli put it back.

Me: Boy that is preposterous!

Nico: No kidding!

Lily: When I started working at the Krusty Krab it was less than that. It was over 1,000,000 times.

Nico: Wow!

Me: This is probably going to take a while.

---

French Narrator: (French Accent) Several failed attempts later

---

Ransack: So how many tries has this been now?

Me: 3,213.

Nico: GEEZ! It's a miracle her sanity is intact.

Mrs. Puff: She's stronger willed than I was when I had SpongeBob.

Nico: Wow.

Mrs. Louise: You pass Poromon! Well done!

Poromon: WHEW! I finally got the hang of it!

Poromon came back with his license!

Me: YEAH!

Nico: You did great!

Rollbar: Now you can stop bugging us to drive you.

Qin: Yeah!

Poromon: Yep.

Me: We have plenty of cars for you to use too.

Camie: Yep.

Shego: Nico, who gets to shine today?

Nico: Qin, Lucy Loud, Brittney, Haiku, Nokama, and Cassidy.

Qin: Yeah! Wait that means… (GASP)

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Lord High Executioner from A Night In Terror Tower, and he's returned to cause havoc once again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Lord High Executioner from A Night In Terror Tower, and he's returned to cause havoc once again.

We gasped.

Lincoln: Oh god I hate it when I'm right!

Qin: HE'S WHAT?!

Nico: Oh shit!

Me: Not good!

Eli: Uh oh!

May: Oh no, I thought I wouldn't have to see that side of Qin again! Whenever she hears about The Lord High Executioner, she's gonna go ballistic!

Lola: Big time! That monster scared the living dickens out of Qin

Nico: Same here. Oh no, of all the worst Goosebumps monsters Slappy's had to bring back, this one is one villain that's bound to set Qin off in the worst way imaginable. Someone, restrain her!

The Noble Knight Gene-Slammers restrained Qin with light energy chains.

Lincoln: Nice one, Melanie.

Nico: That'll hold her, and then, when we face The Lord High Executioner, we set her loose on him. Okay, gang, let's go find Eddie and Sue Morgan and tell them of the situation.

Lincoln: Right.

I went and got the book for A Night in Terror Tower.

Me: Like Nico has Slappy, Qin has this one.

Poromon: Qin, are you proud of me for getting my license?

Qin: I sure am Poromon.

Ellie: We all are.

Nico: You're the first mascot to get one.

Me: And not the last.

Lana came back and she had an arrow with a note tied to it in her hand.

Lana: I got back from playing in the mud and then this landed by me.

Nico took the arrow and revealed the note.

Poromon: What does it say?

Nico: (GASP) OH MAN! Lord High Executioner kidnapped Qin's parents!

WE GASPED!

Qin: THAT MONSTER!

But then Shadow Noir appeared out of a dark portal and she had Qin's parents.

Shadow Noir: I found them tied up at the mall. I replaced them with dummy lookalikes.

Qin: Mom and dad!

She hugged them.

Poromon: I could've saved them myself by driving there!

Kevin Levin: Great, he gets one driver's license, and suddenly, he gets a swollen head.

Me: Yeah.

Nico: Poromon that's enough. This is serious.

Qin: Now it's personal! NO ONE KIDNAPS MY PARENTS!

The previous group came!

Living Laser: Can me, Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Blizzard, Oculous, Koragg, and Trap Jaw go with you guys?

Poromon: I'm driving us there!

Nico: Poromon stop.

Poromon: Sorry.

Nico: And yes you all can come.

Electro: Lord High Executioner again?

Me: Yep. They kidnapped Qin's parents and Shadow here saved them.

Shadow Noir: They were being held at the mall.

Nico: Yeah. Qin has a score to settle with him.

Tso Lan: Nico, which Gene Slammer do you think you'll meet next.

Nico: Gravity Man next.

Laney: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Desak the God-Slayer, and he's come to avenge Gorr the God-Slayer and destroy the Gods once again. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the person we just saw and the dark energy signal we sensed belongs to Desak the God-Slayer, and he's come to avenge Gorr the God-Slayer and destroy the Gods once again.

We gasped.

Me: Oh shit, not this monster.

Nico: He's just as bad as Gorr the God-Slayer.

Lincoln: There's no way I'm going to let Desak The God-Slayer get away with this, he's going to meet the same end as Gorr.

Ophelia Ouroboros: You said it, he's going to meet the same end as Gorr: violent and bloody.

Nico: You said it. Alright, gang, let's go, we've got to find Eddie and Sue Morgan and tell them of the situation and kill The Lord High Executioner.

Lincoln: And when they hear that Slappy brought him back, it's not going to end well, and once we get done with him, you're next, Desak.

Ophelia Ouroboros: There's absolutely no way we're going to let you live any longer, Desak, you're just as much a blasphemous heretic as Gorr, and like all blasphemous heretics and enemies of the Gods, you will die a bloody and violent death!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Eddie and Sue Morgan kill The Lord High Executioner and tell them of Slappy's part in bringing him back from the dead, and once we get done with killing The Lord High Executioner, Ophelia Ouroboros and Lincoln are going to destroy Desak the God-Slayer.

We were off to the mall.

---

We were flying to the mall.

Deadwood: Wait. Is Poromon really driving a car down there?!

He was driving a Pink Smartcar.

Me: He sure is.

Qin: Nice.

Nico: I let him have a Pink Smartcar.

Lola: Cute.

Nico: At least he's being careful.

Cozy Glow: That's right. Poromon has a license now

Nico: Yep.

We arrived at the mall.

Moonstone: Eddie? Sue? Where are you guys?!

Sue Morgan: Guys!

We saw them hiding in the bushes.

Sue Morgan: He's in there.

Qin: He still wants to kill you no doubt.

Eddie Morgan: Yeah.

Qin: I've had it with this monster. It's time for me to settle the score with him.

Babs Seed: First, we need a plan. To do that, we need a place to plan things out

Nico: Right.

We hid in a small hideout made by the bushes around the mall.

Me: This should be good to think.

Blizzard: This is actually very creative.

Me: It was here when we got here.

Blizzard: Oh.

Qin: Every second we waste is where the Lord High Executioner is going to kill someone.

Shadow Noir: I got everyone out of there too.

Me: Good.

Eustace: And I'm a bucket of sardines.

Strut: Sorry we haven't talked to you guys in a while.

Sue Morgan: We know how busy you all are.

Lola: I still talk to them every now and then.

Eddie Morgan: It's true.

Nico: Great.

Sue Morgan: Slappy hired Lord High executioner with the promise to kill me and Eddie.

Koragg: I would like to see him handle the might of my sword.

Qin: Don't forget I get first crack at him!

Me: We won't.

Lola: Besides this is Qin's score to settle. She is going to make sure he pays.

Xenia: Yeah.

Sue: Wait. Is that a car?

Nadira: That would be Poromon's car.

Qin: Yep.

Me: Poromon got his license.

Qin: Yep. He sure did.

Eddie: Wait. Did he fill out all the questions?

Trap Jaw: He did.

Lucy Loud: It's not the questions that were challenging.

Me: Yes he did.

Qin: Besides he earned this car. Also he won't be a backseat driver to anyone again.

Stone Man: He got it after so many tries.

Me: 3,213.

Qin: Yep.

Lola: Yeah.

Camie: It was funny.

Laney: It sure was.

Eddie: Now, we just hope he doesn't get into an accident.

Oculous: If he does, it'll probably involve airbags and the police.

Brittney: What's the worst that can happen?

Me: Brittney don't say that.

Nico: Yeah.

Sue: Maybe he can use that car to ram the Executioner.

Kumiko: That's tempting.

Qin: No not when Poromon just got that car.

Nico: Yeah. Either way we got to stop this monster.

Haiku: Okay. That option's out.

Mysterio: Which Heartless Robots can I use here?

Yusei: How about Blizzard and Volcano Lord.

Lola: Awesome.

Mysterio: Great.

Eddie: There's also one more thing you guys should know.

Brawlrus: What's that?

Sue: The Executioner. He has one more captive. Morgred.

Me: The King's sorcerer? The man that sent you two to this time period?

Sue: Yep.

Shadow Noir: I'll get him out of there.

She vanished into the darkness.

Hydro Man: He won't have him for long!

Nokama: Now, it's REALLY personal!

Qin: Darn tootin!

Qin went for the mall entrance.

Me: So much for the plan.

Apeface: Entrance time!… WITHOUT the car, Poromon!

Poromon: Okay okay.

We went at the mall.

Lord High Executioner laughed malevolently.

But then the spirits of dragons appeared and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we landed.

Qin: You will never torment me again!

Electro: Yo, Shadow! Did you get Morgred out?!

Cassidy: Please say yes!

Shadow came back with him.

Shadow Noir: Yes I did.

Nico: Good.

Qin then went SUPER ANGEL-UNDERGROUND GIRL-SCALEBREATH-KOMODO DRAGON-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA CHINESE FIRE INFERNO STARSTORM UNDERGROUND GIRL KOMODO DRAGON ANGEL OF DIVINE CHINESE FIRE INFERNO STARSTORM UNDERGROUND GIRL KOMODO DRAGON ANGEL JUSTICE AND DIVINE CHINESE FIRE INFERNO STARSTORM UNDERGROUND GIRL KOMODO DRAGON ANGEL COMPASSION!

Qin: (Divine Echoing Godly Voice of The Star Fire Underground Komodo Dragon Phoenix Angel and Divine Cosmic Star Cosmic Fire Underground Komodo Dragon Phoenix Angel Compassion) You make me sick Executioner! Ever since I joined the team you have done nothing but plagued me with fear and torment! NOW it's your turn to be afraid because I am never going to be afraid of you anymore! And when you kidnapped my parents you crossed the line! (FLARES UP POWER WITH INCREDIBLE AND EXPLOSIVE FURY) I WILL NEVER LET YOU KILL SUE AND EDDIE AND HURT ANYONE ELSE EVER AGAIN! (ROARS IN EXPLOSIVE AND INTENSE FURY!)

She was going to make sure that Lord High Executioner paid the ultimate price for everything he did times ∞!

Nico: UH OH!

Qin went at him and kicked him in his face and punched him in the stomach and punched him in his face and kicked him in his head and then she punched him brutally and smashed his face and chest in!

Lucy, Brittney and Haiku blasted him with darkness blasts.

Nokama and Cassidy blasted him with water blasts.

Nico: Take that!

Qin and Lord High Executioner then got into a powerful and ferocious swordfight!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

SLASH SLASH SLASH SLASH SLASH!

Sparks flew everywhere as they clashed all over and massive walls of fire formed all over.

Nico: WHOA! Look at them go!

Xenia: WOW!

Me: Incredible!

She slashed him all over the place.

Sword Man: He's not the only one that can use swords!

Sword Man slashed Lord High Executioner all over!

Qin slashed him all over and kicked Lord High Executioner in his face.

Poromon began drinking a beer bottle.

Poromon stopped.

Poromon: I'll drink this back home.

He threw the bottle and smashed it on Lord High Executioner's head.

SMASH!

Poromon: Take this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit Lord High Executioner and ignited the beer and lit him on fire.

Qin groaned as her hair fell out.

She turned into SCALEBREATH!

She roared and fired a blast of fire and burned him.

Scalebreath: (ROARS)

Chris Taylor: Captain America, D Smash!

He summoned Disk Wars Captain America!

Chris and Cap bashed and smashed Lord High Executioner!

Disk Wars Captain America: No one messes with Chris's girlfriend and lives!

Qin: Yeah!

Horsea hopped over to the Executioner.

She fired ink blasts into his eyes.

Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Zexion, Number 7, Scorpion, Johnny 13, and Kitty then appeared.

Nico: Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, Zexion, Number 7, Scorpion, Johnny 13, and Kitty.

Vypra: Qin's really showing no mercy.

Me: Oh yeah. She sure is

Dai Gui: She even turned into Scalebreath!

Aqueduct: Now he's really in trouble.

Me: That is an understatement.

Evil Seed: (to Nico) We heard you fought Mortman.

Nico: Yep.

Mirror Master: Did you get his books?

Twilight Sparkle: We sure did.

Choushinseiki then appeared.

Me: Up for another round I see Choushinseiki.

Choushinseiki: Yep.

Me: Awesome.

Choushinseiki: (to Poromon) Don't think I forgot how you made me drink beer!

Poromon: You had it coming!

Qin was REALLY Tearing Lord High Executioner apart.

Lola: That was still funny though.

We got the battles underway.

Tony Jones: Yeah no kidding and he was really ugly!

Pinkie Pie: Lucy told us about him and he was a big time party pooper!

Slayer, the vengeful heretic and enemy of The Pantheon of The Gods.

Thor: Desak, I should've guessed you've returned.

Desak: To destroy you and all of Team Loud Phoenix Storm, all the Pantheons of the Gods must die!

Ophelia Ouroboros: Not going to happen, you vengeful heretic!

Suddenly, Ophelia Ouroboros' orange eyes turned neon orange, and she was surrounded by a golden yellow and orange energy aura with stars, light, bronze, snakes, phoenixes, and angels, she unholstered her massive Ouroboros the Bronze-themed greatsword from her back, and as she approached Desak the God-Slayer, she left yellow and orange energy, stars, light, bronze, snakes, phoenixes, and angels with every step.

Ophelia Ouroboros: You make me sick to no end, Desak, just like Gorr, all you are is nothing more than a vengeful heretic driven by only one thing: revenge and hatred towards the Gods. You lack remorse nor empathy for the destruction you've caused and for those that'd fallen to you in the past, all of your crimes have gone unpunished for far too long, and now, you will pay the ultimate price for them… with your life.

Suddenly, Ophelia Ouroboros was surrounded by a massive vortex of yellow and orange energy with stars, light, and bronze surrounding the vortex, there are snakes, phoenixes, angels, and Ouroboros the Bronze flying around the vortex, and in the vortex is a golden yellow phoenix with red eyes glaring at Desak the God-Slayer: the red eyes of death. Then, as the vortex faded, Ophelia Ouroboros emerged, but she was changed forever.

Ophelia Ouroboros grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large orange orbs orbiting around her legs, she has the body of a goddess, she has golden yellow highlights in the bangs of her long orange hair and orange bow and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and golden yellow energy aura with stars, light, bronze, snakes, phoenixes, and angels surrounding her, she has Ouroboros the Bronze with the alchemical symbol of bronze emblazoned on her forehead and Third Eye with red iris, she has on snake earrings with orange gems for eyes and holding the Star, Light, Bronze, and Eternity Kanjis in its body, she also has Ouroboros the Bronze with red gems for eyes and holding the Star, Light, Bronze, and Eternity Kanjis in its body for the second pendant on the bottom of her orange snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Ophelia Ouroboros has on a short-sleeved yellow blouse, sleeveless orange top, orange skirt with the alchemical symbol of bronze on it, orange knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, light, bronze, snakes, phoenixes, and angels on the coattails, and on the back is Ouroboros the Bronze and it's surrounded by light. Suddenly, Ophelia Ouroboros felt a sharp pain on her back, and then, her massive golden yellow angel wings with orange tips on the large brown feathers grew much bigger for her new body and she also now has eleven massive and long orange wolf tails with golden yellow tips and golden yellow markings, Ophelia Ouroboros has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Ophelia Ouroboros' massive Ouroboros the Bronze-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and golden yellow energy, stars, light, bronze, snakes, phoenixes, and angels, and when it emerged, it was transformed into Ophelia Ouroboros' Eternal Alchemical Alchemy Beast Solar Light Ouroboros the Bronze Alchemy Angel Light Phoenix Angel Greatsword of Eternal Alchemical Alchemy Beast Solar Light Ouroboros the Bronze Alchemy Angel Light Phoenix Angel Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Ouroboros the Bronze etched on the 7'6" massive, wide, double-edged orange blade, large orange snake heads for the crossguard, large white angel faces built into both sides of the hilt and large golden yellow gems embedded in their foreheads, longer midnight black handle, four large orange snake heads with golden yellow gems for eyes and on the bottom of the large snake heads is a large orange snake head with golden yellow gems for eyes and yellow gem in its mouth for the pommel, Ophelia Ouroboros has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Ouroboros the Bronze's head with yellow gems for eyes and large yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Ouroboros the Bronze that said, "Ophelia Ouroboros, Gene-Slammer of Ouroboros the Bronze, Master of The Powers of Light and Bronze, Alchemical Angel of Light and Bronze, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Archenemy of Mole Demon, Destroyer of Desak the God-Slayer, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Bronze, Stars, Phoenixes, Angels, and Snakes"

Suddenly, Ophelia Ouroboros' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Ophelia Ouroboros has transformed into SUPER ANGEL-OUROBOROS THE BRONZE-SNAKE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ALCHEMICAL SOLAR LIGHT BRONZE OUROBOROS THE BRONZE OUROBOROS PHOENIX ANGEL OF DIVINE COSMIC ALCHEMICAL SOLAR LIGHT BRONZE OUROBOROS THE BRONZE OUROBOROS PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ALCHEMICAL SOLAR LIGHT BRONZE OUROBOROS THE BRONZE OUROBOROS PHOENIX ANGEL LOVE!

We were really amazed by Ophelia Ouroboros' Super Angel-Ouroboros the Bronze-Snake-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Desak the God-Slayer saw it, he fell into a rage and ran at her and Lincoln to kill them, but Lincoln and Ophelia Ouroboros dodged his attack, and Ophelia Ouroboros fired a massive barrage of orange and golden yellow energy, stars, light, bronze, snakes, phoenixes, and angels, which hit Desak the God-Slayer and exploded and he was knocked down, he got back up, but now, he was even angrier than ever.

Olivia Orrovia: WHOA!

Rosa Laurence: That's amazing, Ophelia Ouroboros' transformed.

Lincoln: That's right, Ophelia Ouroboros has transformed into her Super Angel-Ouroboros the Bronze-Snake-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to General Rilldo for good.

Ophelia Ouroboros: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Solar Light Alchemical Bronze Light Ouroboros the Bronze Snake Phoenix Angel and Divine Cosmic Eternal Solar Light Alchemical Bronze Light Ouroboros the Bronze Snake Phoenix Love) He will pay for everything that he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ophelia Ouroboros.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Desak. The lives of all the Gods that you've slain over the years will be avenged here and now!

Ophelia Ouroboros and Lincoln went after Desak the God-Slayer, and they fired extremely powerful blasts of rainbow energy, orange and golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Desak the God-Slayer and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Ophelia Ouroboros also attacked them with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Desak the God-Slayer even more madder with rage.

Desak the God-Slayer: YOU! YOU! I WILL KILL YOU ALL!

Desak charged right at them with uncontrollable fiery rage and wrath in his black heart, but Ophelia Ouroboros fired a powerful energy blast at him which hit him hard and he got knocked down, and then, Lincoln turned the tip of one of his tails into Cell's stinger which opened up into a large sucker, and then, he latched it onto Desak's head. Then, Lincoln sucked him into his body, and Lincoln began absorbing Desak, and in the process, he was also assimilating his Superhuman physiology, Divine energy manipulation, Power negation, Energy resistance, Flight, and Divine slaying as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, an energy card with Desak's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Ophelia Ouroboros and Lincoln did as they holstered their massive greatswords and powered down and Ophelia Ouroboros' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive golden yellow angel wings are permanent.

Ophelia Ouroboros: This is for all the lives of the Gods who fell victim to you. Thanks for helping me destroy Desak the God-Slayer for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Ophelia.

Suddenly, Ophelia Ouroboros wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ophelia Ouroboros' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ouroboros the Bronze flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lights shining on them and we cheered wildly. Then, Lincoln and Ophelia Ouroboros sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and in the end, Desak paid the price for his crimes just like Gorr the God-Butcher, and I also made his power and his Amulet of Power mine as well.

Me: Now, the most dangerous heretics and enemies of The Gods are gone for good. So, Lincoln, who's the next group of Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one: Gene-Slammers for the Seeker Armada.

Nico: Whoa!

Selene Salamandra: And there's only group of girls who'd be Gene-Slammed into The Seeker Armada: The Alucard Sisters.

Eli: Who are they?

Selene Emperyous: You'll love meeting them, Eli, and so will the rest of the team, they are Alicia Alucard, the Obsidian Gene-Slammer, Beatrice Alucard, the Cyclonus Gene-Slammer, Clara Alucard, the Dreadwing Gene-Slammer, Denisa Alucard, the Ramjet Gene-Slammer, Elvira Alucard, the Thrust Gene-Slammer, Felicia Alucard, the Dirge Gene-Slammer, Mara Alucard, the Sunstorm Gene-Slammer, Nadia Alucard, the Nova Storm Gene-Slammer, Olga Alucard, the Acid Storm Gene-Slammer, Paula Alucard, the Ion Storm Gene-Slammer, and Silvia Alucard, the Spinister Gene-Slammer, they are Lincoln's Guardian Angels from Romania and classmates in English, and like their sister, Rachel Alucard, they're beautiful and sophisticated yet deadly vampires and they're also goths, The Alucard Sisters are also masters of all sorts of magic. They, Rachel, and Lincoln would love to dance during Halloween night.

Nico: Awesome.

Michelle Emperyous: Each Alucard Sister has on black shirt and skirt with black boots, but they have different hair color. Alicia has red, Beatrice has orange, Clara has pink, Denisa has chestnut brown, Elvira has black, Felicia has violet, Mara has green, Nadia has indigo, Olga has white, Paula has blue and Silvia has gold hair. During the Halloween dance, each of the Alucard sisters and Rachel kissed Lincoln on the lips. As a result, Lincoln promised that he comes of age, he will marry Rachel and her sisters along with the rest of his harem, and they hate The Wet Bandits with a blazing passion.

Eli: Oh great, what did Marv and Harry do that time?

Laney Emperyous: Because they tried to steal from the Alucard Sisters' house, but before they could even get close to the door, Lincoln, Rachel, and the Alucard Sisters made illusions based on Ghouls n Ghosts series monsters appear before them, and The Wet Bandits ran away screaming like little girls.

We laughed.

Me: Serves those brainless boobs right!

Nico: Uh oh, if those brainless boobs find out they're coming back, that's bound to get on their nerves again!

exion: That's it for the Executioner.

Number 7: Keeping his axe would be beneficial.

Scorpion: It sure would.

Johnny 13: Wanna celebrate with a date, Kitty?

Kitty: I sure would, Johnny!

Me: Good idea.

Qin: At least I'm free of him.

Nico: Good riddance. Great job today everyone.

Qin: (To the viewers) I'm free of my nightmare forever.

Me: Yep.

We went to Wing King.

---

Meanwhipe Slappy was enraged.

Werewolf of Fever Swamp: Shall I deal with them next, Master?

Slappy: No. Not yet. I have a special day for you.

Bob Roth: Special Day? What are you talking about?

Slappy: Oh you'll see.

Me: I wonder how Crystal is doing.

Qin: Boy its been a while since we saw her.

Lola: I hope she hasn't been turned into a chicken again.

Me: If she has that would be awesome if she was laying man eggs.

WE LAUGHED!

Eli: (LAUGHS) That was funny!

Luan: (LAUGHS) Yeah.

Eddy: (LAUGHS) That would be funny if Lumpy was hugging her.

Xenia: Yep.

Connor: Yeah no kidding.

Nico: Connor, I want to thank you, Beetle, and your teams for coming.

Connor: No problem Nico. This will be fun.

Lola: Yeah it sure will.

Mike: I'm really excited for this.

Nico: Mike, I think you and Beast Boy have a lot in common

Mike: Do we really?

Nico: Yep you sure do. And that is so cool.

Mike: I'm truly honored you think so.

Qin: That is awesome.

Lola: Yeah.

Izzy (Dino Fury): It sure is cool.

Me: Yeah.

Sena (Kiramagers): That is awesome.

Nico: Think about it. You have similar personalities, you have the same color, and you like blonde girls. Yeah, I've seen how you look at Emily

Mike: (LAUGHS) Like how Beast Boy thought of Tara. Yep.

Me: Definitely so much like Beast Boy.

Lola: Yeah.

Mike: (LAUGHS) Yeah that is too true.

Nico: I agree. Boy Qin you were really awesome yesterday. You finally destroyed the very monster that plagued you.

Qin: Yeah I sure did! That was so epic.

Lola: Boy you let loose the fires of hell on him!

Qin: I sure did and that was cool.

Nico: You even went Scalebreath.

Qin: I sure did.

Me: And you exploded out in intense fury like how I did against Xaviax and Trakeena.

Qin: Boy that was an amazing rush of power! Wow! I didn't think I could do that!

Me: We all can do that we just got to reach deep down inside and unleash that power.

Xenia: Yep.

Lola: That is true.

Juran: Poromon didn't even have to ram him with his car

Nico: Thank goodness.

Me: We didn't want him to dent his new car.

Qin: Yeah.

Maria: Poromon got drunk big time when we got home.

Nico: Smart thinking. Drinking while driving is illegal.

Me: Yeah no kidding.

Xenia: But that was a great battle.

Qin: Yep and me, Haiku, Brittney, Lucy, Nokama and Cassidy did great.

Nico: You sure did.

Me: I'm proud of you guys.

Cassidy: Thanks J.D. It sure was fun.

Nico: I can't believe Poromon was arguing with the DMV lady.

Me: I know. Boy that lady was worse than Patty & Selma.

Xenia: Yeah I can tell that she hates her job.

Lola: No kidding.

Camie: I know. She needs a better job with higher pay.

Lola: Yeah.

Me: I agree there

We arrived at the farm.

Me: Wow.

Applejack: Boy the farm is doing great.

Me: I remember the last time we were here. It was last year I think.

Nico: Yep it was June 12th last year.

Me: Okay I wasn't sure.

Nico: No worries.

Applejack: Boy howdy this farm is doing really well since we were here.

Apple Bloom: Crystal sure has a great farm.

Eddy: Let's call Ed here.

Me: Good idea.

We laughed!

We did so.

Ed came.

Ed: Hi guys!

Leni: Hey Ed bear!

Ed: Hey Leni Tot.

Me: Cute names.

Lola: Yeah.

We then saw Crystal and she was working with the chickens and she was getting eggs from them and we saw that she had the body and legs of a chicken! And her upper body was there too and she was now a CHICKEN-TAUR!

Me: WHOA!

Crystal: Hey guys! (CLUCKS)

Me: Hiya Crystal! Been a while.

Crystal: Boy it sure has.

Nico: So, still have that chicken body, huh?

Crystal: Yep. Like I told you guys I don't mind being like this. It makes me lay breakfast for everyone.

Me: That is true.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

He went over and hugged a bunch of chickens.

Crystal: All the chickens haven't been laying eggs lately. (CLUCKS) I don't know why.

Me: I think I know why. They don't have any vitamins.

I pulled out a can of spinach.

Me: Popeye taught me this one. Watch.

I gave some of the chickens some spinach and they ate it and swallowed it.

BANGBANGBANG BANG BANG BANG BANG BANG BANG BANG BOOM!

They then laid MASSIVE PILES OF EGGS!

Crystal: WOW! And you learned that trick from Popeye?

Me: Yep. I even saw it on one of his cartoons.

Nico: You won't even let me revert you back to normal? (about to snap his fingers)

I stopped him.

Me: Nico if she says she wants to stay that when then we won't stop her. Besides the chickens don't mind. (LAUGHS) And neither does Ed.

We laughed!

Leni: (LAUGHS) That is true.

Crystal: Yep.

Ed hugged Crystal.

Ed: (LAUGHS) I LOVE CHICKENS EDDY!

WE LAUGHED!

Nico: (LAUGHS)

Leni: (LAUGHS) That is funny Ed.

Ed: Aw Leni you know my love of Chickens can never come in between me and you.

Leni: Aww Ed.

Me: Yeah.

Crystal: Let me try some spinach there.

Me: Okay then.

I gave her a can and she opened it and ate the spinach and swallowed.

Crystal: Blech.

But then…

BOOM BOOM BOOM BOOM BOOMBANGBANGBANGBANGBANG! KRABOOM!

She then felt something and then she laid A MASSIVE PILE OF EGGS THAT WERE MORE THAN ENOUGH TO MAKE THE largest ever omelette in the world! And the eggs were as big as ostrich eggs!

Crystal: WHOA! Look at that!

Qin: WOW! That's a lot of eggs!

Crystal: Boy no kidding there.

Me: At least you won't be going hungry anytime soon.

WE LAUGHED!

Xenia: Yeah.

Crystal: I heard Poromon got into an argument with a DMV Lady.

Me: Boy news sure traveled fast.

Crystal: Yeah it sure did.

Me: Yeah Poromon did that.

Nico: That's all you heard from yesterday? Don't forget the important part.

Crystal: (Clucks) Well it's not just that. I heard about Poromon getting his license as well as you guys battling the monsters from the Goosebumps books that Slappy Brought back.

Me: Yep. We have been taking them down one by one and making them extinct.

Nico: That is true.

Qin: Yep. Long stories on those but so far this is Day 14 of them.

Nico: Okay, maybe he'll still get drunk at a bar. But not on the road.

Me: Yeah.

Crystal: Cool.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Crystal that Dark Crystal is back, and Crystal this time now has a chicken body for legs and she lays man eggs as you all know and have seen.

We gasped.

Crystal: That rude version of me!? Oh man!

Nico: Uh oh, Dark Crystal made Vanessa angry again, and caused Crystal to get cursed once more.

Crystal: That's right!

Lola: This is just like what happened to Timmy's dad when he got exposed the decomposing magic surrounding the loads of garbage Cosmo poofed away and it wound up underneath the house, but he wound up with ostrich legs, it was nuts!

Me: That is weird for Timmy's Dad.

Nico: Yeah.

Me: Not good. Which means we need to get rid of Dark Crystal once and for all before she does more damage.

Qin: That's for sure. Now, we got to find Dark Crystal before she does something else to get Crystal in even more trouble, and gets hit with an even worse curse.

Lincoln: Yeah, we want to avoid that. (Sensed for Dark Crystal) AHA! Gotcha! I've just picked up on Dark Crystal, she's 20 yards away and Crystal is going to be after her and she is going throwing man eggs that she laid at her.

Crystal: Don't worry. I would never start without you guys.

Lincoln: She going to try stopping her from trying to vandalize some nearby buildings. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Crystal: (Sniffs) EW! Flip is one disgusting freak!

Qin: No kidding!

Crystal: But this curse isn't that bad.

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Crystal: Awesome Lincoln! (CROWS LIKE A ROOSTER!)

Lincoln: Let's give Crystal an additional hand, I've got something so much worse to throw at Dark Crystal.

Me: You got it.

Connor: DINO THUNDER! POWER UP! HA!

Mack: Overdrive Accelerate!

Soji: Henshin!

Takumi: Henshin!

Mike: GO GO SAMURAI!

Izzy: LINK TO MORPHIN GRID!

Sena: KIRAMAI CHANGE!

Xander: MAGICAL SOURCE! MYSTIC FORCE!

Trip: TIME FOR TIME FORCE!

They turned into their ranger forms and rider forms too!

Nico: Oh yeah! Lets go get her!

Maria: Now, if I was an evil half chicken, where would I hide?

Eli: I sense her that way.

He pointed to a garden with a scarecrow that had crows on it.

Nico: Lets go.

Suddenly, waves of magic, stars, and elemental forces appeared from nowhere and Dark Crystal was attacked by waves of magic, stars, and elemental forces, and then, she was suddenly hit hard with bombs of honey and feathers. Then, the waves of magic and elemental forces converged, and they exploded as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Me: Nice one, Lincoln, you made her look like a chicken.

Qin: This is one chicken Ed would not hug at all.

Lincoln: She's rotten and black-hearted.

Ed: This is one chicken that I would not hug at all!

WE LAUGHED!

Dark Crystal was REALLY PISSED NOW!

Nico threw eggs at her.

SPLAT SPLAT SPLAT SPLAT!

Me: How about these eggs instead. (SPINS MAGISWORD BRACELET)

GIANT EGG MAGISWORD!

Nico: Now you're talking!

We got out Giant Egg Magiswords!

GUNS CLICK!

Me: FIRE AND SPLAT!

WE FIRED A MASSIVE BARRAGE OF HUGE EGGS!

MASSIVE NUMBERS OF HUGE SPLATS!

WHAT A MESS!

Edzilla: ED SMASH BAD CRYSTAL!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

He threw her into a hay pile!

I dove in after her and smashed her all over and smashed her towards the ground.

Me: YEAH! That will show her. OW! What the?

I saw that I had a sewing needle stabbed into my arm.

Me: Well I'll be! A REAL Needle in a haystack.

I pulled it out.

POINK!

Me: OUCH! A sewing needle. Who knew.

I came back.

Nico: How'd that get there?

Me: I have no idea. But that's one of the oldest known sayings, Finding a needle in a haystack. But it's a literal thing.

Crystal: How crazy.

I put the needle in a special case for later.

I fired eggs and blasted Dark Crystal all over.

Me: Hey I have an idea. Crystal fire an egg into the air.

Crystal: Why?

Me: Watch.

She fired an egg into the air.

GOLDEN STATUE MAGISWORD!

I fired a blast of energy and it hit the egg and turned it into a solid 24K Gold egg and then it smashed Dark Crystal on her head and it hurt!

Me: Now that's what I call Laying The Golden Egg!

RIMSHOT!

WE LAUGHED HYSTERICALLY!

Luan: (LAUGHS) THAT WAS A GOOD ONE!

Eddy: (LAUGHS) That was funny!

Edzilla grabbed her by the throat.

He smashed him all over the place!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Qin: YEAH!

Eddy: GET HER LUMPY!

Ed smashed her all over!

Nico: You've got some damn nerve coming back, Dark Crystal, and on top of that, you've caused Crystal more trouble by angering Vanessa again!

Dark Crystal: She's just a creepy witch, and I won't stop until Crystal's turned into a chicken, and once I kill that witch, she'll never be free of the curse again!

Lincoln: I think we've heard just about enough of you, you troublemaker!

Lola: Angering Vanessa and framing Crystal for it?! Forget heading to the slammer, sister!

Plant Lola: That's right, you're heading for somewhere much much worse.

Qin: Yeah!

Edzilla roared in her face.

Dark Crystal: Your breath smells like a garbage dump!

Eddy: WHY YOU LITTLE!

Eddy jumped on Dark Crystal and bashed and pulverized her all over!

Lola: YEAH!

Plant Lola: Hey you know what smells worse than Ed's feet?

Dark Crystal got up.

Dark Crystal: WHAT!?

Plant Lola: STINKWEED!

LOUD FART!

She fired flowers of stinkweed and blasted her all over and she smelled like shit!

Nico punched her in the face.

KRABLAM!

He knocked her beak clear off her face!

Me: Lets see. (Looks through a recipe book) Roasted Chicken covered in Buttermilk Chicken Gravy with braised carrots. (SLURPS) That sounds tasty. Ooh here's a good one we can turn her into. Carolina fried chicken with barbecue sauce and garlic stuffing. (SLURPS) Delicious.

Nico: Just pick one!

Me: Okay okay okay. Bugs Bunny taught me this. Hmm. (Scrolls) Ooh! Here's a good one! Kansas City Smoked Chicken of 7 Flavors of Barbecue Sauces.

Nico: (DROOLS) That looks tasty!

Laney: (DROOLS) That is awesome!

Me: Lets do it!

Suddenly, Plant Lola's forest green eyes turned neon green and she was surrounded by a forest green energy aura with stars, leaves, plants, flowers, animals, phoenixes, and angels, she unholstered her massive Plant Lola's Agricultural Plant Beauty Greatsword of Agricultural Justice from her back, and as she approached Dark Crystal, she left forest green energy, stars, leaves, plants, flowers, animals, phoenixes, and angels with every step.

Plant Lola: I can't stand you, you're as cold as ice, Dark Crystal. All you ever care about is causing mayhem and getting Crystal in trouble, and because of what you did in angering Vanessa, she wound up getting chicken legs as a result. You really are a disgusting filthy piece of trash, and for that, you need to be taken down and destroyed for good.

Suddenly, Plant Lola was surrounded by a massive vortex of green energy with stars, leaves, plants, and flowers surrounding the vortex, there are animals, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Dark Crystal: the red eyes of death. Then, as soon as the vortex faded, Plant Lola emerged, but she was changed forever.

ANGEL LOVE!

We were amazed by Plant Lola's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Dark Crystal saw it, she went mad with rage and ran at Plant Lola with hedge clippers to cut her head off, but Lola fired rainbow fire and melted the clippers and Plant Lola fired a massive barrage of forest green energy, stars, plants, leaves, flowers, phoenixes, and angels which hit Dark Crystal and sent her flying into a tree Lincoln formed, she got back up, but boy was she rip-snorting mad now!

Papi: Now, you're really going to get it.

Lola: She's lucky the rest of her family didn't find out, otherwise, she would be in for one L-Emental Beatdown.

Suddenly, the rest of The L-Emental Siblings appeared, and boy were they pissed off.

Air Lincoln: (GROWLS) HOW DARE YOU TRY TO CUT MY LITTLE SISTER'S HEAD OFF!

Suddenly, the winds were really blowing like crazy!

Me and Nico: Uh… oh!

Lincoln: This is bound to get ugly. Papi, you better transform quickly before The L-Ementals go after Dark Crystal themselves.

Papi: Right.

Suddenly, Papi's orange eyes turned neon orange and she was surrounded by a sky blue energy aura with stars, winds, harpies, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Dark Crystal, she left sky blue energy, stars, winds, harpies, phoenixes, and angels with every step.

But, when Dark Crystal saw it, she fell into an even darker rage and ran at her to kill her, but Papi fired a massive barrage of blue energy, stars, winds, harpies, phoenixes, and angels which hit Dark Crystal and exploded with incredible power as she was sent flying into a tree by the winds, she got back up, but now, she was beyond pissed off.

Me: You're going to be nothing more than ashes after we get through with you, you troublemaker! And Lincoln, you can definitely eat her, she tastes like chicken!

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Me: I hope she doesn't taste like raw sewage and bat guano!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose and causing trouble, you troublemaker, now we're going to make absolutely sure that you never ever return again!

Lincoln, Plant Lola, Papi, and I went after Mr. Mortman and we fired extremely powerful blasts of rainbow energy, forest green energy, light blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Crystal and they exploded with incredible power as they hit her.

Then, we attacked her with our massive greatswords leaving scars on her and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Plant Lola, Papi, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Dark Crystal insane and straight to the brink of insanity.

Suddenly, the rest of The L-Ementals piled on and they brutally clobbered Dark Crystal badly in a very ferocious fight cloud, and they got off of her, and she was badly mangled.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (ECHOING VOICE) GRAND CROSS!

Lincoln fired ten super-heated spheres of light arranged in a cruciform syzygy which hit Dark Crystal and she got burned badly.

I fired a blade of energy and slashed her head off and then banished her to the black gates. Then we got to cooking.

Everyone cheered as Lincoln, Plant Lola, Papi, and I holstered our massive greatswords on our backs and powered down, and Plant Lola's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent, and Papi's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long light blue wolf tails, and massive light blue angel wings and blue bird wings are permanent.

Nico: Damn, now that was really gruesome.

Me: Very.

Lincoln: And you were wrong, J.D.: she tasted like grilled steak.

Nico: That was because you used Lucemon's Grand Cross and grilled her until she was charred. But, that was so awesome, say, next time, you should also use Seraphimon's Strike of The Seven Stars on the next villain Slappy brings back.

Me: Hey, yeah, and we could get an opportunity to see you use the attacks of The Digimon, Lincoln.

Lincoln: Good idea.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Lincoln: Whoa, what on earth just happened?

Luna: You just got another muscle mass and strength increase after you ate Dark Crystal, dude, and you said she tasted like grilled steak, and you know what happens when you eat grilled steak, spinach, and many other foods.

Lincoln: Oh, yeah I haven't forgotten about that: one of the effects of my hyperpuberty is converting the food I devour into energy and protein for my body, and it's also given me a massive muscle mass and strength increase as well.

Me: And I still remembered this one time that you've eaten tons of grilled steaks and spinach in the past as well.

Nico: He did what?! Damn, you've got one big appetite just like mine and the Saiyans, Lincoln.

Anna Anyanova: Hey, he has to maintain that physique of his, not just with exercise and bathing in cement, but also, eating a lot of food as well and absorbing tons of powerful villains, supernatural demons, mythological evil creatures, and evil humans as well.

We were smoking her and she was really cooking well.

Nico: Ah. I just love chicken.

Me: Me too. Crystal sorry you have to see this.

Crystal: No worries. (Clucks) I knew it was coming for her.

Me: Yep. But now her Goose is Cooked! (LAUGHS)

It was ready and we covered her in 7 flavors of sauces. Carolina, Chile Garlic, Hickory, Jalapeño, Mango, Jack Daniels and Maple Bacon.

We later got to eating her.

Me: (EATING A LEG) Mmm! Mmm! Delicious!

Nico: (Eating wings) Mmm! Yummy!

Laney ate chicken thighs.

Nico: Can't let the corpse go to waste after all.

Me: Nope. Especially if she is a villain we can eat.

Xenia: Yep.

And she was a really good meal.

She was later reduced to a skeleton and bones.

Me: Man that was great.

Laney: Mmm! (BELCH) Oh excuse me.

Nico: No worries.

Eli: That was awesome.

Crystal: Boy you guys sure know how to make great food.

Nico: We sure do.

Qin: Yep.

Crystal: That was awesome though and those puns you all did were great.

Me: Thanks.

Lola: Yeah those were funny.

Nico: Yep. Now time for the Anothers.

Eli: Lets see who we got. (Concentrates) Whoa! We got a lot of them. Qin: Nice.

Lola: Yep.

Me: Just as awesome and badass.

Nico: I agree!

Another Zamigo: (In a girls voice) I think they are badass too!

Lincoln: Connie Crait! Wow!

A Vulptex came.

Me: Cool a Vulptex.

Lana: Aww.

Lincoln: Fenstrike awesome to see you again.

She licked Lincoln.

They merged and she reverted back to a girl with silver hair, red eyes, silver clothes and had crystal angel wings.

Connie Crait: Awesome to see you again Lincoln and Fenstrike remembers you.

Lincoln: She sure does.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Connie Crait, Keyblade Knight of Crait, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Crait, and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Crait, and she witnessed the Jedi Knights' battles against The Sith, and she and her Vulptex friend, Fenstrike, helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of light.

Me: Wow! The Keyblade Knight of the Planet Crait. Boy we were there for Star Wars Day earlier this year and we faced Kylo Ren and had him put into the M.O.E.

Xenia: Yeah.

Connie Crait: That's what I heard.

Me: That was an awesome battle.

Qin: It sure was.

Me: Kylo Ren put up one helluva fight. But what REALLY Infuriates me is that he killed his own father Han in cold blood!

Eli: Yeah no kidding! What a monster.

Juran: Is Fenstrike a Pokémon?

Me: No Fenstrike is a Vulptex. They are creatures native to the planet Crait.

Nico: Yep.

Connie Crait: Yep. Fenstrike is my friend and she and I have been through a lot.

Lincoln: It's true.

Juran: Oh! That is cool.

Me: Yep. By the way is the Another Beetle friendly or hostile?

Connie Crait: Friendly and she is a powerful fan of Lord of The Rings.

Me: Whoa!

Xenia: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers.

Nico: This is gonna be good!

We fired waves of energy and elements and blasted the anothers all over and I caught the Wonder Ride Books and even the blasters of Zamigo too.

Me: Awesome! May you would be perfect for these.

I gave them to her.

May: Thanks J.D.

Me: You're welcome.

Eli: Yep. Now for Another Beetle.

Qin: Yep.

Connie Crait: That was fun though and I saw you guys destroy that bad chicken. That was funny and the smell she had was REALLY delicious when you cooked her.

Qin: Yep. It was tasty.

Nico: And now, we wait.

Qin: Yep.

Nico: We still have some

Connie Crait: Awesome.

Laney got her some.

Connie Crait: Thanks Laney.

Laney: You're welcome.

Me: Here she comes!

We saw a figure and it was Another Beetle!

Me: Whoa! This one is gonna be cool.

Qin: Yep.

Another Beetle: (In a girls voice) This is gonna be fun.

Me: (GASP) That voice!

She reverted back and was a girl with dark blue hair and blue clothes and had fire angel wings and she had a tiara with the symbol of the Meteor Dopant on it and the same symbol on her skirt and around her right hand ring finger was Narya the Ring of Fire and she had a black flame sword in her hands.

Me: Melody Meteor! Whoa!

Nico: Wow!

Melody Meteor: Awesome to see you again J.D.

Me: Same here. Melody is the Embodiment of the Meteor Dopant and she has amazing fire, lightning and star powers and as you can see she has Narya the Ring of Fire on because she is a huge super fan of The Lord of The Rings and she loves the books and the movies.

Nico: That is cool!

Melody Meteor: Yep. Loved those movies since I was a little girl.

Me: So awesome and amazing.

Beetle: Boy that is so awesome. I love those movies myself. Also you have powerful lightning powers like me too.

Melody Meteor: Yep.

(Evenstar Plays)

Melody Meteor: (Speaking in Elvish to me) I ber cin gar- an cín friends na- reallui polodren. Cin carrui a polodren mel an everyone in cín emel i baw evil tur- destroui. (The promise you have for your friends is really strong. You carry a strong love for everyone in your heart that no evil can destroy.)

Me: (Speaking in Elvish to Melody) I na- er nad im will carrui bo a mel an all anand. (That is one thing I will carry on and love for all time)

Nico: Wow.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (Gets out Gaim gear) Because we can grant it instead.

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Melody Meteor: No he didn't. An Eagle came and got me out of there before he came back.

Sakura Knudson: Wow! That explains what that huge Eagle was that I saw back then.

Nico: That is cool.

Me: Never saw that coming.

Sougo (gets out Wizard Ridewatch): What was that you were saying to JD?

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz (gets out Baron Ridewatch): Was it Latin?

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Melody Meteor: We were speaking in Elvish. I told J.D. that he has a powerful and strong love for everyone in his heart that no evil can destroy. And J.D. said that it's one thing he will love for all time.

Me: Yep.

Sougo: Wow! That is cool.

Me: Yep.

Lincoln: Let separate you first.

Lincoln fired a wave of energy and separated her and Melody fired a fireball blast and blasted the Another.

Nico: Taste the lightning. (ACTIVATES BEETLE AND KATZ'S RIDEWATCHES)

He fired waves of lightning and smashed the Another Down.

May: And this! (ACTIVATES EVAN & MILES AND YODO'S RIDEWATCHES)

She fired a blast of lightning and blasted them down.

Maria: MY WHAT A GUY! NICO! (ACTIVATES LEFOU AND HELLHOUND'S RIDEWATCHES)

She fired a blast of energy and smashed him down.

Nico: (LAUGHS) Thanks Maria!

Mike: Love that song. (ACTIVATES KATZ'S RIDEWATCH)

He fired an energy blast and blasted the Another.

Then Gentleman Ghost, Pericles, DC, Mephisto, Undead Spell Punk and the 3 Multiviolas came.

Nico: Nice team Gentleman Ghost.

Gentleman Ghost: Indeed Nico. This will be most amazing.

Me: Yeah.

?: I'll say!

A Gravity Man came.

Me: Gravity Man! Wow.

Gravity Man: (In a girls voice) This will be one that defies gravity.

Nico: Greta Gravity! Wow!

She fired a blast of gravity and smashed down Another Beetle and I caught the Ridewatch and purified it.

Me: Awesome!

Greta Gravity: Yeah! And yes I am naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Greta Gravity: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and then she double over in pain and then threw up and then May went flying into the air and then she came back down screaming and then…

KRABLAM!

She hit the ground with the force of a meteor impact and was brutally mangled up! OUCH! There was a human shaped hole where she crashed.

Greta reverted back and was a girl with blue hair and red eye and had red angel wings and had a gravity symbol in the middle of her forehead.

Greta: (Groans) That hurt.

May got up and spit up teeth and blood.

Greta: (GASP) Oh my god! Sorry May!

May: I'm okay!

Me: Holy shit! May that REALLY must've hurt!

Greta: No kidding! (Sees herself) Oh man! I thought there was a draft! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her awesome purple clothes and she had a Gravity Barrette on and she looked awesome.

Greta: Wow! I look awesome.

Me: You sure do.

Mike: What's your favorite memory of Nico?

Greta: When me and Nico went into a warehouse full of criminal dirtbags and I used my gravity to squish them into pancakes.

Nico: That was funny.

Me: Nice.

Nico: Yep.

Nico and Greta hugged.

Nico: I've missed you.

Greta: Same here.

We later went back home.

Laney: (GASPS) The Demon Hound that haunts the Baskerville Estate?! Oh man!

Sherlock Hound: (British Accent) This is quite interesting to hear. Now, the question is what could The Hound of The Baskervilles be doing here 1,000 miles away from the grounds of The Baskerville Estate in England?

Me: That is a good question.

Nico: And one we intend to get the answer to.

Tyler Navarro: Hmm, and we're going to send it to The Masters of Evil, right?

Lincoln: That's right, and it'll be the archenemy of Elizabeth Lioncourt.

Elizabeth Lioncourt: That is perfect: Elemental HERO Necroshade VS. Demonic Hound of The Baskervilles.

Suddenly, we saw eleven girls head our way with long hair matching the colors of the rainbow, black shirts, black skirts, black knee-high boots, massive black angel wings, and long white sleeveless trenchcoats with elemental forces on the coattails and the Seeker Armada on the backs of the trenchcoats and holstered on their backs are massive greatswords, and with them are the four girls.

Sherlock Hound: (British Accent) Ah, the infamous Demon Hound of The Baskervilles itself. How I've been waiting for this.

Suddenly, Sherlock Hound's blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with blood red nebulae, stars, demonic darkness, demons, demon dogs, phoenixes, and angels surrounding him, he unholstered his massive Sherlock Hound's Demonic Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his back, and as he approached The Hound of The Baskervilles, he left black and blood red energy, blood red nebulae, stars, demons, demonic darkness, demon dogs, phoenixes, and angels with every step.

Sherlock Hound: (British Accent) I must say, I'm surprised to see that you've wandered off from the grounds of The Baskerville Estate and wound up here in Romania. But, either way, I'm afraid that I cannot allow you to run free again, you're going to be put away in a cage and sent to The Masters of Evil, and I'll make sure that you're kept under a strict watchful eye, Demon Hound of The Moors.

Suddenly, Sherlock Hound was surrounded by a massive vortex of black and blood red energy with red nebulae, stars, and demonic darkness surrounding the vortex, there are shadow demons, demon dogs, phoenixes, and angels around the vortex, and inside the vortex is a blood red phoenix with blood red eyes glaring at The Hound of The Baskervilles: the red eyes of eternal death.
